INDEPENDENT AUDITORS' REPORT

Board of Directors
Abacus Investments, Inc.
Watertown, Wisconsin

We have audited the accompanying balance sheet of Abacus Investments, Inc. as of September 30, 2011 and the related statements of income, changes in stockholder's equity and cash flows for the year then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the balance sheet is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall balance sheet presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Abacus Investments, Inc. at September 30, 2011 and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was made for the purpose of forming an opinion on the basic financial statements taken as a whole. The information included in the accompanying computation of net capital and aggregate indebtedness schedule is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by Rule 17a-5 under the Securities Exchange Act of 1934. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

A handwritten signature in black ink that reads 'Reilly, Penner & Benton LLP'.

Notes to Financial Statements
September 30, 2011

1. Summary of Significant Accounting Policies

Business Activity

Abacus Investments, Inc. (the "Company") was incorporated in the state of Wisconsin on September 13, 1993. The Company is registered with the Securities and Exchange Commission and the Financial Industry Regulatory Authority (FINRA). The Company's principal business activity is the sale of securities.

Cash and Equivalents

Cash and equivalents consist of the Company's checking accounts and money market accounts.

Reserves and Custody of Securities

For transactions in mutual fund shares and variable annuity products, the Company operates under the provisions of paragraph (k)(2)(i) of Rule 15c3-3 of the Securities and Exchange Commission. Among other items, (k)(2)(i) requires that the Company carry no margin accounts, that it promptly transmits all customers' funds and securities and does not otherwise hold customer funds or securities or perform custodial services for customers, and that it effectuates all such transactions through a special bank account for the exclusive benefit of its customers.

With respect to all other securities transactions, the Company operates under the provisions of paragraph (k)(2)(ii) of Rule 15c3-3 of the Securities and Exchange Commission. Essentially, the requirements of paragraph (k)(2)(ii) provide that the Company clear all transactions on behalf of customers on a fully-disclosed basis with a clearing broker-dealer and promptly transmit all customer funds and securities to that firm. The clearing broker-dealer carries all of the accounts of the customers and maintains and preserves all related books and records as are customarily kept by a clearing broker-dealer.

As a result of the above two paragraphs, the Company is exempt from the remaining provisions of Rule 15c3-3.

Securities Transactions

The Company recognizes commission revenue and related expense arising from securities transactions on a trade date basis.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

ABACUS INVESTMENTS, INC.
Watertown, Wisconsin

Notes to Financial Statements
September 30, 2011
(Continued)

1. Summary of Significant Accounting Policies (Continued)

Income Taxes

The Company has elected S Corporation status for federal income tax purposes.

The Company has implemented accounting for uncertainty in income taxes in accordance with accounting principles generally accepted in the United States of America. This standard describes a recognition threshold and measurement attribute for financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return and also provides guidance on various related matters such as derecognizing, interest, penalties and disclosure required. Management of the Company evaluates the uncertain tax positions taken, if any, and consults with outside counsel as deemed necessary. The Company recognizes interest and penalties, if any, related to unrecognized tax liabilities in income tax expense.

The Company is no longer subject to United States of America federal informational tax return examinations for years ending through September 30, 2008 and state examinations for years beginning before September 30, 2007.

Subsequent Events

Management has evaluated all subsequent events through October 24, 2011 for possible inclusion as a disclosure in the financial statements. There were no subsequent events that required recognition or disclosure.

2. Net Capital Requirements

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (Rule 15c3-1), which requires that the ratio of aggregated indebtedness to net capital, both as defined, shall not exceed 15 to 1. Rule 15c3-1 also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. At September 30, 2011, the Company's net capital and required net capital were \$12,455 and \$5,000, respectively. The ratio of aggregate indebtedness to net capital was 4.4 to 1.

3. Common Stock

Common stock consists of the following:

	<u>Authorized</u>	<u>Outstanding</u>
\$.01 Par Per Share	9,000 shares	100 shares

4. Filing Requirements

There were no liabilities subordinated to claims of creditors during the period ended September 30, 2011. Accordingly, a statement of changes in liabilities subordinated to claims of creditors is not included in the financial statements as required by rule 17a-5 of the Securities and Exchange Commission.

ABACUS INVESTMENTS, INC.
Watertown, Wisconsin

Notes to Financial Statements
September 30, 2011
(Continued)

5. Related-Party Activity

Through common ownership and management, the Company is affiliated with Abacus Financial Services, Inc. (AFS), a registered investment advisor. The companies share office space, personnel and other services. AFS has paid virtually all overhead and operating expenses on the Company's behalf, except for commission expense, regulatory fees and other miscellaneous expenses. The Company has paid fees to AFS for year ending September 30, 2011 in the amount of \$174,050.

The sole shareholder of the Company has generated commission revenue but has not and will not receive any compensation for his commission production. In addition, this shareholder is also the sole shareholder of AFS and has provided office space for both Companies at a nominal charge.

6. Balance Sheet Risk

As discussed in Note 1, the Company's customer securities transactions are introduced on a fully disclosed basis with its clearing broker-dealer. The clearing broker-dealer is responsible for the execution, collection and payment of funds and receipt and delivery of securities relative to customer transactions. Off-balance sheet risk exists with respect to these transactions due to the possibility that the customers may be unable to fulfill their contractual commitments, wherein the clearing broker-dealer may charge any losses it incurs to the Company. The Company seeks to minimize this risk through procedures designed to monitor the credit worthiness of its customers.

7. Concentrations

Cash and cash equivalents are maintained primarily in an area bank and, at times, balances may exceed federally insured limits. We have never experienced any losses related to these balances. All of our non-interest bearing cash balances were fully insured at September 30, 2011 due to a temporary federal program in effect from December 31, 2010 through December 31, 2012. Under the program, there is no limit to the amount of insurance for eligible accounts. Beginning 2013, insurance coverage will revert to \$250,000 per depositor at each financial institution, and our non-interest bearing cash balances may again exceed federally insured limits.

Independent Auditors' Report on Internal Control

Board of Directors
Abacus Investments, Inc.
Watertown, Wisconsin

In planning and performing our audit of the financial statements of Abacus Investments, Inc., as of and for the year ended September 30, 2011, in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by Abacus Investments, Inc., including tests of such practices and procedures that we considered relevant to the objectives stated in rule 17A-5(g) in making the periodic computations of aggregate indebtedness and net capital under rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of rule 15c3-3. Because Abacus Investments, Inc. does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by Abacus Investments, Inc. in any of the following:

1. Making the quarterly securities examinations, counts, verifications, and comparisons
2. Recordation of differences required by rule 17a-13
3. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls, and of the practices and procedures referred to in the preceding paragraph, and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles in the United States of America. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies in internal control such that there is a reasonable possibility, that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis.

Our consideration of the internal control was for the limited purpose described in the preceding paragraphs and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses and therefore there can be no assurance that all such deficiencies have been identified. We did not identify any deficiencies in internal control that we consider to be material weaknesses.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at September 30, 2011, to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, FINRA, and other regulatory agencies that rely on rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

**Independent Auditors' Report on Applying Agreed-Upon
Procedures Related to an Entity's SIPC Assessment Reconciliation**

Board of Directors of Abacus Investments, Inc.
N9673 Turke Lane
Watertown, Wisconsin

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments to the Securities Investor Protection Corporation (SIPC) for the year ended September 30, 2011, which were agreed to by Abacus Investments, Inc. and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc., and SIPC, solely to assist you and the other specified parties in evaluating Abacus Investments, Inc. compliance with the applicable instructions of the General Assessment Reconciliation (Form SIPC-7). Abacus Investments, Inc. management is responsible for the Abacus Investments, Inc. compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility for those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

- 1 Procedure:** Compared the listed assessment payments in Form SIPC-7 with respective cash disbursements entries.
Conclusion: No findings.
- 2 Procedure:** Compared the amounts reported on the audited Form X-17A-5 for the year ended September 30, 2011, as applicable, with the amounts reported in Form SIPC-7 for the year ended September 30, 2011.
Conclusion: No findings.
- 3 Procedure:** Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers.
Conclusion: No findings.
- 4 Procedure:** Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting the adjustments.
Conclusion: No findings.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
