Independent Auditor's Report

To the Board of Directors of
Tier One Partners, Inc.

We have audited the accompanying statement of financial condition of Tier One Partners, Inc. (the Company) as of December 31, 2011, and the related statements of income, changes in stockholders' equity, and cash flows for year then ended that you are filing pursuant to rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Tier One Partners, Inc. as of December 31, 2011, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

TIER ONE PARTNERS, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2011

NOTE 1- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization and Nature of Business:

The Company is a broker-dealer registered with the Securities and Exchange Commission (SEC) and is a member of the Financial Industry Regulatory Authority, Inc. (FINRA). During 2011, the Company changed its name from CBIA Advisors, Inc. to Tier One Partners, Inc.

Investment Banking and Advisory Fees:

Fees are earned from advisory services including merger and acquisition, restructuring, valuation, and capital raising services for clients.

Revenue Recognition:

The Company typically enters into contracts with clients calling for periodic advisory fees to be paid during the term of the arrangement, and a success fee to be paid out once the merger, acquisition, sale, restructuring, or financing (the "transaction") is successfully completed. This success fee is typically based on a percentage of the total consideration of the transaction, although in certain cases it may be a flat fee. Accordingly, the Company recognizes advisory fees in the period earned, with separate revenue recognition once each transaction is finalized.

Receivables from non-customers:

The Company has not provided an allowance for doubtful accounts, because management believes all amounts are collectible.

Property and Equipment:

Property and equipment are recorded at cost. The cost of maintenance and repairs is charged to operations as incurred. Major improvements to property and equipment are capitalized. Depreciation is computed using the straight-line method over the estimated useful lives of the assets. Depreciation for 2011 was \$1,397.

Organization costs:

The Company incurred organization costs on July 28, 2008. The Company is amortizing the cost over a period of fifteen years. Amortization expense for 2011 was \$8,000.

TIER ONE PARTNERS, INC.

NOTES TO FINANCIAL STATEMENTS, CONTINUED

DECEMBER 31, 2011

NOTE 1- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Income Taxes:

The Company accounts for income taxes in accordance with FASB Accounting Standards Codification Topic 740, whereby deferred tax assets and liabilities are recognized for the future utilization of net operating loss carryforwards. Deferred income tax expense represents the change during the period in the deferred tax assets and liabilities.

Use of Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reported period. Actual results could differ from these estimates.

NOTE 2 – NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital, and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1 (and the rule of the “applicable” exchange also provides that equity capital may not be withdrawn or cash dividends be paid if the resulting net capital ratio would exceed 10 to 1). At December 31, 2011 the Company had net capital of \$6,023 which was \$1,023 in excess of its required net capital of \$ 5,000. The Company’s net capital ratio was 0 to 1.

NOTE 3 – OPERATING LEASES

The Company conducted its operations from a facility that it leased under a three year non-cancelable operating lease expiring in July 2011.

Rent expense for the year was \$ 11,571.

TIER ONE PARTNERS, INC.

NOTES TO FINANCIAL STATEMENTS, CONTINUED

DECEMBER 31, 2011

NOTE 4 – UNCERTAINTY IN INCOME TAXES

Effective January 1, 2010, the Company adopted ASC Topic 740-10 Accounting for Uncertainty in Income Taxes, which required the Company to report any uncertain tax positions and to adjust its financial statements for the impact thereof. As of December 31, 2011, the Company determined that it had no tax positions that did not meet the “more likely than not” threshold of being sustained by the applicable tax authority. The Company files taxes and information returns in the United States Federal and Virginia state jurisdictions. These returns are generally subject to examination by the authorities for the last three years.

NOTE 5 – CONCENTRATIONS

The Company derived 100% of its revenue from one customer in 2011.

NOTE 6 – FAIR VALUE

FASB ASC 820 defines fair value, establishes a framework for measuring fair value, and establishes a fair value hierarchy which prioritizes the inputs to valuation techniques. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value measurement assumes that the transaction to sell the asset or transfer the liability occurs in the principal market for the asset or liability or, in the absence of a principal market, the most advantageous market. Valuation techniques that are consistent with the market income or cost approach, as specified by FASB ASC 820, are used to measure fair value.

The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value into three broad levels:

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities the Company has the ability to access.

Level 2 inputs are inputs (other than quoted prices included within level 1) that are observable for the asset or liability, either directly or indirectly.

Level 3 are unobservable inputs for the asset or liability and rely on management’s own assumption about the assumptions that market participants would use in pricing the asset or liability. (The unobservable inputs should be developed based on the best information available in the circumstances and may include the Company’s own data.)

TIER ONE PARTNERS, INC.
NOTES TO FINANCIAL STATEMENTS, CONTINUED
DECEMBER 31, 2011

NOTE 6 – FAIR VALUE (Continued)

A qualifying asset or liability's level within the framework is based upon the lowest level of any input that is significant to the fair value measurement. The Company's qualifying assets or liabilities are recorded at fair value using Level 1 inputs.

NOTE 7 – SUBSEQUENT EVENTS

Management has evaluated subsequent events through January 17, 2012, the date on which the financial statements were available to be issued. There were no subsequent events that require adjustment or disclosure in the financial statements.

Independent Auditor's Report on Internal Control Required by Rule 17a-5

To the Board of Directors of
Tier One Partners, Inc.

In planning and performing our audit of the financial statements of Tier One Partners, Inc. (the Company), as of and for the year ended December 31, 2011, in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company, including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under rule 17a-3(a)(11) and determining compliance with the exemptive provisions of rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications and comparisons and recordations required by rule 17a-13.
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System.

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph, and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

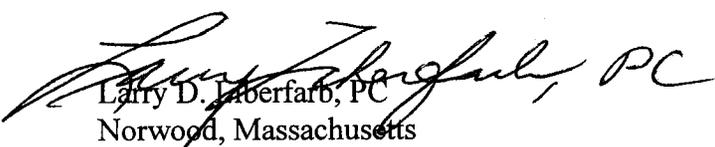

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the entity's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the entity's financial statements that is more than inconsequential will not be prevented or detected by the entity's internal control.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the entity's internal control.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we considered to be material weaknesses, as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe the Company's practices and procedures, as described in the second paragraph of the report, were adequate at December 31, 2011, to meet the SEC's objectives.

This report is intended solely for the information and use of management, the SEC, the Financial Industry Regulatory Authority, Inc., and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

Independent Auditor's Report on Applying Agreed-Upon Procedures Related to an Entity's SIPC Assessment Reconciliation

To the Board of Directors
Tier One Partners, Inc.

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Schedule of Assessments and Payments [General Assessment Reconciliation (Form SIPC-7)] to the Securities Investor Protection Corporation (SIPC) for the year ending December 31, 2011, which were agreed to by Tier One Partners, Inc. and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc., and SIPC, solely to assist you and the other specified parties in evaluating Tier One Partners, Inc.'s compliance with the applicable instructions of the General Assessment Reconciliation (Form SIPC-7), Tier One Partners, Inc.'s management is responsible for the Tier One Partners, Inc.'s compliance with those requirements. The agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures were performed and our findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement records entries noting no differences;
2. Compared amounts reported on the audited Form X-17A-5 for the period January 1, 2011 to December 31, 2011, as applicable, with the amounts reported in Form SIPC-7 for the period ended December 31, 2011 noting no differences;
3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers noting no differences;
4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting the adjustments noting no differences; and
5. Compared the amount of any overpayment applied to the current assessment with the Form SIPC-7 on which it was originally computed noting no differences.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
