Independent Auditors' Report

We have audited the accompanying statement of financial condition of AOS, Inc, as of December 31, 2010 and 2009, and the related statements of income, changes in shareholder's equity and cash flows for the years then ended that you are filing pursuant to rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatements. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial condition of AOS, Inc. as of December 31, 2010 and 2009, and the results of its operations and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in the schedules on pages 11 through 17 is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by rule 17a-5 under the Securities Exchange act of 1934 and the rules of the National Futures Association. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

AOS, Inc.

Notes To Financial Statements December 31, 2010

Note 1 – Significant Accounting Policies

Description of Business

AOS, Inc. is registered as a broker-dealer with the Securities and Exchange Commission. As a securities broker-dealer, the Company is engaged in various securities trading and brokerage activities serving a diverse group of customers. The trading and brokerage activities are provided through the Company's fully-disclosed correspondent relationships with Penson Financial Services, Inc. The Company is also registered as an Independent Introducing Broker with the Commodity Futures Trading Commission and is a member of the National Futures Association.

Estimates and Assumptions

The process of preparing financial statements in conformity with generally accepted accounting principles requires the use of estimates and assumptions regarding certain types of assets, liabilities, revenues, and expenses. Such estimates primarily relate to unsettled transactions and events as of the date of the financial statements. Accordingly, upon settlement, actual results may differ from estimated amounts.

Accounting Method

The accounts of the Company are maintained on the accrual basis of accounting. Income earned from customer security transactions are recorded on a trade date basis. If payments are not received or the transaction has not settled on customer transactions, accounts receivable is recorded to recognize that income. The Company uses the direct method for recording bad debts.

Advertising Costs

All advertising costs are expensed as incurred. Advertising costs incurred were \$33,408 and \$75,034 for 2010 and 2009, respectively.

Statement of Cash Flows

Cash equivalents include demand deposits and money market accounts. Cash deposits with clearing organizations are not included as a cash equivalent item. The Company did not pay income taxes in 2010 and 2009, respectively. The Company paid \$273 and \$472 in interest costs in 2010 and 2009, respectively.

Furniture and Equipment

Furniture and equipment are recorded at their original cost. Depreciation of \$1,506 and \$1,506 for the years ended December 31, 2010 and 2009, respectively, has been computed using straight line rates of depreciation.

Intangibles

Included in intangibles are computer software developed internally by the Company and a patent that is pending final approval. The computer software was placed in service in September of 2010, and amortization was calculated for four months using the straight line method over a ten year useful life. Amortization of \$26,667 and \$-0- has been computed for the years ended December 31, 2010 and 2009, respectively. The patent is still pending as of December 31, 2010, so it remains unamortized.

The following is a summary of furniture and equipment less accumulated depreciation:

	December 31, 2010	December 31, 2009
Office furniture	\$ 20,272	\$ 20,272
Less: Accumulated depreciation	<u>(13,244)</u>	<u>(11,738)</u>
Total	<u>\$ 7,028</u>	<u>\$ 8,534</u>

Note 3 - Intangibles

The following is a summary of intangibles:

	December 31, 2010	December 31, 2009
Computer software	\$ 800,000	\$ 800,000
Patent	9,481	9,481
Less: Accumulated amortization	<u>(26,667)</u>	<u>-</u>
Total	<u>\$ 782,814</u>	<u>\$ 809,481</u>

Estimated amortization is shown below for the years ended December 31:

2011	\$ 80,000
2012	80,000
2013	80,000
2014	80,000
2015	80,000

Note 4 – Commitments

The Company is committed under an operating lease for the rental of office space. Annual payments under this agreement are shown below for the years ended December 31:

2011	\$ 196,175
2012	209,597
2013	213,728
2014	199,617

Rental expenses for 2010 and 2009 were \$191,149 and \$171,426 respectively.

AOS, Inc.

Notes To Financial Statements December 31, 2010

Note 5 - Contingencies

The Company is a defendant in a lawsuit filed by one of its customers for alleged mishandling of her investment account. The customer has agreed for the matter to be settled by the Division of Arbitration of the Financial Industry Regulatory Authority. Total amount of damages that she is requesting is \$50,000 to \$100,000 plus additional costs. The Company intends to vigorously defend its position. Since the amount of actual damages cannot be estimated at this time, no accrual has been made of the books.

Note 6 - Income Taxes

The Company files a consolidated tax return with its parent company, Trading Block Holding, Inc. The difference between the consolidated income tax expense and the Company's income tax expense is not significant. The Company's deferred tax assets and liabilities result from timing differences related to the expensing of software development costs, the book versus tax methods of depreciation, and net operating loss carryforwards. The Company's effective income tax rate is different than what would be expected if the federal statutory rates were applied to income from continuing operations primarily because of expenses deductible for financial reporting purposes that are not deductible for tax purposes and the graduated federal tax brackets.

The Company has available at December 31, 2010, \$2,361,146 of unused federal operating loss carryforwards and \$2,865,815 of unused Illinois operating loss carryforwards that may be applied against future taxable income. The federal loss carryforwards expire in 2028, 2029 and 2030, and the Illinois loss carryforwards expire in 2020, 2021 and 2022.

The components of income tax expense were as follows:

	<u>2010</u>	<u>2009</u>
Current state	\$ -	\$ -
Current federal	-	-
Deferred state - carryforwards	(69,712)	(67,515)
Deferred federal - carryforwards	(301,664)	(291,501)
Deferred state - other	(4,262)	(4,493)
Deferred federal - other	(18,399)	(19,401)
	<u>\$ (394,037)</u>	<u>\$ (382,910)</u>

AOS, Inc.

Notes To Financial Statements December 31, 2010

Note 7 - Concentrations of Credit Risk

Even though the Company is a fully-disclosed broker-dealer, it could become contingently liable for any unsecured debit balances in any of its customer accounts. These customer activities may expose the Company to off-balance-sheet risk in the event the customer is not able to fulfill its contractual obligation. The Company seeks to control its risk by monitoring margin collateral levels on a daily basis, by requiring additional collateral if necessary, and by forcing a liquidation of a customer account when necessary.

Commissions receivable as of December 31, 2010 and 2009 were unsecured and totaled \$404,793 and \$338,803 respectively. The Company does not require collateral on these receivables.

The Company maintains a cash balance in a money market account. The balance in this account on December 31, 2010 of \$29,419 is not insured against loss.

Note 8 – Related Party Transaction

The Company paid for \$23,447 of legal expenses for their parent company, Trading Block, Inc., which is an accounts receivable on the balance sheet.

Note 9 – Net Capital Requirements

The Company is required to maintain a minimum net capital by SEC Rule 15c3-1. Net capital required under the rule is the greater of \$250,000 or 6-2/3% of the aggregate indebtedness of the Company. On December 31, 2010, the Company had net capital of \$443,414, which was \$193,414 in excess of its required net capital of \$250,000. The percentage of aggregate indebtedness to net capital was 100.3%.

Note 10 - Control Requirements

There are no amounts, as of December 31, 2010, to be reported pursuant to the possession or control requirements under Rule 15c3-3. The Company is in compliance with the exemptive provisions of Rule 15c3-3 under paragraph (k)(2)(ii) and thus is exempt from the provisions of Rule 15c3-3.

Board of Directors
AOS, Inc.

In planning and performing our audit of the financial statements of AOS, Inc., as of and for the year ended December 31, 2010, in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company, including consideration of control activities for safeguarding securities and including tests of such practices and procedures that we considered relevant to the objectives stated in rule 17(a)-5(g), in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of rule 15c-3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making the quarterly securities examinations, counts, verifications, and comparisons, and the recordation of differences required by rule 17a-13
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System
3. Obtaining and maintaining physical possession or control of all fully paid and excess margin securities of customers as required by Rule 15c3-3.

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls, and of the practices and procedures referred to in the preceding paragraph, and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that the assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

To the Board of Directors of
AOS, Inc.
Page Two

Because of inherent limitations in internal control and the practices and procedures referred to above, errors or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis.

A significant deficiency is a deficiency, or combination of deficiencies in internal control, that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined above. We did identify a material weakness related to the control over the selection and application of accounting principles in conformity with GAAP. This weakness does not affect our report on these financial statements nor the internal control or control activities for safeguarding securities.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at December 31, 2010, to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, the FINRA, and other regulatory agencies which rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

To the Board of Directors
AOS, Inc.
Chicago, Illinois

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments [General Assessment Reconciliation (Form SIPC-7)] to the Securities Investor Protection Corporation (SIPC) for the period from January 1, 2010 to December 31, 2010, which were agreed to by AOS, Inc. and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc., and SIPC, solely to assist you and the other specified parties in evaluating AOS, Inc.'s compliance with the applicable instructions of the General Assessment Reconciliation (Form SIPC-7). AOS, Inc.'s management is responsible for the AOS, Inc.'s compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement records entries:

Balance of Prior Year SIPC-7T - Check #2199 for \$3,810.00 written on 2-22-2010
SIPC-6 Balance - Check #2524 for \$2,236.00 written on 7-30-2010

2. Compared the Total Revenue amounts of the audited Form X-17A-5 for the year ended December 31, 2010 with the amounts reported in Form SIPC-7 for the year ended December 31, 2010 noting no differences;
3. Compared adjustments reported in Form SIPC-7 with supporting schedules and working papers, transactions identified in specific general ledger accounts and entries on FOCUS reports filed for the quarters ended in 2010, noting no differences; and

4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers, transactions identified in specific general ledger accounts and entries on FOCUS reports filed for the quarters ended in 2010, supporting the adjustments noting no differences; and

5. Since there was no overpayment carried forward to 2010, we did not compare the amount of any overpayment applied to the current assessment with the Form SIPC-7T on which it was originally computed noting no differences.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.

To the Board of Directors
AOS, Inc.
Chicago, Illinois

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments [General Assessment Reconciliation (Form SIPC-7)] to the Securities Investor Protection Corporation (SIPC) for the period from January 1, 2010 to December 31, 2010, which were agreed to by AOS, Inc. and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc., and SIPC, solely to assist you and the other specified parties in evaluating AOS, Inc.'s compliance with the applicable instructions of the General Assessment Reconciliation (Form SIPC-7). AOS, Inc.'s management is responsible for the AOS, Inc.'s compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement records entries:

Balance of Prior Year SIPC-7T - Check #2199 for \$3,810.00 written on 2-22-2010
SIPC-6 Balance - Check #2524 for \$2,236.00 written on 7-30-2010

2. Compared the Total Revenue amounts of the audited Form X-17A-5 for the year ended December 31, 2010 with the amounts reported in Form SIPC-7 for the year ended December 31, 2010 noting no differences;
3. Compared adjustments reported in Form SIPC-7 with supporting schedules and working papers, transactions identified in specific general ledger accounts and entries on FOCUS reports filed for the quarters ended in 2010, noting no differences; and

4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers, transactions identified in specific general ledger accounts and entries on FOCUS reports filed for the quarters ended in 2010, supporting the adjustments noting no differences; and

5. Since there was no overpayment carried forward to 2010, we did not compare the amount of any overpayment applied to the current assessment with the Form SIPC-7T on which it was originally computed noting no differences.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
