INDEPENDENT AUDITOR'S REPORT

To the Partners
GulfStar Group I, Ltd.
Houston, Texas

We have audited the accompanying statements of financial condition of GulfStar Group I, Ltd. (the Partnership) as of December 31, 2010 and 2009 and the related statements of income, changes in partners' capital and cash flows for the years then ended that you are filing pursuant to Rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Partnership's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with generally accepted auditing standards in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Partnership as of December 31, 2010 and 2009 and the results of its operations and its cash flows for the years then ended, in conformity with generally accepted accounting principles in the United States.

Our audits were made for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in Schedules I and II is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by Rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

NOTE A BASIS OF PRESENTATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

GulfStar Group I, Ltd. (a Texas limited partnership) (the Partnership) maintains its accounts on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States. Accounting principles followed by the Partnership and the methods of applying those principles which materially affect the determination of financial position, results of operations and cash flows are summarized below:

Description of Business - The Partnership is located in Houston, Texas and is a private investment banking firm. Accordingly, the Partnership has claimed an exemption from Rule 15c3-3 under section (K)(1). The Partnership is registered as a Broker-Dealer with the Securities and Exchange Commission, and a member of the Financial Industry Regulation Authority (FINRA).

Statement Presentation - The unclassified statement of financial condition is presented in accordance with industry standards.

Estimates - The preparation of the financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents - The Partnership considers all highly liquid debt instruments with an original maturity of three months or less to be cash equivalents.

Investments - The Partnership does not hold any investments.

Income Taxes - The Partnership's income, losses, and tax credits will be included in the income tax returns of the partners. Accordingly, the Partnership does not record a provision for Federal income taxes. State income tax (Texas Margin Tax), if due, is accrued as a component of expenses.

Generally accepted accounting principles (GAAP) provide detailed guidance for the financial statement recognition, measurement and disclosure of uncertain tax positions recognized in an enterprise's financial statements. GAAP requires an entity to recognize the financial statement impact of a tax position when it is more likely than not that the position will be sustained upon examination. The Partnership believes that all significant tax positions utilized by the Partnership will more likely than not be sustained upon examination. The Partnership does not expect any tax positions to have a material effect that is not already reflected on its financial position, results of operations or cash flows. As of December 31, 2010, the tax years that remain subject to examination by the major tax jurisdictions under the statute of limitations are from the year 2007 forward (with limited exceptions). Tax penalties and interest, if any, would be accrued as incurred and would be classified as tax expense in the statements of income.

NOTE A BASIS OF PRESENTATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(CONTINUED)

Revenue Recognition - Commissions are recognized when trades settle and receivables are recorded at that time.

Subsequent Events - The Partnership has evaluated subsequent events through February 18, 2011, the date the financial statements were available to be issued. No subsequent events occurred, which require adjustment or disclosure to the financial statements at December 31, 2010.

NOTE B ORGANIZATION

The Partnership's general partner is GulfStar Group GP, LLC, owning a 0.01% interest. Through December 31, 2007, GulfStar Investment of Nevada Inc. (Nevada) and IBC Subsidiary Corporation (IBC) owned 29.9975% and 69.993% in limited partnership interests, respectively. Effective January 1, 2008, the limited partnership interest was reallocated between Nevada and IBC to 49.995% and 49.995%, each. Also effective January 1, 2008, the Partnership's interest in Gulfstar Merchant Banking, Ltd (Merchant Banking, a former subsidiary of the partnership) was distributed to IBC. The Partnership can remain in existence until December 31, 2050.

All Partnership profits, losses, and distributions are to be allocated to the partners in proportion to their respective percentage interests.

NOTE C MANAGEMENT AGREEMENT

The Partnership utilizes the services of GulfStar II, Ltd. (GulfStar II) (a company affiliated by ownership) for the day-to-day operation and management of the Partnership's business, including financial services management, information systems, bookkeeping, recordkeeping, clerical services, furnishing office space, equipment, and supplies; assisting in compliance with all reporting and administrative obligations of the Partnership; assisting in preparation and updating of a business plan, preparation of budgets, providing marketing and sales support, obtaining research, analysis, and informational services; and arranging for monitoring of legal, accounting, and other professional services. As compensation for these services the Partnership pays GulfStar II a management fee, payable monthly in advance or at such other times as the parties may mutually agree. Fees are based on a percentage of private placement fee revenues and a specific allocation of incremental overhead.

Total fees paid by the Partnership pursuant to the agreement were \$463,200 and \$540,000 for the years ended December 31, 2010 and 2009, respectively. For the years ended December 31, 2010 and 2009 the balance of the management fees were \$3,446,586 and \$1,240,387, respectively, and resulted from the proportional allocation service fees paid pursuant to the agreement. For the year ended December 31, 2009, the Partnership had prepaid management fees of \$180,000. Effective January 2, 2009, GulfStar II also agreed to pay the Partnership a retainer fee on a monthly basis. Total retainer fees received by the Partnership were \$180,000 for the years ended December 31, 2010 and 2009.

NOTE D **NET CAPITAL REQUIREMENTS**

Pursuant to the net capital provisions of Rule 15c3-1 of the Securities Exchange Act of 1934, the Partnership is required to maintain a minimum net capital, and comply with a ratio of aggregate indebtedness to net capital as defined under such provisions. Net capital and the related ratio of aggregate indebtedness to net capital may fluctuate on a daily basis.

At December 31, 2010 and 2009, the Partnership had net capital of \$1,005,797 and \$237,154, respectively, and a net capital requirement of \$5,000. The Partnership's ratio of aggregate indebtedness to net capital was .81 to 1 and zero at December 31, 2010 and 2009, respectively. The Securities and Exchange Commission permits a ratio of aggregate indebtedness to net capital for the Partnership at this time of no greater than 15 to 1.

NOTE E **CONCENTRATIONS AND CREDIT RISK**

The Partnership has cash deposits in correspondent financial institutions in excess of the amount insured by the FDIC in the amount of \$1,574,762 and \$59,887 at December 31, 2010 and 2009, respectively. It is the Partnership's practice to utilize high net worth financial institutions to minimize credit risk. Additionally the Partnership has credit risk related to the note receivable from GulfStar II. The Partnership's management does not believe significant credit risk exists in relation to this receivable and that no reserves are required.

NOTE F **NOTE RECEIVABLE, AFFILIATE**

The Partnership created an intercompany receivable with its affiliate GulfStar II on February 26, 2009 in the amount of \$270,000. This is an interest free note which will mature on February 25, 2011. The imputed interest on the note is not significant.

REPORT ON INTERNAL CONTROL STRUCTURE
REQUIRED BY SEC RULE 17 A-5 FOR A
BROKER-DEALER CLAIMING AN EXEMPTION
FROM SEC RULE 15C3-3

The Partners
GulfStar Group I, Ltd.

In planning and performing our audit of the financial statements and supplemental schedules of GulfStar Group I, Ltd. (the Partnership), as of and for the year ended December 31, 2010, in accordance with auditing standards generally accepted in the United States of America, we considered the Partnership's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Partnership's internal control. Accordingly, we do not express an opinion on the effectiveness of the Partnership's internal control.

Also, as required by rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Partnership including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of rule 15c3-3. Because the Partnership does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Partnership in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by rule 17a-13.
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Regulation T of the Board of Governors of the Federal Reserve System.

The management of the Partnership is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Partnership has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control or the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A *control deficiency* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Partnership's financial statements will not be prevented or detected and corrected on a timely basis.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and the practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Partnership's practices and procedures were adequate at December 31, 2010, to meet the SEC's objectives.

This report is intended solely for the information and use of the partners, management, the SEC, and other regulatory agencies that rely on rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.
