INDEPENDENT AUDITORS' REPORT

To the Board of Directors
PWA Securities, Inc.
Pittsburgh, Pennsylvania

We have audited the accompanying statement of financial condition of **PWA Securities, Inc.** (the "Company") as of December 31, 2010, and the related statements of operations, changes in subordinated borrowings, changes in stockholders' equity, and cash flows for the year then ended that you are filing pursuant to Rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with U.S. generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statements presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of **PWA Securities, Inc.** at December 31, 2010, and the results of its operations and its cash flows for the year then ended, in conformity with U.S. generally accepted accounting principles.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in the supplementary schedules on pages 10 through 12 is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

PWA SECURITIES, INC.
NOTES TO FINANCIAL STATEMENTS

1 - ORGANIZATION

PWA Securities, Inc. was incorporated in April 2007, and was organized under the laws of the Commonwealth of Pennsylvania. The Company operates as a securities broker-dealer, registered with the Financial Industry Regulatory Authority ("FINRA") and is also a federally registered investment advisor.

The Company is headquartered in Pittsburgh, Pennsylvania and maintains branch offices in Greensburg, Pennsylvania and Reston, Virginia. The Company executes principal and agency securities transactions and manages investment portfolios.

2 - SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting

The financial statements of PWA Securities, Inc. are presented on the accrual basis of accounting and are prepared in conformity with U.S. generally accepted accounting principles.

Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that may affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reported period. Actual results could differ from those estimates.

Securities Transactions

The Company clears securities transactions through Pershing LLC, a member of the New York Stock Exchange, Inc. and NASDAQ, on a fully disclosed basis. The Company does not carry securities accounts for customers or perform custodial functions relating to customer securities. As such, the Company operates under the (k)(2)(ii) exemptive provisions of the Securities and Exchange Commission ("SEC") Rule 15c3-3.

Securities transactions, together with related commission revenues and expenses, are recorded on a settlement date basis, generally the third business day following the trade date.

Cash and Cash Equivalents

The Company maintains balances on deposit with financial institutions and its clearing organization. Those organizations are located in Pennsylvania (financial institutions) and New Jersey (clearing organization). The accounts maintained at financial institutions are insured by the Federal Deposit Insurance Corporation ("FDIC"). The cash accounts maintained at the clearing organization are insured by the Securities Investor Protection Corporation ("SIPC"). At certain times during the year, the Company's cash balances may exceed the insured limits. The Company has not experienced any losses associated with those accounts.

For purposes of the statement of cash flows, the Company includes amounts on deposit with banks and amounts invested in money market instruments with other financial institutions as cash and cash equivalents.

PWA SECURITIES, INC.
NOTES TO FINANCIAL STATEMENTS
(CONTINUED)

2 - SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investments Owned

Investments owned are held in accounts with the Company's clearing organization and consist of mutual funds. The investments at the clearing organizations are insured by the SIPC up to \$500,000.

Investments are carried at market value. Investments in securities traded on a national securities exchange or listed on NASDAQ are valued at the last reported sales price on the primary securities exchange on which securities have traded on the last business day of the year. The resulting difference between cost and market is included in income.

Income Taxes

The Company has elected S corporation status for federal and state income tax purposes. Earnings and losses are included in the personal income tax returns of the stockholders and taxed depending on their personal tax strategies. Accordingly, the Company's financial statements do not include a provision for income taxes.

The Company follows the guidance of the Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic, *Income Taxes*. No amounts have been recognized within the financial statements for taxes, interest, or penalties relating to uncertain tax positions. In addition, the Company does not anticipate any changes to their tax positions within the next twelve months. In general, the prior three years' tax returns filed with various taxing agencies are open to examination.

Subsequent Events Evaluation

The accompanying financial statements include an evaluation of events or transactions that have occurred after December 31, 2010 and through February 9, 2011, the date the financial statements were issued.

3 - FAIR VALUE MEASUREMENTS

FASB ASC Topic, *Fair Value Measurements* defines fair value, establishes a framework for measuring fair value, and establishes a fair value hierarchy which prioritizes the inputs to valuation techniques. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value measurement assumes that the transaction to sell the asset or transfer the liability occurs in the principal market for the asset or liability or, in the absence of a principal market, the most advantageous market. Valuation techniques that are consistent with the market, income or cost approach, as specified by the FASB ASC Topic, are used to measure fair value.

The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value into three broad levels:

Level 1: Valuations based on unadjusted quoted prices available in active markets for identical assets or liabilities. Since valuations are based on quoted prices that are readily and regularly available in an active market, valuation of these securities does not entail a significant degree of judgment.

PWA SECURITIES, INC.
NOTES TO FINANCIAL STATEMENTS
(CONTINUED)

3 - FAIR VALUE MEASUREMENTS (CONTINUED)

Level 2: Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, either directly or indirectly.

Level 3: Valuations based on inputs that are unobservable and significant to the overall fair value measurement.

Exchange-traded funds are valued at closing price reported on the active market on which the funds are traded.

There have been no changes in the methodologies used December 31, 2010.

The following table summarizes the valuation of the assets by the fair value hierarchy as described above as of December 31:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Exchange-traded Funds	<u>\$ 164,178</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 164,178</u>

4 - RECEIVABLE FROM CLEARING ORGANIZATION

The Company clears its transactions on a fully disclosed basis through Pershing LLC. The amounts receivable from the clearing organization relate to amounts due from that organization. The receivable from the clearing organization at December 31, 2010 consists of the Company's required deposit in the amount of \$50,000.

5 - RELATED PARTY TRANSACTIONS

The Company has entered into a month-to-month agreement with an affiliated entity (related through common ownership) through which the Company obtains various administrative and management services. The agreement requires the Company to make monthly payments of approximately \$14,000 for the administrative services. During 2010, the Company paid approximately \$168,200 for the administrative services. The cost for these services is reflected within several expense captions in the accompanying statement of operations.

Substantially all of the Company's brokerage revenue is generated from the affiliated entity.

6 - NET CAPITAL REQUIREMENTS

The Company, as a registered broker-dealer in securities, is subject to the net capital rule adopted by the Securities and Exchange Commission and administered by the Financial Industry Regulatory Authority. This rule requires that the Company's "aggregate indebtedness," as defined, not exceed fifteen times its "net capital," as defined. The Financial Industry Regulatory Authority may require a broker-dealer to reduce its business activity if the capital ratio should exceed 12 to 1 and may prohibit a broker-dealer from expanding business if the ratio exceeds 10 to 1. At December 31, 2010, the Company's net capital under the uniform net capital rule was approximately \$278,500, which exceeded the minimum capital requirements by approximately \$228,500. The Company's ratio of aggregate indebtedness to net capital at December 31, 2010, was .05 to 1.

PWA SECURITIES, INC.

PWA SECURITIES, INC.
STATEMENT OF EXEMPTION FROM RESERVE REQUIREMENTS COMPUTATION
UNDER SEC RULE 15c3-3
DECEMBER 31, 2010

PWA Securities, Inc. claims exemption based on Regulation 240.15c3-3 under (k)(2)(ii). As an introducing broker or dealer who clears all transactions with and for customers on a fully disclosed basis with a clearing broker (Pershing: SEC#8-17574) or other distributors. PWA Securities, Inc. promptly transmits all customer funds and securities to the clearing broker or other distributors, who carry all of the accounts of such customers and maintain and preserve such books and records pertaining thereto pursuant to the requirements of Rule 17a-3 and 17a-4, as are customarily made and kept by a clearing broker or other distributors.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL REQUIRED BY SEC RULE 17a-5(g)(1) FOR A BROKER-DEALER CLAIMING AN EXEMPTION FROM SEC RULE 15c3-3

To the Board of Directors
PWA Securities, Inc.
Pittsburgh, Pennsylvania

In planning and performing our audit of the financial statements and supplementary schedules of **PWA Securities, Inc.** (the "Company"), as of and for the year ended December 31, 2010, in accordance with U.S. generally accepted auditing standards, we considered the Company's internal control over financial reporting (internal control) as a basis for designing our audit procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by rule 17a-5(g)(1) of the Securities and Exchange Commission ("SEC"), we have made a study of the practices and procedures followed by the Company including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by rule 17a-13.
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System.

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable, but not absolute, assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with U.S. generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that effectiveness of their design and operation may deteriorate.

A *control deficiency* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Company's financial statements will not be prevented or detected and corrected on a timely basis.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in a material respect indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at December 31, 2010, to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, stockholders, management, counterparties, the SEC, and other regulatory agencies that rely on rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers-dealers, and is not intended to be and should not be used by anyone other than these specified parties.

**INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES
RELATED TO AN ENTITY'S SIPC ASSESSMENT RECONCILIATION**

To the Board of Directors
PWA Securities, Inc.
Pittsburgh, Pennsylvania

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying schedule of assessment and payments [General Assessment Reconciliation (Form SIPC-7)] to the Securities Investor Protection Corporation ("SIPC") for the year ended December 31, 2010, which were agreed to by **PWA Securities, Inc.** (the "Company") and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc. ("FINRA"), SIPC, solely to assist you and the other specified parties in evaluating the Company's compliance with the applicable instructions of the General Assessment Reconciliation (Form SIPC-7). The Company's management is responsible for the Company's compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement records (vendor disbursement records) entries noting no differences;
2. Compared the amounts reported on the audited Form X-17a-5 for the year ended December 31, 2010, as applicable, with the amounts reported in Form SIPC-7 for the year ended December 31, 2010, noting no differences;
3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers (SIPC assessment analysis, 2010 interim financial statements, and Company general ledger account analyses) noting no differences; and
4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers (SIPC assessment analysis, 2010 interim financial statements, and Company general ledger account analyses) supporting the adjustments noting no differences.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
