INDEPENDENT AUDITOR'S REPORT

To the Board of Directors and Stockholder of
ProFunds Distributors, Inc.

We have audited the accompanying statement of financial condition of ProFunds Distributors, Inc. (the Company) as of December 31, 2010, and the related statements of operations, changes in stockholder's equity and cash flows for the year then ended that you are filing pursuant to Rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of ProFunds Distributors, Inc. as of December 31, 2010, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained on pages 10 and 11 is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by Rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

PROFUNDS DISTRIBUTORS, INC.
(A wholly owned subsidiary of ProFund Advisors LLC)
NOTES TO FINANCIAL STATEMENTS

Note 1. ORGANIZATION

ProFunds Distributors, Inc. (the "Company") is a wholly owned subsidiary of ProFund Advisors LLC ("PFA"). The Company is registered with the Securities and Exchange Commission ("SEC") as a broker-dealer and is a member of the Financial Industry Regulatory Authority ("FINRA").

Effective February 29, 2008, PFA acquired the outstanding common stock of the Company under a Stock Purchase Agreement among the Company, PFA and Citi Investor Services, Inc., the former sole stockholder and a wholly-owned subsidiary of Citibank, N.A.

The Company serves as distributor and underwriter for the mutual funds in the ProFunds and Access One Trusts (the "Funds") and a portion of the Company's revenues are earned from the Funds from the sale of the Funds' shares and from income received under a third party marketing agreement as described in Note 2. The Company also provides distribution, shareholder and wholesaling support to PFA, ProShare Advisors LLC ("PSA") and ProShare Capital Management LLC ("PCM").

Note 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Method of Reporting

The Company's financial statements are presented in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). The Financial Accounting Standards Board (FASB) Accounting Standards Codification (the Codification) is the single source of U.S. GAAP. The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the period. Actual results could differ from those estimates.

B. Cash

The Company maintains cash deposits in a bank which, from time to time, exceed the amount of deposit insurance available. Management periodically assesses the financial condition of the bank and believes that any potential credit loss is minimal.

C. Revenue Recognition

Distribution fees represent 12b-1 and shareholder servicing fees paid by the Funds pursuant to Distribution Agreements between the Funds and the Company. These fees are principally determined based on average daily net assets of the Funds and are accrued monthly.

PROFUNDS DISTRIBUTORS, INC.
(A wholly owned subsidiary of ProFund Advisors LLC)
NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

C. Revenue Recognition (continued)

The Company has an agreement with a third party asset manager of an investment vehicle in which the Money Market ProFund invests. Under this agreement, the third party provides funding for marketing, advertising and distribution related activities of the Money Market ProFund and other ProFunds. During the year, the Company recorded \$455,579 of revenues earned from the third party and \$455,579 of associated marketing/advertising/distribution related expenses. These amounts are reflected in the statement of operations as distribution and distribution related fees and distribution and distribution related expenses, respectively.

Pursuant to a Distribution Services Agreement between the Company, PFA, PSA and PCM, distribution service fees are fees earned from PFA, PSA and PCM for distribution, shareholder and wholesaling support. These fees are billed and earned monthly. The fees contain a fixed monthly amount plus a variable portion for total costs directly incurred by the Company for services provided under the Distribution Services Agreement.

D. Distribution and Distribution Related Expenses

Distribution expense represents 12b-1 fees paid to other broker-dealers which originally sold the Funds' shares that generated the distribution fees pursuant to the Distribution Agreements. Distribution fees not paid to selling brokers are used to support other distribution related activities as allowed under the Distribution and Service Plan. Distribution related expenses include, but are not limited to, the printing of prospectuses and reports used for sales purposes, advertisements, expenses of preparation and printing of sales literature, expenses associated with electronic marketing and sales media and communications, and other sales or promotional expenses.

E. Equipment

Equipment is stated at cost, net of accumulated depreciation. Depreciation is charged to operations over the estimated lives of the equipment, ranging from 5 to 7 years, utilizing the straight-line method.

F. Income Taxes

The Company files its own U.S. federal and applicable state income tax returns and calculates income tax expense as a stand alone entity. The 2008 through 2010 tax years generally remain subject to examination by U.S. federal and most state tax authorities.

PROFUNDS DISTRIBUTORS, INC.
(A wholly owned subsidiary of ProFund Advisors LLC)
NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

F. Income Taxes (continued)

The Company accounts for income taxes using the asset and liability method. Under this method, income taxes are provided for amounts currently payable and for amounts deferred as tax assets and liabilities based on differences between the financial statement carrying amounts and the tax bases of existing assets and liabilities. Deferred income taxes are measured using the enacted tax rates that are assumed will be in effect when the differences reverse. At December 31, 2010, the Company has a deferred tax asset of \$144,868, with no valuation allowance, due to temporary differences arising from the timing of recognition of certain income and expenses between financial reporting and income tax purposes. At December 31, 2010, the Company also has a non-current deferred tax liability of \$16,005, with no valuation allowance, due to temporary differences arising from differences in depreciation methods between financial reporting and income tax purposes. Deferred tax benefits are recognized in the statement of operations for changes in net deferred tax assets between years. Income tax expense for the year ended December 31, 2010 of \$194,209 consists of current tax expense of \$323,072 and a deferred tax benefit of \$128,863. There are no net operating loss carryforwards to offset future years taxable income.

The Company applies the provisions of Codification Topics 740, *Income Taxes*; and 835, *Interest*, which prescribes the minimum recognition threshold a tax position must meet in connection with accounting for uncertainties in income tax positions taken or expected to be taken by an entity before being measured and recognized in the financial statements. This accounting standard requires the evaluation of tax positions taken or expected to be taken in the course of preparing the Companies financial statements to determine whether the tax positions are “more-likely-than-not” of being sustained by the applicable tax authority. Tax positions with respect to tax at the Company level not deemed to meet the “more-likely-than-not” threshold would be recorded as an expense in the current year. The Company has elected an accounting policy to classify interest and penalties, if any, as interest expense. Management has concluded there is no tax expense or interest expense related to uncertainties in income tax positions for the year ended December 31, 2010.

Note 3. RELATED PARTY TRANSACTIONS

As previously described, the Company derives a majority of its revenues from affiliated entities, primarily distribution fees from the Funds and distribution service fees from PFA, PSA and PCM.

Effective February 29, 2008, the Company entered into an Expense Sharing Agreement with PFA pursuant to which PFA provides various services to the Company such as use of office facilities, equipment, personnel and other administrative services. PFA charges the Company an administrative service fee for these services designed to cover the costs of providing such services. The administrative service fee charged by PFA amounted to \$976,829 for the year ended December 31, 2010. The administrative service fee would not necessarily be the same if an unrelated party provided these services to the Company.

PROFUNDS DISTRIBUTORS, INC.
(A wholly owned subsidiary of ProFund Advisors LLC)
NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 4. NET CAPITAL REQUIREMENT

As a registered broker-dealer engaged in the sale of redeemable shares of registered investment companies and certain other share accounts, the Company is subject to the SEC's Uniform Net Capital Rule 15c3-1 (the "Rule"), which requires the maintenance of minimum net capital, and requires that the ratio of aggregate indebtedness to net capital shall not exceed 15 to 1. At December 31, 2010, the Company had net capital under the Rule of \$837,569, which was \$716,700 in excess of its minimum required net capital of \$120,869. The Company's ratio of aggregate indebtedness to net capital at December 31, 2010 was 2.16 to 1.

Note 5. REGULATORY COMPLIANCE

The Company has claimed exemption from the provisions of SEC Rule 15c3-3 under subparagraph (k)(1)—all customer transactions are limited to the sale and redemption of redeemable securities of registered investment companies and the Company does not handle customer funds.

Note 6. CONTRACTS

The Company has Distribution Agreements with the Funds under which it provides distribution services. The Distribution Agreements continue in effect until terminated by either party. The Company receives commissions on sales of certain new shares of the Funds and 12b-1 and shareholder servicing fees paid by the Funds for shares sold which are still outstanding.

The Company enters into sales agreements with various selling broker-dealers related to the sale of the shares of the Funds. The Company pays these broker-dealers distribution expense (12b-1 fees or commissions) as outlined in their respective agreements.

The Company also has a Compliance Consulting Services Agreement with Foreside Distributors, LLC ("Foreside") for which Foreside performs certain compliance services on an outsourced basis. The agreement contains a fixed monthly fee and is in effect until termination by either party.

Note 7. EMPLOYEE BENEFIT PLAN

The Company contributed to a qualified 401(k) plan (the "Plan") during the year, for the benefit of eligible employees of the Company. The eligible employees may elect to defer a portion of their compensation and the Company will make matching contributions as described in the Plan. Matching contributions charged to expense were \$110,317 for the year ended December 31, 2010.

Note 8. INDEMNIFICATIONS

In the normal course of business, the Company may enter into contracts that contain a number of representations and warranties, which may provide for general or specific indemnifications. The Company's maximum exposure under these contracts is not currently known, as any such exposure would be based on future claims which could be made against the Company. Management is not currently aware of any such pending claims and expects the risk of any future material obligation under these indemnifications to be remote.

**INDEPENDENT AUDITOR'S REPORT ON
INTERNAL CONTROL**

Supplementary Report to Financial
Statements and Supplementary Information
(Form X-17A-5)

For the Year Ended December 31, 2010

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL

To the Board of Directors and Stockholder of
ProFunds Distributors, Inc.

In planning and performing our audit of the financial statements of ProFunds Distributors, Inc. (the Company) as of and for the year ended December 31, 2010, in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by Rule 17a-13
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

ProFunds Distributors, Inc.

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A *control deficiency* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A *significant deficiency* is a deficiency, or combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Company's financial statements will not be prevented or detected and corrected on a timely basis.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined above.

We understand that the practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at December 31, 2010, to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, the Financial Industry Regulatory Authority, Inc., and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.
