### REPORT OF INDEPENDENT REGISTERED CERTIFIED PUBLIC ACCOUNTING FIRM

To the Board of Directors  
Galt Financial Group, Inc.  
Westlake Village, California

We have audited the accompanying statement of financial condition of Galt Financial Group, Inc. (a subchapter S corporation) (the Company) as of December 31, 2009 and the related statements of operations, changes in stockholders' equity, and cash flows for the year then ended that you are filing pursuant to Rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to in the first paragraph present fairly, in all material respects, the financial position of Galt Financial Group, Inc. as of December 31, 2009, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our Audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained on pages 9-10 is presented for the purpose of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in related to the basic financial statements taken as a whole.

**NOTES TO FINANCIAL STATEMENTS**  
For the Year Ended December 31, 2009

**NOTE 1 -Organization**

Galt Financial Group, Inc. (the "Company") is a California corporation incorporated on May 26, 2007. The Company became a registered broker-dealer in securities under the Securities Exchange Act of 1934, on September 29, 2008. The Company is a member of the Financial Industry Regulatory Authority ("FINRA"), and the Securities Investor Protection Corporation ("SIPC"). The Company conducts business on a fully disclosed basis whereby the execution and clearance of trades are handled by another broker/dealer. The Company does not hold customer funds and/or securities.

The Company is allowed to engage in the following types of business: (1) mutual fund retailer, (2) broker or dealer selling variable life insurance or annuities, (3) broker or dealer selling tax shelters or limited partnerships in primary distributions, (4) real estate investment trusts, (5) private placements of securities. The company derives revenue primarily from the sale of mutual funds and variable life insurance and annuities.

The Company is a wholly-owned subsidiary of HSH Financial, Inc. ("Parent")

**NOTE 2 -Summary of Significant Accounting Policies**

Use of Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements, as well as the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

S-Corp election

The Company, with the consent of its Stockholder, has elected to be a qualified subchapter S Corporation and, accordingly, has its income taxed under Sections 1361-1379 of the Internal Revenue Code. Subchapter S of the Code provides that the Stockholder, rather than the Company, are subject to tax on the Company's taxable income. Therefore, no provision or liability for Federal Income Taxes is included in these financial statements. The State of California has similar regulations, although there exists an accrual for a minimum Franchise Tax of \$800.

Revenue Recognition

Customer security transactions and the related commission income and expense are recorded as of the trade date.

The Company generally acts as an agent in executing customer orders to buy or sell securities, primarily mutual funds, in which it does not make a market, and charges commissions based on the services the Company provides to its customers. .

Cash and Cash Equivalents

The Company considers all highly liquid temporary cash investments with an original maturity of three months or less when purchased, to be cash equivalents.

Fair Value of Financial Instruments

FASB requires that the Company disclose estimated fair values of financial instruments. The carrying amounts reported in the statement of financial position for current assets and current liabilities qualifying as financial instruments approximate fair value because of their short maturities.

On July 1, 2008, the Company adopted the provisions of Accounting Standard Codification ("ASC") Topic 820, which defines fair value for accounting purposes, establishes a framework for measuring fair value and expands disclosure requirements regarding fair value measurements. The Company's adoption of ASC 820 did not have a material impact on its financial statements. Fair value is defined as an exit price, which is the price that would be received upon sale of an asset or paid upon transfer of a liability in an orderly transaction between market participants at the measurement date. The degree of judgment utilized in measuring the fair value of assets and liabilities generally correlates to the level of pricing observability. Financial assets and liabilities with readily available, actively quoted prices or for which fair value can be measured from actively quoted prices in active markets generally have more pricing observability and require less judgment in measuring fair value. Conversely, financial assets and liabilities that are rarely traded or not quoted have less price observability and are generally measured at fair value using valuation

**GALT FINANCIAL GROUP, INC.**  
(a subchapter S corporation)  
**NOTES TO FINANCIAL STATEMENTS**

methods that require more judgment. These valuation techniques involve some level of management estimation and judgment, the degree of which is dependent on the price transparency of the asset, liability or market and the nature of the asset or liability. The Company has categorized its financial assets and liabilities measured at fair value into a three level hierarchy in accordance with ASC 820.

Concentrations of Credit Risk

The Company is engaged in various trading and brokerage activities in which counterparties include broker/dealers, banks, and other financial institutions. In the event counterparties do not fulfill their obligations, the Company may be exposed to risk. The risk of default depends upon the creditworthiness of the counterparty or issuer of the instrument. To mitigate the risk of loss, the Company maintains its accounts with credit worthy customers and counterparties. 94% of the Company's revenues are from two fund family groups..

NOTE 2 –Recent Accounting Pronouncements

*Accounting Standards Codification and GAAP Hierarchy* — Effective for interim and annual periods ending after September 15, 2009, the Accounting Standards Codification and related disclosure requirements issued by the FASB became the single official source of authoritative, nongovernmental GAAP. The ASC simplifies GAAP, without change, by consolidating the numerous, predecessor accounting standards and requirements into logically organized topics. All other literature not included in the ASC is non-authoritative. We adopted the ASC as of September 30, 2009, which did not have any impact on our results of operations, financial condition or cash flows as it does not represent new accounting literature or requirements. All references to pre-codified U.S. GAAP have been removed from these audited statements.

NOTE 3 –Related Party Transactions

The Company has entered into an expense sharing agreement with the Wealth Enhancement & Preservation, Inc. (“WEP”), a company that is owned by a shareholder of the Parent, effective January 1, 2009. The terms of this agreement stipulate that WEP provides for certain general overhead expenses and other specific business expenses. Most of the overhead expenses incurred are paid by WEP and reimbursed by the Company by a monthly payment of \$500. Overhead expenses, as defined by the agreement, shall include rent, personnel, and various other operating costs incurred in the ordinary course of business. During the year ended December 31, 2009, \$7,000 was reimbursed to WEP which was recorded for various administrative duties.

NOTE 4 –Fair Value Measurements

The financial assets of the Company measured at fair value on a recurring basis are cash. The Company's cash equivalents is generally classified within Level 1 of the fair value hierarchy because it is valued using quoted market prices, broker or dealer quotations, or alternative pricing sources with reasonable levels of price transparency.

Various inputs are used in determining the fair value of our financial assets and liabilities and are summarized into three broad categories:

Level 1: quoted prices in active markets for identical securities;

Level 2: other significant observable inputs, including quoted prices for similar securities, interest rates, prepayment speeds, credit risk, etc.; and

Level 3: significant unobservable inputs, including our own assumptions in determining fair value.

Following are the disclosures related to our financial assets as of December 31, 2009, pursuant to ASC 820:

	Level 1	Level 2	Level 3	Assets at fair value
Cash and cash equivalents	\$ 30,443	\$ -	\$ -	\$ 30,443

### INDEPENDENT AUDITORS' REPORT ON INTERNAL ACCOUNTING CONTROL

Board of Directors  
Galt Financial Group, Inc.:

In planning and performing our audit of the financial statements and supplemental schedules of Galt Financial Group, Inc. (the Company), for the year ended December 31, 2009, we considered its internal control, including control activities for safeguarding securities, in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on internal control.

Also, as required by rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company including tested of such practices and procedures that we considered relevant to the objectives stated in rule 17a-5(g) in making the periodic computations of aggregate indebtedness and net capital under rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of rule 15c3-3. Because the Company does not carry securities accounts for customers for perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons
2. Recordation of differences required by rule 17a-13
3. Complying with the requirements of prompt payment for securities under section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control or the practices and procedures referred to above, errors or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the entity's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the entity's financial statements that is more than inconsequential will not be prevented or detected by the entity's internal control.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the entity's financial statements will not be prevented or detected by the entity's internal control.

Our consideration of internal control .was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify all deficiencies in internal control that might be material weaknesses. We did identify a control deficiency related to segregation of duties (related to the limited resources and number of employees in the accounting function), but noted no matters involving internal control, including control activities for safeguarding securities, that we consider to be a significant deficiency as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considerably by the SEC to be adequate for its purpose in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at December 31, 2009, to meet the SEC's objectives.

This report is intended solely for the information and use of Board of Directors, management, the SEC, FINRA, and other regulatory agencies that rely on rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

## PRE-OFFSET NOTICE FOR BALANCED BOOK ADJUSTMENT

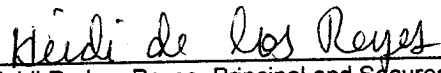

Dear TIMOTHY F. GEITHNER:

The enclosed Statute Staple Securities Instruments are tendered to you for the purpose of balanced book adjustment as legal tender to lower and reduce the UNITED STATES national debt. The Undersigned understands the complexity of following this procedure. The "Code" is effectively in place to save and protect the monetary system of this country. If and when non-accreditation occurs, the economy and monetary system of the country will certainly collapse. That is the complexity and importance of honoring this procedure.

**USC TITLE 12, CHAPTER 2 – NATIONAL BANKS** - authorizes the procedure. If you don't understand this procedure, please research the US Code for clarity or seek competent legal counsel. You should understand that in Title 12 USC section 371b-2(c), the Code defines "Exposure" to include all extensions of credit regardless of name and description. This procedure is intended for all of the people of the united States of America. Non-accreditation will result in a serious error and injury against the INTERNAL REVENUE SERVICE and the Principal Secured Party Creditor. This will cause a miscalculation upon the Federal Reserve Accountant Balanced Book and will require a filing of the proper IRS forms for collection of these funds. This adjustment may be completed by TIMOTHY F GEITHNER, SECRETARY OF THE US TREASURY, who is my legally appointed fiduciary agent, or my designee as Fiduciary on the attached IRS Form 56. Documentation is enclosed.

As you are well aware, lawful money no longer exists in our economic system. This was replaced by Federal Reserve "Notes" which are, in effect, promissory notes. This procedure to allow offset of debt is the proper legal remedy that has been provided for us to discharge debt, since the money was removed by the U. S. Corporate Government. This is a debt obligation of the UNITED STATES. Please use this procedure to offset any bills that I present by balanced book adjustment, settlement in full, discharge of all presentments, and return all interest to the Principal. TIMOTHY F GEITHNER, or my designated Fiduciary Agent, is authorized to adjust, from this account, along with any reasonable and lawful interest, penalties, and extra fees, as needed, in order to satisfy this procedure. This may be ledgered against the Account Number indicated as best suits the needs of the US Treasury.

Sincerely,

  
Heidi De Los Reyes, Principal and Secured Party Creditor

The Parties, hereinafter "Parties," are identified as follows:

**Debtor:**

HEIDI DE LOS REYES, A LEGAL ENTITY  
1154 MELCHER STREET  
SAN LEANDRO, CA 94577

Organization Number: xxx-xx-xxxx

**Secured Party:**

Heidi De Los Reyes, a "Personam Sojurn and People of Posterity"  
c/o 1154 Melcher Street  
San Leandro, CA; near [94577], Republic

Creditor Identification Number: xxxxxxxx

## AGREEMENT

NOW, THEREFORE, the Parties agree as follows:

Debtor, who deems itself insecure, hereby grants Secured Party a security interest in the collateral described generally herein or specifically on the enclosed Attachment "A," hereinafter referred to as "collateral." This will secure all Debtor's property, as well as all income from every source, and all direct and indirect, absolute or contingent, due or to become due, now existing or hereafter arising, presumed or actual, parole or expressed public indebtedness and liabilities held by Debtor in consideration for Secured Party providing certain things and accommodations for Debtor, including but not limited to:

1. Secured Party signing by accommodation for Debtor, when necessary, where the signature of Debtor will be required. Secured Party reserves the right to make sufficient claims to secure such indebtedness until satisfied in whole.

22493870003

2. Secured Party issuing a binding commitment to extend credit or to extend immediately available credit, whether or not drawn upon and whether or not reimbursed in the event of difficulties in collection; and

3. Secured Party providing the security for payment of all sums due or owing, or to become due or owing, by Debtor on every public contract entered into by Debtor.

Debtor declares that it is a legal entity recognized as such and has rights and privileges recognized under the laws of the UNITED STATES, as has been the case since its creation in 1943. All legal means to protect the security interest being established by this agreement will be used by Debtor when necessary; and all support needed by Secured Party to protect her security interest in the collateral identified herein will be provided by Debtor.

Execution of this security agreement incorporates a promise that Debtor will execute such commercial forms as may be necessary, including but not limited to financing statements, to assure that Secured Party's interest is perfected. The security interest established by this agreement will continue until Secured Party is relieved of all liability associated with said services provided to Debtor and until all owing and due consideration to Secured Party has been delivered, regardless of whether the collateral identified in this agreement is in the possession of Debtor or Secured Party.

Debtor warrants that Secured Party's claim against the collateral is enforceable according to the terms and conditions expressed herein and according to all applicable laws promulgated for the purpose of protecting the interests of a creditor against a debtor. Debtor also warrants that it holds good and marketable title to the collateral, free and clear of all actual and lawful liens and encumbrances, except for the interest established herein and except for such substantial interest as may have been privately established by agreement of the Parties with full attention to the elements necessary to establish a valid contract under international contract law. Public encumbrances belonging to Debtor, against the collateral, shall remain secondary to this agreement, unless registered prior to the registration of Secured Party's interest in the same collateral, as is well established in international commercial law.

## GENERAL PROVISIONS

**Possession of Collateral.** Collateral or evidence of collateral may remain in the possession of Debtor, to be kept at the address given in this agreement by Debtor or such other place(s) approved by Secured Party; and notice of changes in location must be made to Secured Party within ten (10) days of such relocation. Debtor agrees not to otherwise remove the collateral except as is expected in the ordinary course of business, including sale of inventory, exchange, and other acceptable reasons for removal. When in doubt as to the legal ramifications for relocation, Debtor agrees to acquire prior written authorization from Secured Party. Debtor may possess all tangible personal property included in collateral, have beneficial use of all other collateral, and may use it in any lawful manner consistent with this agreement. Debtor's right to possession and beneficial use may also apply to collateral that is in the possession of Secured Party if such possession is required by law to perfect Secured Party's interest in such collateral.

If Secured Party, at any time, has possession of any part of the collateral, whether before or after an event of default, Secured Party shall be deemed to have exercised reasonable care in the custody and preservation of the collateral, if Secured Party takes such action for that purpose as deemed appropriate by Secured Party under the circumstances.

**Proceeds and Products from Collateral.** Unless waived by Secured Party, all proceeds and products from the disposition of the collateral, for whatever reason, shall be held in trust for Secured Party and shall not be commingled with any other accounts or funds without the consent of Secured Party. Notice of such proceeds shall be delivered to Secured Party immediately upon receipt. Except for inventory sold or accounts collected in the ordinary course of Debtor's public business, Debtor agrees not to sell, offer to sell, or otherwise transfer or dispose of the collateral, nor to pledge, mortgage, encumber, or otherwise permit the collateral to be subject to a lien, security interest, encumbrance, or charge, other than the security interest established by this agreement, without the prior written consent of Secured Party.

**Maintenance of Collateral.** Debtor agrees to maintain all tangible collateral in good condition and repair, and not to commit or permit damage to or destruction of the collateral or any part of the collateral. Secured Party and her designated representatives and agents shall have the right at all reasonable times to examine, inspect, and audit the collateral wherever located. Debtor shall immediately notify Secured Party of all cases involving the return, rejection, repossession, loss, or damage of or to the collateral; of all requests for credit or adjustment of collateral, or dispute arising with respect to the collateral; and generally of all happenings and events affecting the collateral or the value or the amount of the collateral.

**Compliance with Law.** Debtor shall comply promptly with all laws, ordinances, and regulations of all governmental authorities applicable to the production, disposition, or use of the collateral. Debtor may contest in good faith any such law, ordinance, or regulation without compliance during a proceeding, including appropriate appeals, so long as Secured Party's interest in the collateral, in Secured Party's opinion, is not jeopardized. Secured Party may, at her option, intervene in any situation that appears to place the collateral in jeopardy.

**Public Disputes.** Debtor agrees to pay all applicable taxes, assessments, and liens upon the collateral when due, provided that such taxes, assessments, and liens are proved to be superior to the lawful claim established by this agreement and subsequently perfected by Secured Party by appropriate registration. In the event that Debtor elects to dispute such taxes, assessments, and liens, Secured Party's interest must be protected at all times, at the sole opinion of Secured Party, who may, at her option, intervene in any situation that appears to jeopardize Secured Party's interest in the collateral. Debtor may elect to continue pursuit of dispute of such taxes, assessments, and liens, only upon production of a surety bond by public claimants, in favor of Secured Party, sufficient to protect Secured Party from loss, including all costs and fees associated with such dispute. Should public judgment against Debtor result from such dispute, Debtor agrees to satisfy such judgment from its accounts established and managed by the UNITED STATES or its subdivisions, agents, officers, or affiliates, so as not to adversely affect Secured Party's interest in the collateral.

20841210003

**Indemnification.** Debtor hereby indemnifies Secured Party from all harm as expressed in the attached indemnity bond, incorporated herein as if fully set forth within this security agreement.

### **SUBORDINATION OF DEBTOR'S DEBTS TO SECURED PARTY**

Providing that Secured Party, subsequent to the execution of this agreement, perfects her security interest in the collateral by appropriate registration, Debtor agrees that its indebtedness to Secured Party, whether now existing or hereafter created, shall have priority over unregistered claims that third parties may raise against Debtor or the collateral, whether or not Debtor becomes insolvent. Debtor hereby expressly subordinates any claim that Debtor may have against Secured Party, upon any account whatsoever, to the claim that Secured Party has or will have against Debtor.

If Secured Party so requests, all notes or credit agreements now or hereafter established, evidencing debts or obligations of Debtor to third parties, shall be marked with a legend that the same are subject to this agreement and shall be delivered to Secured Party. Debtor agrees, and Secured Party is hereby authorized, in the name of Debtor, to execute and file such financing statements and other commercial statements as Secured Party deems necessary or appropriate to perfect, preserve, and enforce her rights under this agreement.

### **DEFAULT**

The following shall constitute events of default hereunder:

1. Failure by Debtor to pay a debt secured hereby when due;
2. Failure by Debtor to perform an obligation secured hereby when required to be performed;
3. Breach by Debtor of a warranty contained in this agreement;
4. Evidence that a statement, warranty, or representation made or implied in this agreement by Debtor is false or misleading in any material respect, either now or at the time made or furnished;
5. Evidence that this agreement or a document of title is void or ineffective;
6. Dissolution or termination of Debtor's existence as a legal entity, the insolvency of Debtor, the appointment of a receiver for all or any portion of Debtor's property, an assignment for the benefit of public creditors, or the commencement of proceedings under bankruptcy or insolvency laws by or against Debtor;

20841210003

7. Commencement of foreclosure, whether by action of a tribunal, self-help, repossession, or other method, by a creditor of Debtor against the collateral;

8. Garnishment of Debtor's deposit accounts or employment.

**Cure of Default.** If a fault or dishonor under this agreement is curable through an account held by Debtor but managed by the UNITED STATES or one of its subdivisions, agents, officers, or affiliates, such fault or dishonor may be cured by Debtor with authorization by Secured Party and upon advice by the fiduciary that the fault or dishonor has been cured; and no event of default will have occurred. A dishonor under this agreement, initiated by third party intervention, will not cause a default if such intervention is challenged by Debtor by its good faith effort to confirm or disprove the validity or reasonableness of a public claim which is the basis of the public creditor's proceeding; but Debtor must, in that event, deposit such surety with Secured Party as is necessary to indemnify Secured Party from loss.

**Acceleration.** In the event of default, Secured Party may declare the entire indebtedness immediately due and payable without notice.

**Liquidation of Collateral.** In the event of default, Secured Party shall have full power to privately or publicly sell, lease, transfer, or otherwise deal with the collateral or proceeds or products therefrom, in her own name or in the name of Debtor. All expenses related to the liquidation of collateral shall become a part of Debtor's indebtedness. Secured Party may, at her discretion, transfer part or all of the collateral to her own name or to the name of her nominee.

**Rights and Remedies.** Secured Party shall have all the rights and remedies of a secured creditor under the provisions of the Uniform Commercial Code, as it has been adopted in the state where part or all of the collateral is located or presumed to be located, including but not limited to the right to proceed with self-help with or without a public court or tribunal. Rights and remedies available to Secured Party may be exercised singularly or jointly and in all venues and jurisdictions concurrently at the sole discretion of Secured Party.

#### **MISCELLANEOUS PROVISIONS**

**Amendments.** This agreement, together with all related documents, constitutes the entire understanding and agreement of the Parties as to the matters set forth in this agreement. No alteration of or amendment to this agreement shall be effective unless expressed in writing and signed by both Parties.

**Applicable Law.** The governing law of this agreement is the agreement of the Parties, supported by the Uniform Commercial Code as adopted by the legislature of the STATE OF CALIFORNIA, international contract law, the unwritten Law Merchant as practiced before the Uniform Commercial Code was promulgated, and applicable maxims of law.

**Expenses.** Debtor agrees to pay upon demand, from such accounts as Debtor may have, all Secured Party's costs and expenses, including reasonable attorney's fees and

20841210003

other expenses incurred by Secured Party to defend or enforce the provisions of this agreement.

**Indebtedness.** The word "indebtedness" means the indebtedness evidenced by this agreement as a claim against Debtor and all its present and future possessions identified in this agreement as collateral; and all public obligations, debts, and liabilities ascribed to Debtor through its contracts and agreements, whether expressed or implied, known or unknown, or actual or constructive, that are with the UNITED STATES or its subdivisions, agents, officers, affiliates, or other public entities; and all claims made by Secured Party against Debtor, whether existing now or in the future, whether they are voluntary or involuntary, due or not due, direct or indirect, absolute or contingent, liquidated or unliquidated, regardless of whether Debtor is or may be liable individually or jointly, or is obligated as, or beneficiary of, a surety or accommodation party.

**Related Documents.** The phrase "related documents" means all promissory notes, credit agreements, loan agreements, guaranties, security agreements, mortgages, deeds of trust, applications, accounts, licenses, policies, permits, identification cards, account cards, receipts, forms, and all other documents and instruments that Debtor or its previous surety has or will execute in connection with Debtor's total indebtedness.

**Notices.** Except for revocation notices by Debtor, all notices required to be given by either Party under this agreement shall be in writing and shall be effective when actually delivered or when deposited with the United States Post Office or a nationally recognized courier service, first class postage prepaid, addressed to the Party to whom the notice is to be given at the address shown on this agreement or to such other address as either Party may designate to the other in writing.

**Severability.** If one or more provisions of this agreement shall be held to be invalid or unenforceable for any reason, the remaining provisions shall continue to be valid and enforceable. If a qualified court finds that one or more provisions of this agreement is invalid or unenforceable, but that by limiting such provision(s) it would become valid or enforceable, such provision(s) shall be deemed to be written, construed, and enforced as so limited. In the event that such a finding and limitation causes damage or hardship to either Party, the agreement shall be amended in a lawful manner to make all Parties whole.

**Waiver of Contractual Right.** The failure of either Party to enforce one or more provisions of this agreement shall not be construed as a waiver or limitation of that Party's right to subsequently enforce and compel strict compliance with every provision of this agreement. Secured Party shall not be deemed to have waived rights under this agreement unless such waiver is given in writing and signed by Secured Party. No delay or omission on the part of Secured Party in exercising a right shall operate as a waiver of such right or any other right. A waiver by Secured Party of a provision of this agreement shall not prejudice or constitute a waiver of Secured Party's right otherwise to demand strict compliance with that provision or any other provision of this agreement. No prior waiver by Secured Party, nor any course of dealing between Secured Party and Debtor, shall constitute a waiver of Secured Party's rights or of Debtor's obligations under this agreement as to future transactions. Whenever the consent of Secured Party is required under this agreement, the granting of such consent by Secured Party in one instance shall not constitute consent over the whole.

**Ambiguities and Interpretation.** Each Party acknowledges receipt of this agreement and has had the opportunity to have counsel review it. Any rule of construction claiming ambiguities is to be resolved in favor of Secured Party and shall not apply in the interpretation of this agreement or its amendments. All statements in this instrument are important to the Parties. Misunderstandings have been resolved prior to execution.

**Authority to Represent.** A signer of this agreement on behalf of a legal entity certifies that she has the authority to sign this agreement and that this transaction has been duly authorized by such entity.

It is a statement you send with your check or money order for any balance due on the "Amount you owe" line of your 2009 Form 1040, Form 1040A, or Form 1040EZ. Using Form 1040-V allows us to process your payment more accurately and efficiently. We strongly encourage you to use Form 1040-V, but there is no penalty if you do not.

## How To Fill In Form 1040-V

**Line 1.** Enter your social security number (SSN). If you are filing a joint return, enter the SSN shown first on your return.

**Line 2.** If you are filing a joint return, enter the SSN shown second on your return.

**Line 3.** Enter the amount you are paying by check or money order.

**Line 4.** Enter your name(s) and address exactly as shown on your return. Please print clearly.

## How To Prepare Your Payment

- Make your check or money order payable to the "United States Treasury." Do not send cash.
- Make sure your name and address appear on your check or money order.
- Enter "2009 Form 1040," your daytime phone number, and your SSN on your check or money order. If you are filing a joint return, enter the SSN shown first on your return. If you are filing Form 1040A or Form 1040EZ, enter "2009 Form 1040A" or "2009 Form 1040EZ," whichever is appropriate, instead of "2009 Form 1040."
- To help process your payment, enter the amount on the right side of your check like this: \$ XXX.XX. Do not use dashes or lines (for example, do not enter "\$ XXX—" or "\$ XXX <sup>xx</sup>/<sub>100</sub>").

## How To Send In Your 2009 Tax Return, Payment, and Form 1040-V

- Detach Form 1040-V along the dotted line.
- Do not staple or otherwise attach your payment or Form 1040-V to your return or to each other. Instead, just put them loose in the envelope.
- Mail your 2009 tax return, payment, and Form 1040-V in the envelope that came with your 2009 tax return instruction booklet.

**Note.** If you do not have that envelope or you moved or used a paid preparer, mail your return, payment, and Form 1040-V to the address shown on the back that applies to you.

**Paperwork Reduction Act Notice.** We ask for the information on Form 1040-V to help us carry out the Internal Revenue laws of the United States. If you use Form 1040-V, you must provide the requested information. Your cooperation will help us ensure that we are collecting the right amount of tax.

You are not required to provide the information requested on a form that is subject to the Paperwork Reduction Act unless the form displays a valid OMB control number. Books or records relating to a form or its instructions must be retained as long as their contents may become material in the administration of any Internal Revenue law. Generally, tax returns and return information are confidential, as required by Internal Revenue Code section 6103.

The average time and expenses required to complete and file this form will vary depending on individual circumstances. For the estimated averages, see the instructions for your income tax return. If you have suggestions for making this form simpler, we would be happy to hear from you. See the instructions for your income tax return.
