## Report of Independent Registered Public Accounting Firm

The Managing Member  
Albright Securities LLC

We have audited the accompanying statement of financial condition of Albright Securities LLC (the Company) as of December 31, 2011. This statement of financial condition is the responsibility of the Company's management. Our responsibility is to express an opinion on this statement of financial condition based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of financial condition is free of material misstatement. We were not engaged to perform an audit of the Company's internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the statement of financial condition, assessing the accounting principles used and significant estimates made by management, and evaluating the overall statement of financial condition presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the statement of financial condition, referred to above presents fairly, in all material respects, the financial position of Albright Securities LLC at December 31, 2011, in conformity with U.S. generally accepted accounting principles.

The Company is a wholly-owned subsidiary of Albright Capital Management LLC (ACM). ACM focuses on the emerging markets and launched its flagship private fund (the Flagship Fund) in January 2007. In accordance with the Agreement, except as otherwise provided by the Act, the debts and obligations and liabilities of the Company, whether arising in contract, tort or otherwise, shall be solely the debts, obligations and liabilities of the Company, and ACM shall not be obligated personally for such debt, obligation or liability of the Company solely by reason of being a member of the Company.
