INDEPENDENT AUDITORS' REPORT

January 27, 2011

Board of Directors  
ACTINVER SECURITIES, INC.  
HOUSTON, TX

We have audited the accompanying statements of financial condition of Actinver Securities, Inc. (the "Company") as of December 31, 2010, and the related statements of income, stockholder's equity, and cash flows for the year then ended that you are filing pursuant to rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of ACTINVER SECURITIES, INC. at December 31, 2010, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

ACTINVER SECURITIES, INC.  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2010

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

ACTINVER SECURITIES, INC. (the "Company") is a wholly-owned subsidiary of Actinver Holdings, Inc. (the "Parent"). The Company is registered as a broker/dealer with the Securities and Exchange Commission (SEC) and is a member of the Financial Industry Regulatory Authority (FINRA). The Company's management and administrative operations are located in Texas and related sales activities are conducted primarily in Mexico. The Company's customers are primarily individuals and institutions located throughout Mexico.

Basis of Accounting

The Company operates under the provisions of Paragraph (k)(2)(ii) of Rule 15c3-3 of the SEC and, accordingly, is exempt from the remaining provisions of that Rule. Essentially, the requirements of Paragraph (k)(2)(ii) provide that the Company clear all transactions on behalf of customers on a fully disclosed basis with a clearing broker/dealer, and promptly transmit all customer funds and securities to the clearing broker/dealer. The clearing broker/dealer carries all of the accounts of the customers and maintains and preserves all related books and records as are customarily kept by a clearing broker/dealer.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of the assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Foreign Currency Transactions

As an agent, in the normal course of business, the Company enters into securities transactions which are denominated in foreign currencies, primarily the Mexican peso. Realized and unrealized foreign currency gains and losses on such transactions are recorded in income in the period they are incurred. There was no net realized and unrealized foreign currency loss recorded in 2010. For the purposes of reporting cash flows, the Company has determined that the effect of exchange rate changes on foreign currency transactions is immaterial.

ACTINVER SECURITIES, INC.  
NOTES TO FINANCIAL STATEMENTS

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (*Continued*)

Cash Equivalents

Money market funds and highly liquid investments, generally government obligations and commercial paper, with an original maturity of three months or less that are not held for sale in the ordinary course of business, if any, are reflected as cash equivalents in the accompanying statement of financial condition and for purposes of the statement of cash flows. From time to time, cash balances exceed federally insured limits at certain financial institutions. The Company has not incurred any losses to date regarding these balances.

Receivables

During the year, the Company received commissions for various trades of securities. The Company's management has not experienced issues collecting any of these commissions and believes the remainder is collectable, thus no allowance has been made.

Property and Equipment

Property and equipment are carried at cost less accumulated depreciation. Depreciation is provided for using the straight-line method over the estimated useful lives of five to seven years. Maintenance and repairs are charged to operations as incurred.

Advertising Costs

The Company expenses all advertising and marketing costs as the expenses are incurred. Advertising expense was \$21,581 for the year ended December 31, 2010.

Income Taxes

The Company files consolidated Federal and combined state and local tax returns. The Company records its federal and state tax liabilities in accordance with FASB Accounting Standards Codification Topic 740-10, "Accounting for Income Taxes". The Company uses the asset and liability method of accounting for income taxes that requires the recognition of deferred tax assets and liabilities for the expected future tax consequences of events that have been recognized in the Company's financial statements. In estimating future tax consequences, all expected future events are considered other than enactment of changes in the tax law or rates. The Company provides a valuation allowance, if necessary, to reduce deferred tax assets to amounts that are not likely to be realized.

The Company's deferred tax liability represents the tax effects of taxable temporary differences in book and tax reporting. The taxable temporary differences consist of depreciation methods and lives and the timing of the deduction for certain expenses.

ACTINVER SECURITIES, INC.  
NOTES TO FINANCIAL STATEMENTS

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (*Continued*)

Commissions

Commissions and related clearing expenses are recorded on a trade-date basis as securities transactions occur.

NOTE 2: TRANSACTIONS WITH CLEARING BROKER/DEALER

The Company's clearing broker/dealer is a national United States clearing broker/dealer. The agreement with the clearing broker/dealer provides for clearing charges at a fixed rate multiplied by the number of tickets traded by the Company. The agreement also requires the Company to maintain a minimum of \$100,000 as a deposit in an account with the clearing broker/dealer.

NOTE 3: NET CAPITAL REQUIREMENTS

The Company is subject to the SEC uniform net capital rule (Rule 15c3-1), which requires the maintenance of a minimum amount of net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. Rule 15c3-1 also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. At December 31, 2010, the Company had net capital and net capital requirements of \$2,287,403 and \$42,249, respectively. The Company's net capital ratio was 0.28 to 1.

The Agreement requires the Actinver Casa de Bolsa to receive 30% of commissions charged and received, net of reasonable expenses, to the referred clients accounts for the handling and execution of securities transactions by the Company. The total amount incurred under the Agreement for the year ended December 31, 2010 was \$1,323,800; of which \$151,458 is payable as of December 31, 2010.

The provision for income taxes for the year ended December 31, 2010 is as follows:

<u>Federal</u>	
Current tax expense	\$ 635,564
Deferred tax expense	10,436

The Company did not have unrecognized tax benefits as of December 31, 2010 and does not expect this to change significantly over the next 12 months. As of December 31, 2010, the Company has not accrued interest or penalties related to uncertain tax positions.

The Company files income tax returns in the U.S. federal jurisdiction and state of Texas. The Company's federal income tax returns for tax years 2007 and beyond remain subject to examination by the Internal Revenue Service. The Company's Texas Gross Margin tax returns for the tax years 2007 and beyond remain subject to examination by the state of Texas.

NOTE 7: COMMITMENTS AND CONTINGENCIES

Operating Leases

The Company has entered into operating leases for office space in Houston which expires on March 31, 2019 and in San Antonio which expires on October 31, 2013. Office rent expense for the year was \$183,680. Future minimum lease payments due for the years ending December 31 are as follows:

2011	\$	173,296
2012		177,140
2013		180,485
2014		172,401
2015		116,380
Thereafter		361,220
Total	\$	<u>1,180,922</u>

Security transactions

The Company executes securities transactions on behalf of its customers. If either the customer or the counterparty fails to perform, the Company may be required to discharge the obligation of the nonperforming party. In such circumstances, the Company may sustain a loss if the market value of the security contract is different from the contract value of the transaction. The Company does not expect nonperformance by customers or counterparties.

The Company clears all of its securities transactions through clearing brokers on a fully disclosed basis. Pursuant to the terms of the agreements between the Company and the clearing brokers, the clearing brokers have the right to charge the Company for losses that result from a counterparty's failure to fulfill its contractual obligations. As the right to charge the Company has no maximum amount and applies to all trades executed through the clearing broker, the Company believes there is no maximum amount assignable to this right. At December 31, 2010, the Company has not recorded liabilities with regard to the right. During 2010, the Company did not pay the clearing brokers any amounts related to these guarantees. The Company's policy is to monitor its market exposure, customer risk, and counterparty risk through the use of a variety of credit exposure reporting and control procedures, including marking-to-market securities and any related collateral as well as requiring adjustments of collateral levels as necessary. In addition, the Company has a policy of reviewing, as considered necessary, the credit standing of each counterparty and customer with which it conducts business.

ACTINVER SECURITIES, INC.  
NOTES TO FINANCIAL STATEMENTS

NOTE 7: COMMITMENTS AND CONTINGENCIES (*Continued*)

Legal Matters

From time to time, the Company is involved in various claims and lawsuits, both for and against the Company, arising in the normal course of business. Management believes that any financial responsibility that may be incurred in settlement of such claims and lawsuits would not be material to the Company's financial position.

Other

During the normal course of business, the Company enters into contracts that contain a variety of representation and warranties and which provide general indemnifications. The Company's maximum exposure under these arrangements is unknown as this would involve future claims that may be made against the Company that have not yet occurred. However, based on experience, the Company expects the risk of loss to be remote.

NOTE 8: DEFINED CONTRIBUTION EMPLOYEE BENEFIT PLAN

The Company participates in a qualified 401(k) plan which covers all compensated employees. Employer contributions are discretionary. In 2010, the Company incurred expenses of \$17,520 relating to the plan.

NOTE 9: SUBORDINATED LIABILITIES

The Company had no subordinated liabilities at any time during the year ended December 31, 2010. Therefore, the statement of changes in liabilities subordinated to claims of general creditors has not been presented for the year ended December 31, 2010.

INDEPENDENT AUDITORS' REPORT ON THE INTERNAL CONTROL STRUCTURE

January 27, 2011

Board of Directors  
ACTINVER SECURITIES, INC.  
Houston, Texas

In planning and performing our audit of the financial statements and supplemental schedules of ACTINVER SECURITIES, INC. ("Actinver") as of and for the year ended December 31, 2010, in accordance with auditing standards generally accepted in the United States of America, we considered its internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of International's internal control. Accordingly, we do not express an opinion on the effectiveness of Actinver's internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by Actinver including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of rule 15c3-3. Because Actinver does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by Actinver in any of the following:

1. Making the quarterly securities examinations, accounts, verifications, and comparisons and the recordation of differences required by Rule 17a-13;
2. Complying with the requirements of prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System;

The management of Actinver is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned

practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which Actinver has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in accordance with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control or the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A *control deficiency* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A *significant deficiency* is a control deficiency, or combination of control deficiencies, that adversely affects the entity's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the entity's financial statements that is more than inconsequential will not be prevented or detected by the entity's internal control.

A *material weakness* is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the entity's internal control.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that Actinver's practices and procedures were adequate at December 31, 2010, to meet the SEC's objectives.

INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES RELATED  
TO AN ENTITY'S SIPC ASSESSMENT RECONCILIATION

Board of Directors  
ACTINVER SECURITIES, INC.

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments [Transitional Assessment Reconciliation (Form SIPC-7T)] to the Securities Investor Protection Corporation (SIPC) for the twelve months ended December 31, 2010, which were agreed to by ACTINVER SECURITIES, INC. ("the "Company") and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc., and SIPC, solely to assist you and the other specified parties in evaluating the Company's compliance with the applicable instructions of the Transitional Assessment Reconciliation (Form SIPC-7T). The Company's management is responsible for The Company's compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7T with respective cash disbursements record entries and check copies noting no differences;
2. Reconciled the amounts reported on the audited Form X-17A-5 for the year ended December 31, 2010, with the amounts reported in Form SIPC-7T for the year ended December 31, 2010 noting no differences.
3. Compared any adjustments reported in Form SIPC-7T with supporting schedules and working papers noting no differences; and
4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7T and in the related schedules and working papers supporting the adjustments noting no differences.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
