INDEPENDENT AUDITOR'S REPORT

To The Stockholder
Ferghana Securities, Inc.

We have audited the accompanying statement of financial condition of Ferghana Securities, Inc. as of April 30, 2011 that you are filing pursuant to rule 17a5 under the Securities Exchange Act of 1934. This financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statement referred to above presents fairly, in all material respects, the financial position of Ferghana Securities, Inc. as of April 30, 2011 in conformity with accounting principles generally accepted in the United States of America.

ORGANIZATION:

Ferghana Securities, Inc. (The Company), a wholly owned subsidiary of Ferghana Partners Inc., was formed in Delaware on April 22, 1997. The Company is a Broker Dealer registered with Financial Industry Regulatory Authority (FINRA) and the Securities Exchange Commission (SEC).

REVENUES:

The Company provides investment banking services to the global Healthcare and Chemicals Sectors for Equity Financing Transactions. Revenues are recorded on the accrual basis when earned.

The Company maintains cash and cash equivalents with commercial banks and other financial institutions. At times, such amounts might exceed Federal Deposit Insurance Corporations ("FDIC") limits.

SIGNIFICANT CREDIT RISK AND ESTIMATES:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management of the Company to use estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

INCOME TAXES:

The Company and its parent Ferghana Partners Inc. file consolidated Federal, State and City income tax returns. As a result, the Company pays its Federal, State and City income tax provision to its parent.
