HOME FINANCIAL SERVICES, INC.

NOTES TO FINANCIAL STATEMENTS

December 31, 2011

NOTE 1 - NATURE OF BUSINESS AND SIGNIFICANT ACCOUNTING POLICIES

Nature of Business - The Company, a wholly owned subsidiary of Home Federal Bank of Tennessee (Home Federal), operates through its one office in Knoxville, Tennessee and is a general investor and broker primarily for Home Federal and its customers. In 2011, the Company earned approximately 52% of its revenue from transactions with Home Federal. The Company is registered with the Securities and Exchange Commission (SEC) and is a member of the Financial Industry Regulatory Authority, Inc. (FINRA). The Company's primary investment products are U.S. Government and Federal Agency Securities, Obligations of States and Political Subdivisions, and Commercial Paper. The investment products of the Company are not insured by the FDIC and are not guaranteed by Home Federal. Significant accounting policies are:

Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions. Those estimates and assumptions affect certain reported amounts and disclosures. Accordingly, actual results could vary from those estimates. The primary items subject to estimation are the fair values of securities owned.

Revenue Recognition for Security Transactions - Customers' security transactions are recorded on a settlement date basis, which is not materially different from trade date basis.

Marketable Securities Owned - All securities owned are classified according to management's intent as trading securities and recorded at fair value with unrealized gains and losses in value charged to earnings. Realized gains and losses on the sales of securities are recognized on a specific identification basis.

Income Taxes - The Company files a consolidated federal income tax return with Home Federal. Federal and state income taxes have been provided for at the maximum statutory rate for each taxing authority. As required by GAAP, the Company assesses the likelihood, based on their technical merit, that tax positions will be sustained upon examination based on the facts, circumstances and information available at the end of each period. This measurement of unrecognized tax benefits is adjusted when new information is available, or when an event occurs that requires a change.

Evaluation of Subsequent Events - The Company's management has evaluated subsequent events through February 22, 2012, which is the date the financial statements were available to be issued.

NOTE 2 - CASH SEGREGATED UNDER FEDERAL AND OTHER REGULATIONS

Cash of \$288,423 has been segregated in a special reserve bank account for the benefit of customers under Rule 15c3-3 of the SEC.

NOTE 3 - CONCENTRATION OF CREDIT RISK

Financial instruments which subject the Company to concentrations of credit risk consist principally of cash and marketable securities owned. The Company maintains cash on deposit with Home Federal and one other financial institution. From time to time, the Company may have deposits in excess of FDIC limits. Additionally, marketable securities owned are subject to market fluctuations and could ultimately result in a loss of value.

NOTE 4 - SECURITIES OWNED

Marketable securities owned consist of the following at December 31, 2011:

| | |
|--|---------------------|
| U.S. Government and Federal Agency Securities | \$ 2,194,595 |
| Obligations of States and Political Subdivisions | 4,165,178 |
| | <u>\$ 6,359,773</u> |

NOTE 5 - SHORT-TERM BANK LOAN - RELATED PARTY

The Company has an unsecured \$5,000,000 line of credit with Home Federal which is payable on demand with interest at the prime rate. As of December 31, 2011, the Company had no outstanding balance on the line of credit.

NOTE 6 - LEASE COMMITMENTS - RELATED PARTY

The Company leases its operating facilities on a month-to-month basis from Home Federal. Rental expense under this operating lease was \$10,704 for the year ended December 31, 2011. The Company also leases certain equipment from unrelated parties on a month-to-month basis. Rental expense under these operating leases was \$28,655 for the year ended December 31, 2011.

NOTE 7 - NET CAPITAL REQUIREMENT

The Company, as a registered broker and dealer in securities, is subject to the Uniform Net Capital Rule (Rule 15c3-1) of the Securities and Exchange Commission. The Rule requires the maintenance of minimum net capital and prohibits a broker-dealer from engaging in securities transactions when its "aggregate indebtedness" exceeds fifteen times its "net capital" as those terms are defined in the Rule. The Company's net capital computed in accordance with this Rule was \$5,778,880 as of December 31, 2011, which was \$5,528,880 in excess of its required net capital of \$250,000. Its ratio of indebtedness to such capital was .061 to 1 as of December 31, 2011.

NOTE 8 - PRINCIPAL TRANSACTION REVENUES

The Company's principal transaction revenues by reporting categories for the year ended December 31, 2011 are as follows:

| | |
|--|---------------------|
| U.S. Government and Federal Agency Securities | \$ 876,939 |
| Obligations of States and Political Subdivisions | 498,725 |
| | <u>\$ 1,375,664</u> |

NOTE 9 - INCOME TAXES

The Company files a consolidated federal income tax return with Home Federal, its Parent, in the U.S. federal jurisdiction and an individual income tax return with the state of Tennessee. Federal income taxes are calculated as if the Company filed a separate federal income tax return. With few exceptions, the Company is no longer subject to examinations by tax authorities for years before 2008. The Company has not accrued or expensed any amounts for interest or penalties associated with income taxes for the year ended December 31, 2011.

REPORT ON INTERNAL CONTROL REQUIRED BY SEC RULE 17a-5

Shareholder and Board of Directors
Home Financial Services, Inc.
Knoxville, Tennessee

In planning and performing our audit of the financial statements of Home Financial Services, Inc. (the Company), as of and for the year ended December 31, 2011, in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by Rule 17a-13.
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System.

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's previously-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A *significant deficiency* is a deficiency, or combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Company's financial statements will not be prevented or detected and corrected on a timely basis.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined previously.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at December 31, 2011, to meet the SEC's objectives.

This report is intended solely for the information and use of the board of directors, management, the Securities and Exchange Commission and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

Shareholder and Board of Directors
Home Financial Services, Inc.
Knoxville, Tennessee

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments [General Assessment Reconciliation (Form SIPC-7)] to the Securities Investor Protection Corporation (SIPC) for the year ended December 31, 2011, which were agreed to by Home Financial Services, Inc. (the "Company") and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc., and SIPC, solely to assist you and the other specified parties in evaluating the Company's compliance with the applicable instructions of the General Assessment Reconciliation (Form SIPC-7). The Company's management is responsible for the Company's compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement records entries in the financial reporting system and bank statements, noting no differences;
2. Compared the amounts reported on the audited Form X-17A-5 for the year ended December 31, 2011, as applicable, with the amounts reported in Form SIPC-7 for the year ended December 31, 2011, noting no differences;
3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers, noting no differences;
4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting the adjustments, noting no differences; and
5. Compared the amount of any overpayment applied to the current assessment with the Form SIPC-7 on which it was originally computed, noting no differences.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
