NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2011

NOTE 1 - ORGANIZATION

Vision Brokerage Services L.L.C. (the "Company") was organized in the State of New York on July 15, 1999. The Company is registered as a broker-dealer with the Securities and Exchange Commission (the "SEC") and is a member of the Financial Industry Regulatory Authority ("FINRA"), the Municipal Securities Rulemaking Board (the "MSRB") and the Securities Investor Protection Corporation ("SIPC"). Also, the Company is registered to conduct securities business in all fifty states and Puerto Rico. The Company does not hold funds or securities for, or owe funds or securities to, customers. Any funds or securities received by the Company are promptly transmitted to its clearing broker.

The Company executes all of its customer trades through one (1) New York Stock Exchange member firm and one (1) Chicago Board of Options Exchange member firm as an introducing broker that earns commissions on its introduced customers.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

For purposes of the statement of cash flows, the Company has defined cash equivalents as highly liquid investments with original maturities of less than three months and money market funds that are not held for sale in the ordinary course of business. The Company maintains its cash and cash equivalents at highly accredited financial institutions with balances that, at times, may exceed federally insured limits.

Management uses estimates and assumptions in preparing financial statements in accordance with accounting principles generally accepted in the United States of America. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities and the related revenue and expenses. Actual results could vary from the estimates that were assumed in preparing the financial statements.

The Company records securities transactions and commission revenue and related expenses on a settlement-date basis. The difference between settlement date and trade-date commissions was not material at June 30, 2011.

No provision for federal and state income taxes has been made since the Company is not a taxable entity. The members are individually liable for the taxes on their share of the Company's income. The Company is, however, subject to the New York City Unincorporated Business Tax on its business income.

The Company determined that there are no uncertain tax positions which would require adjustments or disclosures on the financial statements. The tax years that remain subject to examination by taxing authorities are 2008, 2009 and 2010.

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820 Fair Value Measurement and Disclosure bears no material effect on the financial statements as presented.
