Ref: CJXW/NP/RW

THIS DEED OF COVENANT is made on 11 August 2011 by European Bank for Reconstruction and Development (the "**Issuer**") in favour of the account holders specified below of The Depository Trust Company, Clearstream Banking, *société anonyme* and Euroclear Bank S.A./N.V. or any other or additional clearing system or systems as are specified in the pricing supplement relating to any Note (as defined below) (each a "**Clearing System**").

WHEREAS:

- (A) The Issuer has entered into an amended and restated Programme Agreement (the "**Programme Agreement**", which expression includes the same as it may be amended from time to time) dated 11 August 2011 with Goldman Sachs International, Merrill Lynch International, J.P. Morgan Securities Ltd. and Morgan Stanley & Co. International plc, as Dealers, under which the Issuer proposes from time to time to issue Global Medium Term Notes (the "**Notes**") subject to and with the benefit of an amended and restated Agency Agreement (the "**Agency Agreement**", which expression includes the same as it may be amended from time to time) dated 11 August 2011.
- (B) The Notes will initially be represented by, and comprised in, Global Notes ("**Global Notes**") representing a certain number of underlying Notes in bearer or registered form (respectively, "**Bearer Notes**" and "**Registered Notes**" and, together, the "**Underlying Notes**").
- (C) Each Global Note will, after issue, be deposited with, and, where applicable, registered in the name of a nominee on behalf of, one or more Clearing Systems. Upon such deposit of a Global Note the Underlying Notes represented by such Global Note will be credited to a securities account or securities accounts with one or more Clearing Systems (each such Clearing System or all such Clearing Systems together being referred to herein as the "**Relevant Clearing System**"). Any account holder with the Relevant Clearing System which has Underlying Notes credited to its securities account from time to time (each a "**Relevant Account Holder**") will, subject to and in accordance with the terms and conditions and operating procedures or management regulations of the Relevant Clearing System be entitled to transfer such Underlying Notes and (subject to and upon payment being made by the Issuer to the bearer in accordance with the terms of the relevant Global Note) will be entitled to receive payments from the Relevant Clearing System calculated by reference to the Underlying Notes credited to its securities account.
- (D) In certain circumstances specified in each Global Note, a Global Note will become void. The time at which a Global Note becomes void is hereinafter referred to as the "**Relevant Time**". In such circumstances each Relevant Account Holder will, subject to and in accordance with the terms of this Deed, acquire against the Issuer all those rights (the "**Direct Rights**") which the Relevant Account Holder would have acquired had, prior to the Global Note becoming void, definitive Note(s) been issued in its favour by the Issuer in exchange for its Underlying Note(s), in the case of Registered Notes, in the form set out in Part II of Schedule 2 to the Agency Agreement and, in the case of Bearer Notes, in the form set out in Part III of Schedule 3 to the Agency Agreement.

NOW THIS DEED WITNESSES AS FOLLOWS:

- 1** If any Global Note becomes void in accordance with the terms thereof the Issuer hereby undertakes and covenants to and with each Relevant Account Holder (other than a Relevant Clearing System if such Relevant Clearing System shall be an account holder of another Relevant Clearing System) that each Relevant Account Holder shall acquire against the Issuer the Direct Rights applicable to such Relevant Account Holder and each

Underlying Note represented by such Global Note which such Relevant Account Holder has credited to its securities account with the Relevant Clearing System at the Relevant Time without any need for action on behalf of any person. The Issuer's obligation pursuant to this Clause shall be a separate and independent obligation by reference to each Underlying Note which a Relevant Account Holder has credited to its securities account with the Relevant Clearing System and the Issuer agrees that a Relevant Account Holder may assign its rights hereunder in whole or in part.

- 2** The records of the Relevant Clearing System shall be conclusive evidence of the identity of the Relevant Account Holders and the number of Underlying Notes credited to the securities account of each Relevant Account Holder. For the purposes hereof a statement issued by the Relevant Clearing System stating:
- (i) the name of the Relevant Account Holder to which such statement is issued; and
 - (ii) the aggregate principal amount of Underlying Notes credited to the securities account of such Relevant Account Holder as at the opening of business on the first day following the Relevant Time on which the Relevant Clearing System is open for business,

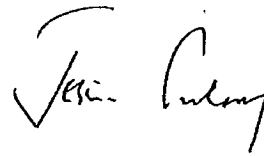

shall be conclusive evidence of the records of the Relevant Clearing System at the Relevant Time.

- 3** In the event of a dispute, the determination of the Relevant Time by the Relevant Clearing System shall be final and conclusive for all purposes in connection with the Relevant Account Holders with securities accounts with the Relevant Clearing System.
- 4** All payments under this Deed shall be made by the Issuer to the Paying Agent (as defined in the Agency Agreement) without withholding or deduction for or on account of tax.
- 5** The Issuer hereby warrants, represents and covenants with each Relevant Account Holder that it has all corporate power, and has taken all necessary corporate or other steps, to enable it to execute, deliver and perform this Deed, and that this Deed constitutes a legal, valid and binding obligation of the Issuer in accordance with its terms.
- 6** This Deed shall take effect as a Deed Poll for the benefit of the Relevant Account Holders from time to time and for the time being. This Deed shall be deposited with and held by a common depositary for the Relevant Clearing System for the time being (being at the date hereof Citibank, N.A. at Citigroup Centre, Canada Square, Canary Wharf, London E14 5LB) until all the obligations of the Issuer hereunder have been discharged in full.
- 7** The Issuer hereby acknowledges the right of every Relevant Account Holder to the production of this Deed, and further acknowledges and covenants that the obligations binding upon it contained herein are owed to, and shall be for the account of, each and every Relevant Account Holder, and that each Relevant Account Holder shall be entitled severally to enforce the said obligations against the Issuer.
- 8** This Deed, and any non-contractual obligations arising out of or in connection with it, is governed by, and shall be construed in accordance with, the laws of England.

IN WITNESS whereof the Issuer has caused this Deed to be duly executed the day and year first above mentioned.

5 Undertakings of the Issuer

5.1 Delivery of information and updating of Prospectus

5.1.1 The Issuer shall notify each Dealer of:

- (i) any event which would (or with the lapse of time and/or the issue of a certificate and/or the giving of notice) constitute an Event of Default or any breach of the warranties or undertakings contained in this Agreement, the Notes, the Deed of Covenant, the Agency Agreement or any of them, provided that any notification in respect of any such event or breach in respect of the Notes will be given only to Dealers who are directly party to this Agreement; and
- (ii) any adverse development affecting the Issuer which, in the reasonable opinion of the Issuer, is material in the context of the issue of the Notes.

5.1.3 The Issuer shall advise the Dealers (or, in the case of a change affecting a specific issue of Notes, the relevant Dealer or, if more than one, the Lead Manager on behalf of the relevant Dealers) of any proposal to amend or supplement the Prospectus in accordance with its obligations under sub-clause 5.1.2 and (unless such supplement is being made solely to incorporate its financial statements) afford the Dealers a reasonable opportunity to comment on any such proposed amendment or supplement prior to its being made available to the public, provided that such consultation shall not be required if it would cause the Issuer to fail to be in compliance with applicable legal, stock exchange or regulatory requirements.

5.1.4 If, following the time of an agreement for the issue and purchase of Notes under Clause 2 and before the Issue Date of the relevant Notes, the conditions specified in Clause 3.2 would not be satisfied with reference to the facts then subsisting (and such conditions have not been waived by the relevant Dealer or Dealers), the Issuer shall forthwith notify the relevant Dealer or Dealers to this effect giving full details thereof.

5.2 Listing

5.2.1 The Issuer confirms that it has made an application for the Notes (other than Unlisted Notes) to be issued under the Programme to be listed on the London Stock Exchange or on such other Stock Exchange as the Issuer may agree with the relevant Purchaser or Purchasers. The Issuer shall make an application for the Notes of each Series (other than a Series of Unlisted Notes) also to be listed on the relevant Stock Exchange immediately upon agreement to issue such Notes being reached under Clause 2. In connection with such application, the Issuer shall endeavour to obtain such listing as promptly as practicable and the Issuer shall furnish any and all documents, instruments, information and undertakings that may be necessary or advisable in order to obtain or maintain such listing.

If after the preparation of the Prospectus for submission to the relevant Stock Exchange (and/or in the case of Notes to be listed on the London Stock Exchange, the UK Listing Authority) and at any time during the duration of the Programme a significant new factor, material mistake or inaccuracy arises or is noted relating to the information included in the Prospectus which is capable of affecting an assessment by investors of the assets and liabilities, financial position, profits and losses and prospects of the Issuer and/or the rights attaching to the Notes, the Issuer shall give to the Dealers full information about such new factor, mistake or inaccuracy and shall publish a supplement to the Prospectus as may be required by the relevant Stock Exchange (and/or in the case of Notes to be listed on the London Stock Exchange, the UK Listing Authority), and shall otherwise comply with section 87 of the FSMA, if applicable, and the Listing Rules in that regard and shall supply to each Dealer such number of copies of the supplementary Prospectus as such Dealer may reasonably request.

- 5.4.1 The Issuer will at all times ensure that all necessary action is taken and all necessary conditions are fulfilled (including, without limitation, the obtaining of all necessary consents) so that it may lawfully comply with its obligations under the Notes, this Agreement, the Deed of Covenant and the Agency Agreement.
- 5.4.2 Without prejudice to the generality of sub-clause 5.4.1 above:

The Issuer will, at the same time as it is despatched, furnish the Dealers with a copy of every notice of a meeting of the holders of the Notes (or any of them) which is despatched at the instigation of the Issuer and will notify the Dealers immediately upon its becoming aware that a meeting of the holders of the Notes (or any of them) has been convened by holders of the Notes provided that, in either case, the meeting is material in the context of the Programme and the issue of Notes thereunder.

5.7 No other issues

During the period commencing on the Agreement Date and ending on the relevant Issue Date with respect to any Notes issued on a syndicated basis which are to be listed, the Issuer will not, without the prior consent of the relevant Dealer (such consent not to be unreasonably withheld), offer or sell any notes, bonds or other debt securities of whatsoever nature (which are not issues of Notes made pursuant to an agreement to issue Notes under Clause 2) where such notes, bonds or other securities are issued on identical terms (including listing) as the Notes to be issued on the relevant Issue Date.

5.8 Third Party Purchasers

The Issuer will ensure that any Purchaser, not defined as a Dealer under this Agreement, will confirm that it agrees to be bound by the provisions hereof, with the exception of Clauses 3 to 7 (inclusive) and Clauses 9 to 13 (inclusive) hereof, as if so defined.

5.9 Offers to the Public in France

The Issuer undertakes that it will not offer any Notes, directly or indirectly, to the public in France.

The Issuer shall promptly notify the relevant Dealer following receipt by the Issuer of confirmation that a certificate of approval has been delivered by the Financial Services Authority to the competent authority in any host Member State, as a result of a request by the Issuer under Article 18 of the Prospectus Directive.

- 6.1** The Issuer undertakes with each of the Dealers that it will indemnify and hold harmless each of the Dealers and individually each of its directors, officers, employees and/or each or any person who controls any Dealer from any losses, liabilities, costs, claims, damages, expenses or demands (or actions in respect thereof) which any of them may incur or which may be made against any of them, where such losses, liabilities, costs, claims, damages, expenses or demands (or actions to issue in respect thereof) arise out of, or in connection with, any failure for any reason by the Issuer to issue on the agreed Issue Date any Notes which a Dealer has agreed to purchase or any breach or alleged breach of the Issuer's representations, warranties, obligations, undertakings or agreements under this Agreement.
- 6.2** Each of the Dealers will severally indemnify the Issuer and individually each of its directors, officers and employees against any losses, liabilities, costs, claims, damages, expenses or demands (or actions in respect thereof) which any of them may incur or which may be made against any of them arising out of, or in connection with, any breach of any of its obligations, undertakings or agreements contained in Clause 8 or Clause 2.4 under this Agreement, provided that no Dealer shall be liable for any loss, liability, cost, claim, damage, expense or demand arising from the sale of Notes to any person believed in good faith by such Dealer, on reasonable grounds after making all reasonable investigations, to be a person to whom Notes could lawfully be sold in compliance with the provisions of Clause 8.
- 6.3** If any proceeding (including a governmental investigation) shall be instituted involving any of the Dealers in respect of which indemnity may be sought pursuant to Clause 6.1 or involving the Issuer in respect of which indemnity may be sought pursuant to Clause 6.2 (in either case the "**Indemnified**"), the Indemnified shall promptly notify the Issuer or, as the case may be, the Dealers (in either case, the "**Indemnifier**") in writing and the Indemnifier shall, unless the Indemnified elects to assume the defence itself, assume the defence thereof and retain lawyers satisfactory to the Indemnified and shall be liable to pay the fees and expenses of such lawyers related to such proceeding. In any proceeding, the Indemnified shall have the right to retain its own lawyers, but the fees and expenses of such lawyers shall be at the expense of the Indemnified unless (a) the Indemnifier and the Indemnified shall have mutually agreed to the retention of such lawyers or (b) the named parties to any such proceeding (including any joined parties) include the Indemnifier and the Indemnified and representation of both parties by the same lawyers (in the discretion of the Indemnified) would be inappropriate due to actual or potential differing interests between them or (c) the Indemnified has elected to assume the defence itself or the Indemnifier has failed to appoint lawyers pursuant to the previous sentence. It is understood that the Indemnifier shall reimburse such fees and expenses as they are incurred in respect of (a), (b) and (c). The Indemnifier shall not be liable for any settlement of any such proceeding effected without its written consent (provided that such consent shall not be unreasonably withheld or delayed), but if settled with such consent (or without such consent in circumstances where such consent shall have been unreasonably withheld or delayed as aforesaid) or if there be a final judgment for the plaintiff, the Indemnifier agrees to indemnify the Indemnified from and against any loss or liability by reason of such settlement or judgment. The Indemnifier will not settle any proceedings without the written consent of the Indemnified.

10.2 Nothing in this Agreement shall prevent the Issuer from appointing one or more additional Dealers (for the duration of the Programme or in respect of an issue of a particular Series of Notes) upon the terms of this Agreement provided that, unless such appointment is effected pursuant to a Syndication Agreement:

10.2.1 the Issuer gives the Agent and all of the then appointed Dealers seven days' prior written notice of the proposed appointment of such additional Dealer or Dealers except in the case of the appointment of one or more such additional Dealers in respect of an issue of a particular Series of Notes when no such notice shall be required to be given to the Dealers;

10.2.2 any such additional Dealer shall have first delivered to the Issuer an appropriate Dealer Accession Letter substantially in the respective forms set out in Parts I and III of Appendix D hereto; and

10.2.3 the Issuer shall have delivered to such additional Dealer an appropriate confirmation letter substantially in the respective forms set out in Parts II and IV of Appendix D hereto,

whereupon such additional Dealer shall, subject to the terms of the relevant Dealer Accession Letter and the relevant confirmation letter, become a party to this Agreement, vested with all authority, rights, powers, duties and obligations of a Dealer as if originally named as a Dealer hereunder provided further that, except in the case of an appointment of a new Dealer for the duration of the Programme, following the issue of the relevant Temporary Global Note or the relevant Registered Global Note, as the case may be, the relevant new Dealer shall have no further such authority, rights, powers, duties or obligations except such as may have accrued or been incurred prior to or in connection with the issue of the relevant Temporary Global Note or Registered Global Note.

The Issuer shall forthwith supply to the Agent and all of the Dealers a copy of any Dealer Accession Letter or confirmation letter except in the case of the appointment of one or more such additional Dealers in respect of an issue of a particular Series of Notes when no such notice shall be required to be given to the Dealers.

11 Increase in the Aggregate Nominal Amount of the Programme

11.1 From time to time the Issuer may wish to increase further the aggregate nominal amount of the Notes that may be issued under the Programme. In such circumstances, the Issuer may give notification of such an increase (subject as set out in Clause 11.2) by the delivery to the Dealers of the letter set out in Appendix E hereto. Upon such notice being given to the Dealers, all references in this Agreement, the Procedures Memorandum, the Agency Agreement and any other agreement or deed in relation to the Programme to a Global Medium Term Note Programme of a certain nominal amount, shall be and shall be deemed to be to a Global Medium Term Note Programme of the increased nominal amount.

11.2 Notwithstanding Clause 11.1, the right of the Issuer to increase the aggregate nominal amount of the Programme shall be subject to each Dealer having received and found satisfactory all the documents and confirmations (in draft form where applicable) listed in Appendix A hereto (with such changes as may be relevant, with reference to the circumstances at the time of the proposed increase as are agreed between the Issuer and the Dealers), and the delivery of any further conditions precedent that any of the Dealers may reasonably require, including, without limitation, the production of an amendment or supplement to the Prospectus by the Issuer and any further or other documents required by the relevant Stock Exchange(s) (and/or in the case of Notes listed on the London Stock Exchange, the UK Listing Authority) for the purpose of listing the Notes to be issued under the Programme on the relevant Stock Exchange(s). Merrill Lynch shall circulate to the Dealers all the documents and confirmations listed in Appendix A and any further conditions precedent so required. Any Dealer must notify Merrill Lynch and the Issuer within five business days of receipt if it considers, in its reasonable opinion, such documents, confirmations and, if applicable, such further conditions precedent to be unsatisfactory.

12 Counterparts

This Agreement may be signed in any number of counterparts, all of which taken together shall constitute one and the same instrument.

13 Communications

All communications shall be by email, or fax or letter delivered by hand or (but only where specifically provided in the Procedures Memorandum) by telephone. Each communication shall be made to the relevant party at the email address, fax number, postal address or telephone number and, in the case of a communication by fax, email or letter, marked for the attention of, or (in the case of a communication by telephone) made to, the person(s) from time to time specified in writing by that party to the other for the purpose. The initial telephone number and/or email address and/or fax number and/or postal address of, and person(s) so specified by, each party are set out on the signature pages hereof.

A communication shall be deemed received (if by fax or email) when an acknowledgement of receipt is received, (if by telephone) when made or (if by letter) when delivered; provided that any communication which is received (or deemed to take effect in accordance with the

foregoing) outside business hours or on a non-business day in the place of receipt shall be deemed to take effect at the opening of business on the next following business day in such place. Any communication delivered to any party under this Agreement which is to be sent by email or telefax will be written legal evidence.

14 Stabilisation

In connection with the issue of any Tranche of Notes, the Dealer or Dealers (if any) named as the stabilising manager(s) (the "Stabilising Manager(s)") (or persons acting on behalf of any Stabilising Manager(s)) in the applicable Pricing Supplement may over-allot Notes or effect transactions with a view to supporting the market price of the Notes at a level higher than that which might otherwise prevail. However, there is no assurance that the Stabilising Manager(s) (or persons acting on behalf of a Stabilising Manager) will undertake stabilisation action. Any stabilisation action may begin on or after the date on which adequate public disclosure of the final terms of the offer of the relevant Tranche is made and, if begun, may be ended at any time, but it must end no later than the earlier of 30 days after the issue date of the relevant Tranche and 60 days after the date of the allotment of the relevant Tranche. Any stabilisation action or over-allotment must be conducted by the relevant Stabilising Manager(s) (or person(s) acting on behalf of any Stabilising Manager(s)) in accordance with all applicable laws and rules.

The Issuer authorises the Stabilising Manager(s) to make adequate public disclosure of the information required by the Market Abuse Directive.

15 Contracts (Rights of Third Parties) Act 1999

A person who is not party to this Agreement has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this Agreement.

16 Governing Law and Jurisdiction

This Agreement and any non-contractual obligations arising out of or in connection with it, and every agreement made pursuant to Clause 2, is governed by, and shall be construed in accordance with, the laws of England.

Each of the parties hereto irrevocably agrees that the courts of England are to have exclusive jurisdiction to settle any disputes which may arise out of or in connection with this Agreement and accordingly any legal action or proceedings arising out of or in connection with this Agreement may be brought in such courts.

IN WITNESS WHEREOF the parties hereto have executed this Agreement as of the date first above written.

Appendix C Form of Deed of Covenant

THIS DEED OF COVENANT is made on 11 August 2011 by European Bank for Reconstruction and Development (the "**Issuer**") in favour of the account holders specified below of The Depository Trust Company, Clearstream Banking, *société anonyme* and Euroclear Bank S.A./N.V. or any other or additional clearing system or systems as are specified in the pricing supplement relating to any Note (as defined below) (each a "**Clearing System**").

WHEREAS:

- (A) The Issuer has entered into an amended and restated Programme Agreement (the "**Programme Agreement**", which expression includes the same as it may be amended from time to time) dated 11 August 2011 with Goldman Sachs International, Merrill Lynch International, J.P. Morgan Securities Ltd. and Morgan Stanley & Co. International plc, as Dealers, under which the Issuer proposes from time to time to issue Global Medium Term Notes (the "**Notes**") subject to and with the benefit of an amended and restated Agency Agreement (the "**Agency Agreement**", which expression includes the same as it may be amended from time to time) dated 11 August 2011.
- (B) The Notes will initially be represented by, and comprised in, Global Notes ("**Global Notes**") representing a certain number of underlying Notes in bearer or registered form (respectively, "**Bearer Notes**" and "**Registered Notes**" and, together, the "**Underlying Notes**").
- (C) Each Global Note will, after issue, be deposited with, and, where applicable, registered in the name of a nominee on behalf of, one or more Clearing Systems. Upon such deposit of a Global Note the Underlying Notes represented by such Global Note will be credited to a securities account or securities accounts with one or more Clearing Systems (each such Clearing System or all such Clearing Systems together being referred to herein as the "**Relevant Clearing System**"). Any account holder with the Relevant Clearing System which has Underlying Notes credited to its securities account from time to time (each a "**Relevant Account Holder**") will, subject to and in accordance with the terms and conditions and operating procedures or management regulations of the Relevant Clearing System be entitled to transfer such Underlying Notes and (subject to and upon payment being made by the Issuer to the bearer in accordance with the terms of the relevant Global Note) will be entitled to receive payments from the Relevant Clearing System calculated by reference to the Underlying Notes credited to its securities account.
- (D) In certain circumstances specified in each Global Note, a Global Note will become void. The time at which a Global Note becomes void is hereinafter referred to as the "**Relevant Time**". In such circumstances each Relevant Account Holder will, subject to and in accordance with the terms of this Deed, acquire against the Issuer all those rights (the "**Direct Rights**") which the Relevant Account Holder would have acquired had, prior to the Global Note becoming void, definitive Note(s) been issued in its favour by the Issuer in exchange for its Underlying Note(s), in the case of Registered Notes, in the form set out in Part II of Schedule 2 to the Agency Agreement and, in the case of Bearer Notes, in the form set out in Part III of Schedule 3 to the Agency Agreement.

NOW THIS DEED WITNESSES AS FOLLOWS:

- 1 If any Global Note becomes void in accordance with the terms thereof the Issuer hereby undertakes and covenants to and with each Relevant Account Holder (other than a

Relevant Clearing System if such Relevant Clearing System shall be an account holder of another Relevant Clearing System) that each Relevant Account Holder shall acquire against the Issuer the Direct Rights applicable to such Relevant Account Holder and each Underlying Note represented by such Global Note which such Relevant Account Holder has credited to its securities account with the Relevant Clearing System at the Relevant Time without any need for action on behalf of any person. The Issuer's obligation pursuant to this Clause shall be a separate and independent obligation by reference to each Underlying Note which a Relevant Account Holder has credited to its securities account with the Relevant Clearing System and the Issuer agrees that a Relevant Account Holder may assign its rights hereunder in whole or in part.

2 The records of the Relevant Clearing System shall be conclusive evidence of the identity of the Relevant Account Holders and the number of Underlying Notes credited to the securities account of each Relevant Account Holder. For the purposes hereof a statement issued by the Relevant Clearing System stating:

- (i) the name of the Relevant Account Holder to which such statement is issued; and
- (ii) the aggregate principal amount of Underlying Notes credited to the securities account of such Relevant Account Holder as at the opening of business on the first day following the Relevant Time on which the Relevant Clearing System is open for business,

shall be conclusive evidence of the records of the Relevant Clearing System at the Relevant Time.

3 In the event of a dispute, the determination of the Relevant Time by the Relevant Clearing System shall be final and conclusive for all purposes in connection with the Relevant Account Holders with securities accounts with the Relevant Clearing System.

4 All payments under this Deed shall be made by the Issuer to the Paying Agent (as defined in the Agency Agreement) without withholding or deduction for or on account of tax.

5 The Issuer hereby warrants, represents and covenants with each Relevant Account Holder that it has all corporate power, and has taken all necessary corporate or other steps, to enable it to execute, deliver and perform this Deed, and that this Deed constitutes a legal, valid and binding obligation of the Issuer in accordance with its terms.

6 This Deed shall take effect as a Deed Poll for the benefit of the Relevant Account Holders from time to time and for the time being. This Deed shall be deposited with and held by a common depositary for the Relevant Clearing System for the time being (being at the date hereof Citibank, N.A. at Citigroup Centre, Canada Square, Canary Wharf, London E14 5LB) until all the obligations of the Issuer hereunder have been discharged in full.

7 The Issuer hereby acknowledges the right of every Relevant Account Holder to the production of this Deed, and further acknowledges and covenants that the obligations binding upon it contained herein are owed to, and shall be for the account of, each and every Relevant Account Holder, and that each Relevant Account Holder shall be entitled severally to enforce the said obligations against the Issuer.

8 This Deed, and any non-contractual obligations arising out of or in connection with it, is governed by, and shall be construed in accordance with, the laws of England.

IN WITNESS whereof the Issuer has caused this Deed to be duly executed the day and year first above mentioned.

Dear Sirs,

European Bank for Reconstruction and Development (the “**Issuer**”) proposes to issue [currency and amount] [description of notes] Notes due [] (the “**Notes**”) pursuant to its Euro 35,000,000,000 Global Medium Term Note Programme. The terms of the issue shall be as set out in the form of Pricing Supplement attached to this Agreement as Annex A.

This Agreement is supplemental to the amended and restated Programme Agreement (the “**Programme Agreement**”) dated 11 August 2011 made between the Issuer and the Dealers party thereto. All terms used herein have the meanings given to them in the Programme Agreement.

We wish to record the arrangements agreed between us in relation to this issue:

[1] This Agreement appoints each Manager which is not a party to the Programme Agreement (each a “**New Dealer**”) as a Dealer under the Programme Agreement for the purposes of the issue of the Notes.

The Lead Manager confirms that it is in receipt of the documents referenced below:

- (i) a copy of the Programme Agreement; and
- (ii) a copy of such of the documents referred to in Appendix A of the Programme Agreement as the Lead Manager (on behalf of the Managers) has requested;

and, on behalf of the New Dealer(s), has found them to be satisfactory. In the case of any document referred to in Appendix A of the Programme Agreement which it has not requested, the Lead Manager confirms, on behalf of the New Dealer(s), that it has waived such production.*

For the purposes of the Programme Agreement, the details of the Lead Manager for service of notices are as follows:

[insert name, address, telephone, email and attention].

* It is important to ensure that each original legal opinion permits it to be delivered to, and relied upon by, New Dealers, otherwise a side letter to this effect should be provided.

In consideration of the Issuer appointing the New Dealer(s) as (a) Dealer(s) in respect of the Notes under the Programme Agreement, each/the New Dealer hereby undertakes, for the benefit of the Issuer and each of the other Dealers, that, in relation to the Issue of the Notes, it will perform and comply with all the duties and obligations expressed to be assumed by a Dealer under the Programme Agreement, a copy of which it acknowledges it has received from the Lead Manager.

The Issuer hereby confirms that the New Dealer(s) shall be vested with all authority, rights, powers, duties and obligations of a Dealer in relation to the issue of the Notes as if originally named as a Dealer under the Programme Agreement provided that following the Issue Date (as defined in Clause [3]) the New Dealer(s) shall have no further such authority, rights, powers, duties and obligations except such as may have accrued or been incurred prior to or in connection with the Issue Date.]

- [2] Subject to the terms and conditions of the Programme Agreement and this Agreement, the Issuer hereby agrees to issue the Notes and the Managers jointly and severally agree to purchase the Notes at a purchase price of [] per cent. of the principal amount of the Notes (the "**Purchase Price**") plus accrued interest, if any, being the issue price of [] per cent. less a selling concession of [] per cent. of such principal amount and a management and underwriting fee of [] per cent. of such principal amount.
- [3] The settlement procedures set out in [Part 1 or Part 2]^{*} of Annex A of the Procedures Memorandum shall apply as if set out in this Agreement provided that, for the purposes of this Agreement:
- (i) the sum payable on the Issue Date shall be [] (representing the Purchase Price, less the amount payable in respect of the Managers' expenses specified in Clause [4] hereof) which should be paid to the account of the Issuer with [*details of Issuer's account*];
 - (ii) "**Issue Date**" means [] hours ([] time) on [], or at such other time and/or date as the Issuer and the Lead Manager on behalf of the Managers may agree; and
 - (iii) "**Payment Instruction Date**" means the Issue Date unless there is to be a pre-closing for the issue in which case it means the business day (being a day on which banks and foreign exchange markets are open for business in London) prior to the Issue Date.
- [4] The Issuer shall bear and pay all costs and expenses incurred in or in connection with the printing of the Notes, this Agreement and the Pricing Supplement prepared in connection with the issue of the Notes, the listing of the Notes on the [Official List and the admission of the Notes to trading on the London Stock Exchange's Regulated Market/[] Stock Exchange] and making initial delivery of the Notes. In addition, the Issuer agrees to pay to the Lead Manager [] in respect of legal, travelling, email, facsimile, telephone, postage and advertising expenses incurred and to be incurred by the Managers in connection with the preparation and management of the issue and distribution of the Notes which sum may be deducted from the Purchase Price as provided in Clause [3] hereof.

* The parties may occasionally agree to use the Settlement Procedures set out in Part 1 of Annex 4.

- [5]** The obligation of the Managers to purchase the Notes is conditional upon:
- 5.1** the conditions set out in Clause 3.2 (other than that set out in Clause 3.2.7) of the Programme Agreement being satisfied as of the Payment Instruction Date; and
 - 5.2** the delivery to the Lead Manager on the Payment Instruction Date of (i) legal opinions addressed to the Managers dated the Payment Instruction Date in such form and with such contents as the Lead Manager, on behalf of the Managers, may reasonably require from the General Counsel, a Deputy General Counsel or an Assistant General Counsel of the Issuer and from Linklaters LLP, legal advisers to the Managers in England; (ii) a certificate dated as at the Payment Instruction Date signed by a duly authorised officer of the Issuer to the effect stated in sub-paragraph 5.1 of this Clause with regard to the Issuer and further to the effect that the Prospectus [and the Supplementary Prospectus(es) dated [] [and [] respectively]] (when read together with the Pricing Supplement) contains all material information relating to the Notes and to the assets and liabilities, financial position and profits and losses of the Issuer and nothing has happened or is expected to happen which would require the Prospectus to be supplemented or updated and (iii) such other conditions precedent as the Lead Manager may reasonably require.

If any of the foregoing conditions is not satisfied on or before the Payment Instruction Date, this Agreement shall terminate on such date and the parties hereto shall be under no further liability arising out of this Agreement (except for the liability of the Issuer in relation to expenses as provided in Clause [4] and except for any liability arising before or in relation to such termination), provided that the Lead Manager, on behalf of the Managers, may in its discretion waive any of the aforesaid conditions or any part of them.

- [6]**
- 6.1** The Lead Manager, on behalf of the Managers, may, by notice to the Issuer, and the Issuer may, by notice to the Lead Manager, on behalf of the Managers, terminate this Agreement at any time prior to payment of the net subscription moneys to the Issuer if in the opinion of the Managers or the Issuer, as the case may be, there shall have been such a change in national or international financial, political or economic conditions or currency exchange rates or exchange controls as would in the view of the Lead Manager or the Issuer, as the case may be, be likely to prejudice materially the success of the distribution of the Notes or dealings in the Notes in the secondary market.
 - 6.2** Upon such notice being given, this Agreement shall terminate and no party shall be under any liability to any other in respect thereof except for the liability of the Issuer for the payment of costs and expenses as provided in Clause [4] of this Agreement (but only to the extent of amounts actually incurred and, in any event, not exceeding []), the obligations of the Managers under Clause 8 of the Programme Agreement and the respective obligations of the parties under Clause 6 of the Programme Agreement.
- [7]** Clause 16 of the Programme Agreement shall also apply to this Agreement as if expressly incorporated herein.
- [8]** This Agreement may be executed in any number of counterparts, all of which, taken together, shall constitute one and the same agreement and any party may enter into this Agreement by executing a counterpart.
- [9]** A person who is not party to this Agreement has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this Agreement.

Please confirm that this letter correctly sets out the arrangements agreed between us.

Yours faithfully,

The terms of the issue shall be as set out in the form of Pricing Supplement attached to this Agreement as Annex A.

This Agreement is supplemental to the amended and restated Programme Agreement (the "Programme Agreement") dated 11 August 2011 made between the Issuer and the Dealers party thereto. All terms used herein have the meanings given to them in the Programme Agreement.

We wish to record the arrangements agreed between us in relation to this issue:

In consideration of the Issuer appointing the New Dealers as Dealers in respect of the Notes under the Programme Agreement, each New Dealer hereby undertakes, for the benefit of the Issuer and each of the other Dealers, that, in relation to the issue of the Notes, it will perform and comply with all the duties and obligations expressed to be assumed by a Dealer under the Programme Agreement, a copy of which it acknowledges it has received from the Lead Managers.

The Issuer hereby confirms that the New Dealers shall be vested with all authority, rights, powers, duties and obligations of a Dealer in relation to the issue of the Notes as if originally named as a Dealer under the Programme Agreement provided that following the Issue Date (as defined in Clause 3) the New Dealers shall have no further such authority, rights, powers, duties and obligations except such as may have accrued or been incurred prior to or in connection with the Issue Date.

2

2.1 Subject to the terms and conditions of the Programme Agreement and this Agreement, the Issuer hereby agrees to issue the Notes and the Managers jointly and severally agree to purchase the Notes at a purchase price of 99.784 per cent. of the principal amount of the Notes (the "Purchase Price") plus accrued interest, if any, being the issue price of 99.909 per cent. less a combined selling and management and underwriting commission of 0.125 per cent. of such principal amount.

2.2 The Managers agree as between themselves that they will be bound by and will comply with the International Capital Market Association Standard Form Agreement Among Managers version 1 (the "Agreement Among Managers") with respect to the Notes and further agree that references in the Agreement Among Managers to the "Lead Manager" shall mean the Lead Managers.

3 The settlement procedures set out in Part 2 of Annex A of the Procedures Memorandum shall apply as if set out in this Agreement provided that, for the purposes of this Agreement:

(i) the sum payable on the Issue Date shall be U.S.\$1,247,300,000 (representing the Purchase Price) which should be paid to the account of the Issuer with Citibank, New York, CITIUS 33, account number 36125585, in favour of European Bank for Reconstruction and Development, London;

(ii) "Issue Date" means 14.30 hours (London time) on 20 October 2011, or at such other time and/or date as the Issuer and the Lead Managers on behalf of the Managers may agree; and

(iii) "Payment Instruction Date" means the Issue Date unless there is to be a pre-closing for the issue in which case it means the business day (being a day on which banks and foreign exchange markets are open for business in London) prior to the Issue Date.

4 The Lead Managers shall bear and pay all costs and expenses (including legal expenses) incurred by the Managers in or in connection with the initial printing of the Notes, this Agreement and the Pricing Supplement prepared in connection with the issue of the Notes, the upfront fees and expenses of Citibank, N.A. as agent, the initial listing of the Notes on the Official List and the admission of the Notes to trading on the London Stock Exchange's Regulated Market and making initial delivery of the Notes. The Issuer shall bear the cost of its own legal expenses. For the avoidance of doubt, the Lead Managers shall only bear the costs and expenses listed above relating to the initial issue of the Notes, and shall not be liable for any further costs and expenses.

5 The obligation of the Managers to purchase the Notes is conditional upon:

5.1 the conditions set out in Clause 3.2 (other than that set out in Clause 3.2.7) of the Programme Agreement being satisfied as of the Payment Instruction Date; and

5.2 the delivery to the Lead Managers on the Payment Instruction Date of (i) legal opinions and/or disclosure letters (as applicable) addressed to the Managers dated the Payment Instruction Date in such form and with such contents as the Lead Managers, on behalf of the Managers, may reasonably require from the General Counsel, a Deputy General Counsel or an Assistant General Counsel of the Issuer, from

Linklaters LLP, legal advisers to the Managers in England and from Cleary Gottlieb Steen & Hamilton LLP, legal advisers to the Issuer in the United States; (ii) a certificate dated as at the Payment Instruction Date signed by a duly authorised officer of the Issuer to the effect stated in sub-paragraph 5.1 of this Clause with regard to the Issuer and further to the effect that the Prospectus (when read together with the Pricing Supplement) contains all material information relating to the Notes and to the assets and liabilities, financial position and profits and losses of the Issuer and nothing has happened or is expected to happen which would require the Prospectus to be supplemented or updated and (iii) such other conditions precedent as the Lead Managers reasonably may require.

If any of the foregoing conditions is not satisfied on or before the Payment Instruction Date, this Agreement shall terminate on such date and the parties hereto shall be under no further liability arising out of this Agreement (except for any liability arising before or in relation to such termination), provided that the Lead Managers, on behalf of the Managers, may in their discretion waive any of the aforesaid conditions or any part of them.

6

- 6.1** The Lead Managers, on behalf of the Managers, may, by notice to the Issuer, and the Issuer may, by notice to the Lead Managers, on behalf of the Managers, terminate this Agreement at any time prior to payment of the net subscription moneys to the Issuer if in the opinion of the Lead Managers, on behalf of the Managers or the Issuer, as the case may be, there shall have been such a change in national or international financial, political or economic conditions or currency exchange rates or exchange controls as would in the view of the Lead Managers or the Issuer, as the case may be, be likely to prejudice materially the success of the distribution of the Notes or dealings in the Notes in the secondary market.
- 6.2** Upon such notice being given, this Agreement shall terminate and no party shall be under any liability to any other in respect thereof except for the obligations of the Managers under Clause 8 of the Programme Agreement and the respective obligations of the parties under Clause 6 of the Programme Agreement.
- 7** Clause 16 of the Programme Agreement shall also apply to this Agreement as if expressly incorporated herein.
- 8** This Agreement may be executed in any number of counterparts, all of which, taken together, shall constitute one and the same agreement and any party may enter into this Agreement by executing a counterpart.
- 9** A person who is not party to this Agreement has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this Agreement.

- 7.2 The Issuer shall ensure that no later than two business days immediately preceding the date on which any payment is to be made to the Agent pursuant to subclause 7.1 above, the Agent shall receive a copy of an irrevocable payment instruction to the bank through which the payment is to be made. For the purposes of this subclause 7.2 a “**business day**”

Payments on Temporary Global Notes will be made only to the extent that certification of non-U.S. beneficial ownership (in the form set out in the Temporary Global Notes) has been received by Euroclear or Clearstream, Luxembourg. If any payment provided for in subclause 7.1 above is made late but otherwise in accordance with the provisions of this Agreement, the Agent, the Registrar and each Paying Agent shall nevertheless make payments in respect of the Notes as aforesaid following receipt by it of such payment.
- 7.4** If for any reason the Agent considers in its discretion (exercised in good faith) that the amounts to be received by the Agent pursuant to subclause 7.1 above will be, or the amounts actually received by it pursuant thereto are, insufficient to satisfy all claims in respect of all payments falling due on the Notes, none of the Agent, the Registrar or any Paying Agent shall be obliged to pay any such claims until the Agent has received the full amount of all moneys due and payable in respect of such Notes.
- 7.5** Without prejudice to subclauses 7.3 and 7.4 above, if the Agent pays any amounts to the Noteholders or Couponholders or to the Registrar or any Paying Agent at a time when it has not received payment in full in respect of such Notes in accordance with subclause 7.1 above (the excess of the amounts so paid over the amounts so received being the “**Shortfall**”), the Issuer shall, in addition to paying amounts due under subclause 7.1 above, pay to the Agent on demand interest (at a rate reasonably determined by the Agent to represent its cost of funding the Shortfall) on the Shortfall (or the unreimbursed portion thereof) until the receipt in full by the Agent of the Shortfall.
- 7.6** The Agent shall on demand promptly reimburse the Registrar and each Paying Agent for payments in respect of Notes properly made by the Registrar and such Paying Agent in accordance with this Agreement and the Notes unless the Agent shall have notified the Registrar and the Paying Agent prior to the opening of business in the location of the office of the Registrar and the Paying Agent through which payment on the Notes can be made on the due date of a payment under such Notes that the Agent does not expect to receive sufficient funds to make payment of all amounts falling due in respect of such Notes.
- 7.7** Whilst any Notes are represented by Global Notes, all payments due in respect of such Notes shall be made to, or to the order of, the holder of the Global Notes, subject to and in accordance with the provisions of the Global Notes. In the case of a Temporary Global Note or a Permanent Global Note which is a CGN, on the occasion of any payment of principal or interest the Paying Agent to which the relevant Temporary Global Note or Permanent Global Note is presented for the purpose of making such payment shall cause Schedule One to the Temporary Global Note or Permanent Global Note to be annotated so as to evidence the amounts and dates of such payment. In the case of a Temporary Global Note or a Permanent Global Note that is a NGN, the Paying Agent shall instruct Euroclear and Clearstream, Luxembourg to make appropriate entries in their records to reflect such payment.

7.8 If the amount of principal and/or interest then due for payment is not paid in full (otherwise than by reason of a deduction required by law to be made therefrom):

7.8.1 in the case of Bearer Notes, unless the Note is a NGN, the Paying Agent to which a Bearer Note is presented for the purpose of making such payment shall make a record of such shortfall on the Bearer Note. In the case of a Bearer Note which is a NGN, the Paying Agent shall instruct Euroclear and Clearstream, Luxembourg to make appropriate entries in their records to reflect such shortfall in payment; or

8.3 If the Agent does not at any material time for any reason determine and/or publish and/or notify the Rate of Interest, Interest Amount and/or Interest Payment Date in respect of any Interest Period as provided in this Clause 8, it shall forthwith notify the Issuer, the Registrar and the Paying Agents of such fact.

8.4 Notes of any Series may specify additional duties and obligations of the Agent as set out in the Conditions, the performance of which will be agreed between the Issuer and the Agent prior to the relevant Issue Date.

Unless otherwise agreed between the Issuer and the relevant Purchaser or Purchasers of such Notes, such determinations shall be made on the basis of a Calculation Agency Agreement substantially in the form of Appendix B to this Agreement.

8.6 The Issuer may, in relation to Notes, which may be redeemed against delivery of specified underlying assets, appoint a calculation and delivery agent in a separate agreement to effect such delivery.

The applicable Pricing Supplement prepared by, or on behalf of, the Issuer in relation to any Notes may specify other Terms and Conditions which shall, to the extent so specified or to the extent inconsistent with these Terms and Conditions, replace the following Terms and Conditions for the purposes of a specific issue of Notes. The applicable Pricing Supplement will be incorporated into, or attached to, each global Note and endorsed upon each definitive Note. All capitalised terms shall have the meanings defined herein. The price and amount of Notes to be issued under the Programme will be determined by the Issuer and the relevant Dealer(s) at the time of the issue in accordance with prevailing market conditions.

This Note is one of a Series of the Notes ("Notes", which expression shall mean (i) in relation to any Notes represented by a Note in global form (a "Global Note"), units of the lowest Specified Denomination in the Specified Currency of the relevant Notes, (ii) definitive Notes issued in exchange (or part exchange) for a Global Note and (iii) any Global Note) issued subject to, and with the benefit of, an amended and restated Agency Agreement dated 11 August 2011 (the "Agency Agreement") and made between European Bank for Reconstruction and Development (the "Issuer"), Citibank, N.A. as issuing agent, principal paying agent, agent bank and, if so specified in the applicable Pricing Supplement, calculation agent and/or determination agent, as the case may be, (the "Agent", which expression shall include any successor as agent or any other calculation agent and/or determination agent, as the case may be, specified in the applicable Pricing Supplement), Citibank, N.A., as registrar (the "Registrar", which expression shall include any successor registrar) and the other paying agents named therein (together with the Agent, the "Paying Agents" which expression shall include any additional or successor paying agents).

To the extent the Pricing Supplement for this Series of Notes specifies other Terms and Conditions which are in addition to, or inconsistent with, these Terms and Conditions, such other Terms and Conditions shall apply to this Series of Notes.

The holders for the time being of the Notes ("Noteholders"), which expression shall, in relation to any Notes represented by a Global Note, be construed as provided in Condition 1, the holders of the Coupons (as defined below) appertaining to interest-bearing definitive Bearer Notes (the "Couponholders"), the holders of the Talons (as defined below) (the "Talonholders") and the holders of the Receipts (as defined below) (the "Receiptholders") are deemed to have notice of, and are entitled to the benefit of, all the provisions of the Agency Agreement and the applicable Pricing Supplement, which are binding on them. Supplement for the Notes of this Series are available from the principal office of the Agent and the Paying Agents set out at the end of these Terms and Conditions.

Words and expressions defined in the Agency Agreement or defined or set out in the applicable Pricing Supplement (which term, as used herein, means, in relation to this Note, the Pricing Supplement attached hereto or endorsed hereon) shall have the same meanings where used in these Terms and Conditions unless the context otherwise requires or unless otherwise stated.

1. Form, Denomination, Title and Transfer

The Notes are in bearer form ("Bearer Notes") or registered form ("Registered Notes") in the Specified Currency and Specified Denomination(s) and definitive Notes will be serially numbered. This Note is to the extent specified in the applicable Pricing Supplement a Fixed Rate Note, a Floating Rate Note, a Zero Coupon Note, an Indexed Note or a Dual Currency Note, or any appropriate combination thereof. If it is a definitive Bearer Note, it is issued with coupons for the payment of interest ("Coupons") attached, and if applicable talons for further Coupons ("Talons") attached unless it is a Zero Coupon Note in which case references to interest (other than in relation to interest due after the Maturity Date) and Coupons in these Terms and Conditions are not applicable. If it is a definitive Bearer Note redeemable in instalments it is issued with receipts ("Receipts") for the payment of instalments of principal prior to stated maturity attached. Wherever Dual Currency Notes or Indexed Notes are issued to bear interest on a fixed or floating rate basis or on a non-interest-bearing basis, the provisions in these Terms and Conditions relating to Fixed Rate Notes, Floating Rate Notes and Zero Coupon Notes respectively shall, where the context so admits, apply to such Dual Currency Notes or Indexed Notes. Any reference in these Terms and Conditions to Coupon(s), Couponholder(s) or coupon(s) shall, unless the context otherwise requires, be deemed to include a reference to Talon(s), Talonholder(s) or talon(s).

Subject as set out below, title to the Bearer Notes, the Coupons and Receipts will pass by delivery. The holder of each Coupon or Receipt, whether or not such Coupon or Receipt is attached to a Bearer Note, in his capacity as such, shall be subject to and bound by all the provisions contained in the relevant Note. The Issuer and any Paying Agents may deem and treat the bearer of any Bearer Note, Coupon or Receipt as the absolute owner thereof (whether or not such Bearer Note, Coupon or Receipt shall be overdue and notwithstanding any notation of ownership or writing thereon or notice of any previous loss or theft thereof) for all purposes but, in the case of any Global Note, without prejudice to the provisions set out below.

The Issuer has appointed the Registrar at its office specified below to act as registrar in respect of the Registered Notes. The Issuer shall cause to be kept at the specified office of the Registrar for the time being a register (the "Register") on which shall be entered, *inter*

alia, the names and addresses of the holders of the Registered Notes and particulars of all transfers of title to the Registered Notes. The Issuer and the Registrar may deem and treat the registered owner of a Registered Note as the absolute owner thereof (whether or not such Note shall be overdue and notwithstanding any notation of ownership or writing thereon or notice of any previous loss or theft thereof). The Issuer reserves the right at any time to vary or terminate the appointment of the Registrar and to appoint another Registrar provided that it will at all times maintain a Registrar. Notice of any termination or appointment and of any changes in specified offices will be given to the Registered Noteholders promptly by the Issuer in accordance with Condition 13.

A Global Note in registered form (a "Registered Global Note") may be transferred, in whole, to another nominee for The Depository Trust Company or other common depository for Euroclear and Clearstream, Luxembourg or such other clearing system and common depository or person as may be specified in the applicable Pricing Supplement or otherwise as may be specified separately in the applicable Pricing Supplement, by the registered holder depositing the Registered Global Note at the specified office of the Registrar with the form of transfer attached thereto duly completed and signed by or on behalf of the transferor, upon payment of any applicable taxes or other governmental charges and upon the Registrar, after due and careful enquiry, being satisfied with the title and identity of the person making the request and subject to such other reasonable regulations as the Issuer and the Registrar may prescribe, all as described in the Agency Agreement. Subject as provided above, the Registrar will, within three business days (being days when banks are open for business in the city where the Registrar is located) of such deposit (or such longer period as may be required to comply with any applicable fiscal or other laws or regulations), deliver a new Registered Global Note at its specified office to and in the name of the transferee. Notwithstanding the above provisions the holder of a Registered Global Note may not require the transfer of a Registered Global Note to be registered during the period of 15 days ending on the due date for any payment of principal or interest on the Registered Global Note.

A definitive Registered Note may be transferred in whole or in part (in the amount of the lowest Specified Denomination or any integral multiple thereof) by the transferor depositing such Registered Note for registration of the transfer of the Registered Note (or the relevant part of the Registered Note) at the specified office of the Registrar, with the form of transfer endorsed on the definitive Registered Note duly completed and signed by or on behalf of the transferor and upon the Registrar after due and careful enquiry being satisfied with the documents of title and the identity of the person making the request and subject to such reasonable regulations as the Issuer and the Registrar may prescribe. Subject as provided above, the Registrar will, within three business days (being days when banks are open for business in the city where the Registrar is located) of the request (or such longer period as may be required to comply with any applicable fiscal or other laws or regulations), deliver at its specified office to the transferee or (at the risk of the transferee) send by mail to such address as the transferee may request a new Registered Note of a like aggregate nominal amount to the Registered Note (or the relevant part of the Registered Note) transferred. In the case of the transfer of part only of a Registered Note, a new Registered Note in respect of the balance of the Registered Note not transferred will be so delivered or (at the risk of the transferor) sent to the transferor.

In the event of a partial redemption of Registered Notes under Condition 5, the Registrar shall not be required:

- (a) to register the transfer of definitive Registered Notes (or parts of Registered Notes) during the period beginning on the 45th day before the date of the partial redemption and ending on the day on which notice is given specifying the serial numbers of definitive Registered Notes called (in whole or in part) for redemption (both inclusive); or
- (b) to register the transfer of any definitive Registered Note, or part of a definitive Registered Note, called for partial redemption.

Registered Noteholders will not be required to bear the costs and expenses of effecting any registration of transfer or any exchange as provided above, except for any costs or expenses of delivery other than by regular mail and except that the Issuer may require the payment of a sum sufficient to cover any stamp duty, tax or other governmental charge that may be imposed in relation to the registration or exchange.

For so long as any of the Notes are represented by a Global Note in bearer form, each person (other than a clearing system which is an account holder with another clearing system for the purpose of operating any "bridge" between two or more clearing systems) who is for the time being shown in the records of Euroclear and/or Clearstream, Luxembourg as the holder of a particular nominal amount of such Notes (in which regard any certificate or other document issued by Euroclear or Clearstream, Luxembourg as to the nominal amount of such Notes standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall be treated by the Issuer, the Agent and any other Paying Agent as a holder of such nominal amount of such Notes for all purposes other than for the payment of principal (including premium (if any)) and interest on such Notes or the delivery of securities or any other assets deliverable pursuant to such Notes, the right to which shall be vested, as against the Issuer, the Agent and any other Paying Agent, solely in the bearer holder of the Global Note in accordance with and subject to its terms (and the expressions "Noteholder", "holder of Notes" and related expressions shall be construed accordingly).

Notes which are represented by a Global Note will only be transferable in accordance with the rules and procedures for the time being of The Depository Trust Company and/or Euroclear and/or Clearstream, Luxembourg, as the case may be, or such other rules and procedures as may be specified in the applicable Pricing Supplement.

2. Status of the Notes

The Notes and (if applicable) the relative Coupons and Receipts are direct and, subject to Condition 3, unsecured obligations of the Issuer ranking *pari passu* without any preference among themselves and, subject as aforesaid, with all its other obligations which are unsecured and not subordinated. The Notes and (if applicable) the relative Coupons and Receipts are not the obligations of any government or member of the Issuer.¹

3. Negative Pledge

As long as any of the Notes shall be outstanding, the Issuer will not create on any of its property or assets any mortgage, pledge or other lien or charge as security for any bonds, notes or other evidences of indebtedness quoted, listed or ordinarily dealt in on any stock exchange or other organised securities market, heretofore or hereafter issued or assumed

4. Interest

(a) ***Interest on Fixed Rate Notes***

- (i) Each Fixed Rate Note bears interest from and including the Interest Commencement Date to but excluding the next following Fixed Interest Date or the Maturity Date, as the case may be, at the rate(s) per annum equal to the Fixed Rate(s) of Interest payable in arrear on the Fixed Interest Date(s) in each year and on the Maturity Date, subject to Condition 6(e). The first payment of interest will be made on the Fixed Interest Date next following the Interest Commencement Date and, if the first anniversary of the Interest Commencement Date is not a Fixed Interest Date, will amount to the Initial Broken Amount. If the Maturity Date is not a Fixed Interest Date, interest from and including the preceding Fixed Interest Date (or the Interest Commencement Date, as the case may be) to but excluding the Maturity Date will amount to the Final Broken Amount.
- (ii) Subject as aforesaid, such interest will be payable in respect of each Fixed Interest Period (which expression shall, in these Terms and Conditions, mean the period from (and including) a Fixed Interest Date (or the Interest Commencement Date) to (but excluding) the next (or first) Fixed Interest Date or the Maturity Date, as the case may be). If interest is required to be calculated for a period ending on a Fixed Interest Date, a period ending other than on a Fixed Interest Date, or for a period ending on a Fixed Interest Date as adjusted in accordance with the business day convention specified in the applicable Pricing Supplement (all in accordance with Clause 4(a)(iii) below) such interest shall be calculated by applying the Fixed Rate of Interest to each Specified Denomination, or where a Calculation Amount is specified in the applicable Pricing Supplement, to such Calculation Amount, multiplying such sum by the applicable Fixed Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

In these Terms and Conditions, the following expressions have the following meanings:

"Fixed Day Count Fraction" means:

- (A) if "Actual/Actual - ISDA" is specified in the applicable Pricing Supplement, the actual number of days in the Calculation Period divided by 365 (or, if any portion of that Calculation Period falls in a leap year, the sum of (1) the actual number of days in that portion of

the Calculation Period falling in a leap year divided by 366 and (2) the actual number of days in that portion of the Calculation Period falling in a non-leap year divided by 365);

- (D) if "30/360" is specified in the applicable Pricing Supplement, the number of days in the Calculation Period divided by 360 calculated on a formula basis as follows:

$$\text{Fixed Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

"Y₁" is the year, expressed as a number, in which the first day of the Calculation Period falls;

"Y₂" is the year, expressed as a number, in which the day immediately following the last day included in the Calculation Period falls;

"M₂" is the calendar month, expressed as a number, in which the day immediately following the last day included in the Calculation Period falls;

"D₁" is the first calendar day, expressed as a number, of the Calculation Period, unless such number would be 31, in which case D₁ will be 30; and

"D₂" is the calendar day, expressed as a number, immediately following the last day included in the Calculation Period, unless such number would be 31 and D₁ is greater than 29, in which case D₂ will be 30;

- (E) if "30E/360" or "Eurobond Basis" is specified in the applicable Pricing Supplement, the number of days in the Calculation Period divided by 360 calculated on a formula basis as follows:

$$\text{Fixed Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

"Y₁" is the year, expressed as a number, in which the first day of the Calculation Period falls;

"Y₂" is the year, expressed as a number, in which the day immediately following the last day included in the Calculation Period falls;

"M₁" is the calendar month, expressed as a number, in which the first day of the Calculation Period falls;

"M₂" is the calendar month, expressed as a number, in which the day immediately following the last day included in the Calculation Period falls;

"D₁" is the first calendar day, expressed as a number, of the Calculation Period, unless such number would be 31, in which case D₁ will be 30; and

"D₂" is the calendar day, expressed as a number, immediately following the last day included in the Calculation Period, unless such number would be 31, in which case D₂ will be 30;

- (F) if "30E/360 (ISDA)" is specified in the applicable Pricing Supplement, the number of days in the Calculation Period divided by 360, calculated on a formula basis as follows:

$$\text{Fixed Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

"Y₁" is the year, expressed as a number, in which the first day of the Calculation Period falls;

"Y₂" is the year, expressed as a number, in which the day immediately following the last day included in the Calculation Period falls;

"M₁" is the calendar month, expressed as a number, in which the first day of the Calculation Period falls;

"M₂" is the calendar month, expressed as a number, in which the day immediately following the last day included in the Calculation Period falls;

"D₁" is the first calendar day, expressed as a number, of the Calculation Period, unless (i) that day is the last day of February or (ii) such number would be 31, in which case D₁ will be 30; and

"D₂" is the calendar day, expressed as a number, immediately following the last day included in the Calculation Period, unless (i) that day is the last day of February but not the Maturity Date or (ii) such number would be 31, in which case D₂ will be 30;

- (G) if "Actual/Actual - ICMA" is specified in the applicable Pricing Supplement,
- if the Calculation Period is equal to or shorter than the Determination Period during which it falls, the number of

days in the Calculation Period divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Periods normally ending in any year; and

- if the Calculation Period is longer than one Determination Period, the sum of:

(x) the number of days in such Calculation Period falling in the Determination Period in which it begins divided by the product of (1) the number of days in such Determination Period and (2) the number of Determination Periods normally ending in any year; and

(y) the number of days in such Calculation Period falling in the next Determination Period divided by the product of (1) the number of days in such Determination Period and (2) the number of Determination Periods normally ending in any year,

where:

"Determination Period" means the period from and including a Determination Date in any year to but excluding the next Determination Date; and

"Determination Date" means each relevant Fixed Interest Date (except that the first Determination Date shall be deemed to be the Interest Commencement Date), unless otherwise specified in the applicable Pricing Supplement.

For the purposes of the definition of "Determination Date" in this Condition 4(a)(ii)(G), the adjustment of any Fixed Interest Date as a result of the application of any Business Day Convention shall be disregarded; or

- (H) such other basis as may be agreed, as specified in the applicable Pricing Supplement;

"sub-unit" means, with respect to any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, with respect to euro, means one cent; and

"Calculation Period" means, with respect to the relevant period for which interest is to be calculated on any Note, a period of time from and including the first day of such period to but excluding the last (whether or not constituting a Fixed Interest Period).

- (iii) If any Fixed Interest Date would otherwise fall on a day which is not a Business Day, then payment of the interest due on such Fixed Interest Date, subject to Condition 6(e), shall be made after adjustment in accordance with the business day convention specified in the applicable Pricing Supplement. If the business day convention specified in the applicable Pricing Supplement is:

- (A) the Following Business Day Convention, payment of the interest due on such Fixed Interest Date shall be postponed to the next day which is a Business Day, and if the amount of interest due has been specified to be adjusted, the Fixed Interest Date shall also be postponed to the next day which is a Business Day;
- (B) the Modified Following Business Day Convention, payment of the interest due on such Fixed Interest Date shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event payment of the interest due on such Fixed Interest Date shall be brought forward to the immediately preceding Business Day, and if the amount of interest due has been specified to be adjusted, the Fixed Interest Date shall also be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event the Fixed Interest Date shall be brought forward to the immediately preceding Business Day; or
- (C) the Preceding Business Day Convention, payment of the interest due on such Fixed Interest Date shall be brought forward to the immediately preceding Business Day, and if the amount of interest due has been specified to be adjusted, the Fixed Interest Date shall also be brought forward to the immediately preceding Business Day.

If the payment in respect of a Fixed Interest Date becomes subject to a business day convention, as set out above, there will be no adjustment to the calculation of interest payable in respect of the relevant Fixed Interest Date, unless it is specified in the applicable Pricing Supplement that the amount of interest payable in such circumstances will be calculated by reference to the period ending on the Fixed Interest Date as adjusted in accordance with the specified business day convention, in which case the Fixed Day Count Fraction specified in the applicable Pricing Supplement will also be applied.

In this Condition 4(a), "Business Day" means a day which is:

- (1) either (x) in relation to Notes denominated in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealings in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency or (y) in relation to Notes denominated in euro, a day on which the TARGET System is open for the settlement of payments in euro (a "TARGET Business Day"). In these Terms and Conditions, "TARGET System" means the Trans-European Automated Real-Time Gross Settlement Express Transfer (known as TARGET2) system or any successor thereto; and
- (2) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealings in foreign exchange and foreign currency deposits) in any additional business centre specified in the applicable Pricing

Supplement and if "TARGET" is specified as an additional business centre in the applicable Pricing Supplement, a TARGET Business Day.

(b) **Interest on Floating Rate Notes**

(i) *Interest Payment Dates*

Each Floating Rate Note and Indexed Note bears interest on its nominal amount as specified in Condition 4(b)(ii) and such interest will be payable (subject to Condition 6(e)) in arrear on either:

- (A) the Interest Payment Date(s) in each year; or
- (B) if no express Interest Payment Date(s) is/are specified in the applicable Pricing Supplement, each date (each an "Interest Payment Date") which falls the number of months or other period specified as the Specified Period in the applicable Pricing Supplement after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

Such interest will be payable in respect of each Interest Period (which expression shall, in these Terms and Conditions, mean the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date.

If any Interest Payment Date (or other date) which is specified in the applicable Pricing Supplement to be subject to adjustment in accordance with a business day convention would otherwise fall on a day which is not a Business Day, then, subject to Condition 6(e), if the business day convention specified is:

- (1) in the case of (B) above, the Floating Rate Convention, such Interest Payment Date (or other date) shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event (A) such Interest Payment Date (or other date) shall be the immediately preceding Business Day and (B) each subsequent Interest Payment Date (or other date) shall be the last Business Day in the month which falls the Specified Period after the preceding applicable Interest Payment Date (or other date) occurred;
- (2) the Following Business Day Convention, such Interest Payment Date (or other date) shall be postponed to the next day which is a Business Day;
- (3) the Modified Following Business Day Convention, such Interest Payment Date (or other date) shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Payment Date (or other such date) shall be brought forward to the immediately preceding Business Day; or

- (4) the Preceding Business Day Convention, such Interest Payment Date (or other date) shall be brought forward to the immediately preceding Business Day.

If the payment in respect of an Interest Payment Date becomes subject to a business day convention, as set out above, there will be no adjustment to the calculation of interest payable in respect of the relevant Interest Payment Date, unless it is specified in the applicable Pricing Supplement that the amount of interest payable in such circumstances will be calculated by reference to the period ending on the Interest Payment Date, as adjusted in accordance with the specified business day convention, in which case the Floating Day Count Fraction specified in the applicable Pricing Supplement will also be applied.

In this Condition 4(b), "Business Day" means a day which is:

- (A) either (1) in relation to Notes denominated in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealings in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency or (2) in relation to Notes denominated in euro, a day on which the TARGET system is open for the settlement of payments in euro (a "TARGET Business Day"). In these Terms and Conditions, "TARGET System" means the Trans-European Automated Real-Time Gross Settlement Express Transfer (known as TARGET2) system or any successor thereto; and
- (B) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealings in foreign exchange and foreign currency deposits) in any additional business centre specified in the applicable Pricing Supplement and if "TARGET" is specified as an additional business centre in the applicable Pricing Supplement, a TARGET Business Day.

(ii) *Rate of Interest*

The Rate of Interest payable from time to time in respect of Floating Rate Notes will be determined in the manner specified in the applicable Pricing Supplement. Interest (including any Rate of Interest, if applicable) in the case of Indexed Notes, will be determined in accordance with Condition 4(d).

(iii) *ISDA Determination*

Where ISDA Determination is specified in the applicable Pricing Supplement as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will be the relevant ISDA Rate plus or minus (as indicated in the applicable Pricing Supplement) the Margin (if any). For the purposes of this sub-paragraph (iii), "ISDA Rate" for an Interest Period means a rate equal to the Floating

Rate that would be determined by the Agent or other person specified in the applicable Pricing Supplement under an interest rate swap transaction if the Agent or that other person were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the ISDA Definitions and under which:

- (A) the Floating Rate Option is as specified in the applicable Pricing Supplement;
- (B) the Designated Maturity is the period specified in the applicable Pricing Supplement; and
- (C) the relevant Reset Date is either (i) if the applicable Floating Rate Option is based on the London interbank offered rate ("LIBOR") or on the Euro-zone inter-bank offered rate ("EURIBOR") for a currency, the first day of that Interest Period or (ii) in any other case, as specified in the applicable Pricing Supplement.

For the purpose of this sub-paragraph (iii) "Floating Rate", "Calculation Agent", "Floating Rate Option", "Designated Maturity" and "Reset Date" have the meanings given to those terms in the ISDA Definitions; and the definition of "Banking Day" in the ISDA Definitions shall be amended to insert after the words "are open for" in the second line the word "general".

When this sub-paragraph (iii) applies, in respect of each relevant Interest Period the Agent will be deemed to have discharged its obligations under sub-paragraph (v) below in respect of the determination of the Rate of Interest if it has determined the Rate of Interest in respect of such Interest Period in the manner provided in this sub-paragraph (iii).

In these Terms and Conditions "Euro-zone" means the region comprised of member states of the European Union that adopt the single currency in accordance with the Treaty establishing the European Community, as amended by the Treaty on European Union, and shall include any other country that has not adopted the aforementioned single currency, as may be specified in the applicable Pricing Supplement.

In these Terms and Conditions, "ISDA Definitions" means the 2006 ISDA Definitions (as amended and/or supplemented as at the Issue Date of the Notes) published by the International Swaps and Derivatives Association, Inc., unless otherwise specified in the applicable Pricing Supplement.

(iv) *Screen Rate Determination*

The provisions set out below in this sub-paragraph (iv) will apply unless otherwise specified in the applicable Pricing Supplement.

Where so specified in the applicable Pricing Supplement, the Rate of Interest for each Interest Period will, subject as provided below, be either:

- (A) the offered quotation; or
- (B) the arithmetic mean (rounded if necessary to the fourth decimal place, with 0.00005 being rounded upwards) of the offered quotations (expressed as a percentage rate per annum),

for deposits in the Specified Currency for the Specified Period which appears or appear, as the case may be, on the Relevant Screen Page as at 11:00 a.m. (London time, in the case of LIBOR, or Brussels time in the case of EURIBOR) on the Interest Determination Date in question plus or minus (as indicated in the applicable Pricing Supplement) the Margin (if any), all as determined by the Agent (or such other entity specified in the applicable Pricing Supplement). If five or more such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest rate, one only of such rates) and the lowest (or, if there is more than one such lowest rate, one only of such rates) shall be disregarded by the Agent for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

If the Relevant Screen Page is not available or if, in the case of (A) above, no such offered quotation appears or, in the case of (B) above, fewer than three of such offered quotations appear as at such time specified above, the Agent (or such other entity specified in the applicable Pricing Supplement) shall request each of the Reference Banks (as defined below) to provide the Agent (or such other entity specified in the applicable Pricing Supplement) with its offered quotation (expressed as a percentage rate per annum) for deposits in the Specified Currency for the Specified Period to prime banks in the London inter-bank market at approximately 11:00 a.m. (London time) if the Reference Rate is LIBOR, or to prime banks in the Euro-zone inter-bank market at approximately 11:00 a.m. (Brussels time) if the Reference Rate is EURIBOR on the Interest Determination Date. If two or more of the Reference Banks provide the Agent (or such other entity specified in the applicable Pricing Supplement) with such offered quotations, the Rate of Interest for the relevant Interest Period shall be the arithmetic mean (rounded if necessary to the fourth decimal place, with 0.00005 being rounded upwards) of such offered quotations plus or minus (as appropriate) the Margin (if any), all as determined by the Agent (or such other entity specified in the applicable Pricing Supplement).

If on any Interest Determination Date one only or none of the Reference Banks provides the Agent (or such other entity specified in the applicable Pricing Supplement) with such offered quotations as provided in the preceding paragraph, the Rate of Interest for the relevant Interest Period shall be the rate per annum which the Agent (or such other entity specified in the applicable Pricing Supplement) determines as being the arithmetic mean (rounded if necessary to the fourth decimal place, with 0.00005 being rounded upwards) of the rates, as communicated to (and at the request of) the Agent (or such other entity specified in the applicable Pricing Supplement) by the Reference Banks or any two or more of them, at which such banks were offered, as at 11:00 a.m. (London time if the Reference Rate is LIBOR, or Brussels time, if the Reference Rate is EURIBOR) on the relevant Interest Determination Date, deposits in the Specified Currency for the Specified Period by prime banks in, if the Reference Rate is LIBOR, the London inter-bank market or, if the Reference Rate is EURIBOR, the Euro-zone inter-bank market, as the case may be, plus or minus (as appropriate) the Margin (if any), or if fewer than two of the Reference Banks provide the

Agent (or such other entity specified in the applicable Pricing Supplement) with such offered rates, the offered rate for deposits in the Specified Currency for the Specified Period, or the arithmetic mean (rounded as provided above) of the offered rates for deposits in the Specified Currency for the Specified Period, which, at approximately 11:00 a.m. (London time) if the Reference Rate is LIBOR, or, at approximately 11:00 a.m. (Brussels time) if the Reference Rate is EURIBOR, on the relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the Agent and the Issuer suitable for such purpose) informs the Agent (or such other entity specified in the applicable Pricing Supplement) it is quoting to prime banks in the London inter-bank market, if the Reference Rate is LIBOR, or, the Euro-zone inter-bank market, if the Reference Rate is EURIBOR, as the case may be, (or, as the case may be, the quotations of such bank or banks to the Agent (or such other entity specified in the applicable Pricing Supplement)) plus or minus (as appropriate) the Margin (if any), provided that, if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph, the Rate of Interest shall be established by the Agent (or such other entity specified in the applicable Pricing Supplement) in its sole and absolute discretion and acting in good faith, or as otherwise specified in the applicable Pricing Supplement.

(v) *Determination of Rate of Interest and calculation of Interest Amount*

The Agent will, on or as soon as practicable after each date on which the Rate of Interest is to be determined (the "Interest Determination Date"), determine the Rate of Interest (subject to any Minimum or Maximum Rate of Interest specified in the applicable Pricing Supplement) and calculate the amount of interest (the "Interest Amount") payable on the Floating Rate Notes for the relevant Interest Period. Each Interest Amount shall be calculated by applying the Rate of Interest to the Specified Denomination or, where a Calculation Amount is specified in the applicable Pricing Supplement, such Calculation Amount, multiplying such sum by the applicable Floating Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. In these Terms and Conditions, the following expressions have the following meanings:

"Floating Day Count Fraction" means:

- (A) if "Actual/Actual - ISDA" is specified in the applicable Pricing Supplement, the actual number of days in the Calculation Period divided by 365 (or, if any portion of that Calculation Period falls in a leap year, the sum of (1) the actual number of days in that portion of the Calculation Period falling in a leap year divided by 366 and (2) the actual number of days in that portion of the Calculation Period falling in a non-leap year divided by 365);
- (B) if "Actual/365 (Fixed)" is specified in the applicable Pricing Supplement, the actual number of days in the Calculation Period divided by 365;

- (C) if "Actual/360" is specified in the applicable Pricing Supplement, the actual number of days in the Calculation Period divided by 360;
- (D) if "30/360" is specified in the applicable Pricing Supplement, the number of days in the Calculation Period divided by 360 calculated on a formula basis as follows:

$$\text{Floating Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

"Y₁" is the year, expressed as a number, in which the first day of the Calculation Period falls;

"Y₂" is the year, expressed as a number, in which the day immediately following the last day included in the Calculation Period falls;

"M₁" is the calendar month, expressed as a number, in which the first day of the Calculation Period falls;

"M₂" is the calendar month, expressed as a number, in which the day immediately following the last day included in the Calculation Period falls;

"D₁" is the first calendar day, expressed as a number, of the Calculation Period, unless such number would be 31, in which case D₁ will be 30; and

"D₂" is the calendar day, expressed as a number, immediately following the last day included in the Calculation Period, unless such number would be 31 and D₁ is greater than 29, in which case D₂ will be 30;

- (E) if "30E/360" or "Eurobond Basis" is specified in the applicable Pricing Supplement, the number of days in the Calculation Period divided by 360 calculated on a formula basis as follows:

$$\text{Floating Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

"Y₁" is the year, expressed as a number, in which the first day of the Calculation Period falls;

"Y₂" is the year, expressed as a number, in which the day immediately following the last day included in the Calculation Period falls;

"M₁" is the calendar month, expressed as a number, in which the first day of the Calculation Period falls;

"M₂" is the calendar month, expressed as a number, in which the day immediately following the last day included in the Calculation Period falls;

"D₁" is the first calendar day, expressed as a number, of the Calculation Period, unless such number would be 31, in which case D₁ will be 30; and

"D₂" is the calendar day, expressed as a number, immediately following the last day included in the Calculation Period, unless such number would be 31, in which case D₂ will be 30;

- (F) if "30E/360 (ISDA)" is specified in the applicable Pricing Supplement, the number of days in the Calculation Period divided by 360, calculated on a formula basis as follows:

$$\text{Floating Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

"Y₁" is the year, expressed as a number, in which the first day of the Calculation Period falls;

"Y₂" is the year, expressed as a number, in which the day immediately following the last day included in the Calculation Period falls;

"M₁" is the calendar month, expressed as a number, in which the first day of the Calculation Period falls;

"M₂" is the calendar month, expressed as a number, in which the day immediately following the last day included in the Calculation Period falls;

"D₁" is the first calendar day, expressed as a number, of the Calculation Period, unless (i) that day is the last day of February or (ii) such number would be 31, in which case D₁ will be 30; and

"D₂" is the calendar day, expressed as a number, immediately following the last day included in the Calculation Period, unless (i) that day is the last day of February but not the Maturity Date or (ii) such number would be 31, in which case D₂ will be 30;

- (G) in relation to Indexed Notes only, if "Actual/Actual - ICMA" is specified in the applicable Pricing Supplement,
- if the Calculation Period is equal to or shorter than the Determination Period during which it falls, the number of days in the Calculation Period divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Periods normally ending in any year; and

- if the Calculation Period is longer than one Determination Period, the sum of:
 - (x) the number of days in such Calculation Period falling in the Determination Period in which it begins divided by the product of (1) the number of days in such Determination Period and (2) the number of Determination Periods normally ending in any year; and
 - (y) the number of days in such Calculation Period falling in the next Determination Period divided by the product of (1) the number of days in such Determination Period and (2) the number of Determination Periods normally ending in any year,

where:

"Determination Period" means the period from and including a Determination Date in any year to but excluding the next Determination Date; and

"Determination Date" means each relevant Interest Payment Date (except that the first Determination Date shall be deemed to be the Interest Commencement Date), unless otherwise specified in the applicable Pricing Supplement.

Business Day (or, in relation to the Noteholders, such other period as may be specified in the applicable Pricing Supplement) thereafter. Each Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notice in the event of an extension or shortening of the Interest Period.

(vii) *Certificates to be final*

All certificates, communications, determinations, calculations and decisions (the "determinations") made for the purposes of the provisions of this Condition 4(b), by the Agent, or for the purposes of Condition 4(d) by, if applicable, the Calculation Agent and/or the Determination Agent, as the case may be, shall (in the absence of wilful default, bad faith or manifest error) be binding on the Issuer, the Agent, the Calculation Agent (if applicable), the Determination Agent (if applicable), the other Paying Agents and all Noteholders. In making such determinations, the Agent, the Calculation Agent and/or the Determination Agent, as the case may be, shall not assume any obligations towards or relationship of agency or trust for or with any of the Noteholders and accordingly, no liability to the Noteholders shall attach to, respectively, as the case may be, any one of the Agent, the Calculation Agent (if applicable), or the Determination Agent (if applicable), in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to Condition 4(b) or 4(d), as the case may be.

- (1) if the Relevant Screen Page is then not available or fewer than three such names then appear, the Reference Banks shall be the banks whose names last appeared on such page(s) when no fewer than three such names appeared; and
- (2) if the Relevant Screen Page is not then available but such page(s) when last available displayed only one London inter-bank offered rate (in the case of LIBOR), or one Euro-zone inter-bank offered rate (in the case of EURIBOR), which was itself the arithmetic mean of the offered rates quoted by (in the case of LIBOR) the principal London offices of prime banks, or (in the case of EURIBOR) the principal Euro-zone offices of prime banks, the Reference Banks shall be the banks which were used to determine such arithmetic mean.

In the case of a determination of LIBOR, references to Reference Banks are to their principal London offices and in the case of a determination of EURIBOR, references to Reference Banks are to their principal Euro-zone offices.

If the Reference Rate from time to time in respect of Floating Rate Notes of a Series is specified in the applicable Pricing Supplement as being other than LIBOR or EURIBOR, the Rate of Interest in respect of such Series will be determined as provided in the applicable Pricing Supplement.

(c) ***Zero Coupon Notes***

Where a Zero Coupon Note becomes due and repayable prior to the Maturity Date and is not paid when due, the amount due and repayable shall be the amount determined in accordance with Condition 5(d) as its Amortised Face Amount. As from the Maturity Date, any overdue principal of such Note shall bear interest at a rate per annum equal to the Accrual Yield specified in the applicable Pricing Supplement. Such interest shall continue to accrue (both before and after any judgment) until whichever is the earlier of (i) the day on which all sums due in respect of such Note up to that day are received by or on behalf of the holder of such Note and (ii) the day on which the Agent has notified the holder thereof (either in accordance with Condition 13 or individually) of receipt of all sums due in respect thereof up to that date. Such interest will be calculated on the basis of a 360-day year consisting of 12 months of 30 days each.

(d) ***Interest on Indexed Notes***

In the case of Indexed Notes where the Rate of Interest and/or the Interest Amount, as the case may be, (whether on any Interest Payment Date, Fixed Interest Date, early redemption, maturity or otherwise) falls to be determined by reference to an index and/or a formula, the Rate of Interest and/or the Interest Amount, as the case may be, shall be determined in accordance with such index and/or formula in the manner specified in the applicable Pricing Supplement (the "Index" and/or the "Formula", respectively). The provisions set out in Condition 4(b)(i) will apply to Indexed Notes, and, if a Floating Day Count Fraction is

specified in the applicable Pricing Supplement, the relevant provisions in relation thereto set out in Condition 4(b)(v) will also apply.

(e) ***Interest on Partly Paid Notes***

(f) ***Interest Payments***

Interest will be paid subject to and in accordance with the provisions of Condition 6. Interest will cease to accrue on each Note (or, in the case of the redemption of part only of a Note, that part only of such Note) on the due date for redemption thereof unless, upon due presentation thereof, payment or, as the case may be, delivery of principal is improperly withheld or refused, in which event interest will continue to accrue (both before and after judgment) until whichever is the earlier of (i) the day on which all sums or, as the case may be, all assets deliverable due in respect of such Note up to that day are received by or on behalf of the holder of such Note and (ii) the day on which the Agent has notified the holder thereof (either in accordance with Condition 13 or individually) of receipt of all sums or, as the case may be, all assets deliverable due in respect thereof up to that date.

(g) ***Interest on Dual Currency Notes***

In the case of Dual Currency Notes, if the rate or amount of interest falls to be determined by reference to an exchange rate, the rate or amount of interest payable shall be determined in the manner specified in the applicable Pricing Supplement.

5. Redemption and Purchase

(a) ***At Maturity***

Unless previously redeemed or purchased and cancelled as provided below, the Notes will be redeemed by the Issuer by payment, subject to Condition 6(e), or, as the case may be, delivery of the Final Redemption Amount specified in, or determined in the manner specified in, the applicable Pricing Supplement in the Specified Currency (if applicable) on the Maturity Date specified in the applicable Pricing Supplement. If the Maturity Date specified in the applicable Pricing Supplement falls on a date which was initially a Fixed Interest Date or Interest Payment Date prior to adjustment in accordance with Condition 4(a)(iii) or 4(b)(i), the Maturity Date will be adjusted in accordance with the business day convention applicable to such adjusted Fixed Interest Date or Interest Payment Date, as the case may be.

In the case of Zero Coupon Notes, if the business day convention specified in the applicable Pricing Supplement is:

- (A) the Following Business Day Convention, payment of the Final Redemption Amount will be postponed to the next day which is a Business Day;
- (B) the Modified Following Business Day Convention, payment of the Final Redemption Amount shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in

which event payment of the Final Redemption Amount shall be brought forward to the immediately preceding Business Day; or

- (C) the Preceding Business Day Convention, payment of the Final Redemption Amount shall be brought forward to the immediately preceding Business Day.

In this Condition 5(a), "Business Day" means a day which is:

- (1) either (x) in relation to Notes denominated in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealings in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency or (y) in relation to Notes denominated in euro, a day on which the TARGET System is open for the settlement of payments in euro (a "TARGET Business Day"). In these Terms and Conditions, "TARGET System" means the Trans-European Automated Real-Time Gross Settlement Express Transfer (known as TARGET2) system or any successor thereto; and
- (2) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealings in foreign exchange and foreign currency deposits) in any additional business centre specified in the applicable Pricing Supplement and, if "TARGET" is specified as an additional business centre in the applicable Pricing Supplement, a TARGET Business Day.

(b) ***Redemption at the option of the Issuer***

If the applicable Pricing Supplement specifies that the Notes of a Series are redeemable at the option of the Issuer, they may be so redeemed, on giving not less than 30 nor more than 45 days' notice (or such other period as may be specified in the applicable Pricing Supplement) to the holders of Notes (which notice shall be irrevocable and shall specify the date fixed for redemption) in accordance with Condition 13, on the date or dates and at the relevant price(s) specified in the applicable Pricing Supplement. In the case of a partial redemption of such Notes, Notes to be redeemed (the "Redeemed Notes") will be selected individually by lot in such place as the Agent may approve and in such manner as the Agent shall deem to be appropriate and fair, and in the case of Redeemed Notes represented by definitive Notes, to be done in accordance with the rules of Euroclear and Clearstream, Luxembourg (to be reflected in the records of Euroclear and Clearstream, Luxembourg as either a pool factor or a reduction in nominal amount, at their discretion), and in the case of Redeemed Notes represented by a Global Note, not more than 60 days prior to the date fixed for redemption and a list of such Notes called for redemption will be published in accordance with Condition 13 not less than 30 nor more than 45 days prior to such date.

(c) ***Redemption at the option of the Noteholders***

If the applicable Pricing Supplement specifies that any Note is redeemable at the option of the holder of such Note it may be so redeemed by the holder giving to the Issuer in accordance with Condition 13 not less than 65 nor more than 80 days'

notice (which notice shall be irrevocable) and the Issuer will, upon the expiry of such notice redeem such Note on a date or dates and at the relevant price(s) as specified in the applicable Pricing Supplement.

(d) **Early Redemption Amounts**

For the purposes of paragraph (b) or (c) above and Condition 9, the Notes will be redeemed at an amount (the "Early Redemption Amount") calculated as follows, together, if appropriate, with interest accrued to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and redeemable (the "Early Redemption Date"):

- (i) in the case of Notes with a Final Redemption Amount equal to the Issue Price, at the Final Redemption Amount thereof;
- (ii) in the case of Notes (other than Zero Coupon Notes) with a Final Redemption Amount which is or may be lesser or greater than the Issue Price or which is payable in a Specified Currency other than that in which the Notes are denominated, at the amount set out in, or determined in the manner set out in, the applicable Pricing Supplement or, if no such amount or manner is set out in the Pricing Supplement, at their nominal amount; or
- (iii) in the case of Zero Coupon Notes, at an amount (the "Amortised Face Amount") equal to the sum of:
 - (A) the Reference Price specified in the applicable Pricing Supplement; and
 - (B) the product of the Accrual Yield specified in the applicable Pricing Supplement (compounded annually) being applied to the Reference Price from (and including) the Issue Date of the first Tranche of the Notes to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and redeemable.

Where such calculation is to be made for a period of less than a full year or for a period which is not a whole number of years, (1) in the case of Fixed Rate Notes it shall be made on the basis of the Fixed Day Count Fraction specified in the applicable Pricing Supplement; (2) in the case of Floating Rate Notes it shall be made on the basis of the Floating Day Count Fraction specified in the applicable Pricing Supplement; (3) in the case of Zero Coupon Notes it shall be made on the basis of a 360-day year consisting of 12 months of 30 days each (unless otherwise specified in the applicable Pricing Supplement); and (4) in the case of any other Notes other than Fixed Rate Notes, Floating Rate Notes or Zero Coupon Notes, it shall be made on the basis of the relevant day count fraction as may be specified in the applicable Pricing Supplement.

(e) **Purchase**

The Issuer may at any time purchase or otherwise acquire Notes in the open market or otherwise. Notes purchased or otherwise acquired by the Issuer may be held or resold or, at the discretion of the Issuer, surrendered to the Agent for cancellation (together with (in the case of definitive Bearer Notes of this Series) any unmatured Coupons or Receipts attached thereto or purchased therewith). If

purchases are made by tender, tenders must be made available to all holders of Notes of this Series alike.

(f) ***Cancellation***

All Notes redeemed shall be, and all Notes purchased or otherwise acquired as aforesaid may, at the option of the Issuer, be cancelled (together, in the case of definitive Bearer Notes, with all unmatured Coupons and Receipts presented therewith) and thereafter may not be re-issued or re-sold.

(g) ***Instalments***

Each Note in definitive form which is redeemable in instalments will be redeemed in the Instalment Amounts and on the Instalment Dates specified in the applicable Pricing Supplement. All instalments (other than the final instalment) will be redeemed against surrender of, in the case of a definitive Bearer Note, the relevant Receipt (which must be presented with the Note to which it appertains) and, in the case of a definitive Registered Note, the relevant Note and issue of a new Note in the nominal amount remaining outstanding, all as more fully described in Condition 6.

(h) ***Late payment on Zero Coupon Notes***

If the amount payable in respect of any Zero Coupon Note upon redemption of such Zero Coupon Note pursuant to paragraph (b) or (c) above or upon its becoming due and repayable as provided in Condition 9 is improperly withheld or refused, the amount due and repayable in respect of such Zero Coupon Note shall be the amount calculated as provided in paragraph (d)(iii) above as though the references therein to the date fixed for redemption or the date upon which the Zero Coupon Note becomes due and repayable were replaced by references to the date which is the earlier of:

- (i) the date on which all amounts due in respect of the Zero Coupon Note have been paid; and
- (ii) the date on which the full amount of the moneys payable has been received by the Agent and notice to that effect has been given to the Noteholders in accordance with Condition 13.

(i) ***Partly Paid Notes***

Partly Paid Notes will be redeemed, whether at maturity, early redemption or otherwise in accordance with the provisions of this Condition 5 as amended or varied by the information specified in the applicable Pricing Supplement.

6. Payments, Delivery, Coupons and Exchange of Talons

(a) ***Method of Payment***

Payments in respect of definitive Notes (other than Dual Currency Notes) denominated in a Specified Currency (other than euro) or, in the case of Dual Currency Notes, payable in a Specified Currency (other than euro) will (subject as provided below) be made by a cheque in the Specified Currency drawn on, or, at the option of the holder and upon 15 days' prior notice to the Agent, by transfer to an account (in the case of payment in Japanese yen to a non-resident of Japan, to

a non-resident account) in the Specified Currency maintained by the payee with, a bank (in the case aforesaid, an authorised foreign exchange bank) in the principal financial centre of the country of the Specified Currency. Payments in euro will be made by credit or transfer to a euro account (or to any other account to which euro may be credited or transferred) specified by the payee with a bank in a city in which banks have access to the TARGET System.

(b) ***Presentation of definitive Notes, Receipts and Coupons***

Payments of principal in respect of definitive Registered Notes will be made to the registered holder (or to the first named of joint holders) against presentation and surrender of the Note at the specified office of any Paying Agent. Payments of interest on each definitive Registered Note will be made to the holder (or to the first named of joint holders) of the Registered Note appearing on the register at the close of business on the fifteenth day before the relevant due date (the "Record Date") at his address shown on the Register on the Record Date.

Payments of principal in respect of instalments will be made to the registered holder (or to the first named of joint holders) against surrender of the relevant definitive Registered Note and (other than in the case of the final instalment) the issue of a new Registered Note in the nominal amount remaining outstanding.

Payments of principal and interest (if any) in respect of the definitive Bearer Notes will (subject as provided below) be made against presentation or surrender of such Bearer Notes or Coupons, as the case may be, at any specified office of any Paying Agent located outside the United States (which expression, as used herein, means the United States of America (including the States and the District of Columbia, its territories, its possessions and other areas subject to its jurisdiction)). Payments of principal in respect of instalments (if any), other than the last instalment, will (subject as provided below) be made against surrender of the relevant Receipt. Payment of the last instalment will be made against surrender of the relevant Bearer Note. Each Receipt must be presented for payment of such instalment together with the relevant definitive Bearer Note against which the amount will be payable in respect of that instalment. If any definitive Bearer Notes are redeemed or become repayable prior to the Maturity Date in respect thereof, principal will be payable on surrender of each such Note together with all unmatured Receipts appertaining thereto. Unmatured Receipts and Receipts presented without the definitive Bearer Notes to which they appertain do not constitute obligations of the Issuer. All payments of interest and principal with respect to Bearer Notes will be made to accounts located outside the United States except as otherwise provided in the third succeeding paragraph.

(c) ***Payments in respect of Global Notes***

Payments of principal and interest (if any) in respect of Notes represented by any Global Note will (subject as provided below) be made in the manner specified above and otherwise in the manner specified in the relevant Global Note against presentation or surrender, as the case may be, of such Global Note at the specified office of any Paying Agent.

All payments in respect of Notes represented by a Registered Global Note will be made to, or to the order of, the person whose name is entered on the Register at the close of business on the Clearing System Business Day immediately prior to

the date for payment, where "Clearing System Business Day" means Monday to Friday inclusive except 25 December and 1 January.

The Paying Agent to which a Registered Global Note or a Global Note that is not in new global note ("NGN") form is presented shall make a record of each payment made on such Global Note, distinguishing between any payment of principal and any payment of interest, on such Global Note and such record shall be prima facie evidence that the payment in question has been made. The Issuer shall, in the case of a Global Note that is in NGN form, procure that details of each payment, distinguishing between any payment of principal and any payment of interest, on such Global Note be entered pro rata in the records of the relevant clearing system and each payment so made will discharge the Issuer's obligations in respect thereof and any failure to make the entries in the records of the relevant clearing system shall not affect such discharge.

The holder of the relevant Global Note shall be the only person entitled to receive payments in respect of Notes represented by such Global Note and the Issuer will be discharged by payment to, or to the order of, the holder of such Global Note in respect of each amount so paid. Each of the persons shown in the records of The Depository Trust Company or of Euroclear or of Clearstream, Luxembourg as the holder of a particular nominal amount of Notes must look solely to The Depository Trust Company and/or Euroclear and/or Clearstream, Luxembourg, as the case may be, for his share of each payment so made by the Issuer to, or to the order of, the holder of the relevant Global Note. No person other than the holder of the relevant Global Note shall have any claim against the Issuer in respect of any payments due on that Global Note.

(d) ***General provisions applicable to payments***

Notwithstanding the foregoing, payments in respect of Bearer Notes denominated and payable in United States dollars will be made at the specified office of any Paying Agent in the United States (a) if (1) the Issuer shall have appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment at such specified offices outside the United States of the full amount due on the Bearer Notes in the manner provided above when due, (2) payment of the full amount due at all such specified offices outside the United States is illegal or effectively precluded by exchange controls or other similar restrictions and (3) such payment is then permitted under United States law, and (b) at the option of the relevant holder if such payment is then permitted under United States law without involving, in the opinion of the Issuer, adverse tax consequences to the Issuer.

The names of the initial Agent and the other initial Paying Agents and their initial specified offices are set out below. The Issuer reserves the right at any time to vary or terminate the appointment of any Paying Agent and to appoint additional or other Paying Agents and/or to approve any change in the specified office of any Paying Agent, provided that it will, so long as any of the Notes is outstanding, maintain (i) an Agent, (ii) a Paying Agent (which may be the Agent) having a specified office in a leading financial centre in continental Europe, (iii) so long as any Notes are listed on the Singapore Exchange Securities Trading Limited (and that Exchange so requires), a Paying Agent (which may be the Agent) having a specified office in Singapore and (iv) such other agents as may be required by any

other stock exchange on which the Notes may be listed. Any such variation, termination or change shall only take effect (other than in the case of insolvency, when it shall be of immediate effect) after not less than 30 days' prior notice thereof shall have been given to the Noteholders in accordance with Condition 13 below and provided further that neither the resignation nor removal of the Agent shall take effect, except in the case of insolvency as aforesaid, until a new Agent has been appointed. In addition, the Issuer shall forthwith appoint a Paying Agent having a specified office in New York City in the circumstances described in (d)(2) of this Condition 6.

Payments in respect of the Notes will be subject in all cases to any fiscal or other laws and regulations applicable thereto in the place of payment, but without prejudice to the provisions of Condition 7.

(e) **Payment Day**

If the due date for payment of any amount in respect of any Note, Receipt or Coupon is not a Payment Day, the holder thereof shall not be entitled to payment at the place of presentation of the amount due until the next following Payment Day and shall not be entitled to any interest or other sum in respect of any such delay.

In this paragraph (e) "Payment Day" means:

- (i) in the case of definitive Notes and Receipts and Coupons relating thereto, any day on which commercial banks and foreign exchange markets are open for business in the relevant place of presentation;
- (ii) any day on which commercial banks and foreign exchange markets are open for business in any additional business centre specified in the applicable Pricing Supplement;
- (iii) in the case of any payment in respect of a registered global Note denominated in a Specified Currency other than United States dollars and registered in the name of DTC or its nominee and in respect of which an accountholder of DTC (with an interest in such registered global Note) has elected to receive any part of such payment in United States dollars, a day on which commercial banks and foreign exchange markets settle payments in New York City; and
- (iv) (A) (in the case of a payment in a currency other than euro) where payment is to be made by transfer to an account maintained with a bank in the Specified Currency, a day on which foreign exchange transactions may be carried on in the Specified Currency in the principal financial centre of the country of such Specified Currency; or
(B) (in the case of settlement of payments in euro) a TARGET Business Day.

If the due date for redemption of any interest bearing Note in definitive form is not a due date for the payment of interest relating thereto, interest accrued in respect of such Note from (and including) the last preceding due date for the payment of interest (or from the Interest Commencement Date) will be paid against surrender of such Note.

(f) ***Coupons and Exchange of Talons***

Fixed Rate Bearer Notes in definitive form should be presented for payment with all unmatured Coupons appertaining thereto (which expression shall include Coupons to be issued on exchange of Talons which will have matured on or before the relevant redemption date), failing which the full amount of any missing unmatured Coupon (or, in the case of payment not being made in full, that proportion of the full amount of such missing unmatured Coupon which the sum so paid bears to the total amount due) will be deducted from the sum due for payment. Any amount so deducted will be paid in the manner mentioned above against surrender of the relevant missing Coupon within a period of 10 years from the Relevant Date (as defined below) for the payment of such sum due for payment, whether or not such Coupon has become void pursuant to Condition 10 or, if later, five years from the due date for payment of such Coupon. Upon any Fixed Rate Bearer Note becoming due and repayable prior to its Maturity Date, all unmatured Talons (if any) appertaining thereto will become void and no further Coupons will be issued in respect thereof.

Upon the due date for redemption of any Floating Rate Note, Dual Currency Note or Indexed Note in definitive bearer form, all unmatured Coupons relating to such Note (whether or not attached) shall become void and no payment shall be made in respect of them.

On and after the Interest Payment Date on which the final Coupon comprised in any Coupon sheet matures, the Talon (if any) forming part of such Coupon sheet may be surrendered at the specified office of the Agent or any other Paying Agent in exchange for a further Coupon sheet including (if such further Coupon sheet does not include Coupons to, and including, the final date for the payment of interest due in respect of the Note to which it appertains) a further Talon, subject to the provisions of Condition 10. Each Talon shall, for the purposes of these Terms and Conditions, be deemed to mature on the interest payment date on which the final Coupon comprised in the relative Coupon sheet matures.

(g) ***Method of Delivery for Notes to be Physically Settled***

Any Notes which provide for settlement by delivery of underlying assets will be settled in accordance with the provisions for such physical delivery set out in the applicable Pricing Supplement.

References to payment of principal in this Condition 6 will, where the context so permits, be deemed to include delivery of underlying assets in settlement of Notes which provide for physical settlement.

7. Taxation

All payments of principal and/or interest in respect of the Notes shall be made by the Issuer to the Paying Agent without withholding or deduction for or on account of tax.

8. Euro

Euro means the lawful currency of the member states of the European Union that adopt the single currency in accordance with the Treaty establishing the European Community, as amended from time to time.

9. Events of Default

- (a) If any one or more of the following events ("Events of Default") shall have occurred and be continuing:
- (i) the Issuer defaults for a period of 90 days in the payment of the principal of, or interest on, the Notes;
 - (ii) the Issuer defaults in the performance of any other covenant or agreement contained in the Notes and any such default shall continue for a period of 90 days after written notice thereof shall have been given to the Issuer at the office of the Agent by any Noteholder; or
 - (iii) the Issuer defaults in the payment of the principal of, or interest on, any bonds, notes or similar obligations which have been issued, assumed or guaranteed by the Issuer and such default shall continue for a period of 90 days,

the holder for the time being of any Note may give notice to the Issuer either directly or at the office of the Agent that such Note is redeemable upon the 30th day after such notice is received by the Issuer, whereupon such Note shall become so redeemable in accordance with paragraph (b) below, unless prior to such time all events of default provided for herein in respect of the Notes shall have been cured.

- (b) If the Notes become so due and redeemable pursuant to this Condition 9, they shall be redeemable in accordance with the provisions of Condition 5(d).

10. Prescription

Claims for payment or delivery, as the case may be, of principal in respect of the Notes shall be prescribed upon the expiry of 10 years, and claims for payment or delivery, as the case may be, of interest (if any) in respect of the Notes shall be prescribed upon the expiry of 5 years, in each case from the Relevant Date (as defined below) thereof, subject to the provisions of Condition 6. There shall not be included in any Coupon sheet issued on exchange of a Talon any Coupon the claim for payment or delivery, as the case may be, in respect of which would be void pursuant to this Condition 10 or Condition 6 above.

For the purposes of these Conditions, "Relevant Date" means the date on which the payment or delivery, as the case may be, in respect of the Notes, Receipts or Coupons first becomes due and payable or deliverable, as the case may be, but, if the full amount of the moneys payable or the assets deliverable, as the case may be, on such date has not been received by the Agent on or prior to such date, the "Relevant Date" means the date on which, such moneys (or as the case may be, the deliverable assets) having been received, notice to that effect shall have been given to the Noteholders in accordance with Condition 13.

11. Replacement of Notes, Coupons and Receipts

If any Note (including any Global Note), Receipt or Coupon is mutilated, defaced, stolen, destroyed or lost it may be replaced at the specified office of the Agent upon payment by the claimant of the costs incurred in connection therewith and on such terms as to evidence and indemnity as the Issuer may require. Mutilated or defaced Notes, Receipts or Coupons must be surrendered before replacements will be issued.

12. Meetings of Noteholders and Modification

The Agent may agree, without the consent of the Noteholder, Receiptholder or Couponholder, to any modification to any of the provisions of the Agency Agreement or the Notes which is of a formal, minor or technical nature or is made to correct a manifest error. Any notice published as aforesaid shall be deemed to have been given on the date of such publication or, if published more than once, on the date of the first such publication. Receiptholders and Couponholders will be deemed for all purposes to have notice of the contents of any notice given to the holders of the Notes of this Series in accordance with this Condition.

14. Agents

In acting under the Agency Agreement, the Agent, the Registrar and the Paying Agents will act solely as agents of the Issuer and do not assume any obligations or relationships of agency or trust to or with the Noteholders, Receiptholders or Couponholders, except (without affecting the obligations of the Issuer to the Noteholders, Receiptholders and Couponholders, to redeem Notes and pay interest thereon) funds received by the Agent for the payment of the principal of or interest on the Notes shall be held by it in trust for the Noteholders and/or Receiptholders or Couponholders until the expiration of the relevant period of prescription under Condition 10. The Issuer will agree to perform and observe the obligations imposed upon it under the Agency Agreement. The Agency Agreement contains provisions for the indemnification of the Paying Agents and for relief from responsibility in certain circumstances, and entitles any of them to enter into business transactions with the Issuer and any of its subsidiaries without being liable to account to the Noteholders, Receiptholders or the Couponholders for any resulting profit. Any reference herein to the Agent or the Agents or to a calculation agent or determination agent shall include any successor thereto.

15. Further Issues

The Issuer may from time to time without the consent of the Noteholders or Couponholders create and issue further notes either having the same terms and conditions as the Notes in all respects (or in all respects except for the first payment of interest on them) and so that such further issue shall be consolidated and form a single series with the outstanding

notes of any series (including the Notes) or upon such terms as the Issuer may determine at the time of their issue. References in these Conditions to the Notes include (unless the context requires otherwise) any other notes issued pursuant to this Condition and forming a single series with the Notes.

16. Governing Law

The Notes, the Receipts, the Coupons and the Agency Agreement and any non-contractual obligations arising out of or in connection with them are governed by, and shall be construed in accordance with, the laws of England. The Issuer irrevocably agrees for the benefit of each of the Noteholders, the Receiptholders and the Couponholders that the Courts of England are to have jurisdiction to settle any disputes which may arise out of or in connection with the Notes, Receipts or Coupons.

17. Contracts (Rights of Third Parties) Act 1999

No person shall have any right to enforce any term or condition of the Notes under the Contracts (Rights of Third Parties) Act 1999.

SCHEDULE 2
PART I
FORM OF REGISTERED GLOBAL NOTE

EUROPEAN BANK FOR RECONSTRUCTION AND DEVELOPMENT

REGISTERED GLOBAL NOTE

This Global Note is a Registered Global Note in respect of a duly authorised issue of Medium Term Notes (the “Notes”) of European Bank for Reconstruction and Development (the “Issuer”) described, and having the provisions specified, in the Pricing Supplement attached hereto (the “Pricing Supplement”). References herein to the Conditions shall be to the Terms and Conditions of the Notes as set out in Schedule 1 to the Agency Agreement (as defined below) as modified and supplemented by the Pricing Supplement but in the event of any conflict between the provisions of that Schedule and the information set out in the Pricing Supplement, the Pricing Supplement will prevail. In addition, in the event of any conflict between (i) the provisions in this Global Note and (ii) the Conditions (as modified and supplemented by the Pricing Supplement), the latter shall prevail.

This Global Note is issued subject to, and with the benefit of, the Conditions and an amended and restated Agency Agreement (the “Agency Agreement”, which expression shall be construed as a reference to that agreement as the same may be amended or supplemented from time to time) dated 11 August 2011 and made between the Issuer, Citibank, N.A. as fiscal agent and registrar (in such capacities the “Agent” and the “Registrar”, respectively) and the other agents named therein. Words and expressions defined or set out in the Conditions and/or the Pricing Supplement shall bear the same meaning when used herein.

For value received the Issuer, subject to and in accordance with the Conditions, promises to pay or, as the case may be, deliver to the Registered Holder or its registered assigns on each Instalment Date the relevant Instalment Amount in respect of the Notes represented by this Global Note (if such Notes are redeemable in instalments) and on the Maturity Date, or on such earlier date as the same may become due and redeemable in accordance with the Conditions, the amount payable or, as the case may be, deliverable on redemption of the Notes then represented by this Global Note becoming so due and redeemable and to pay or, as the case may be, deliver interest (if any) on the nominal amount of the Notes from time to time represented by this Global Note calculated and payable or, as the case may be, deliverable as provided in the Conditions together with any other sums payable or, as the case may be, deliverable under the Conditions.

Interest payable or, as the case may be, deliverable in respect of this Global Note will, subject to certain conditions set forth in the Conditions, be paid or, as the case may be, delivered to, or to the order of, the person whose name is entered on the Register at the close of business on the Clearing System Business Day immediately prior to the date for payment, where “Clearing System Business Day” means Monday to Friday inclusive except 25 December and 1 January.

This Global Note may be exchanged in whole or in part (free of charge) as described in the Pricing Supplement, upon 45 days’ written notice from the Registered Holder of this Global Note, for Definitive Registered Notes in the Specified Denominations. Such exchange will be made upon deposit of this Global Note, as aforesaid by the Registered Holder hereof on any day (other than a Saturday or Sunday) on which banks are open for business in London at the specified office of the Registrar. The aggregate nominal amount of Definitive Registered Notes issued upon an exchange

of this Global Note will be equal to the aggregate nominal amount of this Global Note submitted by the Registered Holder hereof for exchange.

Upon an exchange of part only of this Global Note, a new Global Note in respect of the remainder of this Global Note will be issued to the Registered Holder or as it may direct.

Save as provided in the Conditions, until the exchange of the whole of this Global Note as aforesaid, the Registered Holder hereof shall in all respects be entitled to the same benefits as if he were the registered holder of Definitive Registered Notes in the form set out in Part II of Schedule 2 to the Agency Agreement.

In the event that this Global Note (or any part hereof) has become due and redeemable in accordance with the Conditions or that the Maturity Date in respect thereof has occurred and, in either case, payment or delivery in full has not been made in accordance with the foregoing then, unless within the period of 15 days commencing on the relevant due date payment or delivery in full in respect of this Global Note is received by the Registered Holder in accordance with the foregoing, this Global Note will become void at 8.00 p.m. (London time) on such fifteenth day and the Registered Holder will have no further rights under this Global Note (but without prejudice to the rights which the Registered Holder or any other person may have under the amended and restated Deed of Covenant executed by the Issuer on 11 August 2011, as may be amended or supplemented from time to time in respect of the Medium Term Notes issued under the Programme Agreement pursuant to which this Global Note is issued).

This Global Note, and any non-contractual obligations arising out of or in connection with it, is governed by, and shall be construed in accordance with, English law.

This Global Note shall not be valid unless authenticated by the Registrar.

PART I
FORM OF TEMPORARY GLOBAL NOTE

ANY UNITED STATES PERSON WHO HOLDS THIS OBLIGATION WILL BE SUBJECT TO LIMITATIONS UNDER THE UNITED STATES INCOME TAX LAWS INCLUDING THE LIMITATIONS PROVIDED IN SECTIONS 165(j) AND 1287(a) OF THE INTERNAL REVENUE CODE.

EUROPEAN BANK FOR RECONSTRUCTION AND DEVELOPMENT

TEMPORARY GLOBAL NOTE

This Global Note is a Temporary Global Note in respect of a duly authorised issue of Medium Term Notes (the “**Notes**”) of European Bank for Reconstruction and Development (the “**Issuer**”) described, and having the provisions specified, in the Pricing Supplement attached hereto (the “**Pricing Supplement**”). References herein to the Conditions shall be to the Terms and Conditions of the Notes as set out in Schedule 1 to the Agency Agreement (as defined below) as modified and supplemented by the information set out in the Pricing Supplement but in the event of any conflict between the provisions of that Schedule and the information set out in the Pricing Supplement, the Pricing Supplement will prevail. In addition, in the event of any conflict between (i) the provisions in this Global Note and (ii) the Conditions (as modified and supplemented by the Pricing Supplement), the latter shall prevail.

This Global Note is issued subject to, and with the benefit of, the Conditions and an amended and restated Agency Agreement (the “**Agency Agreement**”, which expression shall be construed as a reference to that agreement as the same may be amended or supplemented from time to time) dated 11 August 2011 and made between the Issuer, Citibank, N.A. as fiscal agent (in such capacity, the “**Agent**”) and registrar and the other agents named therein. Words and expressions defined or set out in the Conditions and/or the Pricing Supplement shall bear the same meaning when used herein.

For value received the Issuer, subject to and in accordance with the Conditions, promises to pay or, as the case may be, deliver to the bearer hereof on each Instalment Date the relevant Instalment Amount in respect of the Notes represented by this Global Note (if the Notes represented by this Global Note are redeemable in instalments) and on the Maturity Date, or on such earlier date as the Notes may become due and redeemable in accordance with the Conditions, the amount payable or, as the case may be, deliverable on redemption of the Notes then represented by this Global Note becoming so due and redeemable and to pay or, as the case may be, deliver interest (if any) on the nominal amount of the Notes from time to time represented by this Global Note calculated and payable or, as the case may be, deliverable as provided in the Conditions together with any other sums payable or, as the case may be, deliverable under the Conditions, upon presentation and, at maturity, surrender of this Global Note at the office of the Agent at Citigroup Centre, Canada Square, Canary Wharf, London E14 5LB or at the specified office of any of the other paying agents located outside the United States (except as provided in the Conditions) from time to time appointed by the Issuer in respect of the Notes, but in each case subject to the requirements as to certification provided herein.

If the applicable Pricing Supplement indicates that this Global Note is intended to be a New Global Note, the nominal amount of Notes represented by this Global Note shall be the aggregate amount from time to time entered in the records of both Euroclear Bank S.A./N.V. and Clearstream

Banking, *société anonyme* (together, the “**relevant Clearing Systems**”). The records of the relevant Clearing Systems (which expression in this Global Note means the records that each relevant Clearing System holds for its customers which reflect the amount of such customer’s interest in the Notes) shall be conclusive evidence of the nominal amount of Notes represented by this Global Note and, for these purposes, a statement issued by a relevant Clearing System (which statement shall be made available to the bearer upon request) stating the nominal amount of Notes represented by this Global Note at any time shall be conclusive evidence of the records of the relevant Clearing System at that time.

On any redemption or payment of an Instalment Amount or interest being made in respect of, or purchase and cancellation of, any of the Notes represented by this Global Note the Issuer shall procure that:

- (i) If the applicable Pricing Supplement indicates that this Global Note is intended to be a New Global Note, details of such redemption, payment or purchase and cancellation (as the case may be) shall be entered pro rata in the records of the relevant Clearing Systems and, upon any such entry being made, the nominal amount of the Notes recorded in the records of the relevant Clearing Systems and represented by this Global Note shall be reduced by the aggregate nominal amount of the Notes so redeemed or purchased and cancelled or by the aggregate amount of such instalment so paid; or
- (ii) if the applicable Pricing Supplement indicates that this Global Note is not intended to be a New Global Note, details of such redemption, payment or purchase and cancellation (as the case may be) shall be entered by or on behalf of the Issuer in Schedule One hereto and the relevant space in Schedule One hereto recording any such redemption, payment or purchase and cancellation (as the case may be) shall be signed by or on behalf of the Issuer. Upon any such redemption, payment of an Instalment Amount or purchase and cancellation the nominal amount of the Notes represented by this Global Note shall be reduced by the nominal amount so redeemed or purchased and cancelled or the amount of such Instalment Amount. The nominal amount of the Notes represented by this Global Note following any such redemption, payment of an Instalment Amount or purchase and cancellation as aforesaid or any exchange as referred to below shall be the nominal amount most recently entered by or on behalf of the Issuer in the relevant column in Part II, III or IV of Schedule One or Schedule Two hereto.

Payments due in respect of Notes for the time being represented by this Global Note shall be made to the bearer of this Global Note and each payment so made will discharge the Issuer’s obligations in respect thereof. Any failure to make the entries referred to above shall not affect such discharge.

Prior to the Exchange Date (as defined below), all payments or deliveries (if any) on this Global Note will only be made to the bearer hereof to the extent that there is presented to the Agent by Clearstream Banking, *société anonyme* (“**Clearstream, Luxembourg**”), or Euroclear Bank S.A./N.V. (“**Euroclear**”) a certificate, substantially in the form set out in Schedule Three hereto, to the effect that it has received from or in respect of a person entitled to a beneficial interest in a particular nominal amount of the Notes (as shown by its records) a certificate from such person in or substantially in the form of Certificate “A” as set out in Schedule Three hereto. After the Exchange Date the holder of this Global Note will not be entitled to receive any payment or delivery hereon unless upon due certification exchange of this Global Note is improperly withheld or refused.

On or after the date (the “**Exchange Date**”) which is 40 days after the Issue Date, this Global Note may be exchanged in whole or in part (free of charge) for, as specified in the Pricing Supplement, either (a) security printed Definitive Bearer Notes and (if applicable) Coupons, Receipts and/or Talons in the forms set out in Parts III, IV, V and VI respectively of Schedule 3 to the Agency Agreement (on the basis that all the appropriate details have been included on the face of such Definitive Bearer Notes and (if applicable) Coupons, Receipts and/or Talons and the Pricing Supplement has been incorporated on such Definitive Notes) or (b) either, if the applicable Pricing Supplement indicates that this Global Note is intended to be a New Global Note, interests recorded in the records of the relevant Clearing Systems in a Permanent Global Note or, if the applicable Pricing Supplement indicates that this Global Note is not intended to be a New Global Note, a Permanent Global Note in the form set out in Part II of Schedule 3 to the Agency Agreement (together with the Pricing Supplement attached thereto). If Definitive Notes and (if applicable) Coupons, Receipts and/or Talons have already been issued in exchange for all the Notes represented for the time being by the Permanent Global Note because Euroclear and/or Clearstream, Luxembourg do not regard the Permanent Global Note to be fungible with such Definitive Bearer Notes, then this Global Note may only thereafter be exchanged for Definitive Bearer Notes and (if applicable) Coupons, Receipts and/or Talons pursuant to the terms hereof. Exchange of this Global Note for Definitive Bearer Notes and (if applicable) Coupons, Receipts and/or Talons shall be made only upon such number of days (as specified in the Pricing Supplement) written notice from Euroclear and/or Clearstream, Luxembourg acting on the instructions of any holder of an interest in this Global Note.

Presentation of this Global Note for exchange shall be made by the bearer hereof on any day (other than a Saturday or Sunday) on which banks are open for business in London at the office of the Agent specified above. The Issuer shall procure that the Definitive Notes or (as the case may be) the Permanent Global Note shall be so issued and delivered and (in the case of the Permanent Global Note where the applicable Pricing Supplement indicates that this Global Note is intended to be a New Global Note) recorded in the records of the relevant Clearing System in exchange for only that portion of this Global Note in respect of which there shall have been presented to the Agent by Euroclear or Clearstream, Luxembourg a certificate, substantially in the form set out in Schedule Three hereto, to the effect that it has received from or in respect of a person entitled to a beneficial interest in a particular nominal amount of the Notes (as shown by its records) a certificate from such person in or substantially in the form of Certificate “A” as set out in Schedule Three hereto, unless such certificate has already been given in accordance with the above provisions. The aggregate nominal amount of Definitive Notes or interests in a Permanent Global Note issued upon an exchange of this Global Note will, subject to the terms hereof, be equal to the aggregate nominal amount of this Global Note submitted by the bearer hereof for exchange (to the extent that such nominal amount does not exceed the aggregate nominal amount of this Global Note).

On an exchange of the whole of this Global Note, this Global Note shall be surrendered to the Agent. On an exchange of part only of this Global Note the Issuer shall procure that:

- (i) if the applicable Pricing Supplement indicates that this Global Note is intended to be a New Global Note, details of such exchange shall be entered pro rata in the records of the relevant Clearing System; or
- (ii) if the applicable Pricing Supplement indicates that a Global Note is not intended to be a New Global Note, details of such exchange shall be entered by or on behalf of the Issuer in Schedule Two hereto and the relevant space in Schedule Two hereto recording such exchange shall be signed by or on behalf of the Issuer and the nominal amount of the

Notes represented by this Global Note shall be reduced by the nominal amount so exchanged. If, following the issue of a Permanent Global Note in exchange for some of the Notes represented by this Global Note, further Notes represented by this Global Note are to be exchanged for interests in a Permanent Global Note, such exchange may be effected, subject as provided herein, without the issue of a new Permanent Global Note, by the Issuer or its agent endorsing Schedule Two of the Permanent Global Note previously issued to reflect an increase in the aggregate nominal amount of such Permanent Global Note by an amount equal to the aggregate nominal amount of the Permanent Global Note which would otherwise have been issued on such exchange.

Until the exchange of the whole of this Global Note as aforesaid, the bearer hereof shall in all respects (except as otherwise provided herein) be entitled to the same benefits as if he were the bearer of Definitive Bearer Notes and (if applicable) Coupons, Receipts and/or Talons in the forms set out in Part III, Part IV, Part V and Part VI, respectively, of Schedule 3 to the Agency Agreement on the basis that all appropriate details have been included on the face of such Definitive Bearer Notes and (if applicable) Coupons, Receipts and/or Talons and the Pricing Supplement has been incorporated on such Definitive Bearer Notes.

In the event that this Global Note (or any part hereof) has become due and redeemable in accordance with the Conditions or that the Maturity Date in respect thereof has occurred and, in either case, payment or delivery in full has not been made to the bearer in accordance with the foregoing then, unless within the period of 15 days commencing on the relevant due date payment or delivery in full in respect of this Global Note is received by the bearer in accordance with the foregoing, this Global Note will become void at 8.00 p.m. (London time) on such fifteenth day and the bearer will have no further rights under this Global Note (but without prejudice to the rights which the bearer or any other person may have under the amended and restated Deed of Covenant executed by the Issuer on 11 August 2011, as may be amended or supplemented from time to time in respect of the Medium Term Notes issued under the Programme Agreement pursuant to which this Global Note is issued).

This Global Note, and any non-contractual obligations arising out of or in connection with it, is governed by, and shall be construed in accordance with, English law.

This Global Note shall not be valid unless authenticated by the Agent and, if the applicable Pricing Supplement indicates that this Global Note is intended to be held in a manner which would allow Eurosystem eligibility, effectuated by the entity appointed as common safekeeper by the relevant Clearing Systems.

PART II
FORM OF PERMANENT GLOBAL NOTE

ANY UNITED STATES PERSON WHO HOLDS THIS OBLIGATION WILL BE SUBJECT TO LIMITATIONS UNDER THE UNITED STATES INCOME TAX LAWS INCLUDING THE LIMITATIONS PROVIDED IN SECTIONS 165(j) AND 1287(a) OF THE INTERNAL REVENUE CODE.

EUROPEAN BANK FOR RECONSTRUCTION AND DEVELOPMENT
PERMANENT GLOBAL NOTE

This Global Note is a Permanent Global Note in respect of a duly authorised Series of Medium Term Notes (the "**Notes**") of European Bank for Reconstruction and Development (the "**Issuer**") described, and having the provisions specified, in the Pricing Supplement or Pricing Supplements attached hereto (together the "**Pricing Supplement**"). References herein to the Conditions shall be to the Terms and Conditions of the Notes as set out in Schedule 1 to the Agency Agreement (as defined below) as modified and supplemented by the Pricing Supplement but in the event of any conflict between the provisions of that Schedule and the information set out in the Pricing Supplement, the Pricing Supplement will prevail. In addition, in the event of any conflict between (i) the provisions in this Global Note and (ii) the Conditions (as modified and supplemented by the Pricing Supplement), the latter shall prevail.

This Global Note is issued subject to, and with the benefit of, the Conditions and an amended and restated Agency Agreement (the "**Agency Agreement**", which expression shall be construed as a reference to that agreement as the same may be amended or supplemented from time to time) dated 11 August 2011 and made between the Issuer, Citibank, N.A. as fiscal agent (in such capacity, the "**Agent**") and registrar and the other agents named therein. Words and expressions defined or set out in the Conditions and/or the Pricing Supplement shall bear the same meaning when used herein.

For value received the Issuer, subject to and in accordance with the Conditions, promises to pay or, as the case may be, deliver to the bearer hereof on each Instalment Date the relevant Instalment Amount in respect of the Notes represented by this Global Note (if the Notes represented by this Global Note are redeemable in instalments) and on the Maturity Date, or on such earlier date as the same may become due and redeemable in accordance with the Conditions, the amount payable or, as the case may be, deliverable on redemption of such Notes then represented by this Global Note becoming so due and redeemable, and to pay or, as the case may be, deliver interest (if any) on the nominal amount of the Notes from time to time represented by this Global Note calculated and payable or, as the case may be, deliverable as provided in the Conditions together with any other sums payable or, as the case may be, deliverable under the Conditions upon presentation and, at maturity, surrender of this Global Note at the office of the Agent at Citigroup Centre, Canada Square, London E14 5LB or at the specified office of any of the other paying agents located outside the United States (except as provided in the Conditions) from time to time appointed by the Issuer in respect of the Notes.

If the applicable Pricing Supplement indicates that this Global Note is intended to be a New Global Note, the nominal amount of Notes represented by this Global Note shall be the aggregate amount from time to time entered in the records of both Euroclear Bank S.A./N.V. and Clearstream Banking, *société anonyme* (together, the "**relevant Clearing Systems**"). The records of the relevant Clearing Systems (which expression in this Global Note means the records that each relevant Clearing System holds for its customers which reflect the amount of such customer's

interest in the Notes) shall be conclusive evidence of the nominal amount of Notes represented by this Global Note and, for these purposes, a statement issued by a relevant Clearing System (which statement shall be made available to the bearer upon request) stating the nominal amount of Notes represented by this Global Note at any time shall be conclusive evidence of the records of the relevant Clearing System at that time.

On any redemption or payment of an Instalment Amount or interest being made in respect of, or purchase and cancellation of, any of the Notes represented by this Global Note the Issuer shall procure that:

- (i) if the applicable Pricing Supplement indicates that this Global Note is intended to be a New Global Note, details of such redemption, payment or purchase and cancellation (as the case may be) shall be entered pro rata in the records of the relevant Clearing Systems and, upon any such entry being made, the nominal amount of the Notes recorded in the records of the relevant Clearing Systems and represented by this Global Note shall be reduced by the aggregate nominal amount of the Notes so redeemed or purchased and cancelled or by the aggregate amount of such instalment so paid; or
- (ii) if the applicable Pricing Supplement indicates that this Global Note is not intended to be a New Global Note, details of such redemption, payment or purchase and cancellation (as the case may be) shall be entered by or on behalf of the Issuer in Schedule One hereto and the relevant space in Schedule One hereto recording any such redemption, payment or purchase and cancellation (as the case may be) shall be signed by or on behalf of the Issuer. Upon any such redemption, payment of an Instalment Amount or purchase and cancellation the nominal amount of the Notes represented by this Global Note shall be reduced by the nominal amount of such Notes so redeemed or purchased and cancelled or the amount of the Instalment Amount. The nominal amount of the Notes represented by this Global Note following any such redemption, payment of an Instalment Amount or purchase and cancellation as aforesaid or any exchanges as referred to below shall be the nominal amount most recently entered by or on behalf of the Issuer in the relevant column in Part II, III or IV of Schedule One or Schedule Two hereto.

Payments in respect of Notes for the time being represented by this Global Note shall be made to the bearer of this Global Note and each payment so made will discharge the Issuer's obligations in respect thereof. Any failure to make the entries referred to above shall not affect such discharge.

The Notes represented by this Global Note were originally represented by one or more Temporary Global Notes. Unless any such Temporary Global Note was exchanged in whole on the issue hereof, an interest in such Temporary Global Note may be further exchanged, on the terms and conditions set out therein, for an interest in this Global Note. The Issuer shall procure that:

- (i) if the applicable Pricing Supplement indicates that this Global Note is intended to be a New Global Note, details of such exchange shall be entered in the records of the relevant Clearing Systems; or
- (ii) if the applicable Pricing Supplement indicates that this Global Note is not intended to be a New Global Note, the Issuer or its agent shall endorse Schedule Two hereto to reflect the increase in the aggregate nominal amount of this Global Note due to each such exchange, whereupon the nominal amount hereof shall be increased for all purposes by the amount so exchanged and endorsed.

This Global Note may be exchanged in whole but not in part (free of charge) for Definitive Bearer Notes and (if applicable) Coupons, Receipts and/or Talons in the form set out in Part III, Part IV,

Part V and Part VI respectively, of Schedule 3 to the Agency Agreement (on the basis that all the appropriate details have been included on the face of such Definitive Bearer Notes and (if applicable) Coupons, Receipts and Talons and the Pricing Supplement (or the relevant provisions of the Pricing Supplement) has been incorporated in or attached to such Definitive Bearer Notes) only upon the occurrence of an Exchange Event.

An “**Exchange Event**” means:

- (1) an Event of Default has occurred and is continuing; or
- (2) the Issuer has been notified that either Euroclear or Clearstream, Luxembourg (or any other relevant clearing system) has been closed for business for a continuous period of 14 days (other than by reason of holiday, statutory or otherwise) or has announced an intention permanently to cease business or has in fact done so and no alternative clearing system is available.

Following the occurrence of an Exchange Event:

- (i) the Issuer will promptly give notice to Noteholders in accordance with Condition 13; and
- (ii) Euroclear and/or Clearstream, Luxembourg acting on the instructions of any holder of an interest in this Global Note may give notice to the Agent requesting exchange. Any such exchange shall occur no later than 40 days after the date of receipt of the relevant notice by the Agent.

Any such exchange as aforesaid will be made upon presentation of this Global Note at the office of the Agent specified above by the bearer hereof on any day (other than a Saturday or Sunday) on which banks are open for business in London. The aggregate nominal amount of Definitive Bearer Notes issued upon an exchange of this Global Note will be equal to the aggregate nominal amount of this Global Note.

On an exchange of the whole of this Global Note, this Global Note shall be surrendered to the Agent.

Until the exchange of the whole of this Global Note as aforesaid, the bearer hereof shall in all respects be entitled to the same benefits as if he were the bearer of Definitive Bearer Notes and (if applicable) Coupons, Receipts and/or Talons in the forms set out in Part III, Part IV, Part V and Part VI respectively of Schedule 3 to the Agency Agreement (on the basis that all appropriate details have been included on the face of such Definitive Bearer Notes and (if applicable) Coupons, Receipts and/or Talons and the Pricing Supplement has been incorporated on such Definitive Bearer Notes).

In the event that this Global Note (or any part hereof) has become due and redeemable in accordance with the Conditions or that the Maturity Date in respect thereof has occurred and, in either case, payment or delivery in full has not been made to the bearer in accordance with the foregoing then, unless within the period of 15 days commencing on the relevant due date payment or delivery in full in respect of this Global Note is received by the bearer in accordance with the foregoing, this Global Note will become void at 8.00 p.m. (London time) on such fifteenth day and the bearer will have no further rights under this Global Note (but without prejudice to the rights which the bearer or any other person may have under the amended and restated Deed of Covenant executed by the Issuer on 11 August 2011, as may be amended or supplemented from time to time in respect of the Medium Term Notes issued under the Programme Agreement pursuant to which this Global Note is issued).

This Global Note, and any non-contractual obligations arising out of or in connection with it, is governed by, and shall be construed in accordance with, English law.

This Global Note shall not be valid unless authenticated by the Agent and, if the applicable Pricing Supplement indicates that this Global Note is intended to be held in a manner which would allow Eurosystem eligibility, effectuated by the entity appointed as common safekeeper by the Relevant Clearing Systems.

THE NOTES ARE NOT THE OBLIGATIONS OF ANY GOVERNMENT OR MEMBER OF THE ISSUER

IN WITNESS whereof the Issuer has caused this Global Note to be duly executed on its behalf.

 - (a) the conclusion of the meeting specified in such document or, if applicable, any adjourned such meeting; and
 - (b) the surrender to the Paying Agent not less than 48 hours before the time for which such meeting or any adjourned such meeting is convened of the receipt issued by such Paying Agent in respect of each such deposited Bearer Note which is to be released or (as the case may require) the Bearer Note or Bearer Notes ceasing with the agreement of the Paying Agent to be held to its order or under its control and the giving of notice by the Paying Agent to the Issuer in

7. Notice of any adjourned meeting at which an Extraordinary Resolution is to be submitted shall be given in the same manner as notice of an original meeting but as if 10 were substituted for 21 in paragraph 3 above and such notice shall (except in cases where the proviso to paragraph 6 above shall apply when it shall state the relevant quorum) state that one or more persons present holding Notes or voting certificates or being proxies or

representatives at the adjourned meeting whatever the nominal amount of the Notes held or represented by them will form a quorum. Subject as aforesaid it shall not be necessary to give any notice of an adjourned meeting.

8. Every question submitted to a meeting shall be decided in the first instance by a show of hands and in case of equality of votes the Chairman shall both on a show of hands and on a poll have a casting vote in addition to the vote or votes (if any) to which he may be entitled as a Noteholder or as a holder of a voting certificate or as a proxy or as a representative.
9. At any meeting unless a poll is (before or on the declaration of the result of the show of hands) demanded by the Chairman or the Issuer or by one or more persons present holding Notes or voting certificates or being proxies or representatives and holding or representing in the aggregate not less than one-fiftieth part of the nominal amount of the Notes then outstanding a declaration by the Chairman that a resolution has been carried or carried by a particular majority or lost or not carried by a particular majority shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against such resolution.
10. Subject to paragraph 12 below, if at any such meeting a poll is so demanded it shall be taken in such manner and subject as hereinafter provided either at once or after an adjournment as the Chairman directs and the result of such poll shall be deemed to be the resolution of the meeting at which the poll was demanded as at the date of the taking of the poll. The demand for a poll shall not prevent the continuance of the meeting for the transaction of any business other than the motion on which the poll has been demanded.
11. The Chairman may with the consent of (and shall if directed by) any such meeting adjourn the same from time to time and from place to place but no business shall be transacted at any adjourned meeting except business which might lawfully (but for lack of required quorum) have been transacted at the meeting from which the adjournment took place.
12. Any poll demanded at any such meeting on the election of a Chairman or on any question of adjournment shall be taken at the meeting without adjournment.
13. The Issuer through its representative and the legal/financial advisors of the Issuer and the Agent may attend and speak at any meeting. The Issuer shall not be entitled to vote at any meeting in respect of Notes held by it for the benefit of any such company and no other person shall be entitled to vote at any meeting in respect of Notes held by it for the benefit of any such company. Nothing herein contained shall prevent any of the proxies named in any block voting instruction or form of proxy or any representative from being a director, officer or representative of or otherwise connected with the Issuer.
14. Subject as provided in paragraph 13 above at any meeting:
 - 14.1 on a show of hands every person who is present in person and produces a Bearer Note or voting certificate or is a holder of a Registered Note or is a proxy or representative shall have one vote; and

- 17.** Any vote given in accordance with the terms of a block voting instruction or form of proxy shall be valid notwithstanding the previous revocation or amendment of the block voting instruction or form of proxy or of any of the Noteholders' instructions pursuant to which it was executed PROVIDED THAT no intimation in writing of such revocation or amendment shall have been received from the relevant Paying Agent or in the case of a Registered Note from the holder of the Registered Note by the Issuer at its registered office (or such other place as may have been approved by the Agent for the purpose) by the time being 24 hours (or, in the case of a form of proxy or voting certificate and block voting instruction completed by the Agent pursuant to instructions sent to the Agent by a relevant clearing system in accordance with paragraphs 1.3 and 3 above, one hour) before the time appointed for holding the meeting or adjourned meeting at which the block voting instruction or form of proxy is to be used.

- 18.7 Power to approve the substitution of any entity in place of the Issuer (or any previous substitute) as the principal debtor in respect of the Notes and the Coupons.

Explanatory Notes to Part 1 and Part 2

- (a) Each day is a day on which banks and foreign exchange markets are open for business in London, counted in reverse order from the proposed Issue Date.
- (b) The Issue Date must be a Business Day. For the purposes of this Memorandum, “**Business Day**” in relation to all Notes means a day which is:
 - (i) a day on which commercial banks and foreign exchange markets settle payments in London and any other place as is specified in the applicable Pricing Supplement (each an “**Additional Business Centre**”);
 - (ii) either (1) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments in the principal financial centre of the country of the relevant Specified Currency (if other than London or any Additional Business Centre and which, if the Specified Currency is Australian dollars or New Zealand dollars, shall be Sydney or Auckland, respectively) or (2) in relation to any sum payable in euro, a day on which the TARGET System is open; and
 - (iii) a day on which Euroclear and/or Clearstream, Luxembourg and any other relevant clearing system are open for general business.
- (c) Times given are the approximate times for the taking of the action in question and are references to London time.
- (d) Settlement via The Depository Trust Company will be in accordance with the SDFS operating procedures in effect on the Issue Date. Delivery orders in respect of Notes in The Depository Trust Company will be entered by the Agent through The Depository Trust Company’s Participant Terminal System.

If any pricing supplement or information to be included in the applicable Pricing Supplement constitute “significant new factors” and consequently trigger the need for a supplement to the Prospectus under Article 16 of the Prospectus Directive the timings in Part 1 and Part 2 of Annex A will change as the Pricing Supplement will need to be approved by the relevant authority as a supplement, which can take up to seven working days.

1. Appointment of the Calculation Agent

The Issuer hereby appoints [] as Calculation Agent and/or Determination Agent, as the case may be, in respect of each Series of Notes described in the Schedule hereto (the "Relevant Notes") for the purposes set out in clause 2 below, all upon the provisions hereinafter set out. The agreement of the parties hereto that this Agreement is to apply to each Series of Relevant Notes shall be evidenced by the manuscript annotation and signature in counterpart of the Schedule hereto. The Calculation Agent shall always act in good faith and in an impartial and commercially reasonable manner in the exercise by it of its powers, duties and discretions pursuant to the Conditions and the provisions herein.

2. Duties of Calculation Agent

The Calculation Agent shall in relation to each Series of Relevant Notes perform all the functions and duties imposed on the Calculation Agent by the terms and conditions of the Relevant Notes (the "Conditions") including endorsing the Schedule hereto appropriately in relation to each Series of Relevant Notes. In addition, the Calculation Agent agrees that it will provide a copy of all calculations made by it which affect the nominal amount outstanding of any Relevant Notes which are identified on the Schedule as being NGNs to the Agent at Citigroup Centre, Canada Square, Canary Wharf, London E14 5LB. (Email: mtn.issuance@citi.com; fax: +353 1 622 4030)

For the avoidance of doubt, in the case of the appointment of a Determination Agent in respect of any Series of Relevant Notes, any reference herein to the Calculation Agent shall be deemed to be a reference to such Determination Agent.

3. Expenses

Save as provided in clause 4 below, the Calculation Agent shall bear all expenses incurred by it in connection with its said services.

4. Indemnity

4.1 The Issuer shall promptly indemnify and keep indemnified the Calculation Agent against any losses, liabilities, reasonable costs, claims, actions or demands which it may incur or which may be made against it as a result of or in connection with its appointment or the exercise of its powers and duties under this Agreement except such as may result from its own default, negligence or bad faith or that of its officers or employees or any of them, or breach by it of the terms of this Agreement.

4.2 The Calculation Agent shall indemnify and keep indemnified the Issuer against any losses, liabilities, costs, claims, actions, demands or expenses which the Issuer may incur or which may be made against the Issuer as a result of the default, negligence or bad faith of the Calculation Agent or that of its officers, directors or employees or any of them, or the breach by it of the terms of this Agreement.

5. Conditions of Appointment

5.1 In acting hereunder and in connection with the Relevant Notes the Calculation Agent shall not act as agent of the Issuer and shall not thereby assume any obligations towards or relationship of agency or trust for or with any of the owners or holders of the Relevant Notes or the coupons or receipts (if any) appertaining thereto (respectively, the "**Coupons**" and the "**Receipts**").

5.2 In relation to each issue of Relevant Notes the Calculation Agent shall be obliged to perform such duties and only such duties as are herein and in the Conditions specifically set forth and no implied duties or obligations shall be read into this Agreement or the Conditions against the Calculation Agent.

5.3 The Calculation Agent may consult with legal and other professional advisers and the opinion of such advisers shall be full and complete protection in respect of any action taken, omitted or suffered hereunder in good faith and in accordance with the opinion of such advisers.

5.4 The Calculation Agent shall be protected and shall incur no liability for or in respect of any action taken, omitted or suffered in reliance upon any instruction, request or order from the Issuer or the Agent, or any notice, resolution, direction, consent, certificate, affidavit, statement, cable, email or other paper or document which it reasonably believes to be genuine and to have been delivered, signed or sent by the proper party or parties or upon written instructions from the Issuer.

5.5 The Calculation Agent, and any of its officers, directors and employees, may become the owner of, or acquire any interest in, any Notes, Receipts or Coupons (if any) with the same rights that it or he would have if the Calculation Agent were not appointed hereunder, and may engage or be interested in any financial or other transaction with the Issuer and may

act on, or as depository, trustee or agent for, any committee or body of holders of Notes or Coupons (if any) or other obligations of the Issuer as freely as if the Calculation Agent were not appointed hereunder.

6. Termination of Appointment

- 6.1** The Issuer may terminate the appointment of the Calculation Agent at any time by giving to the Calculation Agent and the Agent at least 90 days' prior written notice to that effect, provided that, so long as any of the Relevant Notes is outstanding, (i) such notice shall not expire less than 45 days before any date upon which any payment is due in respect of any Relevant Notes and (ii) notice shall be given in accordance with Condition 13 at least 30 days prior to any removal of the Calculation Agent.
- 6.2** Notwithstanding the provisions of subclause 6.1 above, if at any time (i) the Calculation Agent becomes incapable of acting, or is adjudged bankrupt or insolvent, or files a voluntary petition in bankruptcy or makes an assignment for the benefit of its creditors or consents to the appointment of an administrator, liquidator or administrative or other receiver of all or any substantial part of its property, or if an administrator, liquidator or administrative or other receiver of it or of all or a substantial part of its property is appointed, or it admits in writing its inability to pay or meet its debts as they may mature or suspends payment thereof, or if any order of any court is entered approving any petition filed by or against it under the provisions of any applicable bankruptcy or insolvency law or if any public officer takes charge or control of the Calculation Agent or of its property or affairs for the purpose of rehabilitation, administration or liquidation or (ii) the Calculation Agent fails duly to perform any function or duty imposed upon it by the Conditions and/or this Agreement, the Issuer may forthwith without notice terminate the appointment of the Calculation Agent, in which event notice thereof shall be given to the holders of the Relevant Notes in accordance with Condition 13 as soon as practicable thereafter.
- 6.3** The termination of the appointment pursuant to subclause 6.1 or 6.2 above of the Calculation Agent hereunder shall not entitle the Calculation Agent to any amount by way of compensation but shall be without prejudice to any amount then accrued due.
- 6.4** The Calculation Agent may resign its appointment hereunder at any time by giving to the Issuer and the Agent at least 90 days' prior written notice to that effect. Following receipt of a notice of resignation from the Calculation Agent, the Issuer shall promptly give notice thereof to the holders of the Relevant Notes in accordance with Condition 13.
- 6.5** Notwithstanding the provisions of subclauses 6.1, 6.2 and 6.4 above, so long as any of the Relevant Notes is outstanding, the termination of the appointment of the Calculation Agent (whether by the Issuer or by the resignation of the Calculation Agent) shall not be effective unless upon the expiry of the relevant notice a successor Calculation Agent has been appointed.
- 6.6** Any successor Calculation Agent appointed hereunder shall execute and deliver to its predecessor and the Issuer an instrument accepting such appointment hereunder, and thereupon such successor Calculation Agent, without any further act, deed or conveyance, shall become vested with all the authority, rights, powers, trusts, immunities, duties and obligations of such predecessor with like effect as if originally named as the Calculation Agent hereunder.
- 6.7** If the appointment of the Calculation Agent hereunder is terminated (whether by the Issuer or by the resignation of the Calculation Agent), the Calculation Agent shall on the date on

which such termination takes effect deliver to the successor Calculation Agent all records concerning the Relevant Notes maintained by it (except such documents and records as it is obliged by law or regulation to retain or not to release), but shall have no other duties or responsibilities hereunder.

- 6.8** Any corporation into which the Calculation Agent for the time being may be merged or converted or any corporation with which the Calculation Agent may be consolidated or any corporation resulting from any merger, conversion or consolidation to which the Calculation Agent shall be a party shall, to the extent permitted by applicable law, be the successor Calculation Agent under this Agreement without the execution or filing of any paper or any further act on the part of any of the parties hereto. Notice of any such merger, conversion or consolidation shall forthwith be given to the Issuer and the Agent.
- 6.9** Upon the termination of the appointment of the Calculation Agent, the Issuer shall use all reasonable endeavours to appoint a further bank or investment bank as successor Calculation Agent.

7. Communications

- 7.1** All communications shall be by telefax, email or letter delivered by hand. Each communication shall be made to the relevant party at the email address, telefax number or postal address marked for the attention of the person(s) from time to time specified in writing by that party to the other for the purpose. The initial email address, telefax number and postal address of, and person(s) so specified by, each party are set out on the signature pages of this Agreement.
- 7.2** A communication shall be deemed received (if by telefax or email) when an acknowledgement of receipt is received, or (if by letter) when delivered; provided that any communication which is received (or deemed to take effect in accordance with the foregoing) outside business hours or on a non-business day in the place of receipt shall be deemed to take effect at the opening of business on the next following business day in such place. Any communication delivered to any party under this Agreement which is to be sent by email or telefax will be written legal evidence.

8. Descriptive Headings and Counterparts

- 8.2** This Agreement may be executed in any number of counterparts, all of which, taken together, shall constitute one and the same agreement and any party may enter into this Agreement by executing a counterpart.

9. Contracts (Rights of Third Parties) Act 1999

A person who is not party to this Agreement has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this Agreement.

10. Governing Law and Jurisdiction

This Agreement, and any non-contractual obligations arising out of or in connection with it, is governed by, and shall be construed in accordance with, the laws of England.

The Issuer hereby irrevocably agrees, for the exclusive benefit of the Calculation Agent, that the courts of England are to have jurisdiction to settle any disputes which may arise out of or in connection with this Agreement and accordingly any legal action or proceedings arising out of or in connection with this Agreement shall be brought in such courts.

BASE PROSPECTUS

European Bank for Reconstruction and Development

€35,000,000,000

Global Medium Term Note Programme for the issue of Notes

On 31 July 1992, the European Bank for Reconstruction and Development (the "Issuer") entered into a €1,000,000,000 Medium Term Note Programme (the "Programme"). On 26 August 1994, 26 August 1997, 28 August 1998, 27 August 1999, 1 September 2000, 31 August 2001, 30 August 2002, 29 August 2003, 27 August 2004, 10 August 2005, 10 August 2006, 10 August 2007, 11 August 2008, 11 August 2009 and 11 August 2010 the Programme was amended and restated. With effect from the date hereof, the Programme has been further amended and restated and this Base Prospectus supersedes any previous prospectus issued in connection with the Programme. Any Notes to be issued after the date hereof under the Programme are issued subject to the provisions set out herein save that Notes which are to be consolidated and form a single series with Notes issued prior to the date hereof will be issued subject to the Conditions of the Notes applicable on the date of Issue for the first Tranche of Notes of such Series. Subject as aforesaid, this does not affect any Notes issued prior to the date hereof.

Under the Programme the Issuer may from time to time issue Notes in bearer or registered form (respectively, "Bearer Notes" and "Registered Notes" and, together, the "Notes") denominated in any currency agreed by the Issuer and the relevant Purchaser(s) (as defined below). Subject as set out herein, the maximum aggregate nominal amount of all Notes from time to time outstanding will not exceed €35,000,000,000 (or its equivalent in other currencies at the time of agreement to issue, calculated as described herein).

The Notes will be issued to one or more of the Dealers specified on pages 5-6 (each a "Dealer" and together the "Dealers", which expression shall include any additional Dealer appointed under the Programme from time to time) on a continuing basis by way of private or syndicated placements. Notes may also be issued to third parties other than Dealers on the basis of enquiries made by such third parties to the Issuer. Dealers and such third parties are referred to as "Purchasers".

Application has been made to the Financial Services Authority in its capacity as competent authority (the "UK Listing Authority") under the Financial Services and Markets Act 2000 (the "FSMA") for Notes issued under the Programme for the period of 12 months from the date of this Base Prospectus to be admitted to the official list of the UK Listing Authority (the "Official List") and to the London Stock Exchange plc (the "London Stock Exchange") for such Notes to be admitted to trading on the London Stock Exchange's Regulated Market (the "Regulated Market"). References in this Base Prospectus to Notes being "listed" (and all related references) shall mean that such Notes have been admitted to trading on the Regulated Market and have been admitted to the Official List. The Regulated Market is a regulated market for the purposes of the Markets in Financial Instruments Directive (Directive 2004/39/EC of the European Parliament and of the Council on markets in financial instruments) (the "MiFID"). Application has also been made for permission to deal in, and for quotation of, any Notes which are agreed at the time of issue to be so listed on the Singapore Exchange Securities Trading Limited (the "SGX-ST"). The SGX-ST is not a regulated market for the purposes of the MiFID. The SGX-ST assumes no responsibility for the correctness of any of the statements made or opinions or reports contained in this Base Prospectus. Admission to the Official List or the SGX-ST is not to be taken as an indication of the merits of the Issuer or the Notes. Notice of the aggregate nominal amount of, interest (if any) payable in respect of, the issue price of, and any other terms and conditions not contained herein which are applicable to, each Series (as defined below) of Notes will be set forth in a pricing supplement prepared by, or on behalf of, the Issuer (the "Pricing Supplement") which, with respect to Notes admitted to the Official List and admitted to trading on the Regulated Market and/or Notes listed on the SGX-ST, will be delivered to the UK Listing Authority and/or the SGX-ST on or before the date of issue of the Notes of such Series.

The Programme provides that Notes may be listed on such other or further stock exchange(s) as may be agreed between the Issuer and the relevant Purchaser(s) in relation to each issue. The Issuer may also issue unlisted Notes.

Unless otherwise agreed, each issue of Registered Notes will initially be represented by one or more registered global Notes which will be deposited on the issue date thereof with, and registered in the name of a nominee for, The Depository Trust Company or deposited with a common depository for Euroclear and Clearstream, Luxembourg (the "Common Depository") and registered in the name of Citivic Nominees Limited as nominee for the Common Depository, as further described in "Issue Procedures" herein. Each issue of Bearer Notes will initially be represented on issue by one or more bearer temporary global Notes. If an issue of Bearer Notes is stated in the applicable Pricing Supplement as being issued in new global note ("NGN") form, then that issue of Bearer Notes may be intended to be eligible collateral for Eurosystem monetary policy and the applicable temporary global Note will be delivered to a common safekeeper (the "Common Safekeeper") for Euroclear Bank S.A./N.V. ("Euroclear") and Clearstream Banking, *société anonyme* ("Clearstream, Luxembourg") on or prior to the original issue date for that issue of Bearer Notes, as further described in "Issue Procedures" herein.

If an issue of Bearer Notes is not issued in NGN form ("classic global Notes" or "CGNs"), the applicable temporary global Note will be deposited with the Common Depository on the issue date for that issue of Bearer Notes.

Any person (an "Investor") intending to acquire or acquiring any securities from any person (an "Offeror") should be aware that, in the context of an offer to the public as defined in section 102B of the FSMA, the Issuer may be responsible to the Investor for the Base Prospectus under section 90 of the FSMA, only if the Issuer has authorised that Offeror to make the offer to the Investor. Each Investor should therefore enquire whether the Offeror is so authorised by the Issuer. If the Offeror is not authorised by the Issuer, the Investor should check with the Offeror whether anyone is responsible for the Base Prospectus for the purposes of section 90 of the FSMA in the context of the offer to the public, and, if so, who that person is. If the Investor is in any doubt about whether it can rely on the Base Prospectus and/or who is responsible for its contents it should take legal advice.

Certain information relating to the terms of an offer by an Offeror to an Investor may not be available at the time of publication of this Base Prospectus. The Investor must look to the Offeror at the time of such offer for the provision of such information and it is the responsibility of the Offeror to ensure that information relating to the offer that has been omitted from this Base Prospectus is provided to the Investor at the time such offer is made.

The Issuer and/or its debt obligations have been assigned an AAA credit rating from Standard & Poor's Credit Market Services Europe Limited ("S&P"), an Aaa credit rating from Moody's Investors Service Limited ("Moody's") and an AAA credit rating from Fitch France S.A.S. ("Fitch"). As defined by S&P, an "AAA" rating means that the ability of the Issuer to meet its financial commitment on its obligations is extremely strong. As defined by Moody's, an "Aaa" rating means that the Issuer's ability to meet its financial obligations is judged to be of the highest quality, with minimal credit risk. As defined by Fitch, an "AAA" rating denotes the lowest expectation of credit risk and means that the Issuer has an exceptionally strong capacity for timely payment of its financial commitments.

Credit ratings included or referred to in this Base Prospectus have been issued by S&P, Moody's and Fitch, each of which as at the date of this Base Prospectus is established in the European Union and is not registered but has applied to be registered under Regulation (EC) No 1060/2009 of the European Parliament and of the Council of 16 September 2009 on credit rating agencies (the "CRA Regulation").

Whether or not a rating in relation to any Tranche of Notes (to the extent any such Tranche will be rated) has been issued by a credit rating agency established in the European Union and registered under the CRA Regulation will be disclosed in the relevant Pricing Supplement.

The ratings mentioned above are accurate as at the date of this Base Prospectus. Notes issued under the Programme may be rated or unrated. Where an issue of Notes is rated, such rating will not necessarily be the same as the rating(s) assigned to the Issuer. A rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, reduction or withdrawal at any time by the assigning rating agency.

The issue price and the amount of the relevant Notes will be determined before filing of the relevant Pricing Supplement for each Tranche based on then prevailing market conditions.

Prospective investors should consider carefully the risks set forth herein under "Risk Factors" prior to making any investment decisions with respect to the Notes.

The Issuer may agree with any Dealer and the Agent (as defined below) that Notes may be issued in a form not contemplated by the Terms and Conditions of the Notes herein, in which case a supplementary Base Prospectus, if appropriate, will be made available which will describe the effect of the agreement reached in relation to such Notes.

The Issuer will not be a party to any such arrangements with Investors (other than the Dealers) in connection with the offer or sale of the Notes and, accordingly, this Base Prospectus and any Pricing Supplement will not contain such information and an Investor must obtain such information from the Offeror. This Base Prospectus includes particulars given in compliance with the requirements of the SGX-ST for the purpose of giving information with regard to the Issuer.

To the fullest extent permitted by law, none of the Dealers or the Arranger accept any responsibility for the contents of this Base Prospectus or for any other statement, made or purported to be made by the Arranger or a Dealer or on its behalf in connection with the Issuer or the issue and offering of the Notes. The Arranger and each Dealer accordingly disclaims all and any liability whether arising in tort or contract or otherwise (save as referred to above) which it might otherwise have in respect of this Base Prospectus or any such statement.

Neither this Base Prospectus nor any other information supplied in connection with the Notes is intended to provide the basis of any credit or other evaluation and should not be considered as recommendations by either the Issuer or any of the Dealers that any recipient of this Base Prospectus or any further information supplied in connection with the Notes should purchase any of the Notes. Each investor contemplating purchasing any of the Notes should make its own independent investigation of the financial condition and affairs, and its own appraisal of the creditworthiness, of the Issuer. Neither this Base Prospectus nor any other information supplied in connection with the Notes constitutes an offer or invitation by or on behalf of the Issuer or any of the Dealers to any person to subscribe for or to purchase any of the Notes. Prospective investors should have regard to the factors described under the section headed "Risk Factors" in this Base Prospectus. This Base Prospectus does not describe all of the risks of an investment in the Notes.

The delivery of this Base Prospectus does not at any time imply that the information contained herein concerning the Issuer is correct at any time subsequent to the date hereof or that any other information supplied in connection with the Notes is correct as of any time subsequent to the date indicated in the document containing the same. The distribution of this Base Prospectus and the offer or sale of the Notes may be restricted by law in certain jurisdictions. Persons into whose possession this Base Prospectus or any Notes come must inform themselves about, and observe, any such restrictions. In particular, there are restrictions on the distribution of this Base Prospectus and the offer or sale of the Notes in the United States, the United Kingdom, the European Economic Area, Japan, the Republic of France, Singapore and in other jurisdictions (see “Subscription and Sale”).

In connection with the issue of any Tranche of Notes, the Dealer or Dealers (if any) named as the stabilising manager(s) (the “Stabilising Manager(s)”) (or persons acting on behalf of any Stabilising Manager(s)) in the applicable Pricing Supplement may over-allot Notes or effect transactions with a view to supporting the market price of the Notes at a level higher than that which might otherwise prevail. However, there is no assurance that the Stabilising Manager(s) (or persons acting on behalf of a Stabilising Manager) will undertake stabilisation action. Any stabilisation action may begin on or after the date on which adequate public disclosure of the final terms of the offer of the relevant Tranche is made and, if begun, may be ended at any time, but it must end no later than the earlier of 30 days after the issue date of the relevant Tranche and 60 days after the date of the allotment of the relevant Tranche. Any stabilisation action or over-allotment must be conducted by the relevant Stabilising Manager(s) (or person(s) acting on behalf of any Stabilising Manager(s)) in accordance with all applicable laws and rules.

The Issuer may specify in the applicable Pricing Supplement that such Notes will include a Redenomination Clause (as defined on page 60) for the redenomination of the Specified Currency in euro, and, if so specified, the wording of the Redenomination Clause will be set out in full in the applicable Pricing Supplement.

All payments of principal and/or interest in respect of the Notes shall be made by the Issuer to the Paying Agent without withholding or deduction for or on account of tax.

Status of the Notes

unsubordinated obligations. The Notes will not be obligations of any government or member of the Issuer.

Cross-Default

The terms of the Notes will contain a cross default clause in respect of bonds, notes or similar obligations which have been issued, assumed or guaranteed by the Issuer and in respect of which such default shall continue for a period of 90 days.

Rating

The Issuer and/or its debt obligations have been assigned an AAA credit rating from Standard & Poor's Credit Market Services Europe Limited ("S&P"), an Aaa credit rating from Moody's Investors Service Limited ("Moody's") and an AAA credit rating from Fitch France S.A.S. ("Fitch"). As defined by S&P, an "AAA" rating means that the ability of the Issuer to meet its financial commitment on its obligations is extremely strong. As defined by Moody's, an "Aaa" rating means that the Issuer's ability to meet its financial obligations is judged to be of the highest quality, with minimal credit risk. As defined by Fitch, an "AAA" rating denotes the lowest expectation of credit risk and means that the Issuer has an exceptionally strong capacity for timely payment of its financial commitments.

Credit ratings included or referred to in this Base Prospectus have been issued by S&P, Moody's and Fitch, each of which as at the date of this Base Prospectus is established in the European Union and is not registered but has applied to be registered under Regulation (EC) No 1060/2009 of the European Parliament and of the Council of 16 September 2009 on credit rating agencies (the "CRA Regulation").

Whether or not a rating in relation to any Tranche of Notes (to the extent any such Tranche will be rated) has been issued by a credit rating agency established in the European Union and registered under the CRA Regulation will be disclosed in the relevant Pricing Supplement.

The ratings mentioned above are accurate as of the date of this Base Prospectus. Notes issued under the Programme may be rated or unrated. Where an issue of Notes is rated, such rating will not necessarily be the same as the rating(s) assigned to the Issuer. A rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, reduction or withdrawal at any time by the assigning rating agency.

Listing and Admission to Trading

Application has been made for Notes issued under the Programme to be admitted to the Official List and to be admitted to trading on the Regulated Market. Notes may also be listed on additional or other stock exchange(s) including the SGX-ST. Unlisted Notes may also be issued. The Pricing Supplement for each issue will state whether or not, and on what exchange(s), the Notes are to be listed.

Governing Law

English.

Selling Restrictions

There are restrictions on the sale of Notes in the United States, the United Kingdom, Japan, the Republic of France, Singapore, the European Economic Area and other jurisdictions that may be applicable in connection with a particular issue of Notes, further details of which are set out in "Subscription and Sale".

RISK FACTORS

Prospective investors should consider carefully the risks set forth below and the other information contained in this Base Prospectus prior to making any investment decision with respect to the Notes. Each of the risks highlighted below could have a material adverse effect on the Issuer's business, operations, financial condition or prospects, which, in turn, could have a material adverse effect on the amount of principal and interest which investors will receive in respect of the Notes. In addition, some or all of the risks highlighted below could adversely affect the trading price of a particular Series of Notes or the rights of investors under a particular series of Notes and, as a result, investors could lose some or all of their investment.

Prospective investors should note that the risks described below are not the only risks the Issuer faces. The Issuer has described only those risks relating to its operations that it considers to be material. There may be additional risks that the Issuer currently considers not to be material or of which it is not currently aware, and any of these risks could have the effects set forth above.

Risk Factors relating to the Notes

Market, Liquidity and Yield Considerations

The Notes may not have an established trading market when issued. There can be no assurance of a secondary market for any Notes or the liquidity of such market if one develops. Consequently, investors may not be able to sell their Notes readily or at prices that will enable them to realise a yield comparable to that of similar instruments, if any, with a developed secondary market.

The credit rating of the Issuer may not reflect all risks affecting the Notes

The credit ratings assigned to the Issuer may not reflect the potential impact of all risks related to structure, market and other factors that may affect the value of the Notes issued under the Programme. A credit rating is not a recommendation to buy, sell or hold securities and may be revised or withdrawn by the credit rating agency at any time.

Notes Indexed to Interest Rate or Other indices or Formulas May Have Risks Not Associated With Conventional Debt Securities

An investment in Notes indexed to one or more interest rates or other indices or formulas, either directly or indirectly, entails significant risks that are not associated with similar investments in a conventional fixed rate or floating rate debt security. Such risks include, without limitation, the possibility that such indices or formulas may be subject to significant changes and that no principal, premium (if any), or interest will be payable with respect to such Notes or that any such principal, premium or interest will be payable in an amount that is lower or at times that are different than otherwise expected. The existence, magnitude and longevity of these risks and their results depend on a number of interrelated factors, including economic, financial and political events, over which the Issuer has no control. Additionally, if the formula used to determine the amount of any payment in respect of such Notes contains a multiplier or leverage factor, the effect of any change in the applicable index or indices or formula or formulas will be magnified. In recent years, values of certain indices and formulas have been highly volatile and such volatility may be expected to continue in the future. Fluctuations in the value of any particular index or formula that have occurred in the past are not necessarily indicative, however, of fluctuations that may occur in the future.

Any redemption terms of the Notes, whether mandatory or exercisable at the direction of the Issuer, might affect the market value of such Notes. Since the Issuer could be required to redeem Notes when prevailing interest rates are relatively low, investors generally will not be able to reinvest the redemption proceeds in a comparable security at an effective interest rate as high as the then current interest rate on the Notes.

Notes where denominations involve integral multiples: definitive Notes

In relation to any issue of Notes which have denominations consisting of a minimum Specified Denomination plus one or more higher integral multiples of another smaller amount, it is possible that such Notes may be traded in amounts that are not integral multiples of such minimum Specified Denomination. In such a case, should definitive Notes be printed, a holder who, as a result of trading such amounts, holds an amount which is less than the minimum Specified Denomination in his account with the relevant clearing system at the relevant time may not receive a definitive Note in respect of such holding and would need to purchase a principal amount of Notes such that its holding amounts to a Specified Denomination.

If definitive Notes are issued, holders should be aware that definitive Notes which have a denomination that is not an integral multiple of the minimum Specified Denomination may be illiquid and difficult to trade.

Legal Investment Considerations

Investors should consult their own legal advisers in determining whether and to what extent the Notes constitute legal investments for such investors and whether and to what extent the Notes can be used as collateral for various types of borrowings. In addition, financial institutions should consult their legal advisers or regulators in determining the appropriate treatment of the Notes under any applicable risk-based capital or similar rules.

Investors whose investment activities are subject to investment laws and regulations or to review or regulation by certain authorities may be subject to restrictions on investments in certain types of debt securities, which may include certain Notes. Investors should review and consider such restrictions prior to investing in any Notes.

Risk Factors relating to the Issuer

The Issuer extends loans, makes equity investments and issues guarantees primarily to the private sector in its countries of operation. Changes in the macroeconomic environment and financial markets in these countries may affect the creditworthiness of the Issuer's clients. Even severe changes in the macroeconomic and financial climate should, however, not affect the Issuer's ability to repay its borrowings, which is assured above all through the Issuer's prudent provisioning policy, ample liquidity, and limitations in the Agreement on its outstanding loans, equity investment and guarantees to the total amount of its subscribed capital, reserves and surpluses.

The Issuer has authorised share capital totalling €30 billion. As at 11 August 2011, the amount of subscribed share capital was €27.7 billion of which €6.2 billion is paid-in and €21.5 billion is callable to cover the unlikely eventuality that the Issuer encounters difficulties meeting its liabilities. The Issuer's subscribed capital that has not been paid in ranks among the highest quality callable capital of any multilateral development bank, with approximately 60 per cent. from shareholders rated AAA/Aaa and 96 per cent. from shareholders rated investment grade, by at least one of S&P and Moody's at 11 August 2011.* Due to its conservative risk management and provisioning policy and limitations in the Agreement on its exposures, it is highly unlikely that any call on the Issuer's shareholders will have to be made.

Since the second half of 2008, disruption to the global financial markets, the re-pricing of credit risk and increased volatility have created challenging global market conditions and adversely affected the economies of many countries. It is difficult to predict how long these conditions will continue to exist and the effectiveness of measures taken by many countries to reduce their budget deficits and bring about recovery.

* To the extent S&P and Moody's have rated shareholders of the Issuer at different levels, the higher of these ratings has been used for the purpose of these calculations.

The operations and financial position of the Issuer may be affected by any lengthy continuation of such conditions.

The Issuer and its members are considering a proposal to extend the Issuer's countries of operations to include the Southern and Eastern Mediterranean region, including Jordan. Subject to adoption of the proposal the Issuer will seek to make investments primarily to the private sector in certain agreed countries in the region. As at the date of this Base Prospectus, Egypt and Morocco, both of whom are founding members of the Issuer, have requested that they become recipient countries. Tunisia has formally applied to become a member of the Issuer. The Issuer has also received a letter of interest from Jordan.

SUPPLEMENTARY PROSPECTUS

If at any time the Issuer shall be required to prepare a supplementary prospectus pursuant to Section 87G of the FSMA, the Issuer will prepare and make available an appropriate amendment or supplement to this Base Prospectus which, in respect of any subsequent issue of Notes to be admitted to the Official List and admitted to trading on the Regulated Market, shall constitute a supplementary prospectus as required by the UK Listing Authority and Section 87G of the FSMA.

The Issuer has given an undertaking that if at any time during the duration of the Programme there is a significant new factor, material mistake or inaccuracy relating to information contained in this Base Prospectus which is capable of affecting the assessment of any Notes and whose inclusion would reasonably be required by investors and their professional advisers, and would reasonably be expected by them to be found in this Base Prospectus, for the purpose of making an informed assessment of the assets and liabilities, financial position, profits and losses and prospects of the Issuer, and the rights attaching to the Notes, the Issuer shall prepare an amendment or supplement to this Base Prospectus or publish a replacement Base Prospectus for use in connection with any subsequent offering of the Notes and shall supply to each Dealer such number of copies of such supplement hereto as such Dealer may reasonably request.

The Issuer has undertaken in connection with the listing of the Notes on the SGX-ST:

- (a) to update this Base Prospectus by the publication of a new prospectus or a supplement thereto in a form reasonably satisfactory to the Dealers, on or before each anniversary of the date of this Base Prospectus; and
- (b) to publish a supplementary prospectus upon the Issuer becoming aware that:
 - (i) there has been a significant change affecting any matter contained in this Base Prospectus; or
 - (ii) a significant new matter has arisen, the inclusion of information in respect of which would have been required to be in this Base Prospectus if it had arisen before this Base Prospectus was issued.

For this purpose, “significant” means significant for the purpose of making an informed assessment of assets and liabilities, financial position, profits and losses and prospects of the Issuer and of the rights attaching to the Notes.

GENERAL DESCRIPTION OF THE PROGRAMME

Under the Programme the Issuer may from time to time issue Notes denominated in any currency. The applicable terms of any Notes will be agreed between the Issuer and the relevant Purchaser(s) prior to the issue of the Notes and will be set out in the Terms and Conditions of the Notes endorsed on, or incorporated by reference into, the Notes, as modified and supplemented by the applicable Pricing Supplement attached to, or incorporated into, such Notes, as more fully described under "Issue Procedures".

References herein to "Pricing Supplement" shall mean, in the case of Notes for which a prospectus under the Prospectus Directive is required (or the Issuer chooses to prepare such a prospectus) and the final terms of such Notes are capable of being completed in the manner contemplated by Article 5.4 of the Prospectus Directive, final terms for the purposes of that Article ("Final Terms"). Other Notes may be issued off the Programme either in circumstances where no prospectus for purposes of the Prospectus Directive is prepared or pursuant to the registration document (the "Registration Document") of the Issuer dated 11 August 2011 relating to the Programme, in which case the Pricing Supplement shall not constitute Final Terms. Such Registration Document shall be read in conjunction with the securities note (the "Securities Note") for that Series and, if applicable, the summary note (the "Summary Note") for that Series, each as prepared for the purposes of Articles 5.2 and 5.3 of the Prospectus Directive.

This Base Prospectus and any supplement will only be valid for admitting Notes to the Official List and for the admission of Notes to trading on the Regulated Market and/or listing Notes on the SGX-ST in an aggregate nominal amount which, when added to the aggregate nominal amount then outstanding of all Notes previously or simultaneously issued under this Programme, does not exceed €35,000,000,000 or its equivalent in other currencies. For the purpose of calculating the euro equivalent of the aggregate nominal amount of Notes issued under the Programme from time to time:

- (a) the euro equivalent of Notes denominated in another Specified Currency (as defined under "Issue Procedures") shall be determined, at the discretion of the Issuer, as of the date of agreement to issue such Notes (the "Agreement Date") or on the preceding day on which commercial banks and foreign exchange markets are open for business in London, in each case on the basis of the spot rate for the sale of euro against the purchase of such Specified Currency in the London foreign exchange market quoted by any leading bank selected by the Issuer on such date;
- (b) the amount (or, where applicable, the euro equivalent) of Dual Currency Notes, Indexed Notes and Physically Settled Notes (each as described under "Issue Procedures") shall be calculated by reference to the original nominal amount of such Notes and, in the case of Notes not denominated in euro, in the manner specified above;
- (c) the amount (or, where applicable, the euro equivalent) of Zero Coupon Notes (as described under "Issue Procedures") and other Notes issued at a discount or premium shall be calculated by reference to the net proceeds received by the Issuer for the relevant issue and, in the case of Notes not denominated in euro, in the manner specified above; and
- (d) the amount (or, where applicable, the euro equivalent) of Partly Paid Notes (as defined under "Issue Procedures") shall be calculated by reference to the nominal amount regardless of the amount of moneys paid up on such Notes and, in the case of Notes not denominated in euro, in the manner specified above.

TERMS AND CONDITIONS OF THE NOTES

The following are the Terms and Conditions of the Notes which will be attached to or incorporated by reference into each global Note and which will be endorsed upon each definitive Note. The applicable Pricing Supplement prepared by, or on behalf of, the Issuer in relation to any Notes may specify other Terms and Conditions which shall, to the extent so specified or to the extent inconsistent with these Terms and Conditions, replace the following Terms and Conditions for the purposes of a specific issue of Notes. The applicable Pricing Supplement will be incorporated into, or attached to, each global Note and endorsed upon each definitive Note. All capitalised terms shall have the meanings defined herein. The price and amount of Notes to be issued under the Programme will be determined by the Issuer and the relevant Dealer(s) at the time of the issue in accordance with prevailing market conditions.

This Note is one of a Series of the Notes (“Notes”, which expression shall mean (i) in relation to any Notes represented by a Note in global form (a “Global Note”), units of the lowest Specified Denomination in the Specified Currency of the relevant Notes, (ii) definitive Notes issued in exchange (or part exchange) for a Global Note and (iii) any Global Note) issued subject to, and with the benefit of, an amended and restated Agency Agreement dated 11 August 2011 (the “Agency Agreement”) and made between European Bank for Reconstruction and Development (the “Issuer”), Citibank, N.A. as issuing agent, principal paying agent, agent bank and, if so specified in the applicable Pricing Supplement, calculation agent and/or determination agent, as the case may be, (the “Agent”, which expression shall include any successor as agent or any other calculation agent and/or determination agent, as the case may be, specified in the applicable Pricing Supplement), Citibank, N.A., as registrar (the “Registrar”, which expression shall include any successor registrar) and the other paying agents named therein (together with the Agent, the “Paying Agents” which expression shall include any additional or successor paying agents).

As used herein, “Series” means each original issue of Notes together with any further issues expressed to form a single series with the original issue which are denominated in the same currency and which have the same Maturity Date, interest basis and interest payment dates (if any) and the terms of which (save for the Issue Date or Interest Commencement Date and the Issue Price) are otherwise identical (including whether or not the Notes are listed) and the expressions “Notes of the relevant Series” and “holders of Notes of the relevant Series” and related expressions shall be construed accordingly.

To the extent the Pricing Supplement for this Series of Notes specifies other Terms and Conditions which are in addition to, or inconsistent with, these Terms and Conditions, such other Terms and Conditions shall apply to this Series of Notes.

The holders for the time being of the Notes (“Noteholders”), which expression shall, in relation to any Notes represented by a Global Note, be construed as provided in Condition 1, the holders of the Coupons (as defined below) appertaining to interest-bearing definitive Bearer Notes (the “Couponholders”), the holders of the Talons (as defined below) (the “Talonholders”) and the holders of the Receipts (as defined below) (the “Receiptholders”) are deemed to have notice of, and are entitled to the benefit of, all the provisions of the Agency Agreement and the applicable Pricing Supplement, which are binding on them. The statements in these Terms and Conditions are summaries of, and are subject to, the detailed provisions of the Agency Agreement. Copies of the Agency Agreement (which contains the form of Pricing Supplement) and the Pricing Supplement for the Notes of this Series are available from the principal office of the Agent and the Paying Agents set out at the end of these Terms and Conditions.

The Noteholders, the Receiptholders and the Couponholders are entitled to the benefit of the amended and restated Deed of Covenant (the “Deed of Covenant”) dated 11 August 2011 and made by the Issuer. The original of the Deed of Covenant is held by a common depositary on behalf of Euroclear Bank S.A./N.V. (“Euroclear”) and Clearstream Banking, *société anonyme* (“Clearstream, Luxembourg”).

Any reference herein to The Depository Trust Company and/or Euroclear and/or Clearstream, Luxembourg shall, whenever the context so permits, be deemed to include a reference to any additional or alternative clearing system approved by the Issuer and the Agent.

Words and expressions defined in the Agency Agreement or defined or set out in the applicable Pricing Supplement (which term, as used herein, means, in relation to this Note, the Pricing Supplement attached hereto or endorsed hereon) shall have the same meanings where used in these Terms and Conditions unless the context otherwise requires or unless otherwise stated.

1 Form, Denomination, Title and Transfer

The Notes are in bearer form (“Bearer Notes”) or registered form (“Registered Notes”) in the Specified Currency and Specified Denomination(s) and definitive Notes will be serially numbered. This Note is to the extent specified in the applicable Pricing Supplement a Fixed Rate Note, a Floating Rate Note, a Zero Coupon Note, an Indexed Note or a Dual Currency Note, or any appropriate combination thereof. If it is a definitive Bearer Note, it is issued with coupons for the payment of interest (“Coupons”) attached, and if applicable talons for further Coupons (“Talons”) attached unless it is a Zero Coupon Note in which case references to interest (other than in relation to interest due after the Maturity Date) and Coupons in these Terms and Conditions are not applicable. If it is a definitive Bearer Note redeemable in instalments it is issued with receipts (“Receipts”) for the payment of instalments of principal prior to stated maturity attached. Wherever Dual Currency Notes or Indexed Notes are issued to bear interest on a fixed or floating rate basis or on a non-interest-bearing basis, the provisions in these Terms and Conditions relating to Fixed Rate Notes, Floating Rate Notes and Zero Coupon Notes respectively shall, where the context so admits, apply to such Dual Currency Notes or Indexed Notes. Any reference in these Terms and Conditions to Coupon(s), Couponholder(s) or coupon(s) shall, unless the context otherwise requires, be deemed to include a reference to Talon(s), Talonholder(s) or talon(s).

Subject as set out below, title to the Bearer Notes, the Coupons and Receipts will pass by delivery. The holder of each Coupon or Receipt, whether or not such Coupon or Receipt is attached to a Bearer Note, in his capacity as such, shall be subject to and bound by all the provisions contained in the relevant Note. The Issuer and any Paying Agents may deem and treat the bearer of any Bearer Note, Coupon or Receipt as the absolute owner thereof (whether or not such Bearer Note, Coupon or Receipt shall be overdue and notwithstanding any notation of ownership or writing thereon or notice of any previous loss or theft thereof) for all purposes but, in the case of any Global Note, without prejudice to the provisions set out below.

The Issuer has appointed the Registrar at its office specified below to act as registrar in respect of the Registered Notes. The Issuer shall cause to be kept at the specified office of the Registrar for the time being a register (the “Register”) on which shall be entered, *inter alia*, the names and addresses of the holders of the Registered Notes and particulars of all transfers of title to the Registered Notes. The Issuer and the Registrar may deem and treat the registered owner of a Registered Note as the absolute owner thereof (whether or not such Note shall be overdue and notwithstanding any notation of ownership or writing thereon or notice of any previous loss or theft thereof). The Issuer reserves the right at any time to vary or terminate the appointment of the Registrar and to appoint another Registrar provided that it will at all times maintain a Registrar. Notice of any termination or appointment and of any changes in specified offices will be given to the Registered Noteholders promptly by the Issuer in accordance with Condition 13.

A Global Note in registered form (a “Registered Global Note”) may be transferred, in whole, to another nominee for The Depository Trust Company or other common depositary for Euroclear and Clearstream, Luxembourg or such other clearing system and common depositary or person as may be

specified in the applicable Pricing Supplement or otherwise as may be specified separately in the applicable Pricing Supplement, by the registered holder depositing the Registered Global Note at the specified office of the Registrar with the form of transfer attached thereto duly completed and signed by or on behalf of the transferor, upon payment of any applicable taxes or other governmental charges and upon the Registrar, after due and careful enquiry, being satisfied with the title and identity of the person making the request and subject to such other reasonable regulations as the Issuer and the Registrar may prescribe, all as described in the Agency Agreement. Subject as provided above, the Registrar will, within three business days (being days when banks are open for business in the city where the Registrar is located) of such deposit (or such longer period as may be required to comply with any applicable fiscal or other laws or regulations), deliver a new Registered Global Note at its specified office to and in the name of the transferee. Notwithstanding the above provisions the holder of a Registered Global Note may not require the transfer of a Registered Global Note to be registered during the period of 15 days ending on the due date for any payment of principal or interest on the Registered Global Note.

A definitive Registered Note may be transferred in whole or in part (in the amount of the lowest Specified Denomination or any integral multiple thereof) by the transferor depositing such Registered Note for registration of the transfer of the Registered Note (or the relevant part of the Registered Note) at the specified office of the Registrar, with the form of transfer endorsed on the definitive Registered Note duly completed and signed by or on behalf of the transferor and upon the Registrar after due and careful enquiry being satisfied with the documents of title and the identity of the person making the request and subject to such reasonable regulations as the Issuer and the Registrar may prescribe. Subject as provided above, the Registrar will, within three business days (being days when banks are open for business in the city where the Registrar is located) of the request (or such longer period as may be required to comply with any applicable fiscal or other laws or regulations), deliver at its specified office to the transferee or (at the risk of the transferee) send by mail to such address as the transferee may request a new Registered Note of a like aggregate nominal amount to the Registered Note (or the relevant part of the Registered Note) transferred. In the case of the transfer of part only of a Registered Note, a new Registered Note in respect of the balance of the Registered Note not transferred will be so delivered or (at the risk of the transferor) sent to the transferor.

In the event of a partial redemption of Registered Notes under Condition 5, the Registrar shall not be required:

- (a) to register the transfer of definitive Registered Notes (or parts of Registered Notes) during the period beginning on the 45th day before the date of the partial redemption and ending on the day on which notice is given specifying the serial numbers of definitive Registered Notes called (in whole or in part) for redemption (both inclusive); or
- (b) to register the transfer of any definitive Registered Note, or part of a definitive Registered Note, called for partial redemption.

Registered Noteholders will not be required to bear the costs and expenses of effecting any registration of transfer or any exchange as provided above, except for any costs or expenses of delivery other than by regular mail and except that the Issuer may require the payment of a sum sufficient to cover any stamp duty, tax or other governmental charge that may be imposed in relation to the registration or exchange.

For so long as any of the Notes are represented by a Global Note in bearer form, each person (other than a clearing system which is an account holder with another clearing system for the purpose of operating any "bridge" between two or more clearing systems) who is for the time being shown in the records of Euroclear and/or Clearstream, Luxembourg as the holder of a particular nominal amount

of such Notes (in which regard any certificate or other document issued by Euroclear or Clearstream, Luxembourg as to the nominal amount of such Notes standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall be treated by the Issuer, the Agent and any other Paying Agent as a holder of such nominal amount of such Notes for all purposes other than for the payment of principal (including premium (if any)) and interest on such Notes or the delivery of securities or any other assets deliverable pursuant to such Notes, the right to which shall be vested, as against the Issuer, the Agent and any other Paying Agent, solely in the bearer holder of the Global Note in accordance with and subject to its terms (and the expressions “Noteholder”, “holder of Notes” and related expressions shall be construed accordingly).

Notes which are represented by a Global Note will only be transferable in accordance with the rules and procedures for the time being of The Depository Trust Company and/or Euroclear and/or Clearstream, Luxembourg, as the case may be, or such other rules and procedures as may be specified in the applicable Pricing Supplement.

2 Status of the Notes

The Notes and (if applicable) the relative Coupons and Receipts are direct and, subject to Condition 3, unsecured obligations of the Issuer ranking *pari passu* without any preference among themselves and, subject as aforesaid, with all its other obligations which are unsecured and not subordinated. 3 Negative Pledge

As long as any of the Notes shall be outstanding, the Issuer will not create on any of its property or assets any mortgage, pledge or other lien or charge as security for any bonds, notes or other evidences of indebtedness quoted, listed or ordinarily dealt in on any stock exchange or other organised securities market, heretofore or hereafter issued or assumed by the Issuer or for any guarantee thereof by the Issuer, unless all payments in respect of the Notes shall be secured by such mortgage, pledge, lien or charge equally and rateably with such bonds, notes, evidences of indebtedness or guarantees; provided, however, that the foregoing shall not apply to: (i) any lien created as security for the payment of such indebtedness or guarantee incurred for the purpose of financing or refinancing the purchase of any property; (ii) any lien arising in the ordinary course of business and securing a debt maturing not more than one year after the date on which it is originally incurred; or (iii) any extension or renewal of the foregoing.

4 Interest

(a) Interest on Fixed Rate Notes

- (i) Each Fixed Rate Note bears interest from and including the Interest Commencement Date to but excluding the next following Fixed Interest Date or the Maturity Date, as the case may be, at the rate(s) per annum equal to the Fixed Rate(s) of Interest payable in arrear on the Fixed Interest Date(s) in each year and on the Maturity Date, subject to Condition 6(e). The first payment of interest will be made on the Fixed Interest Date next following the Interest Commencement Date and, if the first anniversary of the Interest Commencement Date is not a Fixed Interest Date, will amount to the Initial Broken Amount. If the Maturity Date is not a Fixed Interest Date, interest from and

including the preceding Fixed Interest Date (or the Interest Commencement Date, as the case may be) to but excluding the Maturity Date will amount to the Final Broken Amount.

- (ii) Subject as aforesaid, such interest will be payable in respect of each Fixed Interest Period (which expression shall, in these Terms and Conditions, mean the period from (and including) a Fixed Interest Date (or the Interest Commencement Date) to (but excluding) the next (or first) Fixed Interest Date or the Maturity Date, as the case may be). If interest is required to be calculated for a period ending on a Fixed Interest Date, a period ending other than on a Fixed Interest Date, or for a period ending on a Fixed Interest Date as adjusted in accordance with the business day convention specified in the applicable Pricing Supplement (all in accordance with Clause 4(a)(iii) below) such interest shall be calculated by applying the Fixed Rate of Interest to each Specified Denomination or, where a Calculation Amount is specified in the applicable Pricing Supplement, to such Calculation Amount, multiplying such sum by the applicable Fixed Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

In these Terms and Conditions, the following expressions have the following meanings:

“Fixed Day Count Fraction” means:

“D₂” is the calendar day, expressed as a number, immediately following the last day included in the Calculation Period, unless such number would be 31 and D₁ is greater than 29, in which case D₂ will be 30;

- (E) if “30E/360” or “Eurobond Basis” is specified in the applicable Pricing Supplement, the number of days in the Calculation Period divided by 360 calculated on a formula basis as follows:

$$\text{Fixed Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

“Y₁” is the year, expressed as a number, in which the first day of the Calculation Period falls;

“M₂” is the calendar month, expressed as a number, in which the day immediately following the last day included in the Calculation Period falls;

“D₁” is the first calendar day, expressed as a number, of the Calculation Period, unless such number would be 31, in which case D₁ will be 30; and

“D₂” is the calendar day, expressed as a number, immediately following the last day included in the Calculation Period, unless such number would be 31, in which case D₂ will be 30;

- (F) if “30E/360 (ISDA)” is specified in the applicable Pricing Supplement, the number of days in the Calculation Period divided by 360, calculated on a formula basis as follows:

$$\text{Fixed Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

“Y₁” is the year, expressed as a number, in which the first day of the Calculation Period falls;

“Y₂” is the year, expressed as a number, in which the day immediately following the last day included in the Calculation Period falls;

“M₁” is the calendar month, expressed as a number, in which the first day of the Calculation Period falls;

“M₂” is the calendar month, expressed as a number, in which the day immediately following the last day included in the Calculation Period falls;

“D₁” is the first calendar day, expressed as a number, of the Calculation Period, unless (i) that day is the last day of February or (ii) such number would be 31, in which case D₁ will be 30; and

“D₂” is the calendar day, expressed as a number, immediately following the last day included in the Calculation Period, unless (i) that day is the last day of February but not the Maturity Date or (ii) such number would be 31, in which case D₂ will be 30;

- (G) if “Actual/Actual – ICMA” is specified in the applicable Pricing Supplement,
- if the Calculation Period is equal to or shorter than the Determination Period during which it falls, the number of days in the Calculation Period divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Periods normally ending in any year; and
 - if the Calculation Period is longer than one Determination Period, the sum of:
 - (x) the number of days in such Calculation Period falling in the Determination Period in which it begins divided by the product of (1) the number of days in such Determination Period and (2) the number of Determination Periods normally ending in any year; and
 - (y) the number of days in such Calculation Period falling in the next Determination Period divided by the product of (1) the number of days in such Determination Period and (2) the number of Determination Periods normally ending in any year,

where:

“Determination Period” means the period from and including a Determination Date in any year to but excluding the next Determination Date; and

“Determination Date” means each relevant Fixed Interest Date (except that the first Determination Date shall be deemed to be the Interest Commencement Date), unless otherwise specified in the applicable Pricing Supplement.

For the purposes of the definition of “Determination Date” in this Condition 4(a)(ii)(G), the adjustment of any Fixed Interest Date as a result of the application of any Business Day Convention shall be disregarded; or

- (H) such other basis as may be agreed, as specified in the applicable Pricing Supplement;

“sub-unit” means, with respect to any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, with respect to euro, means one cent; and

“Calculation Period” means, with respect to the relevant period for which interest is to be calculated on any Note, a period of time from and including the first day of such period to but excluding the last (whether or not constituting a Fixed Interest Period).

- (iii) If any Fixed Interest Date would otherwise fall on a day which is not a Business Day, then payment of the interest due on such Fixed Interest Date, subject to Condition 6(e), shall be made after adjustment in accordance with the business day convention specified in the applicable Pricing Supplement. If the business day convention specified in the applicable Pricing Supplement is:
- (A) the Following Business Day Convention, payment of the interest due on such Fixed Interest Date shall be postponed to the next day which is a Business Day, and if the amount of interest due has been specified to be adjusted, the Fixed Interest Date shall also be postponed to the next day which is a Business Day;
 - (B) the Modified Following Business Day Convention, payment of the interest due on such Fixed Interest Date shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event payment of the interest due on such Fixed Interest Date shall be brought forward to the immediately preceding Business Day, and if the amount of interest due has been specified to be adjusted, the Fixed Interest Date shall also be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event the Fixed Interest Date shall be brought forward to the immediately preceding Business Day; or
 - (C) the Preceding Business Day Convention, payment of the interest due on such Fixed Interest Date shall be brought forward to the immediately preceding Business Day, and if the amount of interest due has been specified to be adjusted, the Fixed Interest Date shall also be brought forward to the immediately preceding Business Day.

If the payment in respect of a Fixed Interest Date becomes subject to a business day convention, as set out above, there will be no adjustment to the calculation of interest payable in respect of the relevant Fixed Interest Date, unless it is specified in the applicable Pricing Supplement that the amount of interest payable in such circumstances will be calculated by reference to the period ending on the Fixed Interest Date as adjusted in accordance with the specified business day convention, in which case the Fixed Day Count Fraction specified in the applicable Pricing Supplement will also be applied.

In this Condition 4(a), “Business Day” means a day which is:

- (1) either (x) in relation to Notes denominated in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealings in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency or (y) in relation to Notes denominated in euro, a day on which the TARGET System is open for the settlement of payments in euro (a “TARGET Business Day”). In these Terms and Conditions, “TARGET System” means the Trans-European Automated Real-Time Gross Settlement Express Transfer (known as TARGET2) system or any successor thereto; and
- (2) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealings in foreign exchange and foreign currency deposits) in any additional business centre specified in the

applicable Pricing Supplement and if “TARGET” is specified as an additional business centre in the applicable Pricing Supplement, a TARGET Business Day.

(b) Interest on Floating Rate Notes

(i) Interest Payment Dates

Each Floating Rate Note and Indexed Note bears interest on its nominal amount as specified in Condition 4(b)(ii) and such interest will be payable (subject to Condition 6(e)) in arrear on either:

- (A) the Interest Payment Date(s) in each year; or
- (B) if no express Interest Payment Date(s) is/are specified in the applicable Pricing Supplement, each date (each an “Interest Payment Date”) which falls the number of months or other period specified as the Specified Period in the applicable Pricing Supplement after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

Such interest will be payable in respect of each Interest Period (which expression shall, in these Terms and Conditions, mean the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date.

If any Interest Payment Date (or other date) which is specified in the applicable Pricing Supplement to be subject to adjustment in accordance with a business day convention would otherwise fall on a day which is not a Business Day, then, subject to Condition 6(e), if the business day convention specified is:

- (1) in the case of (B) above, the Floating Rate Convention, such Interest Payment Date (or other date) shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event (A) such Interest Payment Date (or other date) shall be the immediately preceding Business Day and (B) each subsequent Interest Payment Date (or other date) shall be the last Business Day in the month which falls the Specified Period after the preceding applicable Interest Payment Date (or other date) occurred;
- (2) the Following Business Day Convention, such Interest Payment Date (or other date) shall be postponed to the next day which is a Business Day;
- (3) the Modified Following Business Day Convention, such Interest Payment Date (or other date) shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Payment Date (or other such date) shall be brought forward to the immediately preceding Business Day; or
- (4) the Preceding Business Day Convention, such Interest Payment Date (or other date) shall be brought forward to the immediately preceding Business Day.

If the payment in respect of an Interest Payment Date becomes subject to a business day convention, as set out above, there will be no adjustment to the calculation of interest payable in respect of the relevant Interest Payment Date, unless it is specified in the applicable Pricing Supplement that the amount of interest payable in such circumstances will be calculated by reference to the period ending on the Interest Payment Date, as

adjusted in accordance with the specified business day convention, in which case the Floating Day Count Fraction specified in the applicable Pricing Supplement will also be applied.

In this Condition 4(b), “Business Day” means a day which is:

- (A) either (1) in relation to Notes denominated in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealings in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency or (2) in relation to Notes denominated in euro, a day on which the TARGET system is open for the settlement of payments in euro (a “TARGET Business Day”). In these Terms and Conditions, “TARGET System” means the Trans-European Automated Real-Time Gross Settlement Express Transfer (known as TARGET2) system or any successor thereto; and
- (B) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealings in foreign exchange and foreign currency deposits) in any additional business centre specified in the applicable Pricing Supplement and if “TARGET” is specified as an additional business centre in the applicable Pricing Supplement, a TARGET Business Day.

(ii) *Rate of Interest*

The Rate of Interest payable from time to time in respect of Floating Rate Notes will be determined in the manner specified in the applicable Pricing Supplement. Interest (including any Rate of Interest, if applicable) in the case of Indexed Notes, will be determined in accordance with Condition 4(d).

(iii) *ISDA Determination*

Where ISDA Determination is specified in the applicable Pricing Supplement as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will be the relevant ISDA Rate plus or minus (as indicated in the applicable Pricing Supplement) the Margin (if any). For the purposes of this subparagraph (iii), “ISDA Rate” for an Interest Period means a rate equal to the Floating Rate that would be determined by the Agent or other person specified in the applicable Pricing Supplement under an interest rate swap transaction if the Agent or that other person were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the ISDA Definitions and under which:

- (A) the Floating Rate Option is as specified in the applicable Pricing Supplement;
- (B) the Designated Maturity is the period specified in the applicable Pricing Supplement; and
- (C) the relevant Reset Date is either (i) if the applicable Floating Rate Option is based on the London interbank offered rate (“LIBOR”) or on the Euro-zone inter-bank offered rate (“EURIBOR”) for a currency, the first day of that Interest Period or (ii) in any other case, as specified in the applicable Pricing Supplement.

For the purpose of this sub-paragraph (iii) “Floating Rate”, “Calculation Agent”, “Floating Rate Option”, “Designated Maturity” and “Reset Date” have the meanings given to those terms in the ISDA Definitions; and the definition of “Banking Day” in the ISDA Definitions shall be amended to insert after the words “are open for” in the second line the word “general”.

When this sub-paragraph (iii) applies, in respect of each relevant Interest Period the Agent will be deemed to have discharged its obligations under sub-paragraph (v) below in respect of the determination of the Rate of Interest if it has determined the Rate of Interest in respect of such Interest Period in the manner provided in this sub-paragraph (iii).

In these Terms and Conditions “Euro-zone” means the region comprised of member states of the European Union that adopt the single currency in accordance with the Treaty establishing the European Community, as amended by the Treaty on European Union, and shall include any other country that has not adopted the aforementioned single currency, as may be specified in the applicable Pricing Supplement.

In these Terms and Conditions, “ISDA Definitions” means the 2006 ISDA Definitions (as amended and/or supplemented as at the Issue Date of the Notes) published by the International Swaps and Derivatives Association, Inc., unless otherwise specified in the applicable Pricing Supplement.

(iv) *Screen Rate Determination*

The provisions set out below in this sub-paragraph (iv) will apply unless otherwise specified in the applicable Pricing Supplement.

Where so specified in the applicable Pricing Supplement, the Rate of Interest for each Interest Period will, subject as provided below, be either:

- (A) the offered quotation; or
- (B) the arithmetic mean (rounded if necessary to the fourth decimal place, with 0.00005 being rounded upwards) of the offered quotations (expressed as a percentage rate per annum),

for deposits in the Specified Currency for the Specified Period which appears or appear, as the case may be, on the Relevant Screen Page as at 11:00 a.m. (London time, in the case of LIBOR, or Brussels time in the case of EURIBOR) on the Interest Determination Date in question plus or minus (as indicated in the applicable Pricing Supplement) the Margin (if any), all as determined by the Agent (or such other entity specified in the applicable Pricing Supplement). If five or more such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest rate, one only of such rates) and the lowest (or, if there is more than one such lowest rate, one only of such rates) shall be disregarded by the Agent for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

If the Relevant Screen Page is not available or if, in the case of (A) above, no such offered quotation appears or, in the case of (B) above, fewer than three of such offered quotations appear as at such time specified above, the Agent (or such other entity specified in the applicable Pricing Supplement) shall request each of the Reference Banks (as defined below) to provide the Agent (or such other entity specified in the

applicable Pricing Supplement) with its offered quotation (expressed as a percentage rate per annum) for deposits in the Specified Currency for the Specified Period to prime banks in the London inter-bank market at approximately 11:00 a.m. (London time) if the Reference Rate is LIBOR, or to prime banks in the Euro-zone inter-bank market at approximately 11:00 a.m. (Brussels time) if the Reference Rate is EURIBOR on the Interest Determination Date. If two or more of the Reference Banks provide the Agent (or such other entity specified in the applicable Pricing Supplement) with such offered quotations, the Rate of Interest for the relevant Interest Period shall be the arithmetic mean (rounded if necessary to the fourth decimal place, with 0.00005 being rounded upwards) of such offered quotations plus or minus (as appropriate) the Margin (if any), all as determined by the Agent (or such other entity specified in the applicable Pricing Supplement).

If on any Interest Determination Date one only or none of the Reference Banks provides the Agent (or such other entity specified in the applicable Pricing Supplement) with such offered quotations as provided in the preceding paragraph, the Rate of Interest for the relevant Interest Period shall be the rate per annum which the Agent (or such other entity specified in the applicable Pricing Supplement) determines as being the arithmetic mean (rounded if necessary to the fourth decimal place, with 0.00005 being rounded upwards) of the rates, as communicated to (and at the request of) the Agent (or such other entity specified in the applicable Pricing Supplement) by the Reference Banks or any two or more of them, at which such banks were offered, as at 11:00 a.m. (London time if the Reference Rate is LIBOR, or Brussels time, if the Reference Rate is EURIBOR) on the relevant Interest Determination Date, deposits in the Specified Currency for the Specified Period by prime banks in, if the Reference Rate is LIBOR, the London inter-bank market or, if the Reference Rate is EURIBOR, the Euro-zone inter-bank market, as the case may be, plus or minus (as appropriate) the Margin (if any), or if fewer than two of the Reference Banks provide the Agent (or such other entity specified in the applicable Pricing Supplement) with such offered rates, the offered rate for deposits in the Specified Currency for the Specified Period, or the arithmetic mean (rounded as provided above) of the offered rates for deposits in the Specified Currency for the Specified Period, which, at approximately 11:00 a.m. (London time) if the Reference Rate is LIBOR, or, at approximately 11:00 a.m. (Brussels time) if the Reference Rate is EURIBOR, on the relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the Agent and the Issuer suitable for such purpose) informs the Agent (or such other entity specified in the applicable Pricing Supplement) it is quoting to prime banks in the London inter-bank market, if the Reference Rate is LIBOR, or, the Euro-zone inter-bank market, if the Reference Rate is EURIBOR, as the case may be, (or, as the case may be, the quotations of such bank or banks to the Agent (or such other entity specified in the applicable Pricing Supplement)) plus or minus (as appropriate) the Margin (if any), provided that, if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph, the Rate of Interest shall be established by the Agent (or such other entity specified in the applicable Pricing Supplement) in its sole and absolute discretion and acting in good faith, or as otherwise specified in the applicable Pricing Supplement.

(v) *Determination of Rate of Interest and calculation of Interest Amount*

The Agent will, on or as soon as practicable after each date on which the Rate of Interest is to be determined (the "Interest Determination Date"), determine the Rate of Interest (subject to any Minimum or Maximum Rate of Interest specified in the applicable

Pricing Supplement) and calculate the amount of interest (the “Interest Amount”) payable on the Floating Rate Notes for the relevant Interest Period. Each Interest Amount shall be calculated by applying the Rate of Interest to the Specified Denomination or, where a Calculation Amount is specified in the applicable Pricing Supplement, such Calculation Amount, multiplying such sum by the applicable Floating Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. In these Terms and Conditions, the following expressions have the following meanings:

“Floating Day Count Fraction” means:

- (A) if “Actual/Actual – ISDA” is specified in the applicable Pricing Supplement, the actual number of days in the Calculation Period divided by 365 (or, if any portion of that Calculation Period falls in a leap year, the sum of (1) the actual number of days in that portion of the Calculation Period falling in a leap year divided by 366 and (2) the actual number of days in that portion of the Calculation Period falling in a non-leap year divided by 365);
- (B) if “Actual/365 (Fixed)” is specified in the applicable Pricing Supplement, the actual number of days in the Calculation Period divided by 365;
- (C) if “Actual/360” is specified in the applicable Pricing Supplement, the actual number of days in the Calculation Period divided by 360;
- (D) if “30/360” is specified in the applicable Pricing Supplement, the number of days in the Calculation Period divided by 360 calculated on a formula basis as follows:

$$\text{Floating Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

“Y₁” is the year, expressed as a number, in which the first day of the Calculation Period falls;

“Y₂” is the year, expressed as a number, in which the day immediately following the last day included in the Calculation Period falls;

“M₁” is the calendar month, expressed as a number, in which the first day of the Calculation Period falls;

“M₂” is the calendar month, expressed as a number, in which the day immediately following the last day included in the Calculation Period falls;

“D₁” is the first calendar day, expressed as a number, of the Calculation Period, unless such number would be 31, in which case D₁ will be 30; and

“D₂” is the calendar day, expressed as a number, immediately following the last day included in the Calculation Period, unless such number would be 31 and D₁ is greater than 29, in which case D₂ will be 30;

- (E) if “30E/360” or “Eurobond Basis” is specified in the applicable Pricing Supplement, the number of days in the Calculation Period divided by 360 calculated on a formula basis as follows:

$$\text{Floating Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

“Y₁” is the year, expressed as a number, in which the first day of the Calculation Period falls;

“Y₂” is the year, expressed as a number, in which the day immediately following the last day included in the Calculation Period falls;

“M₁” is the calendar month, expressed as a number, in which the first day of the Calculation Period falls;

“M₂” is the calendar month, expressed as a number, in which the day immediately following the last day included in the Calculation Period falls;

“D₁” is the first calendar day, expressed as a number, of the Calculation Period, unless such number would be 31, in which case D₁ will be 30; and

“D₂” is the calendar day, expressed as a number, immediately following the last day included in the Calculation Period, unless such number would be 31, in which case D₂ will be 30;

- (F) if “30E/360 (ISDA)” is specified in the applicable Pricing Supplement, the number of days in the Calculation Period divided by 360, calculated on a formula basis as follows:

$$\text{Floating Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

“Y₁” is the year, expressed as a number, in which the first day of the Calculation Period falls;

“Y₂” is the year, expressed as a number, in which the day immediately following the last day included in the Calculation Period falls;

“M₁” is the calendar month, expressed as a number, in which the first day of the Calculation Period falls;

“M₂” is the calendar month, expressed as a number, in which the day immediately following the last day included in the Calculation Period falls;

“D₂” is the calendar day, expressed as a number, immediately following the last day included in the Calculation Period, unless (i) that day is the last day of February but not the Maturity Date or (ii) such number would be 31, in which case D₂ will be 30;

- (G) in relation to Indexed Notes only, if “Actual/Actual – ICMA” is specified in the applicable Pricing Supplement,

- if the Calculation Period is equal to or shorter than the Determination Period during which it falls, the number of days in the Calculation Period divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Periods normally ending in any year; and
- if the Calculation Period is longer than one Determination Period, the sum of:
 - (x) the number of days in such Calculation Period falling in the Determination Period in which it begins divided by the product of (1) the number of days in such Determination Period and (2) the number of Determination Periods normally ending in any year; and
 - (y) the number of days in such Calculation Period falling in the next Determination Period divided by the product of (1) the number of days in such Determination Period and (2) the number of Determination Periods normally ending in any year,

where:

“Determination Period” means the period from and including a Determination Date in any year to but excluding the next Determination Date; and

(vi) *Notification of Rate of Interest and Interest Amount*

The Agent will cause the Rate of Interest and each Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the Issuer, (in the case of Floating Rate Notes which are admitted to the official list of the UK Listing Authority (the “Official List”) and admitted to trading on the London Stock Exchange’s Regulated Market (the “Regulated Market”), the UK Listing Authority and, if applicable, to any other stock exchange on which the relevant Floating Rate Notes are for the time being listed, and to be published in accordance with Condition 13 as soon as possible after their determination but in no event later than the fourth Business Day (or, in relation to the Noteholders, such other period as may be specified in the applicable Pricing

Supplement) thereafter. Each Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notice in the event of an extension or shortening of the Interest Period.

(vii) *Certificates to be final*

All certificates, communications, determinations, calculations and decisions (the “determinations”) made for the purposes of the provisions of this Condition 4(b), by the Agent, or for the purposes of Condition 4(d) by, if applicable, the Calculation Agent and/or the Determination Agent, as the case may be, shall (in the absence of wilful default, bad faith or manifest error) be binding on the Issuer, the Agent, the Calculation Agent (if applicable), the Determination Agent (if applicable), the other Paying Agents and all Noteholders. In making such determinations, the Agent, the Calculation Agent and/or the Determination Agent, as the case may be, shall not assume any obligations towards or relationship of agency or trust for or with any of the Noteholders and accordingly, no liability to the Noteholders shall attach to, respectively, as the case may be, any one of the Agent, the Calculation Agent (if applicable), or the Determination Agent (if applicable), in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to Condition 4(b) or 4(d), as the case may be.

(viii) *Reference Banks*

In these Terms and Conditions, “Reference Banks” means:

- (A) if “Agent’s Selection” is specified in the applicable Pricing Supplement, in the case of a determination of LIBOR, the principal London office of five major international banks active in the London inter-bank market and, in the case of a determination of EURIBOR, the principal Euro-zone office of five major international banks active in the Euro-zone inter-bank market, in each case selected by the Agent; or
- (B) the banks specified or the banks to be selected by such method as may be specified in the applicable Pricing Supplement; or
- (C) if none of the above are specified in the applicable Pricing Supplement, those banks whose names appear on the Relevant Screen Page as at 11:00 a.m. (London time in the case of LIBOR or Brussels time in the case of EURIBOR) on the relevant Interest Determination Date or, if such page contains a single rate (without details of the relevant reference banks) which is itself the single arithmetic mean of the offered rates quoted by (in the case of LIBOR) the principal London offices of prime banks, or (in the case of EURIBOR) the principal Euro-zone offices of prime banks, such other page(s) on which the banks used to determine such average appear, provided that:
 - (1) if the Relevant Screen Page is then not available or fewer than three such names then appear, the Reference Banks shall be the banks whose names last appeared on such page(s) when no fewer than three such names appeared; and
 - (2) if the Relevant Screen Page is not then available but such page(s) when last available displayed only one London inter-bank offered rate (in the case of

LIBOR), or one Euro-zone inter-bank offered rate (in the case of EURIBOR), which was itself the arithmetic mean of the offered rates quoted by (in the case of LIBOR) the principal London offices of prime banks, or (in the case of EURIBOR) the principal Euro-zone offices of prime banks, the Reference Banks shall be the banks which were used to determine such arithmetic mean.

In the case of a determination of LIBOR, references to Reference Banks are to their principal London offices and in the case of a determination of EURIBOR, references to Reference Banks are to their principal Euro-zone offices.

If the Reference Rate from time to time in respect of Floating Rate Notes of a Series is specified in the applicable Pricing Supplement as being other than LIBOR or EURIBOR, the Rate of Interest in respect of such Series will be determined as provided in the applicable Pricing Supplement.

(c) *Zero Coupon Notes*

Where a Zero Coupon Note becomes due and repayable prior to the Maturity Date and is not paid when due, the amount due and repayable shall be the amount determined in accordance with Condition 5(d) as its Amortised Face Amount. As from the Maturity Date, any overdue principal of such Note shall bear interest at a rate per annum equal to the Accrual Yield specified in the applicable Pricing Supplement. Such interest shall continue to accrue (both before and after any judgment) until whichever is the earlier of (i) the day on which all sums due in respect of such Note up to that day are received by or on behalf of the holder of such Note and (ii) the day on which the Agent has notified the holder thereof (either in accordance with Condition 13 or individually) of receipt of all sums due in respect thereof up to that date. Such interest will be calculated on the basis of a 360 day year consisting of 12 months of 30 days each.

(d) *Interest on Indexed Notes*

In the case of Indexed Notes where the Rate of Interest and/or the Interest Amount, as the case may be, (whether on any Interest Payment Date, Fixed Interest Date, early redemption, maturity or otherwise) falls to be determined by reference to an index and/or a formula, the Rate of Interest and/or the Interest Amount, as the case may be, shall be determined in accordance with such index and/or formula in the manner specified in the applicable Pricing Supplement (the "Index" and/or the "Formula", respectively). The provisions set out in Condition 4(b)(i) will apply to Indexed Notes, and, if a Floating Day Count Fraction is specified in the applicable Pricing Supplement, the relevant provisions in relation thereto set out in Condition 4(b)(v) will also apply.

(e) *Interest on Partly Paid Notes*

In the case of Partly Paid Notes (other than Partly Paid Notes which are Zero Coupon Notes) interest will accrue as aforesaid on the paid-up nominal amount of such Notes and otherwise as specified in the applicable Pricing Supplement.

(f) *Interest Payments*

Interest will be paid subject to and in accordance with the provisions of Condition 6. Interest will cease to accrue on each Note (or, in the case of the redemption of part only of a Note, that

part only of such Note) on the due date for redemption thereof unless, upon due presentation thereof, payment or, as the case may be, delivery of principal is improperly withheld or refused, in which event interest will continue to accrue (both before and after any judgment) until whichever is the earlier of (i) the day on which all sums or, as the case may be, all assets deliverable due in respect of such Note up to that day are received by or on behalf of the holder of such Note and (ii) the day on which the Agent has notified the holder thereof (either in accordance with Condition 13 or individually) of receipt of all sums or, as the case may be, all assets deliverable due in respect thereof up to that date.

(g) *Interest on Dual Currency Notes*

In the case of Dual Currency Notes, if the rate or amount of interest falls to be determined by reference to an exchange rate, the rate or amount of interest payable shall be determined in the manner specified in the applicable Pricing Supplement.

5 Redemption and Purchase

(a) *At Maturity*

Unless previously redeemed or purchased and cancelled as provided below, the Notes will be redeemed by the Issuer by payment, subject to Condition 6(e), or, as the case may be, delivery of the Final Redemption Amount specified in, or determined in the manner specified in, the applicable Pricing Supplement in the Specified Currency (if applicable) on the Maturity Date specified in the applicable Pricing Supplement. If the Maturity Date specified in the applicable Pricing Supplement falls on a date which was initially a Fixed Interest Date or Interest Payment Date prior to adjustment in accordance with Condition 4(a)(iii) or 4(b)(i), the Maturity Date will be adjusted in accordance with the business day convention applicable to such adjusted Fixed Interest Date or Interest Payment Date, as the case may be.

In the case of Zero Coupon Notes, if the business day convention specified in the applicable Pricing Supplement is:

- (A) the Following Business Day Convention, payment of the Final Redemption Amount will be postponed to the next day which is a Business Day;
- (B) the Modified Following Business Day Convention, payment of the Final Redemption Amount shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event payment of the Final Redemption Amount shall be brought forward to the immediately preceding Business Day; or
- (C) the Preceding Business Day Convention, payment of the Final Redemption Amount shall be brought forward to the immediately preceding Business Day.

In this Condition 5(a), “Business Day” means a day which is:

- (1) either (x) in relation to Notes denominated in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealings in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency or (y) in relation to Notes denominated in euro, a day on which the TARGET System is open for the settlement of payments in euro (a “TARGET Business Day”). In these Terms and Conditions, “TARGET System” means the Trans-European Automated

Real-Time Gross Settlement Express Transfer (known as TARGET2) system or any successor thereto; and

- (2) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealings in foreign exchange and foreign currency deposits) in any additional business centre specified in the applicable Pricing Supplement and, if “TARGET” is specified as an additional business centre in the applicable Pricing Supplement, a TARGET Business Day.

(b) *Redemption at the option of the Issuer*

If the applicable Pricing Supplement specifies that the Notes of a Series are redeemable at the option of the Issuer, they may be so redeemed, on giving not less than 30 nor more than 45 days’ notice (or such other period as may be specified in the applicable Pricing Supplement) to the holders of Notes (which notice shall be irrevocable and shall specify the date fixed for redemption) in accordance with Condition 13, on the date or dates and at the relevant price(s) specified in the applicable Pricing Supplement. In the case of a partial redemption of such Notes, Notes to be redeemed (the “Redeemed Notes”) will be selected individually by lot in such place as the Agent may approve and in such manner as the Agent shall deem to be appropriate and fair, and in the case of Redeemed Notes represented by definitive Notes, to be done in accordance with the rules of Euroclear and Clearstream, Luxembourg (to be reflected in the records of Euroclear and Clearstream, Luxembourg as either a pool factor or a reduction in nominal amount, at their discretion), and in the case of Redeemed Notes represented by a Global Note, not more than 60 days prior to the date fixed for redemption and a list of such Notes called for redemption will be published in accordance with Condition 13 not less than 30 nor more than 45 days prior to such date.

(c) *Redemption at the option of the Noteholders*

If the applicable Pricing Supplement specifies that any Note is redeemable at the option of the holder of such Note it may be so redeemed by the holder giving to the Issuer in accordance with Condition 13 not less than 65 nor more than 80 days’ notice (which notice shall be irrevocable) and the Issuer will, upon the expiry of such notice redeem such Note on a date or dates and at the relevant price(s) as specified in the applicable Pricing Supplement.

(d) *Early Redemption Amounts*

For the purposes of paragraph (b) or (c) above and Condition 9, the Notes will be redeemed at an amount (the “Early Redemption Amount”) calculated as follows, together, if appropriate, with interest accrued to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and redeemable (the “Early Redemption Date”):

- (i) in the case of Notes with a Final Redemption Amount equal to the Issue Price, at the Final Redemption Amount thereof;
- (ii) in the case of Notes (other than Zero Coupon Notes) with a Final Redemption Amount which is or may be lesser or greater than the Issue Price or which is payable in a Specified Currency other than that in which the Notes are denominated, at the amount set out in, or determined in the manner set out in, the applicable Pricing Supplement or, if no such amount or manner is set out in the Pricing Supplement, at their nominal amount; or

(iii) in the case of Zero Coupon Notes, at an amount (the “Amortised Face Amount”) equal to the sum of:

- (A) the Reference Price specified in the applicable Pricing Supplement; and
- (B) the product of the Accrual Yield specified in the applicable Pricing Supplement (compounded annually) being applied to the Reference Price from (and including) the Issue Date of the first Tranche of the Notes to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and redeemable.

Where such calculation is to be made for a period of less than a full year or for a period which is not a whole number of years, (1) in the case of Fixed Rate Notes it shall be made on the basis of the Fixed Day Count Fraction specified in the applicable Pricing Supplement; (2) in the case of Floating Rate Notes it shall be made on the basis of the Floating Day Count Fraction specified in the applicable Pricing Supplement; (3) in the case of Zero Coupon Notes it shall be made on the basis of a 360 day year consisting of 12 months of 30 days each (unless otherwise specified in the applicable Pricing Supplement); and (4) in the case of any other Notes other than Fixed Rate Notes, Floating Rate Notes or Zero Coupon Notes, it shall be made on the basis of the relevant day count fraction as may be specified in the applicable Pricing Supplement.

(e) *Purchase*

The Issuer may at any time purchase or otherwise acquire Notes in the open market or otherwise. Notes purchased or otherwise acquired by the Issuer may be held or resold or, at the discretion of the Issuer, surrendered to the Agent for cancellation (together with (in the case of definitive Bearer Notes of this Series) any unmaturing Coupons or Receipts attached thereto or purchased therewith). If purchases are made by tender, tenders must be made available to all holders of Notes of this Series alike.

(f) *Cancellation*

All Notes redeemed shall be, and all Notes purchased or otherwise acquired as aforesaid may, at the option of the Issuer, be cancelled (together, in the case of definitive Bearer Notes, with all unmaturing Coupons and Receipts presented therewith) and thereafter may not be re-issued or re-sold.

(g) *Instalments*

Each Note in definitive form which is redeemable in instalments will be redeemed in the Instalment Amounts and on the Instalment Dates specified in the applicable Pricing Supplement. All instalments (other than the final instalment) will be redeemed against surrender of, in the case of a definitive Bearer Note, the relevant Receipt (which must be presented with the Note to which it appertains) and, in the case of a definitive Registered Note, the relevant Note and issue of a new Note in the nominal amount remaining outstanding, all as more fully described in Condition 6.

(h) *Late payment on Zero Coupon Notes*

If the amount payable in respect of any Zero Coupon Note upon redemption of such Zero Coupon Note pursuant to paragraph (b) or (c) above or upon its becoming due and repayable

as provided in Condition 9 is improperly withheld or refused, the amount due and repayable in respect of such Zero Coupon Note shall be the amount calculated as provided in paragraph (d)(iii) above as though the references therein to the date fixed for redemption or the date upon which the Zero Coupon Note becomes due and repayable were replaced by references to the date which is the earlier of:

- (i) the date on which all amounts due in respect of the Zero Coupon Note have been paid; and
- (ii) the date on which the full amount of the moneys payable has been received by the Agent and notice to that effect has been given to the Noteholders in accordance with Condition 13.

(i) ***Partly Paid Notes***

Partly Paid Notes will be redeemed, whether at maturity, early redemption or otherwise in accordance with the provisions of this Condition 5 as amended or varied by the information specified in the applicable Pricing Supplement.

6 Payments, Delivery, Coupons and Exchange of Talons

(a) ***Method of Payment***

Payments in respect of definitive Notes (other than Dual Currency Notes) denominated in a Specified Currency (other than euro) or, in the case of Dual Currency Notes, payable in a Specified Currency (other than euro) will (subject as provided below) be made by a cheque in the Specified Currency drawn on, or, at the option of the holder and upon 15 days' prior notice to the Agent, by transfer to an account (in the case of payment in Japanese yen to a non-resident of Japan, to a non-resident account) in the Specified Currency maintained by the payee with, a bank (in the case aforesaid, an authorised foreign exchange bank) in the principal financial centre of the country of the Specified Currency. Payments in euro will be made by credit or transfer to a euro account (or to any other account to which euro may be credited or transferred) specified by the payee with a bank in a city in which banks have access to the TARGET System.

(b) ***Presentation of definitive Notes, Receipts and Coupons***

Payments of principal in respect of definitive Registered Notes will be made to the registered holder (or to the first named of joint holders) against presentation and surrender of the Note at the specified office of any Paying Agent. Payments of interest on each definitive Registered Note will be made to the holder (or to the first named of joint holders) of the Registered Note appearing on the register at the close of business on the fifteenth day before the relevant due date (the "Record Date") at his address shown on the Register on the Record Date.

Payments of principal in respect of instalments will be made to the registered holder (or to the first named of joint holders) against surrender of the relevant definitive Registered Note and (other than in the case of the final instalment) the issue of a new Registered Note in the nominal amount remaining outstanding.

Payments of principal and interest (if any) in respect of the definitive Bearer Notes will (subject as provided below) be made against presentation or surrender of such Bearer Notes or Coupons, as the case may be, at any specified office of any Paying Agent located outside the United States (which expression, as used herein, means the United States of America (including

the States and the District of Columbia, its territories, its possessions and other areas subject to its jurisdiction)). Payments of principal in respect of instalments (if any), other than the last instalment, will (subject as provided below) be made against surrender of the relevant Receipt. Payment of the last instalment will be made against surrender of the relevant Bearer Note. Each Receipt must be presented for payment of such instalment together with the relevant definitive Bearer Note against which the amount will be payable in respect of that instalment. If any definitive Bearer Notes are redeemed or become repayable prior to the Maturity Date in respect thereof, principal will be payable on surrender of each such Note together with all unmaturing Receipts appertaining thereto. Unmatured Receipts and Receipts presented without the definitive Bearer Notes to which they appertain do not constitute obligations of the Issuer. All payments of interest and principal with respect to Bearer Notes will be made to accounts located outside the United States except as otherwise provided in the third succeeding paragraph.

(c) *Payments in respect of Global Notes*

Payments of principal and interest (if any) in respect of Notes represented by any Global Note will (subject as provided below) be made in the manner specified above and otherwise in the manner specified in the relevant Global Note against presentation or surrender, as the case may be, of such Global Note at the specified office of any Paying Agent.

All payments in respect of Notes represented by a Registered Global Note will be made to, or to the order of, the person whose name is entered on the Register at the close of business on the Clearing System Business Day immediately prior to the date for payment, where "Clearing System Business Day" means Monday to Friday inclusive except 25 December and 1 January.

The Paying Agent to which a Registered Global Note or a Global Note that is not in new global note ("NGN") form is presented shall make a record of each payment made on such Global Note, distinguishing between any payment of principal and any payment of interest, on such Global Note and such record shall be prima facie evidence that the payment in question has been made. The Issuer shall, in the case of a Global Note that is in NGN form, procure that details of each payment, distinguishing between any payment of principal and any payment of interest, on such Global Note be entered *pro rata* in the records of the relevant clearing system and each payment so made will discharge the Issuer's obligations in respect thereof and any failure to make the entries in the records of the relevant clearing system shall not affect such discharge.

The holder of the relevant Global Note shall be the only person entitled to receive payments in respect of Notes represented by such Global Note and the Issuer will be discharged by payment to, or to the order of, the holder of such Global Note in respect of each amount so paid. Each of the persons shown in the records of The Depository Trust Company or of Euroclear or of Clearstream, Luxembourg as the holder of a particular nominal amount of Notes must look solely to The Depository Trust Company and/or Euroclear and/or Clearstream, Luxembourg, as the case may be, for his share of each payment so made by the Issuer to, or to the order of, the holder of the relevant Global Note. No person other than the holder of the relevant Global Note shall have any claim against the Issuer in respect of any payments due on that Global Note.

(d) *General provisions applicable to payments*

Notwithstanding the foregoing, payments in respect of Bearer Notes denominated and payable in United States dollars will be made at the specified office of any Paying Agent in the United

States (a) if (1) the Issuer shall have appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment at such specified offices outside the United States of the full amount due on the Bearer Notes in the manner provided above when due, (2) payment of the full amount due at all such specified offices outside the United States is illegal or effectively precluded by exchange controls or other similar restrictions and (3) such payment is then permitted under United States law, and (b) at the option of the relevant holder if such payment is then permitted under United States law without involving, in the opinion of the Issuer, adverse tax consequences to the Issuer.

The names of the initial Agent and the other initial Paying Agents and their initial specified offices are set out below. The Issuer reserves the right at any time to vary or terminate the appointment of any Paying Agent and to appoint additional or other Paying Agents and/or to approve any change in the specified office of any Paying Agent, provided that it will, so long as any of the Notes is outstanding, maintain (i) an Agent, (ii) a Paying Agent (which may be the Agent) having a specified office in a leading financial centre in continental Europe, (iii) so long as any Notes are listed on the Singapore Exchange Securities Trading Limited (and that Exchange so requires), a Paying Agent (which may be the Agent) having a specified office in Singapore and (iv) such other agents as may be required by any other stock exchange on which the Notes may be listed. Any such variation, termination or change shall only take effect (other than in the case of insolvency, when it shall be of immediate effect) after not less than 30 days' prior notice thereof shall have been given to the Noteholders in accordance with Condition 13 below and provided further that neither the resignation nor removal of the Agent shall take effect, except in the case of insolvency as aforesaid, until a new Agent has been appointed. In addition, the Issuer shall forthwith appoint a Paying Agent having a specified office in New York City in the circumstances described in (d)(2) of this Condition 6.

Payments in respect of the Notes will be subject in all cases to any fiscal or other laws and regulations applicable thereto in the place of payment, but without prejudice to the provisions of Condition 7.

(e) *Payment Day*

If the due date for payment of any amount in respect of any Note, Receipt or Coupon is not a Payment Day, the holder thereof shall not be entitled to payment at the place of presentation of the amount due until the next following Payment Day and shall not be entitled to any interest or other sum in respect of any such delay. In this paragraph (e) "Payment Day" means:

- (i) in the case of definitive Notes and Receipts and Coupons relating thereto, any day on which commercial banks and foreign exchange markets are open for business in the relevant place of presentation;
- (ii) any day on which commercial banks and foreign exchange markets are open for business in any additional business centre specified in the applicable Pricing Supplement;
- (iii) in the case of any payment in respect of a registered global Note denominated in a Specified Currency other than United States dollars and registered in the name of DTC or its nominee and in respect of which an accountholder of DTC (with an interest in such registered global Note) has elected to receive any part of such payment in United States dollars, a day on which commercial banks and foreign exchange markets settle payments in New York City; and

- (iv) (A) (in the case of a payment in a currency other than euro) where payment is to be made by transfer to an account maintained with a bank in the Specified Currency, a day on which foreign exchange transactions may be carried on in the Specified Currency in the principal financial centre of the country of such Specified Currency; or
- (B) (in the case of settlement of payments in euro) a TARGET Business Day.

If the due date for redemption of any interest bearing Note in definitive form is not a due date for the payment of interest relating thereto, interest accrued in respect of such Note from (and including) the last preceding due date for the payment of interest (or from the Interest Commencement Date) will be paid against surrender of such Note.

(f) *Coupons and Exchange of Talons*

Fixed Rate Bearer Notes in definitive form should be presented for payment with all unmatured Coupons appertaining thereto (which expression shall include Coupons to be issued on exchange of Talons which will have matured on or before the relevant redemption date), failing which the full amount of any missing unmatured Coupon (or, in the case of payment not being made in full, that proportion of the full amount of such missing unmatured Coupon which the sum so paid bears to the total amount due) will be deducted from the sum due for payment. Any amount so deducted will be paid in the manner mentioned above against surrender of the relevant missing Coupon within a period of 10 years from the Relevant Date (as defined below) for the payment of such sum due for payment, whether or not such Coupon has become void pursuant to Condition 10 or, if later, five years from the due date for payment of such Coupon. Upon any Fixed Rate Bearer Note becoming due and repayable prior to its Maturity Date, all unmatured Talons (if any) appertaining thereto will become void and no further Coupons will be issued in respect thereof.

Upon the due date for redemption of any Floating Rate Note, Dual Currency Note or Indexed Note in definitive bearer form, all unmatured Coupons relating to such Note (whether or not attached) shall become void and no payment shall be made in respect of them.

On and after the Interest Payment Date on which the final Coupon comprised in any Coupon sheet matures, the Talon (if any) forming part of such Coupon sheet may be surrendered at the specified office of the Agent or any other Paying Agent in exchange for a further Coupon sheet including (if such further Coupon sheet does not include Coupons to, and including, the final date for the payment of interest due in respect of the Note to which it appertains) a further Talon, subject to the provisions of Condition 10. Each Talon shall, for the purposes of these Terms and Conditions, be deemed to mature on the interest payment date on which the final Coupon comprised in the relative Coupon sheet matures.

(g) *Method of Delivery for Notes to be Physically Settled*

Any Notes which provide for settlement by delivery of underlying assets will be settled in accordance with the provisions for such physical delivery set out in the applicable Pricing Supplement.

References to payment of principal in this Condition 6 will, where the context so permits, be deemed to include delivery of underlying assets in settlement of Notes which provide for physical settlement.

7 Taxation

All payments of principal and/or interest in respect of the Notes shall be made by the Issuer to the Paying Agent without withholding or deduction for or on account of tax.

8 Euro

Euro means the lawful currency of the member states of the European Union that adopt the single currency in accordance with the Treaty establishing the European Community, as amended from time to time.

9 Events of Default

(a) If any one or more of the following events (“Events of Default”) shall have occurred and be continuing:

- (i) the Issuer defaults for a period of 90 days in the payment of the principal of, or interest on, the Notes;
- (ii) the Issuer defaults in the performance of any other covenant or agreement contained in the Notes and any such default shall continue for a period of 90 days after written notice thereof shall have been given to the Issuer at the office of the Agent by any Noteholder; or
- (iii) the Issuer defaults in the payment of the principal of, or interest on, any bonds, notes or similar obligations which have been issued, assumed or guaranteed by the Issuer and such default shall continue for a period of 90 days,

the holder for the time being of any Note may give notice to the Issuer either directly or at the office of the Agent that such Note is redeemable upon the 30th day after such notice is received by the Issuer, whereupon such Note shall become so redeemable in accordance with paragraph (b) below, unless prior to such time all events of default provided for herein in respect of the Notes shall have been cured.

(b) If the Notes become so due and redeemable pursuant to this Condition 9, they shall be redeemable in accordance with the provisions of Condition 5(d).

10 Prescription

Claims for payment or delivery, as the case may be, of principal in respect of the Notes shall be prescribed upon the expiry of 10 years, and claims for payment or delivery, as the case may be, of interest (if any) in respect of the Notes shall be prescribed upon the expiry of 5 years, in each case from the Relevant Date (as defined below) thereof, subject to the provisions of Condition 6. There shall not be included in any Coupon sheet issued on exchange of a Talon any Coupon the claim for payment or delivery, as the case may be, in respect of which would be void pursuant to this Condition 10 or Condition 6 above.

For the purposes of these Conditions, “Relevant Date” means the date on which the payment or delivery, as the case may be, in respect of the Notes, Receipts or Coupons first becomes due and payable or deliverable, as the case may be, but, if the full amount of the moneys payable or the assets deliverable, as the case may be, on such date has not been received by the Agent on or prior to such date, the “Relevant Date” means the date on which, such moneys (or as the case may be, the

deliverable assets) having been received, notice to that effect shall have been given to the Noteholders in accordance with Condition 13.

11 Replacement of Notes, Coupons and Receipts

If any Note (including any Global Note), Receipt or Coupon is mutilated, defaced, stolen, destroyed or lost it may be replaced at the specified office of the Agent upon payment by the claimant of the costs incurred in connection therewith and on such terms as to evidence and indemnity as the Issuer may require. Mutilated or defaced Notes, Receipts or Coupons must be surrendered before replacements will be issued.

12 Meetings of Noteholders and Modification

The Agency Agreement contains provisions for convening meetings of Noteholders to consider matters affecting their interests, including modifications by Extraordinary Resolution of the terms and conditions of the Notes. The quorum for any meeting convened to consider a resolution proposed as an Extraordinary Resolution shall be one or more persons holding or representing a majority in nominal amount of the Notes for the time being outstanding, or at any adjourned such meeting one or more persons being or representing Noteholders whatever the nominal amount of the Notes for the time being outstanding so held or represented, except that at any meeting, the business of which includes, *inter alia*, (i) modification of the Maturity Date of the Notes or reduction or cancellation of the nominal amount payable or the assets deliverable upon maturity; (ii) reduction of the amount payable or modification of the payment date in respect of any interest in respect of the Notes or variation of the method of calculating the rate of interest in respect of the Notes; (iii) reduction of any Minimum Rate of Interest and/or Maximum Rate of Interest; (iv) modification of the currency in which payments under the Notes and/or the Coupons appertaining thereto are to be made; (v) modification of the majority required to pass an Extraordinary Resolution; or (vi) modification of the provisions of the Agency Agreement concerning this exception, the necessary quorum for passing an Extraordinary Resolution will be one or more persons holding or representing not less than three-quarters, or at any adjourned such meeting not less than a majority, of the nominal amount of the Notes for the time being outstanding. A resolution in writing signed by or on behalf of persons holding directly, or, in relation to Notes held in global form, by (i) in the case of a Global Note that is in NGN form, by or on behalf of the common safekeeper for Euroclear and Clearstream, Luxembourg; or (ii) in any other case, the relevant common depository or nominee of the applicable clearing system (in accordance with the rules and procedures of that applicable clearing system), holding, not less than 90 per cent. in principal amount of the Notes for the time being outstanding shall for all purposes be as valid and effective as an Extraordinary Resolution passed at a meeting of the Noteholders duly convened and held in accordance with the provisions contained in the Agency Agreement. Any such Resolution will be binding on all Noteholders (whether or not they are present at any meeting) and on all Receiptholders and Couponholders relating to the relevant Notes.

The Agent may agree, without the consent of the Noteholder, Receiptholder or Couponholder, to any modification to any of the provisions of the Agency Agreement or the Notes which is of a formal, minor or technical nature or is made to correct a manifest error. Any such modification shall be binding on all the Noteholders, Receiptholders or Couponholders and, if the Agent so requires, shall be notified to the Noteholders as soon as practicable thereafter in accordance with Condition 13.

13 Notices

- (a) All notices to the holders of Registered Notes will be valid if mailed to their registered addresses.

- (b) All notices regarding Bearer Notes will be valid if published (i) in one leading London daily newspaper (which is expected to be the *Financial Times*) and (ii) (in respect of any Notes listed on the Singapore Exchange Securities Trading Limited (so long as that Exchange so requires)), in an English language daily newspaper of general circulation in Singapore (which is expected to be *The Business Times*). Any notice published as aforesaid shall be deemed to have been given on the date of such publication or, if published more than once, on the date of the first such publication. Receiptholders and Couponholders will be deemed for all purposes to have notice of the contents of any notice given to the holders of the Notes of this Series in accordance with this Condition.
- (c) Until such time as any definitive Notes are issued, there may, so long as all the Global Note(s) for this Series is or are held in its or their entirety on behalf of The Depository Trust Company or Euroclear and Clearstream, Luxembourg (as the case may be), be substituted, in relation only to such Series, for such publication as aforesaid, the delivery of the relevant notice to The Depository Trust Company or to Euroclear and Clearstream, Luxembourg (as the case may be) for communication by them to the holders of the Notes. Any such notice shall be deemed to have been given to the Noteholders on the day (or such other period thereafter as may be specified in the applicable Pricing Supplement) on which the said notice was given to The Depository Trust Company or to Euroclear and Clearstream, Luxembourg (as the case may be).
- (d) Except as specified in Condition 9, notices to be given by any holder of any Notes shall be in writing and given by lodging the same, together with the relative Note or Notes, with the Agent. Whilst any Notes are represented by a Global Note, such notice may be given by a holder of any of the Notes so represented to the Agent via The Depository Trust Company and/or Euroclear and/or Clearstream, Luxembourg, as the case may be, in such manner as the Agent and The Depository Trust Company and/or Euroclear and/or Clearstream, Luxembourg may approve for this purpose.

14 Agents

In acting under the Agency Agreement, the Agent, the Registrar and the Paying Agents will act solely as agents of the Issuer and do not assume any obligations or relationships of agency or trust to or with the Noteholders, Receiptholders or Couponholders, except (without affecting the obligations of the Issuer to the Noteholders, Receiptholders and Couponholders, to redeem Notes and pay interest thereon) funds received by the Agent for the payment of the principal of or interest on the Notes shall be held by it in trust for the Noteholders and/or Receiptholders or Couponholders until the expiration of the relevant period of prescription under Condition 10. The Issuer will agree to perform and observe the obligations imposed upon it under the Agency Agreement. The Agency Agreement contains provisions for the indemnification of the Paying Agents and for relief from responsibility in certain circumstances, and entitles any of them to enter into business transactions with the Issuer and any of its subsidiaries without being liable to account to the Noteholders, Receiptholders or the Couponholders for any resulting profit. Any reference herein to the Agent or the Agents or to a calculation agent or determination agent shall include any successor thereto.

15 Further Issues

The Issuer may from time to time without the consent of the Noteholders or Couponholders create and issue further notes either having the same terms and conditions as the Notes in all respects (or in all respects except for the first payment of interest on them) and so that such further issue shall be consolidated and form a single series with the outstanding notes of any series (including the Notes) or upon such terms as the Issuer may determine at the time of their issue. References in these

Conditions to the Notes include (unless the context requires otherwise) any other notes issued pursuant to this Condition and forming a single series with the Notes.

16 Governing Law

The Notes, the Receipts, the Coupons and the Agency Agreement and any non-contractual obligations arising out of or in connection with them are governed by, and shall be construed in accordance with, the laws of England. The Issuer irrevocably agrees for the benefit of each of the Noteholders, the Receiptholders and the Couponholders that the Courts of England are to have jurisdiction to settle any disputes which may arise out of or in connection with the Notes, Receipts or Coupons.

17 Contracts (Rights of Third Parties) Act 1999

No person shall have any right to enforce any term or condition of the Notes under the Contracts (Rights of Third Parties) Act 1999.

USE OF PROCEEDS

The net proceeds to be received by the Issuer from the issue of Notes will be included in the ordinary capital resources of the Issuer and used in its ordinary operations. If the case is otherwise and there is a particular identified use of proceeds in respect of any issue of Notes, then such use of proceeds will be stated in the applicable Pricing Supplement.

ISSUE PROCEDURES

Unless otherwise specified in the applicable Pricing Supplement, each issue of Registered Notes will initially be represented by a registered Global Note which will either be (i) delivered to , and registered in the name of a nominee for, The Depository Trust Company or (ii) delivered to the Common Depository and registered in the name of Citivic Nominees Limited as nominee for the Common Depository, as specified in the applicable Pricing Supplement. Each issue of Bearer Notes will initially be represented by a temporary Global Note. If an issue of Bearer Notes is stated in the applicable Pricing Supplement as being issued in NGN form, then the applicable temporary Global Note will be delivered to the Common Safekeeper for Euroclear and Clearstream, Luxembourg on or prior to the original issue date for that issue of Bearer Notes. If an issue of Bearer Notes is issued in CGN form, the applicable temporary Global Note will be deposited with the Common Depository on the issue date for that issue of Bearer Notes. A temporary Global Note will be exchanged for a permanent Global Note or Notes in definitive form (as specified in the applicable Pricing Supplement) not earlier than 40 days after the relevant issue date upon certification of non-U.S. beneficial ownership. A registered Global Note will be exchangeable, in whole or in part, for definitive Registered Notes only in the following circumstances:

- (i) upon the occurrence of an Event of Default;
- (ii) if Euroclear or Clearstream, Luxembourg is closed for business for a continuous period of 14 days (other than by reason of holiday, statutory or otherwise) or has announced an intention permanently to cease business or has in fact done so and no alternative clearing system is available; or
- (iii) if the Depository Trust Company notifies the Issuer that it is no longer willing or able to discharge properly its responsibilities as depository with respect to the registered Global Note or ceases to be a “clearing agency” registered under the United States Securities Exchange Act of 1934, as amended, or is at any time no longer eligible to act as such, and the Issuer is unable to locate a qualified successor within 90 days of receiving notice of such ineligibility on the part of DTC and the Registrar has received a notice from Cede & Co. requesting an exchange of a specified amount of the registered Global Note for definitive Registered Notes.

If an issue of Bearer Notes is stated in the applicable Pricing Supplement as being issued in NGN form, then it may be intended to be eligible collateral for Eurosystem monetary policy. The delivery of the temporary Global Note to the Common Safekeeper does not necessarily mean that the applicable issue of Bearer Notes will be recognised as eligible collateral for Eurosystem monetary policy and intra-day credit operations by the Eurosystem either upon issue or at any or all times during their life.

If an interest payment date for any Bearer Notes occurs while such Notes are represented by a temporary Global Note, the related interest payment will be made (against presentation of the temporary Global Note if the temporary Global Note is not intended to be issued in NGN form) only to the extent that certification of non-U.S. beneficial ownership (in the form set out in the temporary Global Note) has been received by Euroclear and/or Clearstream, Luxembourg and a like certification (based on the certifications it has received) has been given by Euroclear and/or Clearstream, Luxembourg to the Issuer or the Agent. On or after the date (the “Exchange Date”) which is 40 days after the date on which the temporary Global Note is issued, provided that certification of non-U.S. beneficial ownership has been received, interests in the temporary Global Note will be exchangeable either for interests in a permanent Global Note or for definitive Bearer Notes (as indicated in the applicable Pricing Supplement). No payments of interest will be made on a temporary Global Note after the Exchange Date. Payments of principal or interest (if any) on a permanent Global Note will be made through Euroclear and Clearstream, Luxembourg (against presentation or surrender, as the case may be, of the permanent Global Note if the permanent Global Note is not intended to be issued in NGN form) without any requirement for further certification. A permanent Global Note will be exchangeable in whole, but not in part, for security-printed definitive Bearer Notes with, where applicable, Receipts, Coupons and/or Talons attached in the following circumstances:

- (1) an Event of Default has occurred and is continuing; or
- (2) the Issuer has been notified that either Euroclear or Clearstream, Luxembourg (or any other relevant clearing system) has been closed for business for a continuous period of 14 days (other than by reason of holiday, statutory or otherwise) or has announced an intention permanently to cease business or has in fact done so and no alternative clearing system is available.

If the temporary and permanent Global Note are in NGN form, then the Issuer shall procure that details of each payment of principal, interest (if any) or other amounts be entered *pro rata* in the records of the relevant clearing system and the nominal amount of the Notes recorded in the records of the relevant clearing system and represented by the temporary and permanent Global Note will be reduced accordingly. Each payment so made will discharge the Issuer's obligations in respect thereof. Any failure to make the entries in the records of the relevant clearing system shall not affect such discharge. The Issuer shall also procure that any exchange, payment, cancellation, exercise of any option or right under the Notes, as the case may be, shall be entered in the records of the relevant clearing systems and upon such entry being made, the nominal amount of the Notes represented by such temporary and permanent Global Note shall be adjusted accordingly.

Temporary and permanent Global Notes and definitive Notes will be issued by the Agent acting on behalf of the Issuer. At the date hereof, neither Euroclear nor Clearstream, Luxembourg regard Bearer Notes in global form as fungible with Bearer Notes in definitive form.

For a description of clearance and settlement of Global Notes, see "Clearance and Settlement of Global Notes in Book Entry Form" below.

The following legend will appear on all Global Notes in bearer form, definitive Bearer Notes, Coupons, Receipts and Talons: "Any United States person who holds this obligation will be subject to limitations under the United States income tax laws including the limitations provided in sections 165(j) and 1287(a) of the Internal Revenue Code".

Any Notes may be accelerated by the holder thereof in certain circumstances described in the Terms and Conditions of the Notes. In the case of an event of default, where such Notes are still represented by a Global Note and a holder with an interest in such Global Note credited to his securities account with The Depository Trust Company, Euroclear or Clearstream, Luxembourg gives notice that it wishes to accelerate such Notes, unless within a period of 15 days from the giving of such notice payment has been made in full in accordance with the terms of the Global Note, the Global Note will become void. At the same time, holders of interests in such Global Note with The Depository Trust Company, Euroclear or Clearstream, Luxembourg credited to their accounts will become entitled to proceed directly against the Issuer on the basis of statements of account provided by The Depository Trust Company, Euroclear and Clearstream, Luxembourg, under the terms of an amended and restated deed of covenant (the "Deed of Covenant") dated 11 August 2011 executed by the Issuer. The Pricing Supplement for each issue of Notes will contain information in respect of the Notes and will be substantially in the form set out below:

If the Terms and Conditions of a specific issue of Notes are such that they may be set out as final terms for the purposes of Article 5.4 of the Prospectus Directive, the relevant Pricing Supplement for such issue of Notes will constitute Final Terms for such purposes and should be read in conjunction with this Base Prospectus.

If the Terms and Conditions of a specific issue of Notes are such that they are required to be set out in the form of a securities note (the "Securities Note") for the purposes of Article 5.3 of the Prospectus Directive, the relevant Pricing Supplement shall be included in such Securities Note, which Securities Note shall be read together with the summary note relating to such Notes (the "Summary Note"), if applicable, and the registration document (the "Registration Document") relating to the Programme dated 11 August 2011 of the Issuer.

If only four quotations are so provided then [FXn] shall be the arithmetic mean of such quotations without regard to the highest and lowest quotations. If fewer than four quotations but at least two quotations are available [FXn] shall be the arithmetic mean of the quotations actually obtained by the [Calculation Agent/Determination Agent].

If only one quotation is available the [Calculation Agent/Determination Agent] will determine that such quotation shall be [FXn] and if no such quotation is available or if the [Calculation Agent/Determination Agent] determines in its sole discretion that no suitable reference bank who is prepared to quote is available, the [Calculation Agent/Determination Agent] will determine [FXn] in its sole discretion acting in good faith and in an impartial and commercially reasonable manner in accordance with its normal procedures for determining such exchange rate (or a comparable exchange rate) at such time.

The [Calculation Agent/Determination Agent] shall notify the [Agent/Calculation Agent] of its determination of [FXn] as soon as practicable after such determination (but in no event later than [8] Business Days prior to the relevant Interest Payment Date), whereupon the [Agent/Calculation Agent] shall promptly calculate the Interest Amount payable per Specified Denomination on the relevant Interest Payment Date and as soon as practicable thereafter (but in no event later than [●] Business Days prior to the relevant Interest Payment Date), notify the Issuer and the Noteholders thereof.”]

CLEARANCE AND SETTLEMENT OF GLOBAL NOTES IN BOOK ENTRY FORM

1 The Clearing Systems

(a) *Euroclear and Clearstream, Luxembourg*

Euroclear and Clearstream, Luxembourg each hold securities for participating organisations and facilitate the clearance and settlement of securities transactions between their respective participants through electronic book-entry changes in accounts of such participants. Euroclear and Clearstream, Luxembourg provide to their respective participants, among other things, services for safekeeping, administration, clearance and settlement of internationally-traded securities and securities lending and borrowing. Euroclear and Clearstream, Luxembourg participants are financial institutions throughout the world, including underwriters, securities brokers and dealers, banks, trust companies, clearing corporations and certain other organisations. Indirect access to Euroclear or Clearstream, Luxembourg is also available to others who clear through or maintain a custodial relationship with a Euroclear or Clearstream, Luxembourg participant, either directly or indirectly.

(b) *The Depository Trust Company*

The Depository Trust Company, New York (“DTC”) is a limited-purpose trust company organised under the banking laws of the State of New York, a “banking organization” within the meaning of New York Banking Law and a member of the Federal Reserve System. It is a “clearing corporation” within the meaning of the New York Uniform Commercial Code and a “clearing agency” registered pursuant to the provisions of Section 17A of the U.S. Securities Exchange Act of 1934. DTC holds securities for DTC participants and facilitates the clearance and settlement of transactions between DTC participants through electronic book-entry changes in accounts of DTC participants. DTC participants include securities brokers and dealers, banks, trust companies and clearing corporations and may include certain other organisations. Indirect access to DTC is also available to others who clear through or maintain a custodial relationship with a DTC participant, either directly or indirectly. The rules applicable to DTC and its participants are on file with the Commission.

Persons having a beneficial interest in Notes held in DTC’s book-entry settlement system must rely on the procedures of their own bank or broker to exercise any rights of such persons in relation to such Notes. In particular, the ability of such persons to pledge their interest in such Notes to persons or entities that do not participate in the DTC book-entry settlement system may be limited. Transfers of beneficial interest in the Notes are to be accomplished by entries made on the books of DTC participants and indirect DTC participants acting on behalf of persons having a beneficial interest in the Notes.

Payments of principal and interest (if any) in respect of Notes represented by a Registered Global Note held by Cede & Co. as nominee for DTC and denominated in a Specified Currency other than United States dollars will be made by DTC in United States dollars in the manner described below unless DTC is notified by any of the DTC participants that such participant elects to receive such payment of principal or interest in such Specified Currency. DTC will notify the Agent on or prior to the fifth New York City business day after the record date for payment of interest and the tenth New York City business day prior to the date for payment of principal of the portion of such payment to be received in the Specified Currency and the applicable wire transfer instructions and the Agent will use such instructions to pay the participants directly. If an issue of Notes is denominated in a Specified Currency other than United States dollars, the Issuer’s obligation under the Notes is to make payment of principal and interest (if any) in such Specified Currency. However the Issuer has arranged for such Specified Currency to be converted into United States dollars in accordance with an Exchange Rate

Agency Agreement between the Issuer and the Agent, as successor agent to the Morgan Guaranty Trust Company of New York, dated 31 July 1992 (the “Exchange Rate Agreement”). The Agent will enter into a contract on or prior to 11:00 a.m., New York City time, on the second New York City business day preceding the applicable payment date for the purchase of United States dollars with the Specified Amount of the non-United States dollar Specified Currency for settlement on such payment date. “Specified Amount” shall mean the aggregate amount of the Specified Currency payable to participants of DTC that have elected to receive United States dollars. If the payment date is not both a New York City business day and a business day in the Specified Currency, delivery of United States dollars will occur on the next succeeding New York City business day and business day in the Specified Currency. “New York City business day” and “business day in the Specified Currency” shall mean any day on which commercial banks and foreign exchange markets settle payments in New York City or in the Specified Currency, as the case may be. Copies of the Exchange Rate Agreement will be available for inspection at the specified office of the Agent.

2 Clearance and Settlement

(a) Registered Notes

Unless otherwise specified in the applicable Pricing Supplement, Registered Notes will either be (i) deposited with, or on behalf of, DTC and registered in the name of Cede & Co. as DTC’s nominee or (ii) deposited with the Common Depositary and registered in the name of Citivic Nominees Limited as nominee for the Common Depositary, as specified in the applicable Pricing Supplement. Such Notes will be represented by one or more Registered Global Note.

(i) Registered Global Notes deposited with or on behalf of DTC

Investors may hold their interests in the Registered Global Note directly through DTC, Euroclear or Clearstream, Luxembourg if they are participants in such systems, or indirectly through organisations which are participants in such systems. Euroclear and Clearstream, Luxembourg will hold Notes on behalf of their participants through customers’ securities accounts in their respective names on the books of DTC.

On original issuance of each series of Registered Notes, participants in DTC (“DTC Participants”) acting on behalf of purchasers electing to hold Notes through DTC will follow the settlement practices applicable to securities eligible for DTC’s Same-Day Funds Settlement (“SDFS”) system. DTC Participants’ securities accounts will be credited with Notes against payment in same day funds on the settlement date. Purchasers electing to hold Notes through Euroclear or Clearstream, Luxembourg accounts will follow the settlement procedures applicable to conventional euro-medium term notes. Notes will be credited to securities custody accounts of participants in Euroclear and Clearstream, Luxembourg (“Euroclear Participants” and “Clearstream Participants”, respectively) against payment on the settlement date in same-day funds.

Secondary market transfers between DTC Participants settled in United States dollars will be effected in the ordinary way and will be settled in same day funds in accordance with DTC rules and procedures applicable to securities eligible for SDFS system. Transfers between DTC Participants settled in currencies other than United States dollars will follow the delivery practices applicable to securities eligible for DTC’s SDFS system but payment will be made outside DTC.

Secondary market transfers between Euroclear Participants and Clearstream Participants will be effected in accordance with their respective rules and operating procedures.

Because there is no direct link between DTC, on the one hand, and Euroclear and Clearstream, on the other, transfers of interests in a Note within the various clearing systems will be made in accordance with the rules and operating procedures of the relevant clearing system applicable to the Specified Currency and the nature of the transfer.

For issues that are cleared and settled through both DTC and another clearing system, because of time zone differences, in some cases the securities account of an investor in one clearing system may be credited during the settlement processing day immediately following the settlement date of the other clearing system, and the cash account will be credited for value on the settlement date but may be available only as of the day immediately following such settlement date.

(ii) *Registered Global Notes deposited with the Common Depositary for Euroclear and Clearstream, Luxembourg*

Investors may hold their interests in the Registered Global Note directly through Euroclear or Clearstream, Luxembourg if they are participants in such systems, or indirectly through organisations which are participants in such systems. Transfers of interests in the Registered Global Note between participants in Euroclear and Clearstream, Luxembourg will be effected in accordance with their respective rules and operating procedures.

(b) *Bearer Notes*

Bearer Notes which will initially be represented by one or more temporary Global Notes which (i) in the case of NGNs, will be delivered to the Common Safekeeper for Euroclear and Clearstream, Luxembourg on or prior to the original issue date for that issue of Bearer Notes; or (ii) in the case of CGNs, will be deposited with, or on behalf of, the common depositary for Euroclear and Clearstream, Luxembourg on the issue date for that issue of Bearer Notes. Interests in such temporary Global Notes will be exchangeable for interests in a permanent Global Note upon certification of non-U.S. beneficial ownership. See "Issue Procedures".

Transfers of interests in Bearer Notes between participants in Euroclear and Clearstream, Luxembourg will be effected in accordance with their respective rules and operating procedures.

EUROPEAN BANK FOR RECONSTRUCTION AND DEVELOPMENT

Introduction

The Issuer is an international organisation formed under the Agreement Establishing the European Bank for Reconstruction and Development dated 29 May 1990 (the "Agreement") signed by 40 countries, together with the European Economic Community and the European Investment Bank. The Agreement came into force on 28 March 1991 and the Issuer commenced operations on 15 April 1991. The Issuer currently has 63 members. The Issuer's principal office is in London.

The Agreement

The Agreement is the Issuer's governing constitution. It sets forth the Issuer's purpose and functions, its capital structure and organisation, authorises the operations in which it may engage, prescribes limitations on the carrying-out of those operations and establishes the status, immunities, exemptions and privileges of the Issuer. The Agreement also contains provisions with respect to the admission, withdrawal and suspension of members, increases of the Issuer's authorised capital stock, the terms and conditions under which the Issuer may make or guarantee loans or make equity investments, the use of currencies held by it, amendments to and interpretations of the Agreement and the suspension and termination of the Issuer's operations.

Organisation and Management

The Issuer consists of a Board of Governors, a Board of Directors, a President, one or more Vice-Presidents and such other officers and staff as may, from time to time, be considered necessary.

All the powers of the Issuer are vested in the Board of Governors to which each member appoints a governor. The Board of Governors delegates most powers to the Board of Directors, which is responsible for the direction of the Issuer's general operations and policies. The Board of Governors retains full power to exercise authority over any matter it has delegated or assigned to the Board of Directors under the Agreement.

Purpose and Functions of the Issuer

The purpose of the Issuer is to foster the transition towards open market-oriented economies and to promote private and entrepreneurial initiatives in its countries of operations which are committed to and applying the principles of multi-party democracy, pluralism and market economics. The Issuer's "countries of operations" currently include the countries of Central and Eastern Europe and the former Soviet Union, the Republic of Turkey and Mongolia.

At its Annual Meeting in May 2011, the Issuer's Board of Governors tasked the Board of Directors to make recommendations on whether to amend the Agreement to provide for an extension of the Issuer's region of operations to the Southern and Eastern Mediterranean region, including Jordan, and what appropriate mechanisms there should be for according recipient country status within such an extended region. The Board of Directors finalised its recommendations on 27 July 2011 following which it submitted the recommendations to the Board of Governors, who will consider whether to adopt the recommendations and may refer certain proposals to the shareholders for agreement.

To fulfil its purpose on a long-term basis, the Issuer is to assist its countries of operations to implement structural and sectoral economic reforms, including de-monopolisation, decentralisation and privatisation, to help their economies become fully integrated into the international economy by measures:

- to promote, through private and other interested investors, the establishment, improvement and expansion of productive, competitive and private sector activity, in particular small and medium-sized enterprises;
- to mobilise domestic and foreign capital and experienced management to the end described above;
- to foster productive investment, including in the service and financial sectors and in related infrastructure, where that is necessary to support private and entrepreneurial initiative, thereby assisting in creating a competitive environment and raising productivity, the standard of living and conditions of labour;
- to provide technical assistance for the preparation, financing and implementation of relevant projects, whether individual or in the context of specific investment programmes;
- to stimulate and encourage the development of capital markets;
- to give support to sound and economically viable projects involving more than one recipient member country;
- to promote in the full range of its activities environmentally sound and sustainable development; and
- to undertake such other activities and provide such other services as may further these functions.

The Issuer's founders considered the successful transition of the countries of operations to market-oriented economies to be closely linked to parallel progress towards multi-party democracy, pluralism and the rule of law. Consequently, these political aspects of the Issuer's mandate are monitored and encouraged by the Issuer as part of the process of assisting the transition of the countries of operations to market economies. The Issuer assesses the economic and political progress made by the countries of operations as part of the regular review of its operations strategy for each country.

Sources of Funding

The Issuer has authorised share capital totalling €30 billion. As at 11 August 2011, the amount of subscribed share capital was €27.7 billion of which €6.2 billion is paid-in and €21.5 billion is callable.

These additional callable shares, if any, may be redeemed in whole or in part at no cost to the Issuer in 2016. The number of shares to be redeemed, if any, will be determined by a decision of the Issuer's Board of Governors at its Annual Meeting in May 2015 based on the financial accounts as at 31 December 2014, reasonable projections for the year 2015, and an assessment of the Bank's financial position and prevailing economic conditions. Such number of shares to be redeemed, if any, shall be equal to the "unutilised callable capital" as at 31 December 2015. "Unutilised callable capital" will be equal to the amount which is the lesser of (i) the total value of the Issuer's redeemable callable shares and (ii) $(87\% \text{ of } A) - B$, where A means the aggregate amount of the Issuer's unimpaired subscribed capital, reserves and surpluses as at 31 December 2015; and B means the aggregate amount of the Issuer's operating assets as at 31 December 2015. Any such redemption will be conditional upon the validation that there would be continued compliance with all the Issuer's statutory ratios once the redemption of callable capital has been effected, that no callable capital has been called to meet the Issuer's liabilities and that no decision to terminate the operations of the Issuer has been made. Any redemption would take place immediately following the Issuer's Annual Meeting in 2016.

The strength of the Issuer's capital and its operational and financial policies are reflected in the Issuer's credit rating of AAA from S&P, Aaa from Moody's and AAA from Fitch. The Issuer finances project lending and operational needs by borrowing funds on the international capital markets.

The Issuer does not directly utilise shareholders' capital to finance its loans. Instead, the Issuer's AAA/Aaa/AAA ratings enable it to borrow funds in the international markets by issuing bonds and other debt instruments at highly cost-effective market rates. By raising funds on competitive terms, the Issuer can structure loans which best match the requirements of its clients in its countries of operations. The Issuer manages its liabilities such that it does not incur significant foreign exchange nor interest rate risk in its funding operations. It interacts with major capital market participants on a daily basis in order to ascertain which market, currency or structure of debt can provide the Issuer with the most efficient cost of financing.

The Issuer's securities are sold to investors, such as central banks, pension funds, insurance companies and asset managers around the world.

Legal Status, Privileges and Immunities

The Agreement contains provisions which accord the Issuer legal status and certain immunities and privileges in the territories of each of its members. Certain of these provisions are summarised below.

The Issuer has full legal personality with capacity to contract, to acquire and dispose of immovable and movable property and to institute legal proceedings. Under the Headquarters Agreement between the United Kingdom and the Issuer, dated 15 April 1991, the Issuer, within the scope of its official activities, enjoys immunity from jurisdiction, subject to certain limited exceptions including civil actions arising out of its powers to borrow money, guarantee obligations and to buy or sell or underwrite securities. Outside the United Kingdom, actions may be brought against the Issuer only in a court of competent jurisdiction in the territory of a country in which it has an office, has appointed an agent for the purpose of accepting service or notice of process, or has issued or guaranteed securities. No action against the Issuer may be brought by its members or persons acting for or deriving claims from its members.

The property and assets of the Issuer are immune from all forms of seizure, attachment or execution before the delivery of final judgment against it. Such property and assets are also immune from search, requisition, confiscation, expropriation or any other form of taking or foreclosure by executive or legislative action. The archives of the Issuer are inviolable.

The Governors, Alternate Governors, Directors, Alternate Directors, officers and employees of the Issuer, including experts performing missions for it, are immune from legal process for acts performed by them in their official capacities, except when the Issuer waives such immunity.

Taxation

Within the scope of its official activities, the Issuer, its assets, property, and income are exempt from all direct taxes imposed by any member. An exemption from indirect taxes applies when purchases or services of substantial value necessary for the exercise of the official activities of the Issuer are made or used by the Issuer. The Issuer is also exempt from all import and export duties and taxes as well as from import and export prohibitions and restrictions with respect to goods necessary for the exercise of its official activities.

No tax of any kind is to be levied on any obligation or security issued by the Issuer, including any dividend or interest thereon, which discriminates against such obligation or security solely because it is issued by the Issuer, or if the sole jurisdictional basis for such taxation is the place or currency in which it is issued, made payable or paid, or the location of any office or place of business maintained by the Issuer.

Consistent with accepted international practice to accord certain immunities and privileges to international organisations, the Government of the United Kingdom has enacted legislation providing an exemption from the obligation to withhold tax from interest and certain other types of payments made by designated international organisations. The Issuer has been designated an international organisation to which this exemption is granted. Accordingly, payments of interest may be made by the Issuer or a paying agent without any withholding or deduction for or on account of United Kingdom income tax.

Board of Directors

Set forth below are the members of the Board of Directors of the Issuer, their Alternates, and the members which they represent.

SUBSCRIPTION AND SALE

The Dealers have in an amended and restated programme agreement (the “Programme Agreement”) dated 11 August 2011 agreed with the Issuer a basis upon which they or any of them may from time to time agree to purchase Notes. Any such agreement will extend to those matters stated under “Terms and Conditions of the Notes” and “Issue Procedures” above. In the Programme Agreement the Issuer has agreed to reimburse the Dealers for certain of their expenses in connection with the establishment of the Programme and the issue of Notes under the Programme.

The following is a description of the contractual and certain other restrictions applicable to the Programme:

United States

Under the provisions of Section 9(A) of the European Bank for Reconstruction and Development Act of the United States, the Notes are exempted securities within the meaning of Section 3(a)(2) of the Securities Act and Section 3(a)(12) of the U.S. Securities Exchange Act of 1934, as amended.

Bearer Notes are subject to U.S. tax law requirements. Subject to certain exceptions, Bearer Notes may not be offered, sold or delivered within the United States or its possessions or to U.S. persons. Each Dealer has agreed that it will not offer, sell or deliver a Bearer Note within the United States or its possessions or to U.S. persons except as permitted by the Programme Agreement.

Each issue of Indexed Notes and Dual Currency Notes may be subject to such additional U.S. selling restrictions which, if required, will be specified in the applicable Pricing Supplement. Each Dealer has agreed and each other Purchaser will be required to agree that it will offer, sell or deliver such Notes only in compliance with such additional U.S. selling restrictions.

United Kingdom

Each Dealer has represented and agreed and each other Purchaser will be required to represent and agree that it has complied and will comply with all applicable provisions of the FSMA with respect to anything done or to be done by it in relation to the Notes in, from or otherwise involving the United Kingdom.

European Economic Area (Public Offer Selling Restriction Under the Prospectus Directive)

In relation to each Member State of the European Economic Area which has implemented the Prospectus Directive (each, a “Relevant Member State”), each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that with effect from and including the date on which the Prospectus Directive is implemented in that Relevant Member State (the “Relevant Implementation Date”) it has not made and will not make an offer of Notes which are the subject of the offering contemplated by this Base Prospectus as completed by the final terms in relation thereto to the public in that Relevant Member State except that it may, with effect from and including the Relevant Implementation Date, make an offer of such Notes to the public in that Relevant Member State:

- (a) if the final terms in relation to the Notes specify that an offer of those Notes may be made other than pursuant to Article 3(2) of the Prospectus Directive in that Relevant Member State (a “Non-exempt Offer”), following the date of publication of a prospectus in relation to such Notes which has been approved by the competent authority in that Relevant Member State or, where appropriate, approved in another Relevant Member State and notified to the competent authority in that Relevant Member State, provided that any such prospectus has subsequently been completed by the final terms contemplating such Non-exempt Offer, in accordance with the Prospectus Directive, in the period

beginning and ending on the dates specified in such prospectus or final terms, as applicable and the Issuer has consented in writing to its use for the purpose of the Non-exempt Offer;

- (b) at any time to any legal entity which is a qualified investor as defined in the Prospectus Directive;
- (c) at any time to fewer than 100, or if the Relevant Member State has implemented the relevant provision of the 2010 PD Amending Directive, 150, natural or legal persons (other than qualified investors as defined in the Prospectus Directive), subject to obtaining the prior consent of the relevant Dealer or Dealers nominated by the Issuer for any such offer; or
- (d) at any time in any other circumstances falling within Article 3(2) of the Prospectus Directive,

provided that no such offer of Notes referred to in (b) to (d) above shall require the Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive.

For the purposes of this provision, the expression Prospectus Directive means Directive 2003/71/EC (and amendments thereto, including the 2010 PD Amending Directive, to the extent implemented in the Relevant Member State), and includes any relevant implementing measure in the Relevant Member State, the expression 2010 PD Amending Directive means Directive 2010/73/EU, and the expression an “offer of Notes to the public” in relation to any Notes in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the Notes to be offered so as to enable an investor to decide to purchase or subscribe the Notes, as the same may be varied in that Member State by any measure implementing the Prospectus Directive in that Member State.

In the case of Notes denominated in Japanese yen, each Dealer understands that the relevant Notes have not been, and will not be, registered under the Financial Instruments and Exchange Act of Japan (the “Financial Instruments and Exchange Act”). Accordingly, each of the Dealers has represented and agreed and each other Purchaser will be required to represent and agree that it has not, directly or indirectly, offered or sold and will not, directly or indirectly, offer or sell any Notes in Japan or to, or for the benefit of, any resident of Japan (which term as used herein means any person resident in Japan, including any corporation or other entity organised under the laws of Japan) or to others for re-offering or re-sale, directly or indirectly, in Japan or to, or for the benefit of, any resident of Japan except pursuant to an exemption from the registration requirements of, and otherwise in compliance with, the Financial Instruments and Exchange Act and other relevant laws and regulations of Japan.

Each Dealer has represented and agreed and each Purchaser will be required to represent and agree (i) that, it has not offered or sold and will not offer or sell, directly or indirectly, any Notes to the public in the Republic of France and (ii) that offers and sales of Notes will be made in the Republic of France only to (a) providers of investment services relating to portfolio management for the account of third parties (*personnes fournissant le service d'investissement de gestion de portefeuille pour compte de tiers*) and/or (b) qualified investors (*investisseurs qualifiés*), as defined in, and in accordance with, Articles L.411-1, L.411-2 and D.411-1 to D.411-3 of the French *Code monétaire et financier*.

In addition, each Dealer has represented and agreed and each Purchaser will be required to represent and agree that it has not distributed or caused to be distributed and will not distribute or cause to be distributed in the Republic of France this Base Prospectus or any other offering material relating to the Notes other than to investors to whom offers and sales of Notes in the Republic of France may be made as described above.

European Union Directive on the Taxation of Savings Income

Under EC Council Directive 2003/48/EC on the taxation of savings income, Member States are required to provide to the tax authorities of another Member State details of payments of interest (or similar income) paid by a person within its jurisdiction to, or received for, an individual or certain other persons resident in that other Member State. However, for a transitional period, Luxembourg and Austria may instead (unless during that period they elect otherwise) operate a withholding system in relation to such payments (the ending of such transitional period being dependent upon the conclusion of certain other agreements relating to information exchange with certain other countries). A number of non-EU countries and territories including Switzerland have agreed to adopt similar measures (a withholding system in the case of Switzerland). The European Commission has proposed certain amendments to Directive 2003/48/EC which may, if implemented, amend or broaden the scope of the requirements described above.

Holders of Notes who are individuals or certain other persons should note that no additional amounts would be payable by the Issuer in respect of any withholding tax imposed as a result of the requirements described above.

The Issuer accepts responsibility for the information contained in this Registration Document. To the best of the knowledge and belief of the Issuer (which has taken all reasonable care to ensure that such is the case), the information contained in this Registration Document is in accordance with the facts and does not omit anything likely to affect the importance of such information.

Notes issued pursuant to this Registration Document may, if so specified in the relevant Securities Note, be admitted to the Official List of the UK Listing Authority (the "Official List") and to trading on the Regulated Market (within the meaning of the Markets in Financial Instruments Directive (Directive 2004/39/EC of the European Parliament and of the Council on markets in financial instruments) (the "MiFID")) of the London Stock Exchange plc (the "Regulated Market"). References in the Prospectus to Notes being "listed" (and all related references) shall mean that such Notes have been admitted to trading on the Regulated Market and have been admitted to the Official List. The relevant Securities Note in respect of the issue of any Notes will specify whether or not such Notes will be admitted to the Official List and admitted to trading on the Regulated Market (or any other stock exchange). Application has also been made for permission to deal in, and for the quotation of, any Series of Notes which are agreed at the time of issue to be so listed on the Singapore Exchange Securities Trading Limited (the "SGX-ST").

The SGX-ST assumes no responsibility for the correctness of any of the statements made or opinions or reports contained in this Prospectus. Admission to the Official List or the SGX-ST is not to be taken as an indication of the merits of the Issuer or the Notes.

In respect of any Series of Notes, no person has been authorised to give any information or to make any representations other than those contained in the Prospectus for that Series and the documents incorporated by reference therein in connection with the issue or sale of Notes of that Series and, if given or made, such information or representation must not be relied upon as having been authorised by the Issuer or any of the Dealers (each a "Dealer" and together the "Dealers", which expression shall include any additional Dealer appointed under the Programme) appointed to act as such in respect of such Series. Neither the delivery of the Prospectus in respect of a Series or any document forming part of that Prospectus, nor any sale made in connection therewith, shall imply that the information contained therein concerning the Issuer is correct at any time subsequent to the date hereof or that any other information supplied in connection with the Prospectus for a Series is correct as of any time subsequent to the date indicated in the document concerning the same. The Dealers expressly do not undertake to review the financial condition or affairs of the Issuer during the life of the Series.

To the fullest extent permitted by law, none of the Dealers or the Arranger accept any responsibility for the contents of the Prospectus or for any other statement, made or purported to be made by the Arranger or a Dealer or on its behalf in connection with the Issuer or the issue and offering of the Notes. The Arranger and each Dealer accordingly disclaims all and any liability whether arising in tort or contract or otherwise (save as referred to above) which it might otherwise have in respect of the Prospectus or any other information provided by the Issuer in connection with the related Series of Notes.

Neither the Prospectus for a Series of Notes nor any other information supplied in connection with that Series of Notes is intended to provide the basis of any credit or other evaluation and should not be considered as a recommendation by the Issuer or any of the Dealers that any recipient of the Prospectus for such Series or any other information supplied in connection with such Series, should purchase any of the Notes of that Series. Each investor contemplating purchasing any such Notes should make its own independent investigation of the financial condition and affairs, and its own appraisal of the creditworthiness, of the Issuer and of the tax, accounting and legal consequences of an investment in such Notes for such investor. Each Noteholder takes full responsibility for its decision to purchase any Notes and the terms on which it does so.

The Prospectus for a Series of Notes does not constitute an offer of, or an invitation by or on behalf of, the Issuer or the Dealers to subscribe for, or purchase, any Notes of that Series. The distribution of the Prospectus for a Series of Notes and the offering or sale of Notes of such Series in certain jurisdictions may be restricted by law. Persons into whose possession the Prospectus comes are required by the Issuer and the Dealers to inform themselves about and to observe any such restrictions. In particular, there are restrictions on the distribution of the Prospectus and the offer or sale of Notes in the United States, the United Kingdom, the European Economic Area, Japan, the Republic of France, Singapore and

in other jurisdictions that may be applicable in connection with a particular issue of Notes, further details of which are set out in the "Subscription and Sale" section of the Base Prospectus which is incorporated by reference herein.

Each Series of Notes are not required to be registered under the U.S. Securities Act of 1933, as amended (the "Securities Act"). Accordingly, no registration statement has been filed with the U.S. Securities and Exchange Commission (the "Commission"). EACH SERIES OF NOTES HAS NOT BEEN AND WILL NOT BE APPROVED OR DISAPPROVED BY THE COMMISSION OR ANY STATE SECURITIES COMMISSION NOR HAS THE COMMISSION OR ANY STATE SECURITIES COMMISSION PASSED UPON THE ACCURACY OR ADEQUACY OF THE PROSPECTUS. ANY REPRESENTATION TO THE CONTRARY IS A CRIMINAL OFFENCE.

If any Series comprises Notes in bearer form ("Bearer Notes"), they are subject to U.S. tax law requirements. Subject to certain exceptions, Bearer Notes may not be offered, sold or delivered within the United States or its possessions or to, or for the account or benefit of, U.S. persons.

The information set forth herein, to the extent that it comprises a description of certain provisions of the documentation relating to the transactions described herein, is a summary and is not presented as a full statement of the provisions of such documentation. Such summary's purposes are qualified by reference to and are subject to the provisions of such documentation.

In this Registration Document, unless otherwise specified or the context otherwise requires, any references to "USD" are to United States dollars, references to "euro" or "€" are to euro, references to "JPY" are to Japanese yen and references to the "United Kingdom" are to the United Kingdom of Great Britain and Northern Ireland.
