INDEPENDENT AUDITORS' REPORT

The Board of Directors
Asia Pacific Financial Management Group, Inc.:

We have audited the accompanying statement of financial condition of Asia Pacific Financial Management Group, Inc. (a Guam corporation) as of December 31, 2011 and the related statements of income, changes in stockholders' equity, and cash flows for the year then ended that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America as established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Asia Pacific Financial Management Group, Inc. as of December 31, 2011 and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was performed for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplemental schedules of computation of net capital, aggregate indebtedness, basic net capital requirement, net capital reconciliation with Focus Report, and communication of reportable conditions to the Board of Directors as of and for the year ended December 31, 2011, are presented for the purpose of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements taken as a whole.

Notes to Financial Statements

December 31, 2011

1) ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization and Nature of Business

Asia Pacific Financial Management Group, Inc. (APFMG or the Company), previously named Asia Pacific Investors Services, was incorporated under the laws of the Territory of Guam on March 2, 1993 with the filing of its incorporation documents at the Government of Guam Department of Revenue and Taxation. The Company is registered as a broker-dealer in securities under the Securities Exchange Act of 1934, as amended, and as an investment adviser under the Investment Advisers Act of 1940. APFMG renders investment management and broker-dealer services in mutual funds, corporate stocks and fixed income securities on both an agency and principal basis to its Guam located customers on a fully disclosed basis through other broker-dealers. APFMG is exempt from the reserve requirement under SEC rule 15c3-3(k)(2)(ii), since it does not handle or carry customer securities and cash.

Significant Accounting Policies

A summary of the significant accounting policies applied in the preparation of the accompanying financial statements follows:

Basis of Accounting

Security transactions and related commission revenue and expense are recorded on a trade date basis.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash Equivalents

For purposes of the statement of financial condition and the statement of cash flows, cash is defined as cash on hand, money market accounts, cash due from banks and brokerage accounts, and cash on deposit with banks.

1) ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES,
continued

Accounts Receivable

Accounts receivable primarily represent management and consulting fees due for financial and investment advisory services.

Revenue Recognition

Revenue, which consists of management and consulting fees for financial and investment advisory services, is recognized as it is performed.

Property, Equipment and Leasehold Improvements

Property, equipment and leasehold improvements are recorded at cost or estimated net book value at the date of transfer. Depreciation of property and equipment, and amortization of leasehold improvements, which is included in depreciation expense, is based on the straight line method over the estimated useful lives of the assets. Leasehold improvements are amortized over the lives of the respective lease or the service lives of the improvements.

Income taxes

The Territory of Guam adopted most sections of the United States Internal Revenue Code as the territorial or local income tax.

Guam income taxes are provided for the tax effects of transactions reported in the financial statements and consist of taxes currently due plus deferred tax assets and liabilities. Deferred tax assets and liabilities are recognized for differences between the basis of assets and liabilities for financial statement and income tax purposes. The differences relate to the use of mandatory depreciation methods for fixed assets under the tax laws. Deferred tax assets and liabilities represent the future tax return consequences of those differences which will be recoverable or taxable when the temporary differences reverse or certain future events occur. No deferred tax liability is recorded for permanent tax differences.

The Company files its corporate income tax return in the Territory of Guam. With few exceptions, the Company is no longer subject to Guam income tax examinations by tax authorities for years before 2006. The Company does not have any unrecognized tax benefits at December 31, 2011 that would affect the annual effective tax rate.

Notes to Financial Statements, continued

December 31, 2011

1) ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES.
continued

The Company recognizes interest accrued related to unrecognized tax benefits as interest expense and recognizes penalties in operating expenses. The Company did not recognize any interest or penalties in the year ended December 31, 2011 related to unrecognized tax benefits.

Advertising

The costs of non direct response advertising are charged to expense as incurred.

2) PROPERTY AND EQUIPMENT

A summary of property and equipment as of December 31, 2011 follows:

Furniture	\$ 9,173
Equipment	84,636
Leasehold improvements	<u>11,124</u>
	104,933
Less accumulated depreciation	<u>(93,256)</u>
Property and equipment, net	\$ <u>11,677</u>

3) GUAM INCOME TAX

During the year ended December 31, 2011 the Company paid \$11,494 in Guam income tax.

4) LEASE COMMITMENT

Effective January 1, 2009 the Company leased its administrative office under a noncancelable operating lease with a term expiring on December 31, 2011. The lease was renewed, with the current term expiring December 31, 2014. Monthly rent under the lease is \$2,500. The building and related improvements from which APFMG conducts its operations are owned by U.D.P. Corporation, a Guam corporation owned two-thirds by APFMG's majority stockholder.

Rent expense for the year ended December 31, 2011 was \$30,000. Future rent due under this lease is \$90,000.

5) SUBSEQUENT EVENTS

In preparing the accompanying financial statements and these footnotes, management has evaluated subsequent events through February 15, 2012, which is the date the financial statements were available to be issued.

6) NET CAPITAL REQUIREMENT

APFMG is subject to the Securities and Exchange Commission Uniform Net Capital Rule (rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1 (and the rule of the "applicable" exchange also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1). At December 31, 2011, APFMG had net capital of \$135,486, which was \$35,486 in excess of its required net capital of \$100,000. The Company's net capital ratio was 0.55 to 1.

BURGER & COMER, P.C.
CERTIFIED PUBLIC ACCOUNTANTS

The Board of Directors
Asia Pacific Financial Management Group, Inc.

In planning and performing our audit of the financial statements of Asia Pacific Financial Management Group, Inc. (the Company), as of and for the year ended December 31, 2011, in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by Rule 17a-13
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System.

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's previously mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the company's financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined previously.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at December 31, 2011, to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, the Financial Industry Regulatory Authority and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

The Board of Directors
Asia Pacific Financial Management Group, Inc.

In planning and performing our audit of the financial statements of Asia Pacific Financial Management Group, Inc. as of and for the year ended December 31, 2011, on which we have issued our report dated February 15, 2012, we considered its system of internal control in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on internal control. We noted no matters involving the system of internal control and its operation that we consider to be reportable conditions under standards established by the American Institute of Certified Public Accountants. Reportable conditions involve matters coming to our attention relating to significant deficiencies in the design or operation of internal control that, in our judgment, could adversely affect the organization's ability to record, process, summarize and report financial data consistent with the assertions of management in the financial statements.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, the SIPC, FINRA, and others within the organization and is not intended to be and should not be used by anyone other than these specified parties.

Independent Accountant's Report on Applying Agreed-Upon
Procedures Related to an Entity's SIPC Assessment Reconciliation

To the Board of Directors
Asia Pacific Financial Management Group, Inc.
Hagatna, Guam

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments [General Assessment Reconciliation (Form SIPC-7)] to the Securities Investor Protection Corporation (SIPC) for the year ended December 31, 2011, which were agreed to by Asia Pacific Financial Management Group, Inc. (APFMG) and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc., and SIPC, solely to assist you and the other specified parties in evaluating Asia Pacific Financial Management Group's compliance with the applicable instructions of the General Assessment Reconciliation (Form SIPC-7). Asia Pacific Financial Management Group's management is responsible for Asia Pacific Financial Management Group's compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursements records entries ((a) overpayment of \$23 from 2010, (b) Check number 7237 on July 25, 2011 for \$17, and (c) Check number 7343 on February 6, 2012 for \$55) noting an overpayment of \$23;
2. Compared the amounts reported on the audited Form X-17A-5 for the year ended December 31, 2011, as applicable, with the amounts reported in Form SIPC-7 for the year ended December 31, 2011, noting no differences;
3. Proved the mathematical accuracy of the calculations reflected in Form SIPC-7 noting no differences; and
4. Compared the amount of any overpayment applied to the current assessment with the Form SIPC-7 on which it was originally computed noting no differences.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than those specified parties.
