Report of Independent Registered Public Accountant

Board of Directors
Avisen Securities, Inc.
Sacramento, California

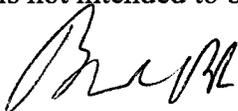

I have audited the accompanying statement of financial condition of Avisen Securities, Inc. as of December 31, 2011 and the related statements of operations, changes in stockholders' equity, and cash flows for the year then ended that you are filing pursuant to Rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with auditing standards of the Public Company Accounting Oversight Board (United States). Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatements. An audit includes examining on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Avisen Securities, Inc. as of December 31, 2011 and the results of its operations and cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

My audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained on Schedule I-IV is presented for purposes of additional analysis and is not required as part of the basic financial statements, but is supplementary information required by Rule 17a-5 of the Securities and Exchange Act of 1934. Such information has been subject to the auditing procedures applied in my audit of the basic financial statements and, in my opinion, is fairly stated in all material respect in relating to the basic financial statements taken as a whole.

This opinion is intended solely for the information and use of the board of directors, the Securities and Exchange Commission, and other regulatory agencies which rely on Rule 17a 5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

Note 1: GENERAL & SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

GENERAL

Avisen Securities, Inc. (the "Company") was formed in 2002 under the laws of California, as a "C" corporation.

The firm received its independent broker dealer registration on August 20, 2003 and is currently registered in twenty four (24) states as well as with The Financial Industry Regulatory Authority (FINRA), Securities and Exchange Commission (SEC), The Commodity Future Trading Commission, National Futures Association, and the Municipal Security Rulemaking Board (MSRB) and SIPC.

The Company conducts business as an introducing broker dealer. The Company deals on an agency basis in the trading of exempt and non-exempt government securities and accepts trades in equities, corporate fixed income and municipal issues. Trades are cleared on a fully disclosed basis through Pershing.

SUMMARY OF SIGNIFICANT ACCOUNT POLICIES

Trades are recorded on a trade date basis with related commission income and expenses also recorded on a trade date basis.

Property and equipment purchases over \$500 individually are capitalized. Depreciation is calculated using straight line method over a useful life of five (5) and seven (7) years.

Cash equivalents include highly liquid investments purchased with an original maturity of three months or less. The Company maintains its cash in blank deposit accounts, which at times may exceed uninsured limits. The Company has not experienced any losses in such accounts.

Securities owned are valued at market. The resulting differences between cost and market are included in income.

The Company and its stockholders have elected "C" company status under the federal and state tax laws.

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Note 1: GENERAL & SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(continued)

COMPREHENSIVE INCOME

The Company adopted SFAS No. 130, "Reporting Comprehensive Income," which requires that an enterprise report, by major components and as a single total, the changes in equity. There were no other comprehensive income items for the year ended December 31, 2011.

CONCENTRATIONS OF CREDIT RISK

The Company is engaged in various trading and brokerage activities in which counters-parties primarily include broker-dealers, banks, and other financial institutions. In the event counters-parties do not fulfill their obligations, the Company may be exposed to risk. The risk of default depends on the creditworthiness of the counter party or issuer of the instrument. It is Company's policy to review, as necessary, the credit standing of each counter party.

Management estimates that 80% of the revenues were generated in the State of California and 20% in the State of Nevada.

Note 2: NET CAPITAL REQUIREMENTS

The Company is subject to the uniform net capital Rule (Rule 15c3-1) of the Securities and Exchange Commission, which requires both the maintenance of minimum net capital and the maintenance of a maximum ratio of aggregate indebtedness to net capital. Net capital and aggregate indebtedness change day by day, but by December 31, 2011 the Company's net capital of \$54,583 exceeded the minimum net capital requirement by \$49,583 and, the Company's ratio of aggregate indebtedness (\$26,104) to net capital was 0.48 to 1, which is less than 15:1 ceiling required.

Note 3: FIXED ASSETS

At December 31, 2011 fixed assets consist of the following:

Property & Equipment	\$	150,511
Less: Accumulated depreciation		<u>(62,654)</u>
	\$	87,857

AVISEN SECURITIES, INC.

Notes to Financial Statements
December 31, 2011

Note 4: LEASE OBLIGATIONS

The Company leases office space in Reno, Nevada for a period of sixty months beginning August 1, 2011. Future minimum lease payments are as follows:

Year	Amount
2012	36,947
2013	38,054
2014	39,197
2015	40,376
2016	23,961

Note 5: INCOME TAXES

The component of the income tax benefit for the year ended December 31, 2011 is as follows:

Tax benefit at December 31, 2011	\$ (562,595)
----------------------------------	--------------

The Company's effective tax rate differs from the federal statutory rate due primarily to state taxes and nondeductible expenses. At December 31, 2011 deferred tax assets and liabilities were not significant.

The net Federal tax receivable of \$562,595 is included in other assets.

The \$800 income tax provision is for the State of California annual minimum tax.

Note 6: GOING CONCERN

The firm is a development stage company and has not earned enough revenue to support its direct expenses. The viability of the firm is a function of the shareholder's capital and future capital contributions, as well as its ability to meet a projected business plan.

Independent Accountant's Report on Applying Agreed – Upon Procedures Related to an Entity's SIPC Assessment Reconciliation.

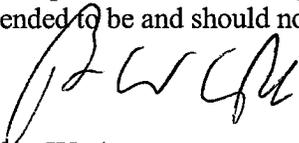

Board of Directors
Avisen Securities, Inc.
Sacramento, California

In accordance with Rule 17a-5 (e)(4) under the Securities Exchange Act of 1934, I have performed the procedures enumerated below with respect to the accompanying Scheduled of Assessment and Payments [General Assessment Reconciliation (Form SIPC-7)] to the Securities Investor Protection Corporation (SIPC) for the Year Ended December 31, 2011, which were agreed to by Avisen Securities, Inc. and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc., and SIPC, solely to assist you and the other specified parties in evaluating Avisen Securities, Inc.'s compliance with the applicable instructions of the General Assessment Reconciliation (Form SIPC-7). Avisen Securities, Inc.'s management is responsible for the Avisen Securities, Inc.'s compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, I make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures I performed and my findings are as follows:

1. Compared the listed assessment payment in Form SIPC-7 with respective cash disbursement records entries from the cash disbursements journal and related bank statements and reconciliations, noting no differences;
2. Compared the amounts reported on the audited Form X-17a-5 for the year ended December 31, 2011, as applicable with the amounts reported in Form SIPC-7 for the year ended December 31, 2011 noting no differences;
3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers, such as clearing firms records supporting securities revenues, noting no differences;
4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers, such as revenues from third party support and bank records supporting the adjustments, noting no differences.

I was not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, I do not express such an opinion. Had I performed additional procedures, other matters might have come to my attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.

**REPORT OF INDEPENDENT REGISTERED
PUBLIC ACCOUNTANT ON
INTERNAL CONTROL STRUCTURE
REQUIRED BY SEC RULE 17A-5**

Board of Directors,
Avisen Securities, Inc.
Sacramento, California

In planning and performing my audit of the financial statements of Avisen Securities, Inc. for the year ended December 31, 2011 in accordance with auditing standards generally accepted in the United States of America, I considered its internal control structure, including control activities for safeguarding securities, in order to determine my auditing procedures for the purpose of expressing my opinion on the financial statements and not to provide assurance on the internal control structure. Accordingly, I do not express an opinion effectiveness of the Company's internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission, I have made a study of the practices and procedures including tests of such practices and procedures followed by Avisen Securities, Inc. including test of compliance with such practices and procedures that I considered relevant to objectives stated in Rule 17a-5(g), (1) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, I did not review the practices and procedures followed by the Company in any of the following: (i) in making the quarterly securities examinations, counts, verifications and comparisons, (ii) recordation of differences required by Rule 17a-13, or (iii) in complying with the requirements for prompt payment for securities of Section 8 of Regulation T of the Board of Governors of the Federal Reserve System.

The management of the Company is responsible for establishing and maintaining an internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of internal control structure policies and procedures and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the Commission's above mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable, but not absolute, assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit preparation of financial statements in conformity with generally accepted accounting principles. Rule 17-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Board of Directors,
Avisen Securities, Inc.

Because of inherent limitations in internal control or the practices and procedures referred to above, errors or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

My consideration of the internal control structure would not necessarily disclose all matters in the internal control that might be material weaknesses under standards established by the American Institute of Certified Public Accountants and the Public Company Accounting Oversight Board (United States). A material weakness is a condition in which the design or operation of the specific internal control components does not reduce to a relatively low level the risk that error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, I noted no matters involving the internal control structure, including control activities for safeguarding securities, which I consider to be material weaknesses as defined above.

In addition, my consideration of the internal control structure indicated that the Company was in compliance with the conditions of the exemption under Paragraph (k) (2) (ii) of Rule 15c3-3, and no facts came to my attention indicating that such conditions had not been complied with during the period. The scope of my engagement did not include the Anti Money Laundering provision of the U.S. Patriot Act.

I understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the Commission to be adequate for its purpose in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on my study, I believe that the Company's practices and procedures were adequate at December 31, 2011 to meet the Commission's objectives.

This report is intended solely for the information and use of the board of directors, the Securities and Exchange Commission, and other regulatory agencies which rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.
