INDEPENDENT AUDITORS' REPORT

To the Members of
WindRiver Capital, LLC
Salt Lake City, Utah

We have audited the accompanying statement of financial condition of WindRiver Capital, LLC as of December 31, 2010 and the related statements of income and changes in members' equity, and cash flows for the year then ended. These financial statements are being filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934 and include the supplemental schedule of the net capital computation required by Rule 15c3-1. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of WindRiver Capital, LLC as of December 31, 2010, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in the Supplementary Information on pages 10 to 11 is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by Rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects, in relation to the basic financial statements taken as a whole.

WINDRIVER CAPITAL, LLC
Notes to the Financial Statements
December 31, 2010

NOTE 1 - NATURE OF ORGANIZATION

The financial statements presented are those of WindRiver Capital, LLC (the Company). The Company was originally organized as a Limited Liability Company in the State of Utah in October 1998.

The Company offers services to raise money and capital for companies, and to give advice related to mergers and acquisitions. The Company is a registered broker-dealer licensed by the United States Securities and Exchange Commission ("SEC") and is a member of the Financial Industry Regulatory Authority. The Company operates pursuant to SEC Rule 15c3-3(k)(2)(i) and does not hold funds or securities or owe funds or securities for, or owe money or securities to, customers.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

a. Accounting Method

The financial statements are prepared using the accrual method of accounting. The Company has elected a December 31 year-end.

b. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Management bases its estimates on historical experience and on various other assumptions that are believed to be reasonable under the circumstances in making judgments about the carrying value of assets and liabilities that are not readily apparent from other sources. While actual results could differ from those estimates, management believes that the estimates are reasonable.

c. Cash and Cash Equivalents

Cash equivalents include short-term, highly liquid investments with maturities of three months or less at the time of acquisition.

d. Property and Equipment

Property and equipment are stated at cost. Betterments and improvements are capitalized over their estimated useful lives, whereas repairs and maintenance expenditures on the assets are charged to expense as incurred. When assets are disposed of, the cost and accumulated depreciation (net book value of the assets) is eliminated and any resulting gain or loss is reflected accordingly. Depreciation is computed using the straight-line method over the estimated useful lives of the assets. The estimated useful lives are as follows:

Furniture and fixtures

7 years

WINDRIVER CAPITAL, LLC
Notes to the Financial Statements
December 31, 2010

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

e. Concentration of Credit Risk

The Company's bank deposits are insured by the Federal Deposit Insurance Corporation ("FDIC") to certain levels. In October 2008, the Emergency Economic Stabilization Act of 2008 temporarily increased the FDIC deposit insurance from \$100,000 to \$250,000 per depositor through December 31, 2013. The Company has not experienced any losses in such accounts or lack of access to its cash, and believes it is not exposed to significant risk of loss with respect to cash. However, no assurance can be provided that access to the Company's cash will not be impacted by adverse economic conditions in the financial markets. As of December 31, 2010, the Company had a total of \$178,313 that exceeded the federally insured limits.

f. Revenue Recognition

Transaction fees (deal fees) are recognized as revenue upon completion of the transaction process. Advisory and consulting fees are recognized as the related services are rendered. Nonrefundable retainers are recognized as received. Costs connected with transaction fees are expensed as incurred.

g. Income Taxes

The Company is treated as a partnership for income tax purposes and as such, each member is taxed separately on their distributive share of the Company's income whether or not that income is actually distributed. Therefore, no accrual for income taxes has been recorded in the financial statements.

h. Fair Value of Financial Instruments

The Company's financial instruments include cash and cash equivalents. The carrying amounts of cash and cash equivalents approximate fair values because of the short-term nature of these instruments.

NOTE 3 - SETTLEMENT RECEIVABLE

During a prior year, the Company was involved in a lawsuit to recover damages of approximately \$1,200,000 from Unicity International, Inc. ("Unicity") for its failure to pay the Company certain investment banking fees that were due to the Company under an agreement during 2005.

During 2008, the parties to the litigation entered into a settlement, pursuant to which Unicity was required to pay the Company a total of \$275,000 over a period of approximately two and a half years (the total settlement was for a total of \$550,000, of which the Company is entitled to 50% of the settlement). \$262,500 of this amount was received by the Company prior to December 31, 2010. The remaining \$12,500 was due to the Company prior to July 10, 2010. However, this amount was not received by the Company until January 2011. Accordingly, the \$12,500 amount is being shown as a current asset in the accompanying statement of financial position as of December 31, 2010.

WINDRIVER CAPITAL, LLC
Notes to the Financial Statements
December 31, 2010

NOTE 4 - PROPERTY AND EQUIPMENT

Property and equipment consisted of the following at December 31, 2010:

Furniture and fixtures	\$ 34,576
Less: accumulated depreciation	<u>(33,655)</u>
Office furniture and fixtures, net	<u>\$ 921</u>

Depreciation expense on furniture and fixtures was \$374 for the year ended December 31, 2010.

NOTE 5 - NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital. The Company has elected to use the alternative method, permitted by the rule, which requires that the Company maintain minimum net capital of \$5,000. At December 31, 2010, the Company had net capital of \$428,313 which was \$423,313 in excess of its required net capital of \$5,000.

NOTE 6 - RESERVE REQUIREMENTS

The Company is exempt from the provisions of Rule 15c3-3 (per paragraph K (2) (i)) under the Securities Exchange Act of 1934, as a broker or dealer which carries no customers' accounts and does not otherwise hold fund or securities of customers.

NOTE 7 - SUBSEQUENT EVENTS

For purpose of these financial statements and all disclosures, subsequent events were evaluated through February 08, 2011, which is the date the financial statements were available to be issued.

PART II

WINDRIVER CAPITAL, LLC

STATEMENT OF INTERNAL CONTROL

DECEMBER 31, 2010

Stayner Bates & Jensen P.C.

CERTIFIED PUBLIC ACCOUNTANTS & CONSULTANTS

**INDEPENDENT AUDITORS' REPORT
ON INTERNAL ACCOUNTING CONTROL REQUIRED BY SEC RULE 17a-5**

To the Members of
WindRiver Capital, LLC
Salt Lake City, Utah

In planning and performing our audit of the financial statements of WindRiver Capital, LLC (hereafter referred to as the "Company") for the year ended December 31, 2010, we have considered its internal control structure, including procedures for safeguarding securities, in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements, and not to provide assurance on the internal control structure.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission, we have made a study of the practice and procedures (including tests of compliance with such practices and procedures) followed by the Company that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness (aggregate debts) and net capital under Rule 17a-5(a)(11) and for determining compliance with the exemptive provisions of Rule 15c-3. We did not review the practice and procedures followed by the Company: (1) in making the quarterly securities examinations, counts, verifications, and comparisons, and recordation of differences required by Rule 17a-13; (2) in complying with the Governors of Federal Reserve System; or (3) in obtaining and managing physical possession or control of all fully paid and excess margin securities of customers, because the Company does not carry security accounts for customers or perform custodial functions relating to customer securities.

The management of the Company is responsible for establishing and maintaining an internal control structure and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of internal control structure policies and procedures and of the practice and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the Commission's above mentioned objectives. Two of the objectives of an internal control structure and the practices and procedures are to provide responsibility and safeguard against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit preparation of financial statements in accordance with U.S. generally accepted accounting principles.

Rule 171-5(g) lists additional objectives of the practice and procedures listed in the preceding paragraph.

Because of inherent limitations in any internal control structure or the practices and procedures referred to above, errors or irregularities may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the degree of compliance with them may deteriorate.

Our consideration of the internal control structure would not necessarily disclose all matters in the internal control structure that might be a material weakness under the standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of the specific internal control structure elements does not reduce to a relatively low level the risk that errors or irregularities in amounts that would be material in relationship to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, we noted no matters involving the accounting system and control procedures that we considered to be material weaknesses as defined above. In addition, the Company was in compliance with the exemptive provisions of Rule 15c3-3 as of December 31, 2010 and no facts came to our attention indicating that such conditions had not been complied with during the year then ended.

We understand that the practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the Commission to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate on December 31, 2010 to meet the Commission's objectives.

This report is intended solely for the use of management, the Securities and Exchange Commission, the Financial Industry Regulatory Authority, and other regulatory agencies which rely on Regulation 17a-5(g) under the Securities Exchange Act of 1934, and should not be used for any other purposes.

STATEMENT OF SIPC ASSESSMENT RECONCILIATION

DECEMBER 31, 2010

Stayner Bates & Jensen P.C.

CERTIFIED PUBLIC ACCOUNTANTS & CONSULTANTS

INDEPENDENT AUDITORS' REPORT ON APPLYING AGREED-UPON PROCEDURES RELATED TO AN ENTITY'S SIPC ASSESSMENT RECONCILIATION

To the Board of Directors of
WindRiver Capital, LLC
Salt Lake City, Utah

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the Transitional Assessment Reconciliation (Form SIPC-7T) to the Securities Investor Protection Corporation (SIPC) for the year ended December 31, 2010, which were agreed to by WindRiver Capital, LLC and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc., and SIPC, solely to assist you and the other specified parties in evaluating WindRiver Capital, LLC's compliance with the applicable instructions of the Transitional Assessment Reconciliation (Form SIPC-7T). WindRiver Capital, LLC's management is responsible for WindRiver Capital, LLC's compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7T with respective cash disbursement records entries including check register and bank statement noting no differences;
2. Compared the amounts reported on the audited Form X-17A-5 for the year ended December 31, 2010 with the amounts reported in Form SIPC-7T for the year ended December 31, 2010 noting no differences;
3. Compared any adjustments reported in Form SIPC-7T with supporting schedules and working papers noting no differences; and
4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7T and in the related schedules and working papers supporting the adjustments noting no differences.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
