Independent Auditor's Report

Board of Directors
Brandis Tallman LLC:

We have audited the accompanying statement of financial condition of Brandis Tallman LLC (the Company) as of December 31, 2010, and the related statements of income, changes in members' equity, and cash flows for the year then ended that you are filing pursuant to rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Brandis Tallman LLC as of December 31, 2010, and the results of its income and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in Schedules I, II, and III is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

Note 1: GENERAL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

General

Brandis Tallman LLC (the "Company") was organized in the State of California on February 26, 2002. The Company is a registered broker-dealer in securities under the Securities and Exchange Act of 1934, a member of the Financial Industry Regulatory Authority ("FINRA"), the Securities Investor Protection Corporation ("SIPC"), and the Municipal Securities Rulemaking Board ("MSRB").

The Company is a full service investment banking firm that provides bond underwriting and financial advisory services to public agencies. The Company offers financial analysis, planning and debt structuring for capital projects. Its trading and sales department distributes the municipal underwritings to a customer base that includes retail accounts, institution investors such as mutual funds, bank and insurance companies, money managers, and investment advisors. Commission income consists of security trades of buys and sells.

Under its membership agreement with FINRA and pursuant to Rule 15c3-3(k)(2)(ii), the Company conducts business on a fully disclosed basis and does not execute or clear securities transactions for customers. Accordingly, the Company is exempt from the requirement of Rule 15c3-3 under the Securities Exchange Act of 1934 pertaining to the possession or control of customer assets and reserve requirements.

Summary of Significant Accounting Policies

The presentation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Commission income and expenses are recorded on trade date basis. Underwriting income is recorded at the time the underwriting is completed and the income is reasonably determined. Referral income is recorded when earned.

Note 1: GENERAL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(Continued)

Advertising costs are expensed as incurred. For the year ended December 31, 2010, the Company charged \$131, to other operating expenses for advertising costs.

The Company has fully depreciated property and equipment of \$68,631. Property and equipment, have been depreciated over the estimated useful lives of the related assets. Repairs and maintenance to these assets are charged to expense as incurred; major improvements enhancing the function and/or useful life are capitalized. When items are sold or retired, the related cost and accumulated depreciation are removed from the accounts and any gains or losses arising from such transactions are recognized.

Underwriting receivables are stated at face value with no allowance for doubtful accounts. An allowance for doubtful accounts is not considered necessary because probable uncollectible accounts are immaterial.

The Company, with the consent of its Members, has elected to be a California Limited Liability Company. For tax purposes the Company is treated like a partnership, therefore in lieu of business income taxes, the Members are taxed on the Company's taxable income. Accordingly, no provision or liability for Federal Income Taxes is included in these financial statements.

The State of California has similar treatment, although there exists a provision for a minimum Franchise Tax of \$800 and the gross receipts fee.

The Company has evaluated events subsequent to the balance sheet date for items requiring recording or disclosure in the financial statements. The evaluation was performed through January 31, 2011, which is the date the financial statements were available to be issued. Based upon this review, the Company has determined that there were no events which took place that would have a material impact on its financial statements.

Note 2: DEPOSIT WITH CLEARING ORGANIZATION

The Company has a brokerage agreement with Wedbush Securities Inc. ("Clearing Broker") to carry its account and the accounts of its clients as customers of the Clearing Broker. This Clearing Broker has custody of the Company's cash balances which serve as collateral for any amounts due to the Clearing Broker as well as collateral for securities sold short or securities purchased on margin. Interest is paid monthly on these cash deposits at the average overnight repurchase rate. The balance at December 31, 2010 was \$121,746.

December 31, 2010

Note 3: INCOME TAXES

As mentioned in Note 1, the Company has elected to be a California Limited Liability Company. The Company is subject to a limited liability company gross receipts tax, with a minimum franchise tax. As of December 31, 2010, the income tax provisions consist of the following:

Franchise tax	\$ 800
Gross receipts tax	<u>2,500</u>
Total income tax provision	<u><u>\$ 3,300</u></u>

Note 4: CONCENTRATIONS OF CREDIT RISK

The Company is engaged in various trading and brokerage activities in which counter-parties primarily include broker-dealers, banks, and other financial institutions. In the event counter-parties do not fulfill their obligations, the Company may be exposed to risk. The risk of default depends on the creditworthiness of the counter-party or issuer of the instrument. It is the Company's policy to review, as necessary, the credit standing of each counter-party.

Note 5: COMMITMENTS AND CONTINGENCIES

Commitments

On January 23, 2008 the Company entered into a lease agreement for office space. The lease contains provisions for rent escalation based on increases in certain costs incurred by the lessor.

At December 31, 2010, the minimum annual payments are as follows:

<u>Year Ending December 31,</u>	
2011	\$ 34,758
2012	36,149
2013	9,125
2014 & thereafter	<u>-</u>
	<u><u>\$ 80,032</u></u>

Current year rent expense consists of \$35,605 in occupancy expense.

Note 6: RECENTLY ISSUED ACCOUNTING STANDARDS

The Financial Accounting Standards Board (the “FASB”) issued a new professional standard in June of 2009 which resulted in a major restructuring of U.S. accounting and reporting standards. The new professional standard, issued as ASC 105 (“ASC 105”), establishes the Accounting Standards Codification (“Codification or ASC”) as the source of authoritative accounting principles (“GAAP”) recognized by the FASB. The principles embodied in the Codification are to be applied by nongovernmental entities in the preparation of financial statements in accordance with generally accepted accounting principles in the United States. Rules and interpretive releases of the Securities and Exchange Commission (“SEC”) issued under authority of federal securities laws are also sources of GAAP for SEC registrants. Existing GAAP was not intended to be changed as a result of the Codification, and accordingly the change did not impact the financial statements of the Company.

For the year ending December 31, 2010, various Accounting Standard Updates (“ASU”) issued by the FASB were either newly issued or had effective implementation dates that would require their provisions to be reflected in the financial statements for the year then ended. The Company has reviewed the following ASU releases to determine relevance to the Company’s operations:

<u>ASU No.</u>	<u>Title</u>	<u>Effective Date</u>
2009-01	The FASB Accounting Standards Codification and the Hierarchy of Generally Accepted Accounting Principles (ASC 105) - a Replacement of FASB Statement No. 162	After September 15, 2009
2010-06	Fair Value Measurements and Disclosures (ASC 820): Improving Disclosures about Fair Value Measurements	After December 15, 2009
2010-09	Subsequent Events (ASC 855): Amendments to Certain Recognition and Disclosure Requirements	After February 24, 2010
2009-16	Accounting for Transfers of Financial Assets (ASC 860) - an Interpretation of FASB Statement No. 140	After November 15, 2009
2009-17	Consolidations (ASC 810) - Improvements to Financial Reporting by Enterprises with Variable Interest Entities	After November 15, 2009

Note 6: RECENTLY ISSUED ACCOUNTING STANDARDS
(Continued)

The Company has either evaluated or is currently evaluating the implications, if any, of each of these pronouncements and the possible impact they may have on the Company's financial statements. In most cases, management has determined that the pronouncement has either limited or no application to the Company and, in all cases, implementation would not have a material impact on the financial statements taken as a whole.

Note 7: NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. Rule 15c3-1 also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. Net capital and aggregate indebtedness change day to day, but on December 31, 2010, the Company had net capital of \$144,615 which was \$44,615 in excess of its required net capital of \$100,000; and the Company's ratio of aggregate indebtedness (\$2,900) to net capital was 0.02 to 1, which is less than the 15 to 1 maximum allowed.

Note 8: RECONCILIATION OF AUDITED NET CAPITAL TO UNAUDITED FOCUS

There is a difference of \$2,500 between the computation of net capital under net capital SEC. Rule 15c3-1 and the corresponding unaudited FOCUS part IIA.

Net capital per unaudited schedule	\$ 142,115

Brandis Tallman LLC
Supplementary Accountant's Report
on Internal Accounting Control
Report Pursuant to 17a-5
For the Year Ended December 31, 2010

BREARD & ASSOCIATES, INC.
CERTIFIED PUBLIC ACCOUNTANTS

Board of Directors

Brandis Tallman LLC:

In planning and performing our audit of the financial statements of Brandis Tallman LLC (the Company), as of and for the year ended December 31, 2010, in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making the quarterly securities examinations, counts, verifications and comparisons, and the recordation of differences required by rule 17a-13
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgements by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A *control deficiency* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A *significant deficiency* is a control deficiency, or combination of control deficiencies, that adversely affects the entity's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the entity's financial statements that is more than inconsequential will not be prevented or detected by the entity's internal control.

A *material weakness* is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the entity's internal control.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at December 31, 2010, to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, Financial Industry Regulatory Authority, and other regulatory agencies that rely on rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

Board of Directors
Brandis Tallman, LLC

Pursuant to Rule 17a-5 (e) (4) of the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Schedule of Securities Investor Protection Corporation Assessments and Payments (Form SIPC- 7) of Brandis Tallman, LLC ("the Company") for the period from January 1, 2010 to December 31, 2010. Our procedures were performed solely to assist the Company in complying with Rule 17a-5 (e) (4), and our report is not to be used for any other purpose. The procedures we performed are as follows:

1. Compared listed assessment payments with respective cash disbursements records entries;
2. Compared amounts reported on the unaudited Form X-17A-5 for the quarter ended December 31, 2010, with the amounts reported in General Assessment Reconciliation (Form SIPC-7);
3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers;
4. Proved the arithmetical accuracy of the calculations in the Form SIPC-7 and in the related schedules and working papers supporting adjustments; and
5. Compared the amount of any overpayment applied with the Form SIPC-7 on which it was computed.

Because the above procedures do not constitute an examination made in accordance with generally accepted auditing standards, we do not express an opinion on the schedule referred to above.

In connection with the procedures referred to above, nothing came to our attention that caused us to believe that the amounts shown on the Form SIPC-7 were not determined in accordance with applicable instructions and forms. This report relates only to schedules referred to above and does not extend to any financial statements of Brandis Tallman, LLC taken as a whole.
