INDEPENDENT AUDITORS' REPORT

The Board of Directors
First South Carolina Securities, Inc.
Columbia, South Carolina

We have audited the accompanying statement of financial condition of First South Carolina Securities, Inc. (the "Company") as of December 31, 2010, and the related statements of operations, stockholders' equity, and cash flows for the year then ended that you are filing pursuant to Rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of First South Carolina Securities, Inc. as of December 31, 2010, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in Schedules 1, 2, and 3 is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by Rule 17a-5 under the Securities Exchange Act of 1934. These schedules are the responsibility of the Company's management. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

Supplemental disclosure:

Cash paid during the year for income taxes \$ 2,656

The accompanying notes are an integral part of this financial statement.

FIRST SOUTH CAROLINA SECURITIES, INC.

Notes to Financial Statements

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND ACTIVITIES

Business Activity and Regulation - First South Carolina Securities, Inc. (the "Company") is a registered broker/dealer licensed in South Carolina serving financial institutions across South Carolina, and is a member of the Financial Industry Regulatory Authority ("FINRA"), a self regulatory organization formed in 2007 to replace the National Association of Securities Dealers, Inc. ("NASD").

The Company is a broker/dealer and utilizes a third party as its clearing firm. The securities purchased or sold through the clearing firm are not insured by the Federal Deposit Insurance Corporation ("FDIC") or any other federal or state deposit guarantee fund, and are subject to investment risk, including possible loss of the principal invested.

The Company uses the accrual method of accounting.

Revenue Recognition - Customers' securities transactions are recorded on a settlement date basis. Securities are valued at market value. The resulting difference between cost and market (or fair value) is included in income.

Income Taxes - Deferred income taxes are provided when expenses, relating to depreciation of office equipment, are recognized in different years for financial and tax reporting purposes. Deferred income taxes also arise from operating loss carryforwards.

On January 1, 2009, the Company adopted the provisions of Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 740-10, which clarifies the accounting for uncertainty in income taxes recognized in an enterprise's financial statements. The provision also prescribes a recognition threshold and measurement of a tax position taken or expected to be taken in an enterprise's tax return. The adoption did not have any impact on the Company's financial position as no uncertain tax positions have been taken.

Office Furniture and Equipment - Depreciation is provided on a straight-line basis, using estimated useful lives of five to seven years for office furniture and equipment.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Concentrations of Credit Risk - Financial instruments, which potentially subject the Company to concentrations of credit risk, consist of cash deposits in banks. The Company places its cash with high credit quality institutions. Cash deposits at two banks, including certificates of deposit with terms of one year or less, exceeded Federal Deposit Insurance Corporation (FDIC) limits by \$289,249 at one bank, and \$17,108 at another bank as of December 31, 2010.

Recently Issued Accounting Pronouncements - Accounting standards that have been issued or proposed by the FASB or other standards-setting bodies are not expected to have a material impact on the Company's financial position, results of operations or cash flows.

FIRST SOUTH CAROLINA SECURITIES, INC.

Notes to Financial Statements

NOTE 2 - CASH

Special restrictions for the benefit of customers under Rule 15c3-3(k)(2)(i) of the Securities and Exchange Commission applied to none of the funds on deposit as of December 31, 2010. Cash defined for purposes of these financial statements is cash on deposit in local banking institutions subject to immediate withdrawal.

NOTE 3 - CERTIFICATES OF DEPOSIT

Certificates of deposit are insured and have original maturity dates of one year or less. The Company had certificates of deposit with a term of three months or more at December 31:

<u>Original Term</u>	<u>Balance</u>	<u>Maturity Date</u>
12 months	\$ 154,227	December 24, 2011
12 months	100,484	September 30, 2011
12 months	152,284	April 29, 2011
12 months	112,881	June 24, 2011
180 days	<u>151,131</u>	January 11, 2011
	<u>\$ 671,007</u>	

NOTE 4 - NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission's Uniform Net Capital Rule, which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. At December 31, 2010, the Company had net capital of \$1,167,609 in excess of its required net capital of \$100,000. The Company's ratio of aggregate indebtedness to net capital was .0532 to 1.

NOTE 5 - INCOME TAXES

The following summary of the provision for income taxes includes tax deferrals which arise from temporary differences in the recognition of certain items of revenue and expense for tax and financial reporting purposes for the year ended December 31, 2010:

	<u>2010</u>
Income taxes currently payable	
Federal	\$ 3,406
State	-
	<u>3,406</u>
Deferred income taxes	998
Provision	<u>\$ 4,404</u>

The income tax effect of cumulative temporary differences at December 31, 2010 are as follows:

	<u>Deferred tax asset (liability) 2010</u>
State net operating losses	\$ 1,093
Accumulated depreciation	<u>(155)</u>
Deferred tax asset	<u>\$ 938</u>

FIRST SOUTH CAROLINA SECURITIES, INC.

Notes to Financial Statements

NOTE 5 - INCOME TAXES - continued

Deferred tax assets represent the future tax benefit of deductible differences and, if it is more likely than not that a tax asset will not be realized, a valuation allowance is required to reduce the recorded deferred tax assets to net realizable value. As of December 31, 2010, management has determined that it is more likely than not that the total deferred tax asset will be realized and, accordingly, has not established a valuation allowance.

The provision for income taxes is reconciled to the amount of income tax computed at the federal statutory rate on income before income taxes for the year ended December 31, 2010 as follows:

	<u>2010</u>
Tax expense at statutory rate	\$ 5,304
Increase (decrease) in taxes resulting from:	
CSV of life insurance	(2,632)
State tax (net of federal benefit)	1,503
Other, net	<u>229</u>
Tax provision	<u>\$ 4,404</u>

NOTE 6 - LEASE OBLIGATIONS

The Company leases office facilities through July 31, 2011. Minimum rental commitments over the next five years are as follows:

<u>Year ending</u>	<u>Amount</u>
December 31, 2011	\$ 6,125

NOTE 7 - FAIR VALUE OF FINANCIAL INSTRUMENTS

The Company has adopted accounting standards in relation to Fair Value Measurements and Disclosures. The Standards apply to all assets and liabilities that are being measured and reported on a fair value basis. The Standards require disclosure that establishes a framework for measuring fair value in GAAP, and expands disclosure about fair value measurements. The Standard enables the reader of the financial statements to assess the inputs used to develop those measurements by establishing a hierarchy for ranking the quality and reliability of the information used to determine fair values. The Standard requires that assets and liabilities carried at fair value will be classified and disclosed in one of the following three categories:

- Level 1** Quoted prices in active markets for identical assets and liabilities. Level 1 assets and liabilities include debt and equity securities and derivative contracts that are traded in an active exchange market.
- Level 2** Observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data. Level 2 assets and liabilities include debt securities with quoted prices that are traded less frequently than exchange-traded instruments, mortgage-backed securities, municipal bonds, corporate debt securities and derivative contracts whose value is determined using a pricing model with inputs that are observable in the market or can be derived principally from or corroborated by observable market data.

FIRST SOUTH CAROLINA SECURITIES, INC.

Notes to Financial Statements

NOTE 7 - FAIR VALUE OF FINANCIAL INSTRUMENTS - continued

Level 3 Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities. Level 3 assets and liabilities include financial instruments whose value is determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair value requires significant management judgment or estimation. For example, this category generally includes certain private equity investments, retained residual interests in securitization, residential mortgage servicing rights, and highly-structured or long-term derivative contracts.

Assets and liabilities measured at fair value on a recurring basis at December 31, 2010 are as follows:

	December 31, 2010			
	Total	Level 1	Level 2	Level 3
Cash and cash equivalents	\$ 267,139	\$ 267,139	\$ -	\$ -
Certificates of deposit	671,007	671,007	-	-
	\$ 938,146	\$ 938,146	\$ -	\$ -

The Company has no liabilities carried at fair value or measured at fair value on a nonrecurring basis.

NOTE 8 - SUBSEQUENT EVENTS

Subsequent events are events or transactions that occur after the balance sheet date but before financial statements are issued. Recognized subsequent events are events or transactions that provide additional evidence about conditions that existed at the date of the balance sheet, including the estimates inherent in the process of preparing financial statements. Nonrecognized subsequent events are events that provide evidence about conditions that did not exist at the date of the balance sheet but arose after that date. Management has reviewed events occurring through January 12, 2011, the date the financial statements were available to be issued and no subsequent events occurred requiring accrual or disclosure.

**EXEMPTION FROM RULE 15c3-3 SPECIAL RESERVE BANK ACCOUNT ARRANGEMENT
UNDER RULE 15c3-3 (k) (2) (i) OF THE SECURITIES AND EXCHANGE COMMISSION
DECEMBER 31, 2010**

The Company operates so as to meet the exemption under Securities and Exchange Commission Rule 15c3-3 (k) (2) (i) from the special reserve requirement of Rule 15c3-3.

Most transactions involve delivery contemporaneous with payment under arrangement with a bank (DVP arrangements). A special reserve bank account for the benefit of customers is established at Wachovia Bank for Rule (k) (2) (i) purposes.

As of December 31, 2010, the Company had no funds which were required to be deposited in the special account.

FIRST SOUTH CAROLINA SECURITIES, INC.
INFORMATION RELATING TO POSSESSION OR CONTROL REQUIREMENTS
UNDER RULE 15c3-3 OF THE SECURITIES AND EXCHANGE COMMISSION

Customers' fully paid securities and excess margin securities not in the respondent's possession or control as of the report date (for which instructions to reduce to possession or control had been issued as of the report date) but for which the required action was not taken by respondent within the time frames specified under Rule 15c3-3.

Number of items None

Customers' fully paid securities and excess margin securities for which instructions to reduce to possession or control had not been issued as of the report date, excluding items arising from "temporary lags which result from normal business operations" as permitted under Rule 15c3-3.

Number of items None

REPORT ON INTERNAL CONTROL REQUIRED BY SEC RULE 17a-5(g)(1)

Board of Directors
First South Carolina Securities, Inc.
Columbia, South Carolina

In planning and performing our audit of the financial statements of First South Carolina Securities, Inc. (the Company), as of and for the year ended December 31, 2010 in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by Rule 17a-13
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a deficiency, or combination of deficiencies in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

A material weakness is a deficiency, or combination of significant deficiencies in internal control such that there is a reasonable possibility that a material misstatement of the Company's financial statements will not be prevented or detected and corrected on a timely basis.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined previously.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at December 31, 2010, to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, and the Financial Industry Regulatory Authority that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

Elliott Davis, LLC

Columbia, South Carolina
January 12, 2011

To the Board of Directors of First South Carolina Securities, Inc.
Columbia, South Carolina

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments to the Securities Investor Protection Corporation (SIPC) for the year ended December 31, 2010, which were agreed to by First South Carolina Securities, Inc. and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc., solely to assist you and the other specified parties in evaluating First South Carolina Securities, Inc.'s compliance with the applicable instructions of the General Assessment Reconciliation (Form SIPC-7). First South Carolina Securities, Inc.'s management is responsible for First South Carolina Securities, Inc.'s compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement records entries noting no differences;
2. Compared the amounts reported on the audited Form X-17A-5 for the year ended December 31, 2010, as applicable, with the amounts reported in Form SIPC-7 for the year ended December 31, 2010, noting no differences;
3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers noting no differences;
4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting the adjustments noting no differences.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
