## Independent Auditors' Report

### To the Shareholders of Sullivan Morrissey & Mickle Securities Corp.

We have audited the accompanying statement of financial condition of Sullivan Morrissey & Mickle Securities Corp. (the "Company") as of September 30, 2011 and the related statements of operations, changes in stockholders' equity, and cash flows for the year then ended that you are filing pursuant to Rule 17a-5 under the Securities and Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Sullivan Morrissey & Mickle Securities Corp. as of September 30, 2011, and the results of its operations and the changes in its stockholders' equity, and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was made for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in supplementary schedules is presented for purposes of additional analysis and is not required part of the basic financial statements, but is supplementary information required by Rule 17a-5 of the Securities and Exchange Commission. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements taken as a whole, and in conformity with the rules of the Securities and Exchange Commission.

## **Notes to Financial Statements**

### **1. Organization**

Sullivan, Morrissey & Mickle Securities Corp. (the "Company") is a broker-dealer registered with the Securities and Exchange Commission and the National Association of Securities Dealers, Inc. In this capacity, the Company introduces agency transactions for its customers.

The Company is a wholly owned subsidiary of Sullivan, Morrissey & Mickle Capital Management Corp. (the "Parent").

### **2. Summary of Significant Accounting Policies**

#### ***Use of Estimates***

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

#### ***Cash Equivalents***

Cash and cash equivalents include short-term cash investments and money market investments with maturities of three months or less at date of acquisition.

#### ***Revenue Recognition***

Commission revenue and related expenses are recorded on a trade-date basis.

#### ***Income Taxes***

The Company has elected S corporation status for federal income tax purposes, whereby the corporate income or loss is reported on the personal income tax return of the shareholder.

#### ***Accounting for Uncertainty in Income Taxes***

Management has determined that the Company had no uncertain tax positions that would require financial statement recognition. The Company is no longer subject to audits by the applicable taxing jurisdictions for periods prior to 2008.

#### ***Subsequent Events Evaluation by Management***

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which is November 10, 2011.

## Notes to Financial Statements

### **3. Transactions with Parent**

The Company derives its revenue primarily from securities brokerage commissions on transactions introduced by the Parent and is charged its proportionate share of allocable expenses incurred by the Parent. The Parent pays substantially all liabilities incurred by the Company and charges the Company accordingly.

### **4. Due from Broker**

The Company earns commissions as an introducing broker for the transactions of its customers. The clearing and depository operations for the company's customer accounts are performed by its clearing broker pursuant to a clearance agreement.

### **5. Off-Balance-Sheet Risk and Concentration of Credit Risk**

In the normal course of business, securities transactions of customers are introduced to and cleared through a clearing broker. Pursuant to an agreement between the company and its clearing broker, the clearing broker has the right to charge the Company for unsecured losses that result from a customer's failure to complete such transactions.

Amounts due from the clearing broker represent a concentration of credit risk. The Company does not anticipate nonperformance by customers or its clearing broker in the above situations. In addition, the Company has a policy of reviewing, as considered necessary, the credit standing of the customers, the clearing broker and financial institutions with which it conducts business.

### **6. Net Capital Requirements**

The Company is subject to the Securities and Exchange Commissions Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of minimum net capital, and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. As of September 30, 2011, the company had net capital, as defined, of \$17,164 which was \$12,164 in excess of required net capital. The company's net capital ratio was 27.38%.

**Independent Auditors' Report on Internal Control Structure  
Required by Sec Rule 17a-5**

**The Board of Directors and Shareholders  
Sullivan, Morrissey & Mickle Securities Corp.**

In planning and performing our audit of the financial statements of Sullivan Morrissey & Mickle Securities Corp. (the "Company"), as of and for the year ended September 30, 2011, in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c-3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by Rule 17a-13
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control and the practices and procedures referred to above, errors or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the entity's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the entity's financial statements that is more than inconsequential will not be prevented or detected by the entity's internal control.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the entity's internal control.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at September 30, 2011, to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, the National Association of Securities Dealers, Inc. and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.
