INDEPENDENT AUDITORS' REPORT

Management
Crown Capital Securities, L.P.
725 Town & Country Road, Suite 530
Orange, CA 92868

We have audited the accompanying statement of financial condition of Crown Capital Securities, L.P. (a Delaware Limited Partnership) as of December 31, 2010 and the related statements of income, changes in partners' capital, and cash flows for the year then ended that you are filing pursuant to Rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Partnership's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Partnership's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the aforementioned financial statements present fairly, in all material respects, the financial position of Crown Capital Securities, L.P. as of December 31, 2010, and the results of its operations and its cash flows for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in Schedules I, II, III, IV, V, the SEC compliance letter, the report on Internal Control Pursuant to SEC. Rule 17a-5 and the report on applying agreed-upon procedures related to an entity's SIPC assessment reconciliation, are presented for purposes of additional analysis and are not a required part of the basic financial statements, but is supplementary information required by rule 17a-5 of the Securities and Exchange Commission Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

CROWN CAPITAL SECURITIES, L.P.
NOTES TO FINANCIAL STATEMENTS
December 31, 2010

NOTE 1 – NATURE OF OPERATIONS and SIGNIFICANT ACCOUNTING POLICIES

- A. The Limited Partnership was formed in the State of Delaware on January 4, 1999 and is a registered broker-dealer with the SEC and is a member of FINRA. The Limited Partnership is a non-issuer (introducing) broker-dealer and serves as an investment advisor and provides related investment services and activities such as seminars and conferences.

Effective June 1, 1999, the Partnership purchased the broker-dealer license from Eric Equities, Inc. As of June 1, 1999 all of Eric Equities, Inc.'s security and annuity activities were transferred to Crown Capital Securities, L.P. and Crown Capital Securities, L.P. commenced business as a broker/dealer. As of December 31, 2010 the Partnership is registered in fifty states and in Washington, D.C.

- B. The Partnership has entered into a an expense reimbursement service agreement with Consolidated Brokerage Services, Inc. (a California corporation), where Consolidated Brokerage Services, Inc. provides professional and administrative personnel and various office services for the Partnership. In addition to the expense reimbursements the Partnership pays a monthly processing fee to Consolidated Brokerage Services, Inc. (Note 6)
- C. All transactions are recorded using the accrual method of accounting.
- D. Management has reviewed the December 31, 2010 commission receivable balance of \$1,824,370. All significant receivables have been collected within 45 days following the close of the year. As such, no allowance for bad debts has been included in the financial statements. Approximately \$240,788 of the commissions receivable as of December 31, 2010 were held in various brokerage escrow accounts with Pershing LLC which also serves as the Partnership's clearing broker-dealer and which maintains custodial accounts of the Partnership's customers.
- E. Commissions are reflected as income when earned on a trade-date basis and commissions due to broker-dealer sales representatives are recorded as an expense on that same basis.
- F. Advertising costs are expensed as incurred. Advertising expense for the year ended December 31, 2010 is \$108,844.
- G. The Statement of Cash Flows is prepared on the cash and cash equivalent basis using the indirect method. For purposes of the Statement of Cash Flows, the Company considers all highly liquid debt instruments purchased with a maturity of one month or less to be cash equivalents.
- H. The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.
- I. The Partnership's financial instruments are cash and cash equivalents, commissions receivable, and commissions payable which approximate their estimated fair values based on their short-term nature.

The recorded values of loans receivable approximate their fair values, as interest approximates market rate. However, management intends to discount the loans 20% per year in lieu of receiving principal payments if the terms of the loan agreements are met by the borrower.

See Auditors' Report.

CROWN CAPITAL SECURITIES, L.P.
NOTES TO FINANCIAL STATEMENTS
December 31, 2010

NOTE 1 – NATURE OF OPERATIONS and SIGNIFICANT ACCOUNTING POLICIES (continued)

- J. The Partnership's investments recorded as other assets were acquired as a result of a settlement agreement reached in December 2010. The recorded values have been reported at cost basis which approximates their estimated fair values based on the net sales proceeds collected subsequent to December 31, 2010.

The Partnership has adopted FASB ASC 740, Income Taxes (formerly referenced as SFAS Financial Interpretation No. 48, Accounting for Uncertainty in Income Taxes – an interpretation of FASB Statement No. 109), which changes the framework for accounting for uncertainty in income taxes. Management has considered its tax positions and believes that the positions taken by the Partnership are more likely than not to be sustained upon examination.
- All material tax effects of the Partnership's income or loss are passed through to the partners individually.
- L. The Partnership's management has evaluated subsequent events through February 24, 2011 the date that the financial statements were available to be issued. During the year ended December 31, 2010, the Partnership paid CCIA \$8,800 as reimbursement for expenses.

NOTE 7 – STATEMENT OF CASH FLOWS

A. Supplemental disclosure of Cash Flow information:

Supplemental schedule of noncash investing and financing activities: none.

See Auditors' Report.

CROWN CAPITAL SECURITIES, L.P.
NOTES TO FINANCIAL STATEMENTS
December 31, 2010

NOTE 8 – CONCENTRATIONS OF CREDIT RISK

Financial instruments, which potentially expose the Company to concentrations of credit risk, consist primarily of:

A. Commissions Receivable

Most of the Partnership's business activity, selling various types of registered securities and investments on a commission basis, is done through regulated investment companies located nationwide.

B. Cash Accounts

The Partnership maintains its general non-interest earning cash account in Union Bank of California and periodically purchases various short term certificates of deposit from other banks through UnionBanc Investment Services, LLC.

Pursuant to the current insurance provisions of the Federal Deposit Insurance Corporation (FDIC), non-interest bearing transaction bank accounts are insured for the entire balance. Accordingly, the Partnership did not have any excess uninsured cash balances as of December 31, 2010.

NOTE 9 – NET CAPITAL REQUIREMENTS

The Partnership is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to allowable net capital, both as defined, shall not exceed 15 to 1. At December 31, 2010, the Company had net allowable capital of \$2,917,315 as computed in supplementary schedule I, which was \$2,758,772 in excess of its required net capital of \$158,543. The required net capital is computed at .0666667 of the \$2,378,151 liabilities indicated on the December 31, 2010 Statement of Financial Condition. The Partnership's liabilities to net capital ratio was .8151 to 1.

NOTE 10 – CONTINGENCIES AND UNCERTAINTIES

As of December 31, 2010 the Partnership has been named as a defendant in various statements of claims for an approximate aggregate amount of \$3,665,370. The statements of claims are subject to FINRA arbitration and the Partnership's legal counsel is proceeding accordingly. The Partnership's management believes it has meritorious defenses and will be vigorously defending itself against the claims. However, the outcome is yet uncertain. Such arbitration proceedings are not uncommon in the broker-dealer industry and usually involve claims that the Partnership either defends itself successfully or has settled them at amounts within their insurance premium deductible of \$50,000 per claim. Management has elected not to accrue any contingent loss reserve since it believes any potential loss would be mitigated by their insurance coverage and would therefore not be material to the financial statements as a whole.

See Auditors' Report.

Independent Auditors' Supplementary SEC Compliance Letter

Management
Crown Capital Securities, L.P.
725 Town & Country Road, Suite 530
Orange, CA 92868

We have examined the answers to the financial questionnaire Form X-17A-5 Part IIA of Crown Capital Securities, L.P. as of December 31, 2010 and have recomputed and reconciled portions thereof as reported on the separate supplementary schedules I and V and did not find any existing material differences.

This supplementary letter, which contains comments not considered necessary for a fair presentation of the financial statements or for the schedules and other data and information included in Form X-17A-5 Part III, is being furnished as a summary of the compliance with the audit requirements of the Securities and Exchange Commission.

Our consideration of the Partnership's internal control over financial reporting can be found in the separate internal control report issued pursuant to SEC Rule 17a-5 for a Broker-Dealer claiming an exemption from SEC Rule 15c3-3.

The Partnership is exempt from many of the Securities and Exchange Commission Broker-Dealer requirements because they clear all transactions with and for customers on a fully disclosed basis with a clearing broker or dealer, and promptly transmit all customer funds and securities to the clearing broker or dealer which carries all of the accounts of such customers and maintains and preserves such books and records pertaining thereto pursuant to the requirements of Rules 17a-3 and 17a-4, as are customarily made and kept by a clearing broker or dealer.

The Partnership does not take delivery of nor provide safekeeping for customer securities. Therefore, no box counts were necessary during the period covered by this audit.

In planning and performing our audit of the financial statements and supplemental schedules of Crown Capital Securities, L.P. (a Delaware Limited Partnership), as of and for the year ended December 31, 2010 in accordance with auditing standards generally accepted in the United States of America, we considered the Partnership's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Partnership's internal control. Accordingly we do not express an opinion on the effectiveness of the Partnership's internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Partnership including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Partnership does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Partnership in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by Rule 17a-13.
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System.

The management of the Partnership is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's previously mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Partnership has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A *control deficiency* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Partnership's financial statements will not be prevented or detected and corrected on a timely basis.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined previously.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Partnership's practices and procedures, as described in the second paragraph of this report, were adequate at December 31, 2010 to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, the PCAOB, the Financial Industry Regulatory Agency (FINRA), and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments [General Assessment Reconciliation (Form SIPC-7T),] to the Securities Investor Protection Corporation (SIPC), for the year ended December 31, 2010, which were agreed to by Crown Capital Securities, L.P. and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc., and SIPC solely to assist you and the other specified parties in evaluating Crown Capital Securities, L.P.'s compliance with the applicable instructions of the General Assessment Reconciliation (Form SIPC-7T). Crown Capital Securities, L.P.'s management is responsible for Crown Capital Securities, L.P.'s compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7T, which you prepared, with the respective cash disbursements records entries in the Partnership's "Cash in Bank" Check Register and referenced as check # 6271 in the amount of \$16,350 noting no differences;
2. Compared the amounts reported on the audited Form X-17A-5 for the year ended December 31, 2010, as applicable, with the amounts reported in Form SIPC-7T for the year ended December 31, 2010 noting no differences;
3. Compared any adjustments reported in Form SIPC-7T with supporting schedules and working papers consisting of the Profit and Loss Report for December 31, 2010 noting no differences;
4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7T and in the related schedules and working papers by comparing the Profit and Loss Reports for the periods ending January 1, 2010 and December 31, 2010 supporting the adjustments noting no differences; and
5. Compared the amount of any overpayment applied to the current assessment with the Form SPIC-7T on which it was originally computed noting no differences.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
