INDEPENDENT AUDITORS' REPORT

To the Members of OCM Investments, LLC

We have audited the accompanying statement of financial condition of OCM Investments, LLC (the "Company") as of December 31, 2010. This statement of financial condition is the responsibility of the Company's management. Our responsibility is to express an opinion on this statement of financial condition based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of financial condition is free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the statement of financial condition, assessing the accounting principles used and significant estimates made by the Company's management, as well as evaluating the overall statement of financial condition presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the statement of financial condition referred to above presents fairly, in all material respects, the financial position of OCM Investments, LLC as of December 31, 2010, in conformity with accounting principles generally accepted in the United States of America.

OCM Investments, LLC (the "Company") is a securities broker-dealer that solely facilitates the private placement of interests in limited partnerships managed by an affiliated investment adviser, Oaktree Capital Management, L.P. ("Oaktree"). The Company, a majority-owned subsidiary of Oaktree, is organized under the laws of the state of Delaware pursuant to the Delaware Limited Liability Company Act and is a registered broker-dealer under the Securities Exchange Act of 1934 and a member of the Financial Industry Regulatory Authority ("FINRA").

Basis of Presentation

The financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America ("GAAP").

These financial statements were approved by management and available for issuance on February 12, 2011. Subsequent events have been evaluated through this date.

Revenue Recognition

Revenues from servicing fees are recognized on the accrual basis as earned.

Income Taxes

The Company is a limited liability company, and treated as a partnership for income tax reporting purposes. The Internal Revenue Code ("IRC") provides that any income or loss is passed through to the members for federal and state income tax purposes. Accordingly, the Company has not provided for federal or state income taxes.

At December 31, 2010, management has determined that the Company had no uncertain tax positions that would require financial statement recognition. This determination will always be subject to ongoing reevaluation as facts and circumstances may require. The Company remains subject to U.S. federal and state income tax audits for all periods subsequent to 2007.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

In addition, pursuant to the Company's limited liability agreement, Oaktree pays all shared overhead expenses of the Company, such as compensation, benefits, rent and other expenses incurred in maintaining the Company's place of business. The Company has no obligation to repay Oaktree for such costs.

The Company has a receivable of \$1,760 from Oaktree at December 31, 2010.

3. Net capital requirements

The Company, as a member of FINRA, is subject to the SEC Uniform Net Capital Rule 15c3-1.
