Notes to Statement of Financial Condition

The preparation of the statement of financial condition in conformity with accounting principles generally accepted in the United States of America requires the Company to report information regarding its exposure to various tax positions taken by the Company. The Company has determined whether any tax provisions have met the recognition threshold and have measured the Company's exposure to those tax positions. Management believes that the Company has adequately addressed all relevant tax positions and that there are no uncertain tax positions that are required to be reported as a liability. The Company is no longer subject to income tax examinations by U.S. federal, state or local tax authorities for years before 2007.

Concentrations: The Company has cash in banks in excess of the Federal Deposit Insurance Corporation (FDIC) insurance coverage of \$250,000. At December 31, 2010, the Company had \$332,712 in excess of this requirement which is subject to loss should the bank cease operations.

Note 3. Net Capital Requirements

The Company is subject to the SEC Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of minimum net capital. Under this rule, the Company is required to maintain "net capital" of 6 2/3 percent of "aggregate indebtedness" or \$5,000, whichever is greater, as these terms are defined, and requires that the ratio of aggregate indebtedness to net capital, both as defined not to exceed 15 to 1. The rule also provides that equity capital may not be withdrawn if the resulting net capital ratio would exceed 10 to 1. At December 31, 2010, the Company had net capital of \$58,270, which was \$23,290 in excess of its required net capital of \$34,980.

Note 4. Related Party Transactions

As of December 31, 2010, the Company has a receivable due from Equinox in the amount of \$43,678 and a due to related party due to TBG, and Equinox Fund Management, LLC in the amount of \$1,188.

Note 5. Commitments and Contingencies

In the normal course of business, the Company's activities of marketing limited partnership interests in private commodity pools and investment partnerships expose the Company to off-balance sheet risk. In the event the purchasers of such partnership interests experience losses, claims may be made of the Company for any marketing misinformation.

Note 6. Subsequent Events

Subsequent to year end the main shareholder sold its interest in the Company to Equinox Fund Management, LLC. The entity will continue operations in the same manner as previously conducted.
