Independent Auditor's Report

To the Board of Directors
Aurus Advisors, Inc.

We have audited the accompanying statement of financial condition of Aurus Advisors, Inc. (the "Company") as of December 31, 2010 and the related statements of income (loss), changes in stockholders' equity, and cash flows for the year then ended that you are filing pursuant to rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Aurus Advisors, Inc. as of December 31, 2010 and the results of its operations and cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in Schedules I and II are presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

Aurus Advisors, Inc.

Notes to the Financial Statements

December 31, 2010

1. Organization

Aurus Advisors, Inc. (the "Company") was formed as a California corporation and provides advisory services to sophisticated institutional investors and hedge funds. On February 9, 2004, the Company registered as a broker-dealer with the Securities and Exchange Commission pursuant to Section 15c of the Securities Exchange Act of 1934 and was granted a broker-dealer certificate by the California Department of Corporations.

2. Significant Accounting Policies

Cash and Cash Equivalents

The Company considers all demand deposits held in banks and certain highly liquid investments with original maturities of three months or less, other than those held for sale in the ordinary course of business, to be cash equivalents.

Accounts Receivable

The Company considers accounts receivable to be fully collectible, and accordingly, no allowance for doubtful accounts has been provided. If amounts become uncollectible, they will be charged to operations when that determination is made.

Investment Banking and Advisory Fees

Revenues are earned from providing advisory services to institutional investors and hedge funds. Revenue is recognized when earned either by fee contract or the success of a predetermined specified event and the income is reasonably determinable.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates and may have impact on future periods.

Fair Value of Financial Instruments

Unless otherwise indicated, the fair values of all reported assets and liabilities that represent financial instruments (none of which are held for trading purposes) approximate the carrying values of such amounts.

Income Taxes

The Company, with the consent of its shareholders, has elected under the Internal Revenue Code to be treated as an S Corporation. In lieu of corporate income taxes, the Company's income or loss is generally passed through to the shareholders' federal and state individual income tax returns. However, the Company is liable for California franchise tax on S corporations.

Deferred income taxes are recognized for differences between the basis of assets and liabilities for financial statement and income tax purposes. The deferred tax assets and liabilities represent the future tax return consequences of those differences, which will either be taxable or deductible when the assets and liabilities are recovered or settled. Deferred tax assets and liabilities are not significant at December 31, 2010. The provision for income taxes shown in the accompanying statement of income consists of current taxes of \$800.

Aurus Advisors, Inc.

Notes to the Financial Statements

December 31, 2010

3. Net Capital Requirements

The Company is subject to the Securities and Exchange Commission's uniform net capital rule (Rule 15c3-1) which requires the Company to maintain a minimum net capital equal to or greater than \$5,000 and a ratio of aggregate indebtedness to net capital not exceeding 15 to 1, both as defined. At December 31, 2010, the Company's net capital was \$25,982 which exceeded the requirement by \$20,982.

4. Risk Concentrations

Due to the nature of the Company's advisory services business, 99% of the Company's revenue during the year was generated from one customer. Accordingly, 99% of the receivable of \$100,855 at December 31, 2010 is from that same customer.

5. Related Party Transactions

The Company paid both stockholders \$3,000 each for rent in 2010.

6. Retirement Plan

The Company sponsors a 401(k) profit sharing plan. The plan allows employees to elect to defer a percentage of compensation each year through salary reduction contributions to the plan. The employer may elect to make discretionary contributions to the plan. At December 31, 2010, the Company did not make any discretionary contributions for the year.

7. Subsequent Events

The Company has evaluated subsequent events through February 14, 2011, the date which the financial statements were available to be issued.

SUPPLEMENTAL INFORMATION

Aurus Advisors, Inc.
Schedule I

**Computation of Net Capital Under Rule 15c3-1
of the Securities and Exchange Commission**

As of December 31, 2010

| | |
|--|------------------|
| Net Capital | |
| Total stockholders' equity | \$ 138,117 |
| Less: Non-allowable assets | |
| Accounts receivable | 100,855 |
| Prepaid expenses and other assets | 11,280 |
| Total non-allowable assets | 112,135 |
| Net Capital | \$ 25,982 |
| Net minimum capital requirement of 6 2/3% of aggregate indebtedness of \$0 or \$5,000, whichever is greater | 5,000 |
| Excess Net Capital | \$ 20,982 |

**Reconciliation with Company's Net Capital Computation
(included in Part II of Form X-17A-5 as of December 31, 2010)**

There were no material differences noted in the Company's net capital computation at December 31, 2010.

See independent auditor's report and accompanying notes.

Aurus Advisors, Inc.
Schedule II

**Computation for Determination of Reserve Requirements Under
Rule 15c3-3 of the Securities and Exchange Commission**

For the Year Ended December 31, 2010

An exception from Rule 15c3-3 is claimed, based upon section (k)(2)(i). All customer transactions are processed in accordance with Rule 15c3-1(a)(2).

**Information Relating to Possession or Control Requirements Under
Rule 15c3-3 of the Securities and Exchange Commissions**

For the Year Ended December 31, 2010

An exception from Rule 15c3-3 is claimed, based upon section (k)(2)(i).

Independent Auditor's Report on Internal Accounting Control Required by SEC Rule 17a-5

To the Board of Directors
Aurus Advisors, Inc.

In planning and performing our audit of the financial statements and supplemental schedules of Aurus Advisors, Inc. (the "Company"), as of and for the year ended December 31, 2010, in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting ("internal control") as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission ("SEC"), we have made a study of the practices and procedures followed by the Company including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by Rule 17a-13
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Company's financial statements will not be prevented or detected and corrected on a timely basis.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. However, we identified the following deficiency in internal control that we consider to be a material weakness, as defined above. This condition was considered in determining the nature, timing, and extent of the procedures performed in our audit of the financial statements of the Company for the year ended December 31, 2010, and this report does not affect our report thereon dated February 14, 2011.

The size of the business and the resultant limited number of employees imposes practical limitations on the effectiveness of those internal control policies and procedures that depend on the segregation of duties. Because this condition is inherent in the size of the Company, the specific weaknesses are not described herein and no corrective action has been taken or proposed by the Company.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at December 31, 2010, to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, the FINRA, and other regulatory agencies which rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

February 14, 2011

SIPC Supplemental Report Required by SEC Rule 17a-5

To the Board of Directors
Aurus Advisors, Inc.

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments [General Assessment Reconciliation (Form SIPC-7)] to the Securities Investor Protection Corporation ("SIPC") for the year ended December 31, 2010, which were agreed to by Aurus Advisors, Inc. (the "Company") and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc., and SIPC, solely to assist you and the other specified parties in evaluating the Company's compliance with the applicable instructions of the General Assessment Reconciliation (Form SIPC-7). The Company's management is responsible for the Company's compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement records entries noting no differences;
2. Compared the amounts reported on the audited Form X-17A-5 for the year ended December 31, 2010, as applicable, with the amounts reported in Form SIPC-7 for the year ended December 31, 2010 noting a \$125 difference;
3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers noting no differences;
4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting the adjustments noting no differences; and
5. Compared the amount of any overpayment applied to the current assessment with the Form SIPC-7 on which it was originally computed noting no differences (if applicable).

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
