INDEPENDENT AUDITOR'S REPORT

To the Members
Palladium Capital Advisors LLC
New York, New York

We have audited the accompanying statement of financial condition of Palladium Capital Advisors LLC as of December 31, 2011, and the related statements of operations, changes in members' equity and cash flows for the year then ended that you are filing pursuant to rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Palladium Capital Advisors LLC at December 31, 2011, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in Schedule I is presented for the purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by Rule 17a-5 under the Securities Exchange Act of 1934. Such information is the responsibility of management and was derived from and relates directly to the underlying

accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as whole.

PALLADIUM CAPITAL ADVISORS, LLC

NOTES TO FINANCIAL STATEMENTS **DECEMBER 31, 2011**

1. ORGANIZATION AND NATURE OF BUSINESS

Organization

Palladium Capital Advisors LLC (the "Company") is a Delaware limited liability company and is a registered broker-dealer in securities under the Securities and Exchange Act of 1934 and is a member of the Financial Industry Regulatory Authority ("FINRA"). The Company commenced operations on April 28, 2004.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Accounting Standards Codification

The Financial Accounting Standards Board ("FASB") has issued FASB Statement No. 168, *The FASB Accounting Standards Codification and the Hierarchy of Generally Accepted Accounting Principles*, effective for periods ending after September 15, 2009. This Statement establishes the FASB Accounting Standards Codification ("ASC") as the single source of authoritative United States generally accepted accounting and reporting standards for nongovernmental entities, in addition to guidance issued by the SEC and these financial statements are referenced accordingly.

Cash and cash equivalents

Financial instruments that potentially subject the company to credit risk consist primarily of cash balances and accounts receivable. The Company maintains bank and broker accounts with major financial institutions. At times, such amounts may exceed Federal Deposit Insurance Corporation ("FDIC") limits.

Securities Transactions and Commissions

Revenue from placement fees and commission expense are recorded on the date the placement is completed.

Securities owned are recorded at current market value. Securities not readily marketable are valued at fair value as determined by management, which approximates estimated realizable value. Securities not readily marketable include investment securities that cannot be offered or sold because of restrictions or conditions applicable to the securities or to the Company.

PALLADIUM CAPITAL ADVISORS, LLC

NOTES TO FINANCIAL STATEMENTS *DECEMBER 31, 2011*

Significant Credit Risk and Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management of the Company to use estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Fair Value Measurement

FASB ASC 820 defines fair value, establishes a framework for measuring fair value, and establishes a fair value hierarchy which prioritizes the inputs to valuation techniques. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value measurement assumes that the transaction to sell the asset or transfer the liability occurs in the principal market for the asset or liability or, in the absence of a principal market, the most advantageous market. Valuation techniques that are consistent with the market, income or cost approach, as specified by FASB ASC 820, are used to measure fair value.

The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value into three broad levels:

Level 1 – Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Company has the ability to access.

Level 2 – Inputs are inputs (other than quoted prices included within level 1) that are observable for the asset or liability, either directly or indirectly.

Level 3 – Are unobservable inputs for the asset or liability and rely on management's own assumptions about the assumptions that market participants would use in pricing the asset or liability. (The unobservable inputs should be developed based on the best information available in the circumstances and may include the Company's own data.)

Income taxes

The Company is organized as a limited liability company and is recognized as a partnership for income tax purposes. No provision has been made for federal and state income taxes, since these taxes are the personal responsibility of the members.

In accordance with ASC 740, *Income Taxes*, the Company is required to disclose unrecognized tax benefits resulting from uncertain tax positions. At December 31, 2011, the Company did not have any unrecognized tax benefits or liabilities. The Company operates in the United States and in state and local jurisdictions, and the previous three

years remain subject to examination by tax authorities. There are presently no ongoing income tax examinations.

3. SECURITIES OWNED

Securities owned consist of marketable securities in U.S. public entities totaling \$66,087.

4. FAIR VALUE MEASUREMENT

The following table presents the Company's fair value hierarchy for those assets and liabilities measured at fair value on a recurring basis as of December 31, 2011:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Assets				
Securities owned	<u>\$</u>	<u>\$ -</u>	<u>\$ 66,087</u>	<u>\$ 66,087</u>

5. COMMITMENTS AND CONTINGENCIES

Lease

The Company rents office space in New York City, New York under a lease expiring in April, 2015. Rent expense for the year ended December 31, 2011 was approximately \$36,000.

Minimum future rental payments are approximately as follows:

2012	\$	41,000
2013		41,000
2014		41,000
2015		14,000

6. COMPUTATION FOR DETERMINATION OF RESERVE REQUIREMENTS FOR BROKERS AND DEALERS PURSUANT TO RULE 15c3-3

The Company is exempt from the provisions of Rule 15c3-3 under the Securities Exchange Act of 1934, in that the Company's activities are limited to those set forth in the conditions for exemption appearing in paragraph (k) (2) (i) of the Rule.

7. NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (Rule 15c-3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1 (and that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1). At December 31, 2011, the Company had net capital of \$15,935, which was \$10,935 in excess of its required net capital of \$5,000. The Company had a percentage of aggregate indebtedness to net capital of 109% as of December 31, 2011.

8. RELATED PARTY TRANSACTIONS

Included in other assets at December 31, 2011 is \$1,168 due from the managing member of the Company.

9. SUBSEQUENT EVENTS

The Company has evaluated and noted no events or transactions that have occurred after December 31, 2011 that would require recognition or disclosure in the financial statements.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL REQUIRED BY SEC RULE 17a-5(g)(1) FOR A BROKER- DEALER CLAIMING AN EXEMPTION FROM SEC RULE 15c3-3

To the Members
Palladium Capital Advisors LLC
New York, New York

In planning and performing our audit of the financial statements of Palladium Capital Advisors LLC (the Company), as of and for the year ended December 31, 2011 in accordance with auditing standards generally accepted in the United States, we considered the Company's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by Rule 17a-13
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's previously mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Company's financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to material weaknesses, as defined previously.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at December 31, 2011, to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, FINRA, and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT AUDITOR'S REPORT ON APPLYING AGREED-UPON PROCEDURES RELATED TO AN ENTITY'S SIPC ASSESSMENT RECONCILIATION

To the Members
Palladium Capital Advisors LLC
New York, New York

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments [General Assessment Reconciliation (Form SIPC-7)] to the Securities Investor Protection Corporation (SIPC) for the year ended December 31, 2011, which were agreed to by Palladium Capital Advisors LLC and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc., and SIPC, solely to assist you and the other specified parties in evaluating Palladium Capital Advisors LLC's compliance with the applicable instructions of the Transitional Assessment Reconciliation (Form SIPC-7). Palladium Capital Advisors LLC's management is responsible for Palladium Capital Advisors LLC's compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement record entries noting no differences;
2. Compared the amounts reported on the audited Form X-17A-5 for the year ended December 31, 2011, as applicable, with the amounts reported in Form SIPC-7 for the year ended December 31, 2010, noting no differences;
3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers noting no differences;
4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting the adjustments noting no differences.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.

A handwritten signature in cursive script that reads "Silling + Company". The signature is fluid and elegant, with the plus sign and the word "Company" written in a similar style to "Silling".
