Independent Auditor's Report

The Board of Directors
FBT Investments, Inc.

We have audited the accompanying statement of financial condition of FBT Investments, Inc. (the Company) as of December 31, 2011, and the related statements of income, changes in stockholder's equity, changes in liabilities subordinated to claims of general creditors, and cash flows for the year then ended that you are filing pursuant to Rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of FBT Investments, Inc. as of December 31, 2011, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplementary information contained in Schedules I, II, III, and IV required by Rule 17a-5 under the Securities Exchange Act of 1934 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

FBT INVESTMENTS, INC.

Notes to Financial Statements

Note 1. Summary of Significant Accounting Policies

Business of the Company

FBT Investments, Inc. (the Company) is a wholly owned subsidiary of Firsttrust Corporation (the Parent), a Louisiana bank holding company.

The Company provides retail brokerage services to customers primarily in Louisiana. The Company is a registered broker-dealer pursuant to the Securities Exchange Act of 1934, and is a member of the Financial Industry Regulatory Authority. The Company is a non-clearing broker and, as such, has an agreement with a third-party clearing organization to carry and clear its customers' margin, cash accounts, and transactions on a fully-disclosed basis.

Furniture and Equipment

Furniture, equipment and leasehold improvements are stated at cost, less accumulated depreciation computed on the straight-line method over the estimated useful lives of the assets. Depreciation and amortization charged to operations amounted to \$9,328 for the year ended December 31, 2011.

Income Taxes

The Company is an S Corporation for income tax purposes. Under this election, taxable income or loss of the Company is included in the tax return of its stockholder.

Cash and Cash Equivalents

For purposes of the statement of cash flows, the Company considers all highly liquid investments purchased with a maturity of three months or less to be cash equivalents.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Revenue Recognition

Commission income and expenses related to customers' securities transactions are reported on the trade date basis. Fee income is recorded as the related services are provided and fees are earned.

Note 2. Receivable from Clearing Broker

Accounts receivable from clearing broker represents uncollected commissions and fees due from other brokers.

FBT INVESTMENTS, INC.

Notes to Financial Statements

Note 3. Agreement with Clearing Organization

The Company utilizes Pershing, LLC as its clearing broker. Terms of the agreement with the clearing organization call for the Company to maintain compensating balances of \$25,000. At December 31, 2011, \$25,000 of cash is restricted for that purpose. In addition, terms of the agreement require the Company to compensate Pershing, LLC on a "per transaction" basis with a minimum compensation of \$25,000 per calendar quarter.

Note 4. Commitments and Contingencies

The Company clears all customers' securities transactions through a clearing broker, on a fully-disclosed basis which, in accordance with accounting principles generally accepted in the United States of America, are not included on the statement of financial condition. These transactions are referred to as "off-statement of financial condition commitments" and differ from the Company's statement of financial condition activities in that they do not give rise to funded assets or liabilities. The Company receives a commission for initiating such transactions for its customers. Initiating these trades for its customers involves various degrees of credit and market risk in excess of amounts recognized on the statement of financial condition. The Company minimizes its exposure to loss under these commitments by subjecting the customer accounts to credit approval, monitoring processes, and by requiring customers to maintain margin collateral in compliance with various regulatory and internal guidelines. The Company and the clearing broker monitor required margin levels daily and positions when necessary.

Once a trade is executed, a customer is allowed three business days to settle the transaction by payment of the settlement price (when purchasing securities) or the delivery of the securities (when selling securities). The Company is required by law to immediately complete a securities transaction when a customer fails to settle. The Company is at risk for any loss realized in completing transactions for its customers. At December 31, 2011, all unsettled transactions were subsequently settled by customers without loss to the Company or open commitments were adequately collateralized.

The Company leases office space under leases expiring in 2016. Future minimum lease payments under these operating leases are as follows:

2012	\$ 47,609
2013	47,609
2014	47,609
2015	47,609
2016	<u>15,870</u>
Total	<u>\$ 206,306</u>

Rent expense for 2011, totaled \$49,273 and is included in the Statement of Income under occupancy and equipment expenses.

FBT INVESTMENTS, INC.

Notes to Financial Statements

Note 5. Income Taxes

The Company accounts for income taxes in accordance with the provisions of the *Income Taxes* Topic of the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 740. ASC 740 prescribes a recognition threshold and measurement attribute for financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return, and also provides guidance on various related matters such as derecognition, interest, penalties and disclosures required. The Company recognizes interest and penalties, if any, related to unrecognized tax benefits in income tax expense.

As stated in Note 1, taxable income or loss of the Company is included in the tax return of its stockholder. The Company's stockholder files U.S. federal income tax returns, and the Company files state income tax returns in several jurisdictions. Returns filed in these jurisdictions for tax years ended on or after December 31, 2008 are subject to examination by the relevant taxing authorities. The Company is not currently under examination by any taxing authority.

As of December 31, 2011, the Company had no uncertain tax positions.

Note 6. Related Party Transactions

The Company's cash and cash equivalents at December 31, 2011, were held by First Bank and Trust (FBT), an affiliate. Additionally, a restricted certificate of deposit of \$20,000 was held at FBT at December 31, 2011. In addition, the Company has an agreement with FBT to provide human resource services. During 2011, the Company paid \$9,000 to FBT under this agreement.

The Company has an agreement with its Parent to provide management services. During 2011, the Company paid \$12,672 for management fees to its Parent.

The Company has an agreement to provide management and support services to two affiliates. Amounts received from affiliates totaled \$45,600 for the year ended December 31, 2011.

Note 7. Net Capital Requirements

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. At December 31, 2011, the Company had net capital of \$333,040, which was \$283,040 in excess of its required net capital of \$50,000. The Company's aggregate indebtedness to net capital ratio was .26 to 1 at December 31, 2011.

FBT INVESTMENTS, INC.

Notes to Financial Statements

Note 8. Employee Benefit Plan

The Company participates with its affiliates in a deferred contribution 401(k) plan which covers substantially all of its full-time employees. The plan includes employee contributions and matching contributions by the Company subject to certain limitations. In addition, the Company may contribute additional amounts to the plan at its discretion, based on its profits for the year. The aggregate contributions to the plan for the year ended December 31, 2011, totaled \$10,930.

Note 9. Evaluation of Subsequent Events

FASB ASC Topic 855, *Subsequent Events*, establishes general standards of accounting for and disclosure of events that occur after the balance sheet date but before financial statements are issued or are available to be issued. Specifically, it sets forth the period after the balance sheet date during which management of a reporting entity should evaluate events or transactions that may occur for potential recognition or disclosure in the financial statements, the circumstances under which an entity should recognize events or transactions occurring after the balance sheet date in its financial statements, and the disclosures that an entity should make about events or transactions that occurred after the balance sheet date.

In accordance with ASC 855, the Company evaluated subsequent events through February 5, 2012, the date these financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosure in these financial statements.

Supplementary Information
December 31, 2011

Schedule II
Computation for Determination of Reserve
Requirements Under Rule 15c3-3 of
the Securities and Exchange Commission

FBT Investments, Inc. is exempt from the reserve requirements and the related computations for the determination thereof under paragraph k(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934, as FBT Investments, Inc. carries no margin accounts in connection with its activities as a broker or dealer, does not otherwise hold funds or securities for or owe money or securities to customers.

During the year ended December 31, 2011, FBT Investments, Inc. has maintained its compliance with the conditions for exemption specified in paragraph k(2)(ii) of Rule 15c3-3.

Schedule III
Information Relating to Possession or Control
Requirements Under Rule 15c3-3 of
the Securities and Exchange Commission

FBT Investments, Inc. is exempt from the reserve requirements and the related computations for the determination thereof under paragraph k(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934, as FBT Investments, Inc. carries no margin accounts in connection with its activities as a broker or dealer, does not otherwise hold funds or securities for or owe money or securities to customers.

During the year ended December 31, 2011, FBT Investments, Inc. has maintained its compliance with the conditions for exemption specified in paragraph k(2)(ii) of Rule 15c3-3.

Schedule IV
Schedule of Segregation Requirements
and Funds in Segregation for Customers' Regulated
Commodity Futures and Options Accounts

FBT Investments, Inc. is exempt from the reserve requirements and the related computations for the determination thereof under paragraph k(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934, as FBT Investments, Inc. carries no margin accounts in connection with its activities as a broker or dealer, does not otherwise hold funds or securities for or owe money or securities to customers.

During the year ended December 31, 2011, FBT Investments, Inc. has maintained its compliance with the conditions for exemption specified in paragraph k(2)(ii) of Rule 15c3-3.

Independent Auditor's Report on Internal Control

The Board of Directors
FBT Investments, Inc.

In planning and performing our audit of the financial statements of FBT Investments, Inc. (the Company) as of and for the year ended December 31, 2011, in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by Rule 17a-13.
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System.

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls, and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's previously mentioned objectives.

Two of the objectives of internal control and the practices and procedures are to provide management with reasonable, but not absolute, assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis.

A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Company's financial statements will not be prevented, or detected and corrected, in a timely basis.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses and, therefore, there can be no assurance that all material weaknesses have been identified. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined previously.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at December 31, 2011, to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, shareholder, management, the Securities and Exchange Commission, the Financial Industry Regulatory Authority, the New York Stock Exchange and other regulatory agencies which rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be, and should not be, used by anyone other than these specified parties.

Independent Accountant's Report on Applying Agreed-Upon Procedures

The Board of Directors
FBT Investments, Inc.

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the Schedule of Assessment and Payments on Form SIPC-7 to the Securities Investor Protection Corporation (SIPC) for the period from January 1, 2011 to December 31, 2011, which were agreed to by FBT Investments, Inc., the Securities and Exchange Commission, the Financial Industry Regulatory Authority, Inc., and SIPC, solely to assist you and the other specified parties in evaluating FBT Investments, Inc.'s compliance with the applicable instructions of the General Assessment Reconciliation (Form SIPC-7). FBT Investments, Inc.'s management is responsible for FBT Investments, Inc.'s compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement records entries, noting no differences;
2. Compared the amounts reported on the audited Form X-17A-5 for the year ended December 31, 2011, as applicable, with the amounts reported in Form SIPC-7 for the year ended December 31, 2011, noting no differences;
3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers, noting no differences;
4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting the adjustments, noting no differences; and
5. Compared the amount of any overpayment applied to the current assessment with the Form SIPC-7 on which it was originally computed, noting no differences.
