INDEPENDENT AUDITOR'S REPORT

To the Partners
E & G Investments, L.P.
Houston, Texas

We have audited the accompanying statements of financial condition of E & G Investments, L.P. as of December 31, 2010 and 2009 and the related statements of income, changes in partners' capital and cash flows for the years then ended that you are filing pursuant to Rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Partnership's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with generally accepted auditing standards in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of E & G Investments, L.P. as of December 31, 2010 and 2009, and the results of its operations and its cash flows for the years then ended, in conformity with generally accepted accounting principles in the United States.

Our audits were made for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in Schedules I, II and III is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by Rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

NOTE A **BASIS OF PRESENTATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The Partnership maintains its accounts on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States. Accounting principles followed by the Partnership and the methods of applying those principles which materially affect the determination of financial position, results of operations and cash flows are summarized below:

Description of Business – E & G Investments, L.P. (a Texas limited partnership) ("the Partnership") is located in Houston, Texas and is a private investment banking firm. Accordingly, the Partnership has claimed an exemption from the Securities and Exchange Commission's (SEC) Rule 15c3-3 under section (K)(2)(i). The Partnership is registered as a Broker-Dealer with the SEC, and a member of the Financial Industry Regulatory Authority (FINRA). Its principal market is the general public in the Southeastern region of Texas.

Statement Presentation – The unclassified statement of financial condition is presented in accordance with industry standards.

Cash and Cash Equivalents – The Partnership considers all highly liquid debt instruments with an original maturity of three months or less to be cash equivalents.

Revenue Recognition – Commissions are recognized when trades settle and receivables are recorded at that time.

Income Taxes – The Partnership's income, losses, and tax credits will be included in the income tax returns of the Partners. Accordingly, the Partnership does not record a provision for Federal income taxes. The Partnership is also subject to the Texas margin tax which is considered an income tax. The Partnership did not owe any Texas margin tax in 2010 and 2009.

Generally accepted accounting principles (GAAP) provide detailed guidance for the financial statement recognition, measurement and disclosure of uncertain tax positions recognized in an enterprise's financial statements. GAAP requires an entity to recognize the financial statement impact of a tax position when it is more likely than not that the position will be sustained upon examination. The Partnership believes that all significant tax positions utilized by the Partnership will more likely than not be sustained upon examination. As of December 31, 2010, the tax years that remain subject to examination by the major tax jurisdictions under the statute of limitations are from the year 2007 forward (with limited exceptions). Tax penalties and interest, if any, would be accrued as incurred and would be classified as tax expense in the statements of income.

Estimates - The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Subsequent Events - The Partnership has evaluated subsequent events through February 22, 2011, the date the financial statements were available to be issued. No subsequent events occurred, which require adjustment or disclosure to the financial statements at December 31, 2010.

NOTE B PARTNERSHIP AGREEMENT

The Partnership was formed December 3, 2003 and began operations in January, 2005. The general partner of the Partnership is E & G Consulting, LLC, and the current limited partners are Adam Gracely and Mark Easley.

The general partner has an ownership interest of 1% and the limited partners own a 99% interest.

All Partnership profits, losses and distributions are to be allocated to the partners in proportion to their respective percentage interests.

NOTE C MANAGEMENT AGREEMENT

The Partnership entered into a management agreement with E & G Advisors, L.P. (Advisors), a partnership related through common ownership, whereby Advisors will provide administrative and operational services, facilities, furniture and pay all overhead expenses of the Partnership.

Advisors will receive an incremental allocation service fee of \$452 per month. Service fees and expense allocations for 2010 and 2009 were \$5,420.

NOTE D NET CAPITAL REQUIREMENTS

Pursuant to the net capital provisions of Rule 15c3-1 of the Securities Exchange Act of 1934, the Partnership is required to maintain a minimum net capital, as defined under such provisions. Net capital and the related net capital ratio may fluctuate on a daily basis.

At December 31, 2010 and 2009, the Partnership had net capital of \$12,020 and \$18,604 respectively, and a net capital requirement of \$5,000. The Partnership's ratio of aggregate indebtedness to net capital at December 31, 2010 and 2009 was .05 to 1 and .03 to 1, respectively. The Securities and Exchange Commission permits a ratio for the Partnership at this time of no greater than 15 to 1.

NOTE E CREDIT RISK

The Partnership's bank balances are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. It is the Partnership's practice to utilize high net worth financial institutions to minimize its credit risk. Generally, no collateral or other security is required to support customer receivables. To reduce credit risk, a customer's credit history is reviewed before extending credit. There was no allowance for doubtful accounts at December 31, 2010 and 2009 as management believes all amounts are collectible.

REPORT ON INTERNAL CONTROL STRUCTURE
REQUIRED BY SEC RULE 17 A-5 FOR A
BROKER-DEALER CLAIMING AN EXEMPTION
FROM SEC RULE 15C3-3

February 22, 2011

The Partners
E & G Investments, L.P.

In planning and performing our audit of the financial statements and supplemental schedules of E & G Investments, L.P. (the Partnership), as of and for the year ended December 31, 2010, in accordance with auditing standards generally accepted in the United States, we considered the Partnership's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Partnership's internal control. Accordingly, we do not express an opinion on the effectiveness of the Partnership's internal control.

Also, as required by rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Partnership including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of rule 15c3-3. Because the Partnership does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Partnership in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by rule 17a-13.
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Regulation T of the Board of Governors of the Federal Reserve System.

The management of the Partnership is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Partnership has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control or the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A *control deficiency* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Partnership's financial statements will not be prevented or detected and corrected on a timely basis.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and the practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Partnership's practices and procedures were adequate at December 31, 2010, to meet the SEC's objectives.

This report is intended solely for the information and use of the partners, management, the SEC, and other regulatory agencies that rely on rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be an should not be used by anyone other than these specified parties.
