### INDEPENDENT AUDITORS' REPORT

Board of Directors  
VSR Financial Services, Inc.

We have audited the accompanying statements of financial condition of

#### **VSR FINANCIAL SERVICES, INC.**

as of June 30, 2011 and 2010 that you are filing pursuant to rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amount and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of VSR Financial Services, Inc., as of June 30, 2011 and 2010, and the results of its operations and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in Schedules I, II, and III is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by rule 17a-5 under the Securities and Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

**VSR FINANCIAL SERVICES, INC.  
NOTES TO FINANCIAL STATEMENTS**

**NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Nature of Business**

VSR Financial Services, Inc. ["Financial" and "Company"] is a fully-disclosed, full-service securities broker/dealer and investment advisory services firm founded in 1985. Financial operates through its network of approximately 275 independent representatives and registered advisory agents in 39 states who serve approximately 85,000 clients throughout North America. It is licensed in all 50 states of the USA, and is a member in good standing of the Financial Industry Regulatory Authority [FINRA]. All general securities accounts are insured by the Securities Investor Protection Corporation [SIPC].

Financial is a wholly-owned subsidiary of VSR Group, Inc. ["Group"]; the accounts of Group are not presented or otherwise included in these financial statements. Financial files consolidated corporation income tax returns with Group.

**Use of Estimates**

The process of preparing financial statements in conformity with generally accepted accounting principles requires the use of estimates and assumptions regarding certain types of assets, liabilities, revenues, and expenses. Such estimates primarily relate to unsettled transactions and events as of the date of the financial statements. Accordingly, upon settlement, actual results may differ from estimated amounts.

**Revenue and Expense Recognition**

Revenue and expenses in connection with securities transactions are recorded on a trade-date basis. Advisory fee income is recognized upon completion of services rendered; since the Company does not extend credit to its advisory service clients, payment is received at the time of completion in most cases. Asset management fee income is recognized on the accrual basis in the period when earned.

**Cash**

Cash consists of demand deposit checking accounts, specifically excluding bank certificates of deposit with original maturities in excess of 90 days, and also excluding restricted cash that has been segregated into a special reserve bank account for the benefit of the Company's customers under Rule 15c3-3(k)(2)(i) of the Securities and Exchange Commission. From time to time, the Company maintains cash balances with financial institutions in excess of the Federal Depositor Insurance Corporation (FDIC) limit. The Company has suffered no loss as a result of this risk.

**Marketable Securities**

Marketable securities investments consist of bank certificates of deposit with original maturities of 12 months that are classified as debt securities held to maturity, and also preferred stocks, common stocks, options and mutual funds which are classified as equity securities available-for-sale. All marketable securities are carried at fair value; for debt securities, fair value approximates cost.

**Securities Not Readily Marketable**

Securities not readily marketable consist of limited interests in limited partnerships and stock warrants, and are stated at fair value equal to cost that does not exceed estimated net realizable value.

**VSR FINANCIAL SERVICES, INC.**  
**NOTES TO FINANCIAL STATEMENTS**

**NOTE B - NET CAPITAL REQUIREMENTS**

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (Rule 15c3-1), which requires (1) maintenance of minimum net capital, and (2) that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1; and the rule of "applicable" exchange also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. Net capital requirements at June 30, 2011 and 2010 are summarized as follows:

	<u>2011</u>	<u>2010</u>
Net Capital	\$2,166,643	\$2,147,519
Aggregate Indebtedness	3,892,191	2,719,643
Minimum Net Capital Required (as computed)	259,480	181,310
Minimum Dollar Net Capital Required	250,479	250,000
Net Capital Requirement	259,480	250,000
Excess Net Capital at 1500%	1,907,163	1,897,519
Net Capital Less 120% of Requirement	1,777,424	1,875,555
Net Capital Ratio	1.80 to 1	1.27 to 1

The Company is exempt from the cash reserve requirements and remaining provisions of Rule 15c3-3 of the Securities and Exchange Commission as it operates under the limitations of paragraph (k)(2)(ii) of Rule 15c3-3. The requirements of paragraph (k)(2)(ii) provide that the Company clear all transactions with and for customers on a fully-disclosed basis with a clearing broker/dealer and promptly transmit all customer funds and securities to the clearing broker/dealer.

**NOTE C - RECEIVABLE FROM BROKERS AND DEALERS**

As of June 30, 2011 and 2010, receivable from brokers and dealers is summarized as follows:

	<u>2011</u>	<u>2010</u>
First Clearing Corporation	\$ 863,045	\$ 888,793
Other brokers and dealers	3,646,793	2,242,928
	<u>\$ 4,509,838</u>	<u>\$ 3,131,721</u>

**VSR FINANCIAL SERVICES, INC.**  
**NOTES TO FINANCIAL STATEMENTS**

**NOTE D - MARKETABLE SECURITIES**

ASC Topic 820, Fair Value Measurements, defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Topic 820 also specifies a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The standard describes three levels of inputs that may be used to measure fair value:

- Level 1** Quoted prices in active markets for identical assets or liabilities
- Level 2** Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities
- Level 3** Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities

Where quoted market prices are available in an active market, securities are classified within Level 1 of the valuation hierarchy. Level 1 securities include equity securities, mutual funds and U.S. Treasury securities. If quoted market prices are not available, then fair values are estimated by using pricing models, quoted prices of securities with similar characteristics or discounted cash flows. Level 2 securities include corporate, municipal, government agency securities, common trust funds, hedge funds and other investments. In certain cases where Level 1 or Level 2 inputs are not available, securities are classified within Level 3 of the hierarchy. At June 30, 2011 and 2010, marketable securities were classified as follows:

	Fair Value	
	2011	2010
Level 1	\$ 625,292	\$ 462,894

**NOTE G - INCOME TAXES**

For the years ended June 30, 2011 and 2010, income taxes paid were \$1,200,000 and \$1,319,000, respectively.

**NOTE H - CONTINGENCIES**

In the ordinary course of business, the Company becomes party to claims from time to time, most of which relate to sales of securities by representatives of the Company. As of June 30, 2011 and 2010, the Company was party to several such claims; management holds that its positions in each of these matters is meritorious, that it intends to defend its position vigorously, and that it anticipates favorable results. At this time it is not possible to predict the extent of the Company's liability, if any.

**NOTE I - DEFINED CONTRIBUTION RETIREMENT PLAN**

The Company sponsors a defined contribution 401(k) retirement plan covering all employees age 21 with 1 year of service. Company contributions are discretionary; current policy provides for Company matching contributions equal to 100% of the amount of employee contributions, limited to a total of 3.0% of each participant's compensation. The amounts of retirement contributions expense were \$144,516 and \$86,009 for fiscal years ended June 30, 2011 and 2010, respectively.

**INDEPENDENT AUDITORS' REPORT ON  
INTERNAL CONTROL REQUIRED BY SEC RULE 17a-5**

Board of Directors  
VSR Financial Services, Inc.

In planning and performing our audits of the financial statements of VSR Financial Services, Inc., as of and for the years ended June 30, 2011 and 2010, in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by VSR Financial Services, Inc., including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by Rule 17a-13.
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System.

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

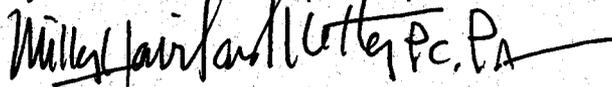

A *control deficiency* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Company's financial statements will not be prevented or detected and corrected on a timely basis.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined previously.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at June 30, 2011 and 2010, to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, the New York Stock Exchange, and other regulatory agencies which rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

Board of Directors

VSR Financial Services, Inc.

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments [General Assessment Reconciliation (Form SIPC-7)] to the Securities Investor Protection Corporation (SIPC) for the Fiscal Year Ended June 30, 2011, which were agreed to by VSR Financial Services, Inc. and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc., and, solely to assist you and the other specified parties in evaluating VSR Financial Services, Inc.'s compliance with the applicable instructions of the General Assessment Reconciliation (Form SIPC-7). VSR Financial Services, Inc.'s management is responsible for VSR Financial Services, Inc.'s compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement records entries noting no differences;
2. Compared the amounts reported on the audited Form X-17A-5 for the year ended June 30, 2011, as applicable with the amounts reported in Form SIPC-7 for the year ended June 30, 2011, noting no differences;
3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers noting no differences;

4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting the calculations no differences.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
