## INDEPENDENT AUDITOR'S REPORT

To the Member of  
LANE FINANCIAL L.L.C.  
Wilmette, Illinois

We have audited the accompanying statement of financial condition of LANE FINANCIAL L.L.C. (an Illinois Limited Liability Company), as of December 31, 2010, and the related statements of operations, changes in member's equity, and cash flows for the year then ended that you are filing pursuant to Rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of LANE FINANCIAL L.L.C. (an Illinois Limited Liability Company), as of December 31, 2010, and the results of its operations and its cash flows for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

Our audit was made for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained on pages 9 through 10 is presented for the purpose of additional analysis and is not a required part of the basic financial statements, but is supplementary information required under Rule 17a-5 by the Securities and Exchange Commission. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

**NOTES TO FINANCIAL STATEMENTS**

YEAR ENDED DECEMBER 31, 2010

**1. ORGANIZATION**

Lane Financial L.L.C. ("the Company"), while not currently operating in this capacity, is a registered broker-dealer under the Securities Exchange Act of 1934, and is licensed to act as an introducing broker whose accounts are cleared and carried by other broker-dealers on a fully disclosed basis. The Company currently engages in various consulting activities.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

*Accounting Policies*

The Company follows the single source of authoritative U.S. generally accepted accounting principles (GAAP) set by the Financial Accounting Standards Board to be applied by nongovernmental entities, *Accounting Standards Codification* (ASC), in the preparation of their financial statements.

*Cash Equivalents*

The Company considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents.

*Use of Estimates*

The accompanying financial statements are prepared in conformity with generally accepted accounting principles which necessarily requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

*Furniture, Equipment, and Leasehold Improvements*

Equipment, furniture and leasehold improvements are recorded at cost. Equipment and furniture are depreciated over their estimated useful lives using accelerated methods. Leasehold improvements are depreciated over twenty-seven and one-half years using the straight-line method. At December 31, 2010, accumulated depreciation totaled \$52,799.

*Revenues from Consulting*

Consulting fees are recorded when earned. During the year approximately 100% of consulting fees were derived from two sources.

*Income Taxes*

No provision has been made for income taxes as the taxable income or loss is included in the income tax return of the Member.

LANE FINANCIAL L.L.C.  
(an Illinois Limited Liability Company)  
**NOTES TO FINANCIAL STATEMENTS**  
YEAR ENDED DECEMBER 31, 2010

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Accounting for Uncertainty in Income Taxes**

ASC 740-10-50, "Accounting for Uncertainty in Income Taxes", provides guidance regarding how uncertain tax positions should be recognized, measured, presented and disclosed in the financial statements. ASC 740-10-50 requires the evaluation of tax positions taken or expected to be taken in the course of preparing the Company's tax return to determine whether its tax positions are "more-likely-than-not" of being sustained by the applicable tax authority. The Company has not identified any uncertain tax positions as of December 31, 2010.

**Comprehensive Income**

The Company has not presented a Statement of Comprehensive Income because it does not have any items of "other comprehensive income".

**3. NET CAPITAL AND OTHER REGULATORY REQUIREMENTS**

The Company is subject to minimum capital requirements of the Securities and Exchange Commission's Rule 15c3-1 (the "Rule"). Under the Rule, the Company is required to maintain "net capital" equal to the greater of \$5,000 or 6 2/3% of "aggregate indebtedness" (a maximum ratio of 15 to 1) as those terms are defined by the Rule. As of December 31, 2010, the Company's regulatory net capital of \$12,787 exceeded required net capital by \$7,787. The ratio of "aggregate indebtedness" to "net capital" was less than 1:1.

The Company is exempt from the provisions of the Securities and Exchange Commission's Rule 15c3-3 under paragraph (k)(2)(i) thereof.

**4. RELATED PARTY TRANSACTIONS**

The Company's office space is located on the premises of the Member's personal residence. Pursuant to an expense sharing agreement, the Company is required to reimburse its member for certain operating expenses including rent, utilities office equipment and supplies, shared on a prorata basis. The total expenses allocated to the Company during 2010 amounted to \$6,560. The liabilities related to these expenses were forgiven by the Member and treated as a member contribution during the year.

**5. FAIR VALUE MEASUREMENTS/ INVESTMENTS IN SECURITIES AND DERIVATIVE CONTRACTS**

The Company adheres to the provisions of ASC 820-10, "Fair Value Measurements", which defines fair value as the price that would be received to sell an asset or paid to transfer a liability (i.e. "exit price") in an orderly transaction between market participants at the measurement date.

LANE FINANCIAL L.L.C.  
(an Illinois Limited Liability Company)  
**NOTES TO FINANCIAL STATEMENTS**  
YEAR ENDED DECEMBER 31, 2010

**5. FAIR VALUE MEASUREMENTS/ INVESTMENTS IN SECURITIES AND DERIVATIVE CONTRACTS (CONTINUED)**

ASC 820-10 establishes a fair value hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the most observable inputs be used when available. Observable inputs are those that market participants would use in pricing the asset or liability based on market data obtained from sources independent of the Company. Unobservable inputs reflect the Company's assumptions about the inputs market participants would use in pricing the asset or liability developed based on the best information available in the circumstances. In determining fair value, the Company uses valuation approaches based on this hierarchy, categorizing them into three levels based on the inputs as follow:

*Level 1* – Valuations based on unadjusted quoted price in active markets for identical assets and liabilities that the Company has the ability to access. Valuation adjustments and block discounts are not applied to Level 1 investments. Since valuations are based on quoted prices that are readily and regularly available in an active market, valuation of these securities does not entail a significant degree of judgment.

*Level 2* – Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, either directly or indirectly.

*Level 3* – Valuations based on inputs that are unobservable and significant to the overall fair value measurement.

The Company's financial instruments recorded at fair value have been categorized based upon a fair value hierarchy in accordance with ASC 820-10.

At December 31, 2010, all financial instruments of the Company are listed and actively traded and, accordingly, are classified as Level 1. No valuation techniques have been applied to any nonfinancial assets or liabilities included in the statement of financial condition. Due to the nature of these items, all have been recorded at their historic value.

**6. SUBSEQUENT EVENTS**

The Company has evaluated subsequent events through February 10, 2011, which is the date the financial statements were available to be issued. No events have occurred from the date of the financial statement to February 10, 2011, which would require adjustments to or disclosure in the accompanying financial statements.

## INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL REQUIRED BY SEC RULE 17a-5(g)(1)

To the Member of  
LANE FINANCIAL L.L.C.  
Wilmette, Illinois

In planning and performing our audit of the financial statements of Lane Financial L.L.C., (the "Company"), as of and for the year ended December 31, 2010, in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company, including consideration of control activities for safeguarding securities. This study included tests of compliance with such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making the quarterly securities examinations, counts, verifications, and comparisons, and the recordation of differences required by Rule 17a-13
2. Complying with the requirements for prompt payment for securities under Section 8(b) of Regulation T of the Board of Governors of the Federal Reserve System

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls, and of the practices and procedures referred to in the preceding paragraph, and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable, but not absolute, assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in accordance with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control and the practices and procedures referred to above, errors or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

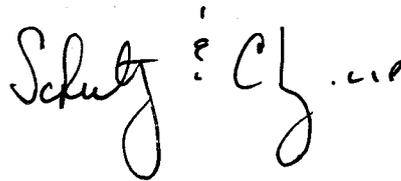

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a deficiency, or combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance

A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the company's financial statements will not be prevented or detected and corrected on a timely basis.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and our study, we believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at December 31, 2010, to meet the SEC's objectives.

This report is intended solely for the information and use of management, the Financial Industry Regulatory Authority, the SEC and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

## INDEPENDENT ACCOUNTANT'S REPORT ON APPLYING AGREED-UPON PROCEDURES RELATED TO AN ENTITY'S SIPC ASSESSMENT RECONCILIATION

To the Member  
LANE FINANCIAL L.L.C.  
Chicago, Illinois

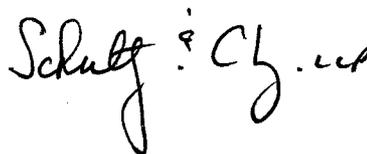

In accordance with Rule 17a-5(e)(4) of the Securities and Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments [General Assessment Reconciliation (Form SIPC-7)] to the Securities Investor Protection Corporation (SIPC) for the year ended December 31, 2010, which were agreed to by Lane Financial L.L.C. (the "Company") and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc., and SIPC, solely to assist you and the other specified parties in evaluating the Company's compliance with the applicable instructions of the General Assessment Reconciliation (Form SIPC-7). The Company's management is responsible for the Company's compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement records entries, noting no differences;
2. Compared the amounts reported on the audited Form X-17A-5 for the year ended December 31, 2010, as applicable, with the amounts reported in Form SIPC-7 for the year ended December 31, 2010, noting no differences;
3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers, noting no differences; and
4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting the adjustments, noting no differences.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
