NAVIGATOR FINANCIAL CORPORATION  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2009

Fair Value of Financial Instruments

Financial instruments that are subject to fair value disclosure requirements are carried in the financial statements at an amount that approximates fair value and include cash and cash equivalents. Fair values are based on quoted market prices and assumptions concerning the amount and timing of estimated future cash flows and assumed discount rates reflecting varying degrees of perceived risk.

Comprehensive Income

Statement of Financial Accounting Standards (SFAS) No. 130, Reporting Comprehensive Income, establishes requirements for disclosure of comprehensive income that includes certain items previously not included in the statement of income, including unrealized gains and losses on available-for-sales securities and foreign currency translation adjustment among others. During the year ended December 31, 2009, the Company did not have any components of comprehensive income to report.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**NOTE B – NET CAPITAL REQUIREMENTS**

Pursuant to the net capital provisions of Rule 15c3-3 of the Securities and Exchange Act of 1934, the Company is required to maintain a minimum net capital, as defined under such provisions. Net capital and the related net capital ratio may fluctuate on a daily basis.

There were no material differences in the net amount reported as Net Capital in the audited Computation of Net Capital and the broker-dealer's corresponding unaudited Part IIA of the FOCUS report required under Rule 15c3-1.

**NOTE C – POSSESSION OR CONTROL REQUIREMENTS**

The Company does not have any possession or control of customer's funds or securities. There were no material inadequacies in the procedures followed in adhering to the exemptive provisions of SEC Rule 15c-3-3(k)(2)(i) by promptly transmitting all customer funds to the escrow agent who wires the funds to the Company's bank account.

**NOTE D - RELATED PARTY TRANSACTION**

The Company issued additional stock to cover operational expenses.
