INDEPENDENT AUDITOR'S REPORT

To the General Partner
Behringer Securities LP

We have audited the accompanying statement of financial condition of Behringer Securities LP as of June 30, 2011, and the related statement of income, changes in partners' capital, changes in liabilities subordinated to claims of general creditors, and cash flows for the year then ended that you are filing pursuant to rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Partnership's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Behringer Securities LP as of June 30, 2011 and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was made for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in Schedules I and II is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

BEHRINGER SECURITIES LP
Notes to Financial Statements
June 30, 2011

Note 1 - Summary of Significant Accounting Policies

Behringer Securities LP (the "Partnership") was formed under the laws of the State of Texas on December 7, 2001, commenced business on January 1, 2002, and will terminate no later than January 1, 2050. The Partnership consists of a managing general partner and a limited partner. The Partnership agreement provides for certain contributions of capital by the partners. Profits and losses of the Partnership will be allocated as determined by the general partner. Also, the general partner will determine the amounts and the timing of any distributions. Limited partners are not personally liable for any obligations of the Partnership. Their capital accounts cannot be reduced below \$0. Offices of the Partnership are located in Addison, Texas.

The Partnership is a direct participation broker-dealer in securities registered with the Securities and Exchange Commission ("SEC") under Rule 15c3-3(k)(2)(i). The Partnership is a member of the Financial Industry Regulatory Authority ("FINRA").

Substantially all of the Partnership's revenue is generated from commission income and dealer manager fees related to the sale of securities issued by affiliated real estate programs. Revenue is recognized after acceptance of orders by the affiliated entities.

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Note 2 - Net Capital Requirements

Pursuant to the net capital provisions of Rule 15c3-1 of the Securities Exchange Act of 1934, the Partnership is required to maintain a minimum net capital, as defined under such provisions. Net capital and the related net capital ratio may fluctuate on a daily basis.

At June 30, 2011, the Partnership had net capital of approximately \$852,629 and net capital requirements of \$345,147. The Partnership's ratio of aggregate indebtedness to net capital was 6.07 to 1. The Securities and Exchange Commission permits a ratio of no greater than 15 to 1.

BEHRINGER SECURITIES LP
Notes to Financial Statements
June 30, 2011

Note 3 - Possession or Control Requirements

The Partnership does not have any possession or control of customer funds or securities. There were no material inadequacies in the procedures followed in adhering to the exemptive provisions of (SEC) Rule 15c3-3(k)(2)(i) by not holding customer funds or safekeeping customer securities.

Note 4 - Income Taxes

The Partnership's net income is passed through to the partners and reported on their Federal income tax returns; therefore, no provision for Federal income taxes has been made in the accompanying financial statements.

Management evaluates income tax positions based on a predetermined threshold of whether the positions taken will be sustained on examination. Uncertain tax positions are reduced by a liability for a contingent loss that is recorded either when the threshold is no longer met or when it becomes probable that a payment will be made to the taxing authority.

Income tax returns are generally subject to examination by the respective federal and state authorities over various statutes of limitations generally three to five years from date of filing.

Note 5 - Related Party Transactions

The Partnership and its general partner are members of a group of affiliated entities that are under common control and the existence of that control creates operating results and financial position significantly different than if the companies were autonomous.

The Partnership has an office and administrative services agreement with a related party which provides office space, office facilities and administrative help. The Partnership agreed to reimburse the related party \$1,800,000 for such services for the year ended June 30, 2011.

The Partnership recognized \$49,034,893 of concession income and dealer manager fees in 2011 from the sale of shares associated with the purchase of investment real estate by certain affiliated entities.

BEHRINGER SECURITIES LP
Notes to Financial Statements
June 30, 2011

Note 6 - Concentrations

At June 30, 2011 and at various times throughout the year, the Partnership had cash balances in excess of federally insured limits. The Partnership regularly monitors the financial stability of these financial institutions and believes that the Partnership is not exposed to any significant credit risk.

Note 7 - Subsequent Events

In preparing the accompanying financial statements, the Partnership has reviewed events that have occurred after June 30, 2011 through August 17, 2011, the date the financial statements were available to be issued. During this period, the Partnership did not have any material subsequent events.

Independent Auditor's Report
On Internal Control
Required By SEC Rule 17a-5
For the Year Ended June 30, 2011

CF & Co., L.L.P.

CERTIFIED PUBLIC ACCOUNTANTS

INDEPENDENT AUDITOR'S REPORT ON INTERNAL
CONTROL REQUIRED BY SEC RULE 17a-5

To the General Partner
Behringer Securities LP

In planning and performing our audit of the financial statements of Behringer Securities LP (the "Company"), as of and for the year ended June 30, 2011, in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company, including consideration of control activities for safeguarding securities. This study included tests of compliance with such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons, and the recordation of differences required by Rule 17a-13.
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System.

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls, and of the practices and procedures referred to in the preceding paragraph, and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial

statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis.

A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Company's financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and was not designed to identify all deficiencies in internal control that might be material weaknesses and therefore, there can be no assurance that all material weaknesses have been identified. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at June 30, 2011, to meet the SEC's objectives.

This report is intended solely for the information and use of the Partners, management, the SEC, the Financial Industry Regulatory Authority, and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT AUDITOR'S REPORT ON THE SIPC ANNUAL
ASSESSMENT REQUIRED BY SEC RULE 17a-5

To the General Partner
Behringer Securities LP

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments (Form SIPC-7) to the Securities Investor Protection Corporation (SIPC) for the year ended June 30, 2011, which were agreed to by Behringer Securities LP and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc. and SIPC, solely to assist you and the other specified parties in evaluating Behringer Securities LP's compliance with the applicable instructions of the Form SIPC-7. Management is responsible for Behringer Securities LP's compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

The procedures we performed and our findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursements records entries (cash disbursements journal) noting no differences;
2. Compared the amounts reported on the audited Form X-17A-5 for the year ended June 30, 2011 with the amounts reported in Form SIPC-7 for the year ended June 30, 2011 noting no differences;
3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers noting no differences; and
4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting the adjustments noting no differences.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
