INDEPENDENT AUDITORS' REPORT

The Members of
Aurora Capital, LLC

We have audited the accompanying statement of financial condition of Aurora Capital, LLC as of December 31, 2011 that you are filing pursuant to Rule 17a-5 under the Securities Exchange Act of 1934. This financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of financial condition is free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the statement of financial condition, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall statement of financial condition presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the statement of financial condition referred to above presents fairly, in all material respects, the financial position of Aurora Capital, LLC as of December 31, 2011 in conformity with accounting principles generally accepted in the United States of America.

AURORA CAPITAL, LLC

NOTES TO STATEMENT OF FINANCIAL CONDITION

NOTE 1 - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization and Business

Aurora Capital LLC (the "Company") was organized in 1998 as a limited liability company under the laws of the State of New York and is a securities broker-dealer registered with the Securities and Exchange Commission and is a member of the Financial Industry Regulatory Authority. The Company's managing members are Aurora Capital Corp. and T Morgen Capital LLC.

Clearing Agreement

The Company, under Rule 15c3-3(k)(2)(ii), is exempt from the reserve and possession or control requirements of Rule 15c3-3 of the Securities and Exchange Commission. The Company does not carry or clear customer accounts. Accordingly, all customer transactions are executed and cleared on behalf of the Company by its clearing broker on a fully disclosed basis. The Company's agreement with its clearing broker provides that as clearing broker, that firm will make and keep such records of the transactions effected and cleared in the customer accounts as are customarily made and kept by a clearing broker pursuant to the requirements of Rules 17a-3 and 17a-4 of the Securities and Exchange Act of 1934, as amended (the "Act"). It also performs all services customarily incident thereon, including the preparation and distribution of customer's confirmations and statements and maintenance margin requirements under the Act and the Rules of the Self Regulatory Organizations of which the Company is a member.

Revenue Recognition

The Company records commission revenue and related expenses on a trade date basis, as securities transactions occur. Consulting, placement agency, advisory and other fees and revenues are recognized when earned and are no longer subject to negotiation or refund. Deferred revenue represents cash received from non-refundable retainers in excess of recognized revenue.

Fair Value of Financial Instruments

The Company's financial instruments, including cash and cash equivalents, deposit held at clearing broker (net), receivables, prepaid expenses and other assets, accounts payable and accrued compensation and expenses are carried at amounts that approximate fair value due to the short-term nature of the instruments.

Cash Equivalents

For purposes of the statement of cash flows, the Company considers all highly liquid instruments purchased with an original maturity of three months or less to be cash equivalents.

Income Taxes

The financial statements do not include a provision for income taxes because the Company is not a taxable entity and its members are taxed on their respective share of the Company's earnings.

AURORA CAPITAL, LLC

NOTES TO STATEMENT OF FINANCIAL CONDITION

(continued)

NOTE 1 - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (concluded)

Income Taxes (concluded)

Although the Company is not a taxable entity, it must file income tax returns and take tax positions that are passed through to its members. The Company is required to determine whether a tax position is more likely than not to be sustained upon examination by the applicable taxing authority, including resolution of any tax related appeals or litigation processes, based on the technical merits of the position. The Company files an income tax return in the U.S. federal jurisdiction and files income tax returns and forms in various U.S. states. The Company is not subject to income tax return examinations by major taxing authorities for years before 2008. No interest expense or penalties have been recognized as of and for the year ended December 31, 2011.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 2 - NET CAPITAL REQUIREMENTS

Pursuant to the net capital provisions of Rule 15c3-1 of the Securities Exchange Act of 1934, the Company is required to maintain a minimum net capital, as defined under such provisions. At December 31, 2011, the Company has a net capital deficiency and net capital requirements of \$(13,638) and \$10,184, respectively. According to Rule 15c3-1, the Company's net capital ratio shall not exceed 15 to 1. At December 31, 2011, the Company was not in compliance with the net capital provision of Rule 15c3-1. The Company sent the required notification to the proper regulatory agencies to notify them of the deficiency. To cure the deficiency, the Company amended their registered representative agreement giving the Company the right of offset of commissions receivable and payable.

NOTE 3 - FINANCIAL INSTRUMENTS, OFF-BALANCE SHEET RISKS AND CONTINGENCIES

In the normal course of business, the Company's customers' activities ("customers") through its clearing broker involve the execution, settlement, and financing of various client securities transactions. These activities may expose the Company to off-balance sheet risk. In the event the client fails to satisfy its obligations, the Company may be required to purchase or sell financial instruments at prevailing market prices in order to fulfill the client's obligations.

The Company is engaged in various brokerage activities in which counterparties primarily include broker-dealers, banks and other financial institutions. In the event counterparties do not fulfill their obligations, the Company may be exposed to risk. The risk of default depends on the creditworthiness of the counterparty or issuer of the instrument. It is the Company's policy to review, as necessary, the credit standing of each counterparty with which it conducts business.

(concluded)

NOTE 3 - FINANCIAL INSTRUMENTS, OFF-BALANCE SHEET RISKS AND CONTINGENCIES *(continued)*

The Company bears the risk of financial failure by its clearing broker. If the clearing broker should cease doing business, the amounts due from this clearing broker could be subject to forfeiture.

NOTE 4 - RELATED PARTY TRANSACTIONS

Employee advances and notes, placement agent fees, due from affiliates and reimbursements totaled \$332,478 at December 31, 2011. The advances are non-interest bearing and due upon demand.

NOTE 5 - SUBSEQUENT EVENTS

The Company has performed an evaluation of subsequent events through the date the financial statements were issued. The evaluation did not result in any subsequent events that required disclosures and/or adjustments.
