Independent Auditor's Report

To the Member
Triton Pacific Securities, LLC

I have audited the accompanying statement of financial condition of Triton Pacific Securities, LLC (the Company) as of December 31, 2010, and the related statements of income (loss), changes in member's equity and changes in financial condition for the year then ended that you are filing pursuant to rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with the auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial condition of Triton Pacific Securities, LLC as of December 31, 2010 and the results of its income (loss), member's equity and changes in financial condition for the year then ended in conformity with accounting principles generally accepted in the United States of America.

My audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in Schedules I, II and III is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in my opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

Triton Pacific Securities, LLC
Notes to Financial Statements
December 31, 2010

NOTE 1 – ORGANIZATION AND NATURE OF BUSINESS

Triton Pacific Securities, LLC (Company) on January 6, 2006 was organized in Delaware as a Limited Liability Company operating as a registered broker-dealer in securities under the Securities and Exchange Act of 1934 under the name TP Securities, LLC. In 2007, the Company changed its name to Triton Pacific Securities, LLC. The Company conducts business on a fully disclosed basis. The Company does not hold customer funds and/or securities and is a member of the FINRA and Securities Investors Protection Corporation (“SIPC”).

The Company’s primary business activity is corporate finance and investment banking advisory services. Additionally, the Company engages in the private placement of securities in a primary market on a best efforts basis only.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents - The Company considers all highly liquid investments with original maturities of three months or less to be cash equivalents.

Revenue Recognition - The Company receives advisory fees in accordance with terms stipulated in its engagement contracts. Financial advisory fees are recognized as earned on a pro rata basis over the term of the contract or the period that advisory services are rendered, whichever is shorter.

Compensated Absences – Accumulated paid time off is accrued when incurred.

Income Taxes - The Company, with consent of its Members, has elected to be a Delaware Limited Liability Company. For tax purposes the Company is treated like a partnership, therefore in lieu of business income taxes, the Members are taxed on the Company’s taxable income. Accordingly, no provision or liability for Federal Income taxes is included in these financial statements.

However the Company is subject to a minimum franchise tax and a gross receipts tax in California for limited liability companies.

Triton Pacific Securities, LLC
Notes to Financial Statements
December 31, 2010

NOTE 2 – GENERAL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Recent accounting pronouncements – The Financial Accounting Standards Board (“FASB”) implemented the FASB Accounting Standards Codification (Codification) effective July 1, 2009. The Codification has become the source of authoritative Generally Accepted Accounting Principles (“GAAP”) recognized by FASB to be applied to nongovernmental entities. On the effective date of the Codification, the Codification superseded all then existing accounting and reporting standards. All other non-grandfathered accounting literature not included in the FASB Codification has become non-authoritative. References to GAAP included in the FASB Codification are noted as Accounting Standards Codification (“ASC”).

Following the effective date of the Codification, FASB will not release new standards in the form of Statements, FASB Staff Positions, or Emerging Issues Task Force Contracts, but instead will issue Accounting Standards Updates. Updates will not be considered authoritative in their own right, but will serve only to update the Codification, provide background information about the guidance in the Codification, and provide the basis for the changes in the Codification.

For the year ending December 31, 2010, various accounting pronouncements or interpretations by the FASB were either newly issued or had effective implementation dates that would require their provisions to be related in the financial statement for the year then ended. The Company has reviewed the statements of Financial Accounting Standards (“SFAS”)/ASC topics for the year to determine relevance to the Company’s operations.

The Company has either evaluated or is currently evaluating the implications, if any, of each of these pronouncements and the possible impact they may have on the Company’s financial statements. In most cases, management has determined that the pronouncement has either limited or no application to the Company and, in all cases, implementation would not have a material impact on the financial statements taken as a whole.

Triton Pacific Securities, LLC
Notes to Financial Statements
December 31, 2010

NOTE 3 – INCOME TAXES

The Company is subject to a limited liability company gross receipts tax, with a minimum provision of \$800. For the year ended December 31, 2010, the Company recorded the minimum liability company income tax of \$800 and gross receipts tax of \$900.

NOTE 4 – NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC rule 5c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. See page 9 for the net capital presentation.

NOTE 5 – RELATED PARTY TRANSACTIONS

The Company has entered into an expense sharing agreement with Triton Pacific Capital Partners, LLC (“Triton Pacific CP”). The Company and Triton Pacific CP have common shareholders. Rent and general overhead are allocated between the two companies.

During 2010 the Company paid approximately \$17,500 to Triton Pacific CP as rent and other expenses. Approximately \$746 was due to Triton Pacific CP on December 31, 2010.

NOTE 6 – SIPC SUPPLEMENTARY REPORT REQUIREMENT

The Company is not required to complete the SIPC Supplementary Report under SEC Rule 17a-5(e) (4) for fiscal years ending December 31, 2009 because the Company’s SIPC Net Operating Revenues are under \$500,000.

NOTE 7 – SUBSEQUENT EVENTS

Management has reviewed the results of operations for the period of time from its year end December 31, 2010 through February 20, 2011, the date the financial statements were available to be issued, and has determined that no adjustments are necessary to the amounts reported in the accompanying combined financial statements nor have any subsequent events occurred, the nature of which would require disclosure.

Triton Pacific Securities, LLC
Schedule I - Computation of Net Capital Requirements
Pursuant to Rule 15c3-1
December 31, 2010

Computation of net capital

Member's capital		\$ 21,660
Less: Non-allowable assets:		
Prepaid expenses	\$ 14,618	
Deposits	<u>725</u>	<u>(15,343)</u>
Net capital		<u>\$ 6,317</u>

Computation of net capital requirements

Minimum net aggregate indebtedness -		
6.67% of net aggregate indebtedness		<u>\$ 848</u>
Minimum dollar net capital required		<u>\$ 5,000</u>
Net Capital required (greater of above)		<u>\$ 5,000</u>

Excess net capital \$ 1,317

Computation of aggregate indebtedness

Total liabilities		<u>\$ 12,724</u>
Aggregate indebtedness to net capital		2.01 to 1

Reconciliation

The following is a reconciliation of the above net capital computation with the Company's corresponding unaudited computation pursuant to Rule 179-5(d)(4):

Net capital per unaudited schedule		\$ 6,314
Adjustments:		
Rounding		<u>3</u>
Net capital per audited statements		<u>\$ 6,317</u>

The accompanying notes are an integral part of these financial statements.

PART II

Report on Internal Control Required by SEC Rule 17a-5(g)(1) for a
Broker-Dealer Claiming an Exemption from SEC Rule 15c3-3

Member
Triton Pacific Securities, LLC
Los Angeles, California

In planning and performing my audit of the financial statements of Triton Pacific Securities, LLC (the Company), as of and for the year ended December 31, 2010, in accordance with auditing standards generally accepted in the United States of America, I considered the Company's internal control over financial reporting (internal control) as a basis for designing my auditing procedures for the purpose of expressing my opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, I do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by Rule 17a-5(g) (1) of the Securities and Exchange Commission (SEC), I have made a study of the practices and procedures followed by the Company including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that I considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, I did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by Rule 17a-13
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's previously mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Member
Triton Pacific Securities, LLC
Los Angeles, California

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A *control deficiency* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Company's financial statements will not be prevented or detected and corrected on a timely basis.

My consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. I did not identify any deficiencies in internal control and control activities for safeguarding securities that I consider to be material weaknesses, as defined previously.

I understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on my study, I believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at December 31, 2010 to meet the SEC's objectives.

This report is intended solely for the information and use of the Member, management, the SEC, and FINRA, and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

Elizabeth Tractenberg, CPA
