INDEPENDENT AUDITORS' REPORT

To the Member
Exvere Securities, LLC
Seattle, Washington

We have audited the accompanying statement of financial condition of Exvere Securities, LLC as of December 31, 2010, and the related statements of income, changes in member's equity, and cash flows for the year then ended that are being filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Exvere Securities, LLC as of December 31, 2010, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information included in Schedules I and II is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by Rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

NOTES TO FINANCIAL STATEMENTS

Note 1. Organization and Significant Accounting Policies

Organization

Exvere Securities, LLC ("the Company") is a securities broker and dealer as approved by the Securities and Exchange Commission ("SEC") and the Financial Industry Regulatory Authority. The Company has an office in Seattle, Washington.

The Company is a limited liability company (or "LLC"), and as an LLC, the liability to the owner is generally limited to amounts invested into it. The Company has one member-owner and is scheduled to dissolve on January 1, 2075, unless terminated by the member-owner at an earlier date.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenues, and expenses during the reporting period. Actual results could differ from the estimates that were used.

Cash

Cash includes cash in banks.

Income Taxes

As an LLC, the Company is not taxed at the reporting level. Instead, its items of income, loss, deduction, and credit are passed through to its member-owner. The Company's federal tax returns are subject to examination for the last three years.

Subsequent Events

The Company has evaluated subsequent events through the date these financial statements were available to be issued, which was the same date as the independent auditors' report.

Note 2. Related Party Transactions

The Company has an expense sharing agreement with its member-owner whereby the Company pays a monthly rent for a use of the office space shared with the member-owner. The total rent paid to the member-owner for the year ended December 31, 2010, was \$2,400.

Under this agreement, the member-owner pays for the majority of the Company's general and administrative expenses, as well as payroll expenses. No reimbursement for these services was required by the Company due to limited activity during 2010.

Note 3. Net Capital Requirements

The Company is currently subject to the SEC Uniform Net Capital Rule (Rule 15c3-1). Accordingly, the Company is required to maintain a minimum level of net capital (as defined) of 6 2/3% of total aggregate indebtedness or \$5,000, whichever is greater. At December 31, 2010, the required minimum net capital was \$5,000. The Company had computed net capital of \$32,773 at December 31, 2010, which was in excess of the required net capital level by \$27,773. In addition, the Company is not allowed to have a ratio of aggregate indebtedness to net capital (as defined) in excess of 15 to 1. At December 31, 2010, the Company's ratio of aggregate indebtedness to net capital was 0 to 1.

No adjustments were proposed to net capital per the Focus Report, Part IIA, as a result of our audit.

CERTIFIED PUBLIC ACCOUNTANTS

601 UNION STREET, SUITE 2300

SEATTLE, WASHINGTON 98101

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL
REQUIRED BY SEC RULE 17a-5 (g)(1) FOR A BROKER-DEALER
CLAIMING AN EXEMPTION FROM SEC RULE 15c3-3**

To the Member
Exvere Securities, LLC
Seattle, Washington

In planning and performing our audit of the financial statements of Exvere Securities, LLC ("the Company"), as of and for the year ended December 31, 2010, in accordance with auditing standards generally accepted in the United States, we considered the Company's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission ("SEC"), we have made a study of the practices and procedures followed by the Company including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, comparisons, and recordation of differences required by Rule 17a-13.
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System.

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in accordance with accounting principles generally accepted in the United States. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control or the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Company's financial statements will not be prevented or detected and corrected on a timely basis.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at December 31, 2010, to meet the SEC's objectives.

This report is intended solely for the use of management, the SEC, the Financial Industry Regulatory Authority, and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specific parties.

EXVERE SECURITIES, LLC

**SUPPLEMENTAL REPORT
UNDER SUBPARAGRAPH(e)(4) OF RULE 17a-5
SECURITIES EXCHANGE ACT OF 1934**

DECEMBER 31, 2010

CERTIFIED PUBLIC ACCOUNTANTS

601 UNION STREET, SUITE 2300

SEATTLE, WASHINGTON 98101

**INDEPENDENT ACCOUNTANTS' REPORT ON
APPLYING AGREED-UPON PROCEDURES RELATED TO
AN ENTITY'S SIPC ASSESSMENT RECONCILIATION**

To the Member
Exvere Securities, LLC
Seattle, Washington

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Schedule of Assessments and Payments [General Assessment Reconciliation (Form SIPC-7)] to the Securities Investor Protection Corporation ("SIPC") for the year ended December 31, 2010, which were agreed to by Exvere Securities, LLC ("the Company") and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc., SIPC, and other designated examining authorities, solely to assist you and the other specified parties in evaluating the Company's compliance with the applicable instructions of the General Assessment Reconciliation (Form SIPC-7). The Company's management is responsible for the Company's compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

1. We compared the listed assessment payments in Form SIPC-7 with respective cash disbursement records entries, noting no differences.
2. We compared the amounts on the audited Form X-17A-5 for the year ended December 31, 2010, as applicable, with the amounts reported in Form SIPC-7 for the year ended December 31, 2010, noting no differences.
3. We noted no adjustments reported in Form SIPC-7.

4. We proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers (such as the Company's general ledger) supporting the adjustments, noting the following difference:

The Company paid a minimum assessment of \$150 with SIPC-6 in 2010. However, the Company was unaware that the minimum assessment no longer applies effective July 31, 2010. Because the Company did not generate any revenue during 2010, the minimum assessment paid with SIPC-6 should have been treated as an overpayment with the filing of SIPC-7. The Company erroneously reported the overpayment to be zero on SIPC-7. The attached schedule reflects the corrected amount.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above, and is not intended to be and should not be used by anyone other than these specified parties.
