INDEPENDENT AUDITORS' REPORT

We have audited the accompanying statement of financial condition of Shannon Advisors LLC as of December 31, 2010, and the related statements of income, changes in member's equity and cash flows for the period October 9, 2009 through December 31, 2010 that you are filing pursuant to rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Shannon Advisors LLC as of December 31, 2010, and the results of its operations and its cash flows for the period October 9, 2009 through December 31, 2010 in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of expressing an opinion on the basic financial statements taken as a whole. The supplementary information on pages 9-10 is presented for the purpose of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by Rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

SHANNON ADVISORS LLC

NOTES TO FINANCIAL STATEMENTS

FOR THE PERIOD OCTOBER 9, 2009 THROUGH DECEMBER 31, 2010

NOTE 1. SIGNIFICANT ACCOUNTING POLICIES

Nature of Business

The Company is a broker dealer registered with the Securities and Exchange Commission (SEC) and is a member of the Financial Industry Regulatory Authority (FINRA). The Company is a Delaware limited liability company organized in March 2009 and is a wholly owned subsidiary of Shannon Advisors LP. The Company provides brokerage and private placement advisory services to private equity companies globally.

Estimates

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could differ from those estimates.

Revenue Recognition

Private placement advisory fees are recognized when earned.

Cash Equivalents

For purposes of the statement of cash flows, the Company considers all short-term debt securities with an original maturity of six months or less to be cash equivalents.

Accounts Receivable

The Company grants credit to its customers and generally requires no collateral. Accounts receivable are reported at their outstanding balances reduced by the allowance for doubtful accounts, if any.

The allowance for doubtful accounts is increased by charges to income and decreased by chargeoffs (net of recoveries). Management's periodic evaluation of the adequacy of the allowance is based on the Company's past collection experience, known and inherent risks of the customer comprising the Company's accounts receivable balance, adverse situations that may affect the customer's ability to pay, and the current economic conditions. Accounts receivable are charged off when management deems the accounts receivable balance to be uncollectible.

Based on review of the accounts receivable, management determined that an allowance for doubtful accounts was not necessary at December 31, 2010.

Income Taxes

The Company is a single member limited liability company, and, therefore, the Company income is taxable to the member. Accordingly, no provision has been made for income taxes.

**SHANNON ADVISORS LLC
NOTES TO FINANCIAL STATEMENTS
FOR THE PERIOD OCTOBER 9, 2009 THROUGH DECEMBER 31, 2010**

NOTE 2. NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission's Uniform Net Capital Rule (Rule 15c3-1). Under this rule, the Company is required to maintain "minimum net capital" equivalent to \$5,000 or 6 2/3% of "aggregate indebtedness", whichever is greater, as these terms are defined. At December 31, 2010, the Company had net capital of \$93,956 which was \$88,956 in excess of its required net capital of \$5,000. The Company's net capital ratio was 0.000 to 1.0.

NOTE 3. CONCENTRATIONS OF CREDIT RISK

Financial instruments that potentially subject the Company to concentrations of credit risk consist principally of bank balances in excess of Federal Deposit Insurance Corporation limits and accounts receivable.

The Company occasionally maintains bank balances in excess of federally insured limits. The Company has not experienced any losses on such accounts.

NOTE 4. CONCENTRATIONS

For the period October 9, 2009 through December 31, 2010, the Company had 2 clients that accounted for approximately 74% of revenues.

NOTE 5. OPERATING LEASE

The Company leases office space from an unrelated third party on a month to month basis for \$575 per month. Rent expense for the period October 9, 2009 through December 31, 2010 was \$5,775.

NOTE 6. INCOME TAXES

The Company files income tax returns in the U.S. federal jurisdiction, and various state jurisdictions. The Company is no longer subject to U.S. federal, state and local income tax examinations by tax authorities for years before 2007.

The Company follows the provisions of uncertain tax positions as addressed in FASB Accounting Standards Codification 740-10-65-1. The Company has not recognized any liability for unrecognized tax benefits. The Company has no tax position at December 31, 2010 for which the ultimate deductibility is highly certain but for which there is uncertainty about the timing of such deductibility. The Company recognizes interest accrued related to unrecognized tax benefits in interest expense and penalties in operating expenses. No such interest or penalties were recognized during the periods presented. The Company had no accruals for interest and penalties at December 31, 2010.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL

To the Member of
Shannon Advisors LLC
Lake Forest, Illinois

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL

In planning and performing our audit of the financial statements of Shannon Advisors LLC ("Company") for the period October 9, 2009 through December 31, 2010, we considered its internal control, in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on internal control.

Also, as required by rule 17a-5(g)(1) of the Securities Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company, including tests of such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by rule 17a-13
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System
3. Obtaining and maintaining physical possession or control of all fully paid and excess margin securities of customer as required by Rule 15c3-3

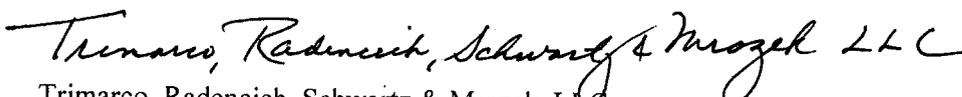

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with U.S. generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control or the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

Our consideration of internal control would not necessarily disclose all matters in internal control that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, we noted no matters involving internal control, including control activities for safeguarding securities, that we consider to be material weaknesses as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at December 31, 2010 to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, and other regulatory agencies which rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT AUDITORS' REPORT ON APPLYING AGREED-UPON PROCEDURES RELATED TO AN ENTITY'S SIPC ASSESSMENT RECONCILIATION

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments [General Assessment Reconciliation (Form SIPC-7)] to the Securities Investor Protection Corporation (SIPC) for the period of October 9, 2009 to December 31, 2010, which were agreed to by Shannon Advisors LLC and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc., and SIPC, solely to assist you and the other specified parties in evaluating Shannon Advisors LLC's compliance with the applicable instructions of the General Assessment Reconciliation (Form SIPC-7). Shannon Advisors LLC's management is responsible for Shannon Advisors LLC's compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement records entries noting no differences.
2. Compared the Total Revenue amounts of the audited Form X-17A-5 with the amounts reported in Form SIPC-7 for the period from October 9, 2009 to December 31, 2010.
3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers noting no differences.
4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting the adjustments noting no differences.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
