INDEPENDENT AUDITORS' REPORT

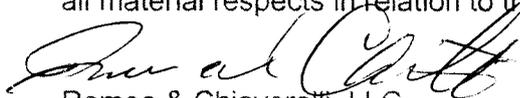

To the Board of Directors
BestVest Investments, LTD

We have audited the accompanying statement of financial condition of Best Vest Investments, LTD. as of December 31, 2009 and the related statement of income and expense, change in stockholders' equity and cash flows for the year then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Best Vest Investments, LTD as of December 31, 2009, and the results of its' operations, cash flows and changes in stockholders' equity for the year then ended in conformity with accounting principals generally accepted in the United States of America.

Our audit was made for the purpose of forming an opinion on the basic financial statements taken as a whole. The schedule of computation of net capital for the year ended December 31, 2009 is presented for purposes of additional analysis and is not a required part of the basic financial statements, but supplementary information required by Rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements for the year ended December 31, 2009 and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

BestVest Investments, LTD.
Notes to Financial Statements
December 31, 2009

NOTE 1 - BUSINESS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Company was incorporated in January 20, 1995 under the laws of the State of Michigan for the purpose of marketing and selling securities, municipal bonds and other financial instruments.

The following comprise the company's significant accounting policies:

Method of Accounting

The Company maintains its books of account on the basis of recording revenue when earned and expenses when incurred the accrual basis in conformity with generally accepted accounting principles.

Recognition of Revenue

Customers' securities transactions are recorded on a settlement date basis with related commission income and expenses recorded on a trade date basis.

Cash

For purposes of the statement of cash flows, the Company includes as cash amounts on deposit at banks. The Company considers all highly liquid debt instruments purchased with an original maturity of three months or less to be cash equivalents.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements. Estimates also affect the reported amounts of revenues and expense during the reported period. Actual results could differ from those estimates.

Accounting for Uncertainty in Income Taxes

Effective January 1, 2009, the Company adopted the provision of FASB Accounting Standards Codification 740-10 (formerly FIN 48) "Accounting for Uncertainty in Income Taxes" ("**ASC 740-10**"). ASC 740-10 Clarifies the accounting for uncertainty in income taxes recognized in an enterprise's financial statements by prescribing a recognition threshold and measurement attributes for the financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. ASC

740-10 also provides guidance on derecognition, classification, interest and penalties accounting for interim periods, disclosure and transition. It is the Company's policy to record interest and penalties related to uncertain income tax positions, if any, as a component of income tax expense. Prior to adopting ASC 740-10, the Company used the guidance in ASC 450 (formerly SFAS No. 5 "Accounting for Contingencies"). The adoption of ASC 740-10 had no effect on the financial statements of the Company.

As of December 31, 2009, the Company had no uncertain tax positions that would require recognition or disclosure in the financial statements. The Company files U.S. and Pennsylvania income tax returns. Returns for the years ended December 31, 2006 to 2009 remain open for audit.

NOTE 2 - NET CAPITAL REQUIREMENT

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. At December 31, 2009, the Company had a net capital of \$142,010 which was \$ 137,010 in excess of its required net capital of \$5,000. The Company's net capital ratio was .51 to 1.

NOTE 3 – CONCENTRATIONS OF CREDIT RISK AND OTHER MATTERS

The Company keeps its cash with high credit quality financial institutions. The account balances often exceed the FDIC insurance limit.

The Company clears its introduced transactions through another broker-dealer, which is highly capitalized, and a member of all major securities exchanges. Nonperformance by its clearing broker in fulfilling its contractual obligations pursuant to securities transactions may expose the Company to risk and potential loss.

NOTE 4 – FINANCIAL INSTRUMENTS WITH OFF-BALANCE SHEET CREDIT RISK

In the normal course of business, the Company's customer activities involve the execution, settlement and financing of various customer securities. These activities may expose the Company to off-balance sheet credit risk in the event the customer is unable to fulfill its contracted obligations. The Company is therefore exposed to risk of loss on these transactions in the event of a contra party being unable to meet the terms of their contracts which may require the Company to purchase or sell financial instruments at prevailing market price

BestVest Investments, LTD.

COMPUTATION FOR DETERMINATION OF RESERVE REQUIREMENTS
UNDER RULE 15c3-3 OF THE SECURITIES AND EXCHANGE COMMISSION

Year Ended December 31, 2009

BestVest Investments, LTD. claims an exemption from Rule 15c3-3 based on Section 15c3-3 (k) (2) (ii) who, as an introducing broker or dealer, clears all transactions with and for customers on a fully disclosed basis with a clearing broker or dealer, and who promptly transmits all customers funds and securities to the clearing broker or dealer which carries all of the accounts of such customers and maintains and preserves such books and records pertaining thereto pursuant to the requirements of Rules 17a-3 and 17a-4, as are customarily made and kept by the broker or dealer. The clearing brokers are RBC Dain Inc and Mesirow Financial.

Report on Internal Accounting Control Required by SEC Rule 17a-5

To the Board of Directors BestVest Investments, LTD.

In planning and performing our audit of the financial statements of BestVest Investments, LTD (the "Company") as of and for the year ended December 31, 2009 in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in rule 17a-5(g), in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making the quarterly securities examinations, counts, verifications and comparisons and recordation of differences required by rule 17a-13
2. Complying with the requirements for prompt payment for securities under Section 8 of the Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A *control deficiency* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A *significant deficiency* is a control deficiency, or combination of control deficiencies, that adversely affects the entity's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the entity's financial statements that is more than inconsequential will not be prevented or detected by the entity's internal control.

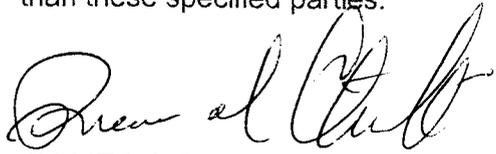

A *material weakness* is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the entity's internal control.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purpose in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at

December 31, 2009, to meet the SEC's objectives.

This report is intended solely for the information and use of the Member, the SEC, the Financial Industry Regulatory Authority, and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

Independent Accountant's Report on Applying Agreed-Upon Procedures Related to an Entity's SIPC Assessment Reconciliation

To The Board of Directors Bestvest Investments, Ltd.

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments to the Securities Investor Protection Corporation (SIPC) for the nine months Ended December 31, 2009, which were agreed to by Bestvest Investments, Ltd. and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc., and SIPC solely to assist you and the other specified parties in evaluating Bestvest Investments Ltd.'s compliance with the applicable instructions of the Transitional Assessment Report (Form SIPC-7T). Bestvest Investments, Ltd.'s management is responsible for Bestvest Investments, Ltd.'s compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7T with respective cash disbursement records entries noting no differences;
2. Compared the amounts reported on the audited Form X-17A-5 for the nine months ended December 31, 2009, as applicable, with the amounts reported in Form SIPC-7T for the nine months ended December 31, 2009, noting no differences;
3. Compared any adjustments reported in Form SIPC-7T with supporting schedules and working papers noting no differences; and

4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7T and in the related schedules and working papers supporting the adjustments noting no differences.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
