INDEPENDENT AUDITORS' REPORT

To the Member
BroadOak Partners, LLC
(a wholly-owned subsidiary of BroadOak Capital Partners, LLC)

We have audited the accompanying statement of financial condition of BroadOak Partners, LLC, a wholly-owned subsidiary of BroadOak Capital Partners, LLC, as of December 31, 2010, and the related statements of operations, changes in member's equity and cash flows for the year then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of BroadOak Partners, LLC as of December 31, 2010, and the results of its operations, changes in member's equity and its cash flows for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained on pages 13 through 15 is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by Rule 17a-5 of the Securities and Exchange Commission. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

BroadOak Partners, LLC
(a wholly-owned subsidiary of BroadOak Capital Partners, LLC)

NOTES TO FINANCIAL STATEMENTS

December 31, 2010

1. Organization and Summary of Significant Accounting Policies

BroadOak Partners, LLC (the Company), a Delaware corporation, formed on January 31, 2007, is a wholly-owned subsidiary of BroadOak Capital Partners, LLC (BroadOak Capital). The Company is registered as a broker-dealer with the Securities and Exchange Commission (SEC) and is a member of the Financial Industry Regulatory Authority (FINRA). Focused on the life sciences industry, the Company is engaged in the investment banking business and acts as a financial advisor on behalf of corporations, partnerships, and other entities which sell assets and/or issue securities in private placements.

Material subsequent events have been considered for disclosure and recognition in these financial statements through February 22, 2011.

Risks and Uncertainties

The Company began operations in 2007 and initially received a majority of its financial support from its sole member, BroadOak Capital. In addition, by agreement, BroadOak Capital provides operating and administrative support for which BroadOak Capital receives reimbursement and fees. Management plans to continue to develop its client base and service offerings and believes that there are a number of opportunities currently in process with its client base that may lead to the generation of fees from advisory and placement services that will be sufficient to continue to fund on-going operations. In addition, the Company plans to continue to invest in its marketing and business development efforts to ensure that its client base continues to grow as its revenue streams mature. Management believes these actions will enable the Company to operate profitably and provide cash flow to fund its continuing operations. However, there can be no assurance the Company will be able to adequately increase its services or continue to generate sufficient revenue from such services to fund operations.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Fees Receivable

Fees receivable are derived from the services provided to customers. The reserve for doubtful accounts is the Company's best estimate of possible uncollectible receivables. As of December 31, 2010, management believes that no reserve for doubtful accounts is considered necessary.

Revenue Recognition

The Company's revenue consists of retainer fees and success fees. Revenue is recognized in the period in which the services are performed, provided evidence of a contractual arrangement exists, delivery has occurred, the price is fixed and determinable, and collectability is reasonably assured.

BroadOak Partners, LLC
(a wholly-owned subsidiary of BroadOak Capital Partners, LLC)

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2010

Deferred Revenue

Deferred revenue represents the difference between amounts collected from customers and revenues recognized in accordance with the above policies.

Income Taxes

The Company has elected to be treated as a pass-through entity for income tax purposes and, as such, is not subject to income taxes. For tax purposes, the Company is included in the consolidated BroadOak Capital tax return and does not file a separate federal or state tax return. All items of taxable income, deductions and tax credits are passed through to and are reported by members of BroadOak Capital on their respective income tax returns. The Company's federal tax status as a pass-through entity is based on its legal status as a limited liability corporation. Accordingly, the Company is not required to take any tax positions in order to qualify as a pass-through entity. Therefore, these financial statements do not reflect a provision for income taxes and the Company has no other tax positions which must be considered for disclosure.

2. Related Party Transactions

Under an agreement with BroadOak Capital, the Company pays a monthly management fee, occupancy and salary reimbursement costs to BroadOak Capital. The agreement is renewed annually and revised as needed. Under the agreement, the management fee includes certain operating and administrative costs incurred by the Company. In addition, the agreement stipulates that the Company will reimburse BroadOak Capital for any additional operating and administrative costs paid by BroadOak Capital on behalf of the Company. During the year ended December 31, 2010, these services totaled \$1,021,307. At December 31, 2010, there are no amounts payable to the affiliate.

3. Net Capital Requirements

The Company is in compliance with the net capital requirements of the SEC as well as FINRA. The Company is subject to the SEC "Uniform Net Capital Rule," which requires the maintenance of minimum net capital, as defined, of \$5,000 and requires that the ratio of aggregate indebtedness to net capital, as defined, not exceed 15-to-1. Net capital and the related net capital ratio may fluctuate on a daily basis. At December 31, 2010, the Company was in compliance with the "Uniform Net Capital Rule".

SUPPLEMENTAL INFORMATION

20. Percentage of aggregate indebtedness to net capital	<u>22%</u>

There are no material differences in the computation of net capital between this audited report and the unaudited Focus Report (Part IIA - Form X-17A-5).

BroadOak Partners, LLC
(a wholly-owned subsidiary of BroadOak Capital Partners, LLC)

SUPPLEMENTAL INFORMATION - CONTINUED

EXEMPTION FROM REQUIREMENTS UNDER RULE 15c3-3

Year ended December 31, 2010

The Company claims exemption under provisions of Rule 15c3-3 under paragraph (k)(2)(i) and was in compliance with the condition of such exemption.

The Company is not required to furnish information relating to possession or control requirements because it is exempt from Rule 15c3-3.

INDEPENDENT AUDITORS' REPORT
ON INTERNAL ACCOUNTING CONTROL
REQUIRED BY SEC RULE 17a-5

To the Member
BroadOak Partners, LLC
(a wholly-owned subsidiary of BroadOak Capital Partners, LLC)

In planning and performing our audit of the financial statements of BroadOak Partners, LLC (the Company) for the year ended December 31, 2010, we considered its internal control, including control activities for safeguarding securities, in order to determine our auditing procedures for the purpose of expressing our opinion on the basic financial statements and not to provide assurance on internal control.

Also, as required by Rule 17a-5(g) (1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company including tests of such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g), (1) in making the periodic computations of aggregate indebtedness and net capital under Rule 17a-3(11) and (2) procedures for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company (1) in making the quarterly securities examinations, counts, verifications and comparisons, and the recordation of differences required by Rule 17a-13; (2) in complying with the requirements for prompt payment for securities under Section 8 of Regulation T of the Board of Governors of the Federal Reserve System; and (3) obtaining and maintaining physical possession or control of all fully paid and excess margin securities of customers as required by Rule 15c3-3.

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of internal control policies and procedures and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable, but not absolute, assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit preparation of financial statements in accordance with accounting principles generally accepted in the United States of America. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of the inherent limitations in internal control or the practices and procedures referred to above, errors or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate. Our consideration of internal control would not necessarily disclose all matters in internal control that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of the specific internal control components does not reduce to a relatively low level the risk that error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, we noted no matters involving internal control, including control activities for safeguarding securities that we consider to be material weaknesses as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities and Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at December 31, 2010 to meet the SEC's objectives.

This report is intended solely for the information and use of the member, management, the Securities and Exchange Commission and other regulatory agencies which rely on Rule 17a-5(g) under the Securities and Exchange Act of 1934 in their regulation of registered brokers and dealers and is not intended to be and should not be used by anyone other than these specified parties.
