Report of Independent Registered Public Accounting Firm

The Board of Directors and Stockholder
Crédit Agricole Cheuvreux North America, Inc.

We have audited the accompanying statement of financial condition of Crédit Agricole Cheuvreux North America, Inc. as of December 31, 2010. This statement of financial condition is the responsibility of the Company's management. Our responsibility is to express an opinion on this statement of financial condition based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of financial condition is free of material misstatement. We were not engaged to perform an audit of the Company's internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the statement of financial condition, assessing the accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the statement of financial condition referred to above present fairly, in all material respects, the financial position of Crédit Agricole Cheuvreux North America, Inc. at December 31, 2010, in conformity with U.S. generally accepted accounting principles.

A handwritten signature in black ink that reads 'Ernst & Young LLP'.

Crédit Agricole Cheuvreux North America, Inc.

Notes to the Statement of Financial Condition

December 31, 2010

1. Organization

Crédit Agricole Cheuvreux North America, Inc. (the “Company”) is a broker-dealer registered with the Securities and Exchange Commission and a member of the Financial Industry Regulatory Authority, Securities Investor Protection Corporation, and other principal United States Stock Exchanges. The Company is a direct wholly owned subsidiary of Crédit Agricole Cheuvreux S.A. (the “Parent”), which itself is a wholly owned subsidiary of Crédit Agricole Corporate and Investment Bank (“CA-CIB”). CA-CIB is a wholly owned subsidiary of Crédit Agricole S.A.

The Company’s principal operations are to retail international and domestic listed securities in an agency capacity to its institutional-only client base in more than one-hundred financial markets through its direct trading capabilities and network of strategically positioned foreign offices. The Company is also a third-party distributor of independently prepared foreign research authored by its international affiliates.

2. Significant Accounting Policies

Basis of Preparation

The preparation of the statement of financial condition in conformity with U.S. generally accepted accounting principles generally requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures as of the date of the statement of financial condition. Management believes that the estimates utilized in preparing its statement of financial condition are reasonable and prudent. Actual results could differ from those estimates.

Cash and Cash Equivalents

Cash and cash equivalents are defined as highly liquid investments, with original maturities of less than ninety days.

Fixed Assets

Fixed assets include furniture and equipment, which are depreciated using the straight-line method over the estimated useful life of three to seven years.

Crédit Agricole Cheuvreux North America, Inc.

Notes to the Statement of Financial Condition (continued)

2. Significant Accounting Policies (continued)

Translation of Foreign Currencies

Monetary assets and liabilities denominated in foreign currencies are revalued monthly at current rates of exchange.

Income Taxes

Income taxes are accounted for under the asset and liability method as required under Accounting Standards Codification ("ASC") No. 740, *Income Taxes* ("ASC No. 740"). Deferred tax assets and liabilities are recognized for the future tax consequences attributable to differences between the financial statement carrying amounts of the existing assets and liabilities and their respective tax bases. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in income in the period that included the enactment date.

The Company applies the authoritative guidance for uncertainty in income taxes included in ASC 740. This guidance requires the evaluation of tax positions taken or expected to be taken to determine whether the tax positions are "more likely than not" to be sustained by the taxing authority. The Company recognizes a tax benefit from an uncertain position only if it is more likely than not that the position is sustainable, based solely on its technical merits and consideration of the relevant taxing authority's widely understood administrative practices and procedures. If this threshold is met, the Company measures the tax benefits as the largest amount of benefit that is greater than fifty percent likely of being realized upon ultimate settlement.

3. Payables to Brokers, Dealers and Others

At December 31, 2010, payables to brokers and dealers and others is comprised of securities failed to receive of \$169,004.

In the event a customer or broker fails to satisfy its obligations, the Company may be required to purchase or sell financial instruments at prevailing market prices in order to fulfill the customer's obligations. All fail to receive securities transactions settled subsequent to December 31, 2010 without any adverse financial effect.

Crédit Agricole Cheuvreux North America, Inc.

Notes to the Statement of Financial Condition (continued)

4. Receivables from and Payables to Customers

Receivables from and payables to customers represent amounts receivable and payable on customer securities transactions in foreign markets.

5. Deposits with Clearing Organizations

The Company is required to maintain deposits at its clearing broker. At December 31, 2010, deposits at the clearing broker consist of cash in the amount of \$502,626, including accrued interest.

6. Income Taxes

As of December 31, 2010, the Company recorded \$203,394 for potential interest exposure related to an excess accrual of bonus expense in the Company's tax returns for the years ended December 31, 2008, 2007 and 2006. The exposure was recorded in 2009 based on an IRS Legal Memorandum issued December 4, 2009. The Company is currently under examination by the Internal Revenue Service (IRS). The Company expects the IRS to disallow excess deductions for bonuses taken on filed income tax returns. In this regard, the Company has recorded an accrual to the income tax liability of \$4,066,244 in 2010 which is included net, in income taxes payable on the statement of financial condition.

As of December 31, 2010, the Company has a deferred tax asset of \$1,905,848. The deferred tax asset consists primarily of deferred compensation. The 2010 decrease to the deferred tax asset balance is \$203,374. Such change was the result of a decrease in deferred compensation relative to 2009. The Company did not record a valuation allowance for the total deferred tax asset, at December 31, 2010 as none was required.

7. Related Party Transactions

As of December 31, 2010, related party balances included in the statement of financial condition consist of the following:

Assets:

Receivables from brokers and dealers and others	\$ 162,979
Receivables from Parent and affiliates	5,989,021
Total	<u>\$ 6,152,000</u>

Crédit Agricole Cheuvreux North America, Inc.

Notes to the Statement of Financial Condition (continued)

7. Related Party Transactions (continued)

Liabilities:

Payables to brokers and dealers and others	\$ 169,004
Payables to Parent and affiliates	856,552
Subordinated borrowings	<u>10,000,000</u>
Total	<u>\$ 11,025,556</u>

The Company has two cash subordination agreements, approved by the Financial Industry Regulatory Authority, totaling \$10 million (principal balance of \$5 million for each loan) from the Parent at an interest rate based on the London Interbank Offered Rate ("LIBOR") plus 0.25% per annum. The notes will mature on December 31, 2013. These subordinations, which are subordinated to all claims of general creditors of the Company, constitute part of the Company's net capital under the Uniform Net Capital Rule and may be repaid only if, after giving effect to such repayment, the Company continues to meet its minimum net capital requirements.

8. Commitments and Contingencies

The Company is involved in litigation arising in the normal course of business operations. Although the outcome of claims, litigation and disputes cannot be predicted with certainty, in the opinion of management, based on facts known at this time, the ultimate resolution of such litigation will not have a material adverse effect on the Company's financial position or results of operations. As these matters continue to proceed to ultimate resolution, it is reasonably possible the Company's estimation of the effect of such matters could change within the next year.

The Company applies the provisions of the ASC No. 460, *Guarantees* ("ASC No. 460") which provides accounting and disclosure requirements for certain guarantees. The Company has agreed to indemnify the U.S. clearing broker for losses that it may sustain from the customer accounts introduced by the Company. At December 31, 2010 the total amount of customer balances maintained by its clearing broker and subject to such indemnification was approximately \$174 million. In accordance with applicable margin lending practices, customer balances are typically collateralized by customer securities or supported by other types of recourse provisions. These transactions have subsequently settled with no losses to the Company.

Crédit Agricole Cheuvreux North America, Inc.

Notes to the Statement of Financial Condition (continued)

9. Employee Benefit Plans

The Company participates with affiliates in a noncontributory defined benefit pension plan sponsored by CA-CIB – New York Branch that provides retirement benefits to eligible employees.

Plan assets and accumulated plan benefits applicable to the Company are not readily determinable because the actuarial funding methods used by the plan do not provide for division of assets or liabilities among the participating affiliated companies. During 2004, this plan was frozen and consequently, no additional benefits were provided.

The Company also participates in two defined contribution plans. The 401(k) savings plan allows participants to make before-tax contributions from 1% to 14%, subject to the maximum allowable contribution as established by the Internal Revenue Code (the “Code”). The Company makes annual matching contributions. Matching contributions are based on the sum of (a) 100% of the first aggregate contributions made not exceeding 3% of the annual eligible base pay and (b) 50% of the remaining aggregate contributions made not to exceed 6%. Matching contributions will not exceed more than a total of 6% of the employee’s eligible base pay. Participants are immediately fully vested in their and the plan sponsor’s contributions, and earnings thereon, in the plan.

The money purchase pension plan provides benefits to eligible employees equal to 5% of his/her eligible compensation subject to certain limitations prescribed by the Code. A participant’s interest in all contributions and earnings are 20% vested after two years of service, then 20% more for each year thereafter.

10. Concentration of Credit Risk

In the normal course of business, the Company acts solely in an agency or riskless-principal capacity. The Company executes buy and sell orders principally for U.S. and foreign institutional customers through various foreign brokers and dealers on various foreign exchanges. In return for these services, the Company receives a commission. The foreign brokers and dealers are responsible for remitting commissions collected from the customers to the Company. The risk of loss associated with these transactions is dependent upon the customers and the foreign brokers and dealers fulfilling their obligations. The amount of the Company’s loss is limited to the amounts receivable from customers and brokers and dealers recorded in the statement of financial condition.

Crédit Agricole Cheuvreux North America, Inc.

Notes to the Statement of Financial Condition (continued)

11. Net Capital Requirements

The Company is subject to the Securities and Exchange Commission (the “SEC”) Uniform Net Capital Rule (Rule “15c3-1”) which specifies, among other requirements, minimum net capital requirements for registered broker-dealers. The Company computes its net capital requirements under the alternative method provided for in Rule 15c3-1 which requires the Company to maintain minimum net capital, as defined, of \$250,000. Repayment of subordinated borrowings, dividend payments and other equity withdrawals are subject to certain notification and other provisions of the SEC Uniform Net Capital Rule or other regulatory bodies.

At December 31, 2010, the Company had net capital of \$12,715,705 which was \$12,465,705 in excess of the required net capital.

The Company is required to comply with, Computation for Determination of Reserve Requirements for Brokers-Dealers, (Rule “15c3-3”) of the Securities and Exchange Commission for all foreign transactions cleared on a delivery versus payment or receipt versus payment basis. The Company is exempt from Rule 15c3-3 under paragraph (k)(2)(ii) for all domestic transactions cleared through another U.S. broker dealer on a fully disclosed basis.

12. Subsequent Events

The Company evaluated whether events or transactions have occurred after December 31, 2010 that would require recognition or disclosure in these statement of financial condition through the date of issuance of this statement of financial condition.
