### Independent Auditor's Report

Board of Directors

Cooperative of American Physicians Insurance Services, Inc.:

We have audited the accompanying statement of financial condition of Cooperative of American Physicians Insurance Services, Inc. (the Company) as of December 31, 2010, and the related statements of income, changes in stockholder's equity, and cash flows for the year then ended that you are filing pursuant to rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Cooperative of American Physicians Insurance Services, Inc. as of December 31, 2010, and the results of its income and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in Schedules I, II, and III is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

*The accompanying notes are an integral part of these financial statements.*

**Cooperative of American Physicians Insurance Services, Inc.**  
**Notes to Financial Statements**  
**December 31, 2010**

**Note 1: GENERAL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

*General*

Cooperative of American Physicians Insurance Services, Inc. (the "Company") was incorporated in the State of Delaware on February 23, 2006. The Company is a registered broker-dealer in securities under the Securities and Exchange Act of 1934, a member of the Financial Industry Regulatory Authority ("FINRA"), and the Securities Investor Protection Corporation ("SIPC").

The Company is a wholly-owned subsidiary of Cooperative of American Physicians, Inc. (the "Parent"), and is affiliated to Mutual Protection Trust ("MPT").

The Company is engaged in business as a securities broker-dealer, which provides several classes of services, including the private placement of membership interests in MPT on a best efforts basis and the sale of variable life insurance exclusively to California licensed and California domiciled physicians and surgeons.

Under its membership agreement with FINRA and pursuant to Rule 15c3-3(k)(2)(i), the Company conducts business on a fully disclosed basis and does not execute or clear securities transactions for customers. Accordingly, the Company is exempt from the requirement of Rule 15c3-3 under the Securities Exchange Act of 1934 pertaining to the possession or control of customer assets and reserve requirements.

*Summary of Significant Accounting Policies*

The presentation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

The Company recognizes its commissions and fees when earned. For the year ended December 31, 2010, 100 percent of the Company's revenue came from MPT.

**Cooperative of American Physicians Insurance Services, Inc.**  
**Notes to Financial Statements**  
**December 31, 2010**

**Note 1: GENERAL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**(Continued)**

Payable to related party is stated at face amount with no allowance for doubtful accounts. An allowance for doubtful accounts is not considered necessary because probable uncollectible accounts are immaterial.

The operations of the Company are included in the consolidated federal income tax return filed by the Parent. Federal income taxes are calculated as if the Company filed on a separate basis and the amount of current tax and/or benefit calculated is either remitted to or received from the Parent.

The Company has evaluated events subsequent to the balance sheet date for items requiring recording or disclosure in the financial statements. The evaluation was performed through February 17, 2011, which is the date the financial statements were available to be issued. Based upon this review, the Company has determined that there were no events which took place that would have a material impact on its financial statements.

**Note 2: INCOME TAXES**

As discussed in Note 1, the Company is a wholly-owned subsidiary and is included in the consolidated income tax returns filed by its Parent. A portion of the consolidated income tax liability is allocated to the Company as if the Company had filed separate income tax returns.

|  |                        |
|--|------------------------|
| Current income tax expense (benefit)             |                        |
| Federal  | \$ 1,699               |
| State  | <u>1,072</u>           |
| Total current income tax expense (benefit)       | 2,771                  |
| Deferred income tax expense (benefit)            |                        |
| Federal  | -                      |
| State  | <u>-</u>               |
| Total deferred income tax expense (benefit)      | -                      |
| Total provision for income tax expense (benefit) | <u><u>\$ 2,771</u></u> |

**Cooperative of American Physicians Insurance Services, Inc.**  
**Notes to Financial Statements**  
**December 31, 2010**

**Note 3: RELATED PARTY TRANSACTIONS**

The Company has entered into a service agreement with the Parent effective January 1, 2007. The terms of this agreement stipulate that the Parent provides certain administrative, and payroll services for the Company. In addition, most of the overhead expenses incurred are paid by the Parent and reimbursed by the Company. Overhead expenses, as defined by the agreement, shall include rent, personnel, and various other operating costs incurred in the ordinary course of business. During the year ended December 31, 2010, \$6,000 was reimbursed to the Parent which was recorded as management fees on the Statement of Income.

The Company provides a substantial portion of its services to an affiliate, MPT. During 2010, services to that one customer aggregated \$259,758. As of the year ended December 31, 2010, the amount due from that customer was \$28,133 and is included in commission receivable from affiliate. The Company operates under an agreement whereby 100% of its commission income from MPT is paid to a broker engaged by MPT as commission expense. Under this agreement, MPT pays the Company a monthly service fee.

It is possible that the terms of certain of the related-party transactions are not the same as those that would result from transactions among wholly unrelated parties.

**Note 4: RECENTLY ISSUED ACCOUNTING STANDARDS**

The Financial Accounting Standards Board (the "FASB") issued a new professional standard in June of 2009 which resulted in a major restructuring of U.S. accounting and reporting standards. The new professional standard, issued as ASC 105 ("ASC 105"), establishes the Accounting Standards Codification ("Codification or ASC") as the source of authoritative accounting principles ("GAAP") recognized by the FASB. The principles embodied in the Codification are to be applied by nongovernmental entities in the preparation of financial statements in accordance with generally accepted accounting principles in the United States. Rules and interpretive releases of the Securities and Exchange Commission ("SEC") issued under authority of federal securities laws are also sources of GAAP for SEC registrants. Existing GAAP was not intended to be changed as a result of the Codification, and accordingly the change did not impact the financial statements of the Company.

For the year ending December 31, 2010, various Accounting Standard Updates ("ASU") issued by the FASB were either newly issued or had effective implementation dates that would require their provisions to be reflected in the financial statements for the year then ended. The Company has reviewed the following ASU releases to determine relevance to the Company's operations:

**Cooperative of American Physicians Insurance Services, Inc.**  
**Notes to Financial Statements**  
**December 31, 2010**

**Note 4: RECENTLY ISSUED ACCOUNTING STANDARDS**  
**(Continued)**

| <u>ASU Number</u> | <u>Title</u>   | <u>Effective Date</u>    |
|-------------------|--|--------------------------|
| 2009-01           | The FASB Accounting Standards Codification and the Hierarchy of Generally Accepted Accounting Principles (ASC 105) - a Replacement of FASB Statement No. 162 | After September 15, 2009 |
| 2010-06           | Fair Value Measurements and Disclosures (ASC 820): Improving Disclosures about Fair Value Measurements   | After December 15, 2009  |
| 2010-09           | Subsequent Events (ASC 855): Amendments to Certain Recognition and Disclosure Requirements   | After February 24, 2010  |
| 2009-16           | Accounting for Transfers of Financial Assets (ASC 860) - an Interpretation of FASB Statement No. 140   | After November 15, 2009  |
| 2009-17           | Consolidations (ASC 810) - Improvements to Financial Reporting by Enterprises with Variable Interest Entities  | After November 15, 2009  |

The Company has evaluated the implications, if any, of each of these pronouncements and the possible impact they may have on the Company's financial statements. In all cases, management has determined that the pronouncement has either limited or no application to the Company and, in all cases, implementation did not have a material impact on the financial statements taken as a whole.

**Cooperative of American Physicians Insurance Services, Inc.**  
**Notes to Financial Statements**  
**December 31, 2010**

**Note 5: NET CAPITAL REQUIREMENTS**

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. Rule 15c3-1 also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. Net capital and aggregate indebtedness change day to day, but on December 31, 2010, the Company had net capital of \$23,410 which was \$18,410 in excess of its required net capital of \$5,000; and the Company's ratio of aggregate indebtedness (\$35,162) to net capital was 1.5 to 1, which is less than the 15 to 1 maximum allowed.

**Note 6: RECONCILIATION OF AUDITED NET CAPITAL TO UNAUDITED FOCUS**

There is a difference of \$2,117 between the computation of net capital under net capital SEC. Rule 15c3-1 and the corresponding unaudited FOCUS part IIA.

|                                    |    |                      |

Board of Directors

Cooperative of American Physicians Insurance Services, Inc.:

In planning and performing our audit of the financial statements of Cooperative of American Physicians Insurance Services, Inc. (the Company), as of and for the year ended December 31, 2010, in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making the quarterly securities examinations, counts, verifications and comparisons, and the recordation of differences required by rule 17a-13
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgements by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A *control deficiency* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A *significant deficiency* is a control deficiency, or combination of control deficiencies, that adversely affects the entity's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the entity's financial statements that is more than inconsequential will not be prevented or detected by the entity's internal control.

A *material weakness* is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the entity's internal control.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at December 31, 2010, to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, Financial Industry Regulatory Authority, and other regulatory agencies that rely on rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.
