The Member
Hewitt Financial Services LLC

We have audited the accompanying statement of financial condition of Hewitt Financial Services LLC (the Company) as of September 30, 2010. This statement of financial condition is the responsibility of the Company's management. Our responsibility is to express an opinion on this statement of financial condition based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of financial condition is free of material misstatement. We were not engaged to perform an audit of the Company's internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the statement of financial condition, assessing the accounting principles used and significant estimates made by management, and evaluating the overall statement of financial condition presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the statement of financial condition referred to above presents fairly, in all material respects, the financial position of Hewitt Financial Services LLC at September 30, 2010, in conformity with U.S. generally accepted accounting principles.

1. Organization and Nature of Business

Hewitt Financial Services LLC (the Company) was organized on April 8, 1994, in the state of Illinois, and commenced operations on December 21, 1994. The Company is a wholly owned subsidiary of Hewitt Associates, LLC (the Parent), which is a wholly owned subsidiary of Hewitt Associates, Inc. (the Ultimate Parent). The Company is a broker-dealer registered with the Securities and Exchange Commission (SEC) and is a member of the Financial Industry Regulatory Authority (FINRA). The Company is also an investment advisor registered with the SEC under the Investment Advisors Act of 1940.

The Company clears its security transactions on a fully disclosed basis through Pershing LLC (the clearing broker).

The largest portion of revenue earned by the Company includes administrative and shareholder services and 12b-1 fees from unaffiliated mutual fund families. Participants in institutional employee benefit plans administered by the Parent or its affiliates invest in these mutual fund families, and the Company earns fees for shareholder services provided. Fees earned from mutual fund families relating to employee benefit plan customers include asset-based fees and fund participant fees. The Company also earns fees for shareholder services provided to an affiliated mutual fund. All fees are earned based on contractual agreements.

Fees and commissions consist primarily of revenues earned from trading activity referred to the clearing broker. Fees are also earned in connection with referral arrangements between the Company and other broker-dealers related to the offering of college savings 529 plans and IRA rollovers. The Company also earns revenues from independent fee-only investment advisors through a referral arrangement where customers can participate in a personal financial consulting program. In addition, the Company provides investment consulting services related to employee benefit plans administered by the Parent or its affiliates. These investment consulting services include evaluating fund performance and recommending changes to investment programs.

2. Significant Accounting Policies

The Company has defined cash and cash equivalents as highly liquid investments with original maturities of less than 90 days.

2. Significant Accounting Policies (continued)

The preparation of the statement of financial condition in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the statement of financial condition. Actual results could differ from those estimates.

3. Related Parties

The Company is the affiliated broker-dealer of Hewitt Series Trust and earns shareholder services fees from this affiliated mutual fund. The amount due from this fund for fees earned from this agreement was \$199,829 and was included within accounts receivable as of September 30, 2010.

4. Concentration of Credit Risk

The Company has a concentration of credit risk in that all of its cash is held at one bank.

5. Income Taxes

The Company is organized as a limited liability company with a single member and, as such, is not separately subject to income taxes. The results of the Company are included in the income tax return of the Ultimate Parent.

6. Commitments and Contingencies

The Company applies the provisions of Financial Accounting Standards Board ASC Topic 460, *Guarantees* (ASC 460), which provides accounting and disclosure requirements for certain guarantees. The Company has agreed to indemnify the clearing broker for losses that it may sustain from customer accounts introduced by the Company. At September 30, 2010, the Company had approximately \$25,000 extended to customers through its clearing broker and subject to such indemnification. The Company and the clearing broker monitor required margin levels daily and, pursuant to guidelines, request customers to deposit additional collateral or reduce securities positions when necessary. In accordance with applicable margin lending practices, customer balances are typically collateralized by customer securities or supported by other types of recourse provisions.

7. Net Capital Requirements

As a registered broker-dealer, the Company is subject to the SEC's net capital rule (Rule 15c3-1), which requires that the Company, at all times, maintain net capital (as defined) equal to the greater of \$50,000 or 6 2/3% of aggregate indebtedness, as defined. The ratio of aggregate indebtedness to net capital cannot exceed 15 to 1. At September 30, 2010, the Company's ratio of aggregate indebtedness to net capital was 0.02 to 1.00. At September 30, 2010, the Company's net capital was \$2,240,802, and its required net capital was \$50,000. Rule 15c3-1 may effectively restrict advances or distributions to the Parent. Under the clearing arrangements with the clearing broker, the Company is required to maintain certain minimum levels of net capital and comply with other financial ratio requirements. At September 30, 2010, the Company was in compliance with all such requirements.

8. Subsequent Events

The Company has evaluated subsequent events through November 19, 2010, the issuance date of the financial statements. On October 1, 2010, Hewitt Associates, Inc., was merged with and into Alps Merger, LLC with Alps Merger LLC surviving. Upon completion of the merger, the name of the surviving entity was changed to Aon Hewitt, LLC. Aon Hewitt, LLC is a wholly owned subsidiary of Aon Corporation, a provider of risk management and human capital consulting services. Apart from these changes, neither Aon Corporation, Aon Hewitt, LLC or Hewitt Associates, LLC, the parent of Hewitt Financial Services LLC, currently intends to effect (1) any changes to the key personnel of the Company, including the supervisory personnel of the Company and/or the Company's written supervisory procedures, or (2) any material change to the business activities of the Company as authorized by the Company's current FINRA membership agreement as a result in the change in ownership.
