#### **1. Organization and Summary of Significant Accounting Policies**

Sabadell Securities USA, Inc. (the "Company"), a wholly owned subsidiary of Banco Sabadell S.A., was incorporated on May 23, 2008, is a broker-dealer registered with the Securities and Exchange Commission ("SEC") and a member of the Financial Industry Regulatory Authority ("FINRA"). The Company's registration with FINRA was effective as of May 21, 2009. The operations start date was February 24, 2010, upon receiving approval from the Federal Reserve to commence operations. On October 26, 2010, the Company received FINRA approval for an expansion of certain business lines including: mutual fund retailer, municipal securities broker, private placements of securities, and investment advisory services.

The Company provides introductory brokerage and investment services primarily for customers of Banco Sabadell S.A. and its subsidiaries. Custody of securities owned by customers of the Company and all security transactions are settled through a third party clearing broker on a fully disclosed basis. Revenues derived from these services are recognized in the accompanying statement of operations.

The Company evaluates subsequent events through the date of issuance. These financial statements considered subsequent events through February 23, 2011 the date the financial statements were available to be issued.

Following is a description of the significant accounting policies and practices followed by the Company in the preparation of the accompanying financial statements. These policies conform to accounting principles generally accepted in the United States of America.

#### **Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

#### **Cash**

Cash consists of cash in banks which is held primarily at one major U.S. financial institution and firm accounts at the clearing institution. As of December 31, 2010 cash held in foreign currencies amounted to \$3,413 mainly denominated in Euros. There is also a deposit held with the clearing institution in accordance with the clearing agreement. These funds are considered restricted cash and are presented in the Statement of Financial Condition as Deposit with Clearing Broker.

#### **Customers' securities transactions**

Customers' securities transactions and the related riskless principal trading, commissions, brokerage fees revenues, and expenses are recorded on trade date. Receivable from customers and payable to brokers represent security transactions that have not settled.

#### **Income Taxes**

The Company is subject to U.S. federal and state income taxes. The Company utilizes an asset and liability approach to account for income taxes. The asset and liability approach requires recognition of deferred tax assets and liabilities for expected future tax consequences of temporary differences between the carrying amounts and tax basis of other assets and liabilities. Deferred tax assets are required to be reduced by a valuation allowance to the extent that, management believes, it is more likely than not that the deferred tax asset will not be realized.

**Sabadell Securities USA, Inc.**  
**Notes to the Financial Statements**  
**December 31, 2010**

---

**Net Capital Requirements**

The Company is subject to the SEC Uniform Net Capital Rule ("Rule 15c3-1"), which requires the maintenance of minimum net capital, as defined, equal to the greater of \$5,000 or 6 2/3% of aggregate indebtedness, as defined. At December 31, 2010, the Company had net capital of \$1,179,846, which was \$1,160,906 in excess of the minimum amount required of \$18,940.

The Company is exempt from the SEC's Customer Protection Rule ("Rule 15c3-3"). Section (k)(2)(ii) of Rule 15c3-3 allows for this exemption since all customer transactions are cleared through other broker-dealers on a fully-disclosed basis.

**2. Cash Segregated Under Federal Regulations**

Rule 15c3-3 under the Securities and Exchange Act of 1934 (the "Rule") specifies certain conditions under which brokers and dealers carrying customer accounts are required to maintain cash or qualified securities in a special reserve bank account for the exclusive benefit of customers. The Company clears all transactions with and for customers on a fully disclosed basis, and the Company does not otherwise hold funds or securities for, or owe money to customers and therefore is exempt from the provisions of Rule 15c3-3 pursuant to paragraph k(2)(ii).

**3. Related Party Transactions**

The Company entered into a Management Agreement with Banco Sabadell S.A. – Miami Branch (the "Branch") effective May 1, 2009. Under this agreement, certain expenses were paid to the Branch and are considered related party transactions.

The following table sets forth the Company's related party liabilities as of December 31, 2010:

**Liabilities**

Accrued expenses and other liabilities	\$ 167,704
Total liabilities	<u>\$ 167,704</u>

The following table sets forth the Company's related party revenues and expenses for the year ended December 31, 2010:

**Revenues**

Commission revenue	\$ 2,325,259
Total revenues	<u>\$ 2,325,259</u>

**Expenses**

Employee compensation and benefits	426,295
Fees and services	83,996
Occupancy	25,887
Total expenses	<u>\$ 536,178</u>

**Sabadell Securities USA, Inc.**  
**Notes to the Financial Statements**  
**December 31, 2010**

---

**4. Income Taxes**

The components of the income tax (benefit) provision are as follows for the year ended December 31, 2010:

Current:		
Federal and State		\$ 413,097
Deferred:		
Federal and State		<u>(89,115)</u>
		<u>\$ 323,982</u>

At December 31, 2010, the Company's deferred tax asset (liability) consists of the following tax-effected temporary differences:

<b>Deferred tax assets</b>		
Accrued professional fees		\$ 7,330
Capitalized start-up expenditures		99,331
		<u>106,661</u>
<b>Deferred tax liability</b>		
Prepaid expenses		<u>(17,546)</u>
Net deferred tax asset		<u>\$ 89,115</u>

The deferred tax provision consists of income tax related to differences between the tax basis of assets and liabilities and their financial reporting amounts.

In order to determine the realizability of deferred tax assets, the Company considers all available positive and negative evidence, including future reversals of existing temporary differences and projected future taxable income. In the event that the Company believes it is more likely than not that the tax benefit will not be realized a valuation allowance would be established which would increase the tax provision for income taxes and impact the Company's results. As of December 31, 2010, the Company believes that it is more likely than not that the deferred tax assets will be realized and therefore, no valuation allowance is necessary. The valuation allowance of \$88,706 recorded at December 31, 2009 was released during 2010 and the effect is included in the deferred tax benefit.

**Report of Independent Certified Public Accountants  
on Internal Control Required by Rule 17a-5 of the  
Securities and Exchange Commission**

To the Board of Directors of  
Sabadell Securities USA, Inc.

In planning and performing our audit of the financial statements of Sabadell Securities USA, Inc. (the "Company") as of and for the year ended December 31, 2010, in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission (the "SEC"), we have made a study of the practices and procedures followed by the Company, including consideration of control activities for safeguarding securities. This study included tests of compliance with such practices and procedures, that we considered relevant to the objectives stated in Rule 17a-5(g), in making the following:

1. The periodic computations of aggregate indebtedness and net capital under Rule 17a-3(a)(11); and
2. Determining compliance with the exemptive provisions of Rule 15c3-3.

Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making the quarterly securities examinations, counts, verifications, and comparisons, and the recordation of differences required by Rule 17a-13; and
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System.

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph, and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable, but not absolute, assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A *control deficiency* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A *significant deficiency* is a control deficiency, or combination of control deficiencies, that adversely affects the entity's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the entity's financial statements that is more than inconsequential will not be prevented or detected by the entity's internal control. A *material weakness* is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the entity's internal control.

Our consideration of internal control was for the limited purpose described in the first, second, and third paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at December 31, 2010, to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, the Financial Industry Regulatory Authority, and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

  - b. Compared deductions on line 8, Other revenue not related either directly or indirectly to the securities business, of \$963 to the supporting schedules provided by the Financial and Operations Principal. No exceptions noted.
4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers obtained in procedure 3, as follows:

We were not engaged to and did not conduct an examination, the objective of which would be the expression of an opinion on the Company's preparation of Form SIPC-7 in accordance with the applicable instructions. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of management and the board of directors of Sabadell Securities USA, Inc., the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc., and the Securities Investor Protection Corporation and is not intended to be and should not be used by anyone other than these specified parties.
