Report of Independent Registered Public Accounting Firm

The Board of Directors and Stockholder
Investment Centers of America, Inc.:

We have audited the accompanying statement of financial condition of Investment Centers of America, Inc. as of December 31, 2011 that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934 and Regulation 1.10 of the Commodity Exchange Act. This financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of financial condition is free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit of a statement of financial condition also includes examining, on a test basis, evidence supporting the amounts and disclosures in that statement of financial condition, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall statement of financial condition presentation. We believe that our audit of the statement of financial condition provides a reasonable basis for our opinion.

In our opinion, the statement of financial condition referred to above presents fairly, in all material respects, the financial position of Investment Centers of America, Inc. as of December 31, 2011, in conformity with U.S. generally accepted accounting principles.

INVESTMENT CENTERS OF AMERICA, INC.
(A Wholly Owned Subsidiary of IFC Holdings, Inc.)

Notes to Statement of Financial Condition

December 31, 2011

(1) Organization

Investment Centers of America, Inc. (the Company) is a wholly owned subsidiary of IFC Holdings Inc. (IFC). IFC is a wholly owned subsidiary of National Planning Holdings, Inc. (NPH), which in turn is an indirect, wholly owned subsidiary of Prudential plc. The Company is a registered broker-dealer and investment advisor with the Securities and Exchange Commission (SEC) and is a registered broker-dealer with the Commodity Futures Trading Commission and is a member of the Financial Industry Regulatory Authority and the National Futures Association. The Company offers financial products (primarily mutual funds and insurance products) through its registered representatives to customers located throughout the United States.

The Company has evaluated events occurring after the balance sheet date (subsequent events) through February 22, 2012, the date the statement of financial condition was available to be issued, to determine whether any subsequent events necessitated adjustment to or disclosure in the statement of financial condition. No such events were identified.

(2) Significant Accounting Policies

(a) Cash and Cash Equivalents

The Company considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents. Cash equivalents include \$10,605,847 in money market funds and accounts. Cash held in banks periodically exceeds the Federal Deposit Insurance Corporation's (FDIC) insurance coverage of \$250,000, and as a result, there is a concentration of credit risk related to amounts in excess of FDIC insurance coverage.

(b) Marketable Securities

Securities are carried at fair value based on quoted market prices and are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date, and interest is recorded on the accrual basis.

(c) Drafts Payable

Drafts payable represents amounts drawn by the Company pursuant to a sweep agreement with a bank. Under this agreement, the bank does not advance cash to the Company.

(d) Fixed Assets

Fixed assets are carried at cost, less accumulated depreciation and amortization. Depreciation is computed on a straight-line basis using the estimated useful lives of the assets. Fixed assets consist primarily of computers and software, equipment, furniture and fixtures, and leasehold improvements, which are depreciated over three to five years. Leasehold improvements are depreciated over the shorter of the estimated useful life or the lease term.

(e) Goodwill

Goodwill represents the excess of the aggregate purchase price over the fair value of the net assets acquired in a purchase business combination. Goodwill is reviewed for impairment at least annually.

INVESTMENT CENTERS OF AMERICA, INC.
(A Wholly Owned Subsidiary of IFC Holdings, Inc.)

Notes to Statement of Financial Condition

December 31, 2011

The goodwill impairment test is a two-step test. Under the first step, the fair value of the enterprise is compared with its carrying value (including goodwill). If the fair value of the enterprise is less than its carrying value, an indication of goodwill impairment exists and the enterprise must perform step two of the impairment test. Under step two, an impairment loss is recognized for any excess of the carrying amount of the enterprise's goodwill over the fair value of that goodwill. The fair value of goodwill is determined by allocating the fair value of the enterprise in a manner similar to a purchase price allocation. The residual fair value after this allocation is the implied fair value of the enterprise's goodwill.

During 2011, the Company performed its annual impairment review of goodwill and concluded that there was no impairment.

(f) *Income Taxes*

Income taxes are accounted for under the asset and liability method. Deferred tax assets and liabilities are recognized for the future tax consequences attributable to differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases and operating loss and tax credit carryforwards. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in income in the period that includes the enactment date. The Company recognizes the effect of income tax positions only if those positions are more likely than not of being sustained. Recognized income tax positions are measured at the largest amount that is greater than 50% likely of being realized. Changes in recognition or measurement are reflected in the period in which the change in judgment occurs.

The Company is included in a consolidated federal income tax return with Brooke Holdco1 Inc. (BH1), an indirect, wholly owned subsidiary of Prudential plc. The Company's tax-sharing agreement with BH1 is based on the separate return method and intercompany income taxes are settled on an annual basis. The Company files combined state tax returns in approximately 20 states and separate state income tax returns for the other states that the Company is required to file income tax returns. Beginning with the first taxable year ended December 31, 2006, the Company does not have a right to reimbursement for the utilization of its losses in the federal consolidated tax return.

(g) *Receivable from Registered Representatives*

Receivable from registered representatives relates to outstanding balances from representatives and forgivable notes offered to registered representatives who have not achieved a predetermined percentage of the agreed-upon gross dealer concessions and must pay down a portion of the note. When it has been determined that a note will be repaid by a representative, the amount to be repaid is reclassified from forgivable notes receivable to receivable from registered representative. Upon reclassification, the receivable accrues interest at the stated rate of the note. The Company has not and does not intend to sell these receivables.

The allowance for doubtful accounts is the Company's best estimate of the amount of credit losses in the Company's existing receivable from registered representatives. The allowance is determined on

INVESTMENT CENTERS OF AMERICA, INC.
(A Wholly Owned Subsidiary of IFC Holdings, Inc.)

Notes to Statement of Financial Condition

December 31, 2011

an individual receivable basis upon review of the probability that a registered representative will not repay all principal and interest contractually due. A receivable is impaired when, based on current information and events, it is probable that the Company will be unable to collect all amounts due, including contractual interest payments. The Company does not accrue interest when a receivable is considered impaired. When ultimate collectibility of the principal balance of the impaired receivable is in doubt, all cash receipts on impaired receivables are applied to reduce the principal amount of such receivables until principal has been recovered and are recognized as interest income thereafter. Impairment losses are charged against the allowance. Receivables are written off against the allowance when all possible means of collection have been exhausted and the potential for recovery is considered remote.

(h) Use of Estimates

The preparation of the accompanying statement of financial condition in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions about future events. These estimates and the underlying assumptions affect the amounts of assets and liabilities reported, disclosures about contingent assets and liabilities, and the accompanying notes. These estimates and assumptions are based on management's best estimates and judgment. Management evaluates its estimates and assumptions on an ongoing basis using historical experience and other factors, including the current economic environment, which management believes to be reasonable under the circumstances. Management adjusts such estimates and assumptions when facts and circumstances dictate.

(i) Fair Value Measurements

The financial instruments of the Company are reported in the statement of financial condition at fair values, or at carrying amounts that approximate fair values because of the short maturity of the instruments. The Company has determined the fair value of money market funds, marketable securities, and investments held in the nonqualified deferred compensation plan using the market approach as these financial instruments trade in an active market.

INVESTMENT CENTERS OF AMERICA, INC.
(A Wholly Owned Subsidiary of IFC Holdings, Inc.)

Notes to Statement of Financial Condition

December 31, 2011

(3) Income Taxes

The tax effects of temporary differences that give rise to significant portions of the Company's deferred income tax assets and liabilities are as follows:

Deferred tax assets:	
Forgivable notes	\$ 136,833
Allowance for doubtful accounts	14,987
Depreciation	6,931
Deferred compensation	5,843,912
Accrued vacation	54,058
Accrued bonus	34,194
Commission held	5,169
State NOL	133,444
Other	46,160
Total deferred tax assets	6,275,688
Deferred tax liabilities:	
Prepays	(109,103)
Unrealized gain on marketable securities	(3,416)
Total deferred tax liabilities	(112,519)
Net deferred tax assets	\$ 6,163,169

In assessing the realizability of deferred tax assets, management considers whether it is more likely than not that some portion or all of the deferred tax assets will not be realized. The ultimate realization of deferred tax assets is dependent upon the generation of future taxable income during the periods in which those temporary differences become deductible. Based upon the projections for future taxable income over the periods in which the deferred tax assets are deductible, management believes it is more likely than not that the Company will realize the benefits of these deductible differences.

For tax purposes as of December 31, 2011, the Company had a state net operating loss (NOL) of \$2,271,911, which can be carried forward and will expire according to the following table:

Number of years to utilize	Amount of loss expiring
0 – 5 years	\$ 377,271
6 – 7 years	—
8 – 10 years	1,301,975
11 – 12 years	8,712
13 – 15 years	563,316
16 – 20 years	20,637
	\$ 2,271,911

INVESTMENT CENTERS OF AMERICA, INC.
(A Wholly Owned Subsidiary of IFC Holdings, Inc.)

Notes to Statement of Financial Condition

December 31, 2011

The Company has a state tax payable of \$11,826 and a federal income tax receivable of \$92,731. As of December 31, 2011, there are no unrecognized tax benefits.

A reconciliation of the beginning and ending amount of unrecognized tax benefits is as follows:

Balance as of December 31, 2010	\$	22,618
Reductions to prior year tax positions		<u>(22,618)</u>
Balance as of December 31, 2011	\$	<u>—</u>

The Company's federal income tax returns are under examination by the Internal Revenue Service for tax years 2007 and 2008. The federal income tax returns for 2009 and 2010 remain open to examination. The Company does not believe it is probable that a significant change will occur within the coming year to its unrecognized tax benefits.

(4) Fair Value Measurements

The Company's assets recorded at fair value have been categorized based upon a fair value hierarchy in accordance with Accounting Standard Codification (ASC) ASC 820-10, *Fair Value Measurements*. Fair value is defined as the price that would be received to sell an asset or would be paid to transfer a liability (i.e., the exit price) in an orderly transaction between market participants at the measurement date.

ASC 820-10 established a three-level hierarchy for fair value measurements that distinguishes between market participant assumptions developed based on market data obtained from sources independent of the reporting entity (observable inputs) and the reporting entity's own assumptions about market participant assumptions developed based on the best information available in the circumstances (unobservable inputs). The hierarchy level assigned to each security in the Company is based on the assessment of the transparency and reliability of the inputs used in the valuation of such security at the measurement date. The three hierarchy levels are defined as follows:

- Level 1 – Valuations based on unadjusted quoted market prices in active markets for identical securities
- Level 2 – Valuations based on observable inputs (other than Level 1 prices), such as quoted prices for similar assets at the measurement date; quoted prices in markets that are not active; or other inputs that are observable, either directly or indirectly
- Level 3 – Valuations based on inputs that are unobservable and significant to the overall fair value measurement, and involve management judgment

The Company has evaluated its investments in money market funds (\$10,605,847 included in cash and cash equivalents), marketable securities, and investments held in the nonqualified deferred compensation plan and determined that based on the unadjusted quoted market prices in active markets used to determine fair value that these are classified as Level 1 investments.

INVESTMENT CENTERS OF AMERICA, INC.
(A Wholly Owned Subsidiary of IFC Holdings, Inc.)

Notes to Statement of Financial Condition

December 31, 2011

(5) Clearing Agreement

The Company is an introducing broker and clears transactions with and for customers on a fully disclosed basis with Pershing LLC, a Bank of New York Mellon company. The Company promptly transmits all customer funds and securities to Pershing LLC. In connection with this arrangement, the Company is contingently liable for its customers' transactions.

(6) Net Capital Requirements

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule 15c3-1 (Rule 15c3-1) and is required to maintain minimum "net capital" equivalent to \$250,000, or 2%, of "aggregate debit items," whichever is greater, as these terms are defined. The Company is also subject to the Commodity Futures Trading Commission's minimum financial requirements (Regulation 1.17), which requires the Company to maintain minimum net capital equal to the minimum net capital required under Rule 15c3-1. As of December 31, 2011, the Company had net capital of \$6,599,351, which was \$6,349,351 in excess of its requirement.

(7) Forgivable Notes Receivable

The Company holds forgivable notes from certain registered representatives. Under the terms of the forgivable notes, the principal is forgiven over a period of time, generally five to seven years. The forgiveness of the notes is contingent upon the continued affiliation of the representative and the representative achieving agreed-upon production levels, measured in terms of gross dealer concessions.

The Company records amortization of the principal balance of the notes monthly on a straight-line basis over the term of the note. Typically, when the representative does not achieve the minimum gross dealer concessions, but does achieve a predetermined percentage of the agreed-upon production levels, the term of the forgivable note may be extended. Under such circumstances, the unamortized balance of the note is amortized over the remaining term. Typically, if the representative achieves an amount lower than the predetermined percentage of the agreed-upon production levels, the representative must pay down a portion of the note, and the remaining balance is amortized over the remaining term. In some instances, when it has been determined that a note will be repaid by a representative; the amount to be repaid is reclassified from forgivable notes receivable to receivable from registered representatives.

The activity in the forgivable notes receivable comprises the following:

Balance as of December 31, 2010	\$ 1,027,924
Granted	314,500
Amended notes	(3,141)
Amortization	<u>(280,608)</u>
Balance as of December 31, 2011	<u>\$ 1,058,675</u>

During 2011, forgivable notes receivable totaling \$154,361 became fully amortized and were forgiven by the Company.

INVESTMENT CENTERS OF AMERICA, INC.
(A Wholly Owned Subsidiary of IFC Holdings, Inc.)

Notes to Statement of Financial Condition

December 31, 2011

(8) Receivables from Registered Representatives and Allowance for Doubtful Accounts

Note receivable from a registered representative, net with an interest rate of 3.20% and a maturity date of July 20, 2012	\$ 35,952
Other receivables from registered representatives	32,425
Receivables from registered representatives	<u>\$ 68,377</u>

The activity in the allowance for doubtful accounts for receivables from registered representatives for the year ended December 31, 2011 comprises the following:

Allowance for doubtful accounts at beginning of year	\$ 57,254
Additions charged to bad debt expense	2,128
Write-downs charged against allowance	<u>(20,829)</u>
Allowance for doubtful accounts at end of year	<u>\$ 38,553</u>

(9) Fixed Assets

The major classifications of fixed assets are as follows:

Leasehold improvements	\$ 373,073
Office equipment, furniture, and fixtures	429,733
Computer hardware and software	<u>129,659</u>
Total fixed assets	932,465
Less accumulated depreciation	<u>(826,137)</u>
Fixed assets, net	<u>\$ 106,328</u>

(10) Defined Contribution Plans

The Company participates with IFC in defined contribution retirement plans covering all eligible full-time employees. The Company's annual contributions are based on a percentage of covered compensation paid to participating employees during each year.

(11) Related-Party Transactions

The Company participates in the allocation of costs in which NPH and the other wholly owned subsidiaries of NPH allocate a portion of their operating expenses to the Company. Jackson allocates the shared services expense based on percentage of time spent on the activity.

Pursuant to the tax-sharing agreement, the Company paid \$2,546,521 for federal income taxes for the year ended December 31, 2011.

INVESTMENT CENTERS OF AMERICA, INC.
(A Wholly Owned Subsidiary of IFC Holdings, Inc.)

Notes to Statement of Financial Condition

December 31, 2011

(12) Representative Deferred Compensation Program

The Company has a nonqualified deferred compensation plan for certain registered representatives of the Company. Effective April 1, 2004, all plan assets were frozen and are included as an asset in prepaid expenses and other assets with a corresponding liability in accounts payable and other accrued expenses. The asset and liability are each \$3,974,682 as of December 31, 2011 in the accompanying statement of financial condition.

All contributions made after April 1, 2004 are transferred to Jackson for the purpose of facilitating administration of the plan. The Company's annual contributions are based on commission revenue production of participating registered representatives during the year.

(13) Contingencies

The Company is involved in various claims and legal actions arising in the ordinary course of business. In the opinion of management, the ultimate disposition of these matters will not have a material adverse effect on the Company's financial position.

**Report of Independent Registered Public Accounting Firm on
Applying Agreed-Upon Procedures Pursuant to SEC Rule 17a-5(e)(4)**

FEB 28 2012
Washington, DC
125

The Board of Directors
Investment Centers of America, Inc.:

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments (General Assessment Reconciliation (Form SIPC-7)) to the Securities Investor Protection Corporation (SIPC) for the year ended December 31, 2011, which were agreed to by Investment Centers of America, Inc. (the Company), the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc., and SIPC, solely to assist you and the other specified parties in evaluating the Company's compliance with the applicable instructions of the General Assessment Reconciliation (Form SIPC-7). The Company's management is responsible for the Company's compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

For the purpose of this letter, unless otherwise indicated, the following definitions have been adopted in presenting our procedures:

- The term "compare" means compare the amounts or percentages indicated and find them to be in agreement, unless otherwise noted. Such compared amounts and percentages are deemed to be in agreement if differences are attributable to rounding.
- The term "prove" means recalculate and compare the results to the amounts or percentages shown and find to be in agreement, unless otherwise noted. Such recalculated amounts and percentages are deemed to be in agreement if differences are attributable to rounding.

The procedures we performed and our findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement records entries (including the related check copies and journal entry records) noting no differences;
2. Compared the Total Revenue amounts reported on the audited Form X-17A-5 for the year ended December 31, 2011 with the amounts reported in Form SIPC-7 for the year ended December 31, 2011 noting no differences;
3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers (including relevant Form X-17A-5 reports and detailed General Ledger reports) noting no differences; and

4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers utilized in procedure 3 noting no differences.

We were not engaged to, and did not, conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above, and is not intended to be and should not be used by anyone other than these specified parties.

KPMG LLP

February 22, 2012
