INDEPENDENT AUDITORS' REPORT

February 16, 2012

TO THE MEMBER
VERITAGE GROUP, LLC
4 Megonko Road
Natick, MA 01760

We have audited the accompanying balance sheets of Veritage Group, LLC (a Delaware Limited Liability Company) as of December 31, 2011 and 2010, and the related statements of operations, members' capital, and cash flows for the years then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Veritage Group, LLC at December 31, 2011 and 2010, and the results of its operations, its members' capital, and its cash flows for the years then ended, in conformity with accounting principles generally accepted in the United States of America.

VERITAGE GROUP, LLC
(a Delaware Limited Liability Company)

NOTES TO FINANCIAL STATEMENTS

Years Ended December 31, 2011 and 2010

A. THE COMPANY AND NATURE OF ITS OPERATIONS:

The Limited Liability Company was organized on February 29, 1996 under the laws of the State of Delaware, for the principal purpose of engaging in the business of placing private securities with institutional investors. The latest date for the dissolution of the LLC is March 20, 2026.

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Methods of Accounting

The financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America, as established by the Financial Accounting Standards Board (FASB), and issued in the FASB Accounting Standards Codification ("The Codification"), utilizing the accrual-basis method of accounting. The Company utilizes the cash-basis method of accounting for income tax reporting purposes.

2. Management Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and the disclosure of contingent assets and liabilities at December 31, 2011 and 2010, and the reported amounts of revenues and expenses for the years then ended. Actual results and amounts may differ from the estimates made in the preparation of these financial statements.

3. Cash and Equivalents

The Company invests certain cash in excess of operating requirements into money market accounts of financial institutions. The carrying amounts approximate fair market value because of the short-term nature of these securities. For the purpose of the statements of cash flows, the Company considers all short-term cash investments with a maturity of ninety (90) days or less to be cash equivalents.

NOTES TO FINANCIAL STATEMENTS

Years Ended December 31, 2011 and 2010

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

4. Uncollectible Accounts

For financial reporting purposes, the Company utilizes the reserve method to account for possible uncollectible accounts. Accounts deemed to be uncollectible are charged against the reserve in the year that the account is determined to be uncollectible. The direct write-off method is utilized for income tax reporting purposes.

5. Property and Equipment, and Related Depreciation

Property and Equipment is recorded at cost. Major replacements and betterments to equipment are capitalized, whereas routine maintenance, repairs and minor replacements are charged as incurred. All of the Company's long-lived assets are reviewed and adjusted for impairment whenever events or changes in circumstances indicate that a carrying amount may not be recoverable. For the years ended December 31, 2011 and 2010, the Company had no impairment losses.

The Company utilizes the straight-line method in computing depreciation expense for financial reporting purposes, while utilizing various accelerated methods in computing depreciation expense for tax reporting purposes. Depreciation expense is computed using the estimated lives of individual assets as follows:

NOTES TO FINANCIAL STATEMENTS

Years Ended December 31, 2011 and 2010

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

6. Federal and State Income Taxes

The Company is organized as a Limited Liability Company (LLC). In 2009, the LLC was a single-member LLC. Under the provisions of the Internal Revenue Code, the single-member LLC was treated as a Sole Proprietorship for income tax reporting purposes and, accordingly, was not subject to income taxes. On January 26, 2010, the LLC agreement was modified from a single-member LLC to a multi-member LLC with the addition of two members. In 2010, the LLC has elected to be taxed as a Partnership, which is not an income tax paying entity. Income or losses of the Company are includable in the Members' individual income tax returns. Accordingly, there are no provisions for income taxes included in these financial statements.

The Company has reviewed its income tax positions taken when completing its income tax filings, and has determined that no reserve for uncertain tax positions is required.

Tax returns for the prior three fiscal years are subject to examination by taxing authorities. Management is unaware of any pending examinations of its tax returns for these periods.

C. CONCENTRATION OF CREDIT RISK:

During the years ended December 31, 2011 and 2010, the Company performed a significant amount of work for two (2) and two (2) unrelated customers, respectively. The amounts related to these significant customers included in the accompanying statements of operations and balance sheets are summarized as follows:

	Revenues for the Years Ended December 31		Accounts Receivable as of December 31	
	<u>2011</u>	<u>2010</u>	<u>2011</u>	<u>2010</u>
Customer A	\$ 12,940	\$ -	\$ -	\$ -
Customer B	8,000	-	-	-
Customer C	900	35,000	-	-
Customer D	-	40,000	-	-

VERITAGE GROUP, LLC
(a Delaware Limited Liability Company)

NOTES TO FINANCIAL STATEMENTS

Years Ended December 31, 2011 and 2010

C. CONCENTRATION OF CREDIT RISK: (Continued)

The Company maintains its cash in various accounts which, at times, may exceed federally insured limits. The Company has not experienced any losses in such accounts. Management believes the Company is not exposed to any significant credit risk related to cash and equivalents.

D. NET CAPITAL REQUIREMENTS:

The Company is subject to the Securities and Exchange Commission's Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both, as defined, shall not exceed 15 to 1. At December 31, 2011 and 2010, the Company had net capital of \$8,924 and \$10,067, respectively. These amounts are in excess of its required net capital. At December 31, 2011 and 2010, the Company's ratio of aggregate indebtedness to net capital was 0 to 1 and 0 to 1, respectively. In addition, the Company has informally agreed with the NASD that it will maintain minimum net capital of \$6,000.

INDEPENDENT AUDITORS' REPORT ON ADDITIONAL INFORMATION

Our independent audits of the financial statements of Veritage Group, LLC (a Delaware Limited Liability Company) at December 31, 2011 and 2010, and for the years then ended, were intended primarily for the purpose of formulating an opinion on the basic financial statements taken as a whole.

The additional information presented in the following pages has been taken primarily from accounting and other records of the Company and is not necessary for fair presentation of its financial position, results of its operations or its cash flows in order to be in conformity with accounting principles generally accepted in the United States of America. The additional information has not been subjected to tests and other auditing procedures sufficient to enable us to express an opinion as to the fairness of the details included therein and, accordingly, we do not express an opinion on the additional information.

EXEMPTION UNDER RULE 15c3-3

Years Ended December 31, 2011 and 2010

The Company claims exemption under the provisions of Rule 15c3-3(k)2(i), since the Company is a broker/dealer engaged in the business of raising funds for private placements.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL ACCOUNTING CONTROL
REQUIRED BY SEC RULE 17a-5**

**To The Members of
Veritage Group, LLC**

In planning and performing our independent audits of the financial statements of Veritage Group, LLC (the Company) for the years ended December 31, 2011 and 2010, we considered its internal control structure in order to determine our auditing procedures, for the purpose of expressing our opinion on the financial statements, and not to provide assurance on the internal control structure.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures (including tests of compliance with such practices and procedures) followed by Veritage Group, LLC, that we considered relevant to the objectives stated in Rule 17a-5(g): (1) in making the periodic computations of aggregate indebtedness and net capital under Rule 17a-3(a)(11) and the procedures for determining compliance with the exemptive provisions of Rule 15c3-3. We did not review the practices and procedures followed by the Company in making the quarterly securities examinations, counts, verifications and comparisons, and the recordation of differences required by Rule 17a-13 or in complying with the requirements for prompt payment for securities under Section 8 of Regulation T of the Board of Governors of the Federal Reserve System, because the Company does not carry security accounts for customers or perform custodial functions relating to customer securities.

The management of the Company is responsible for establishing and maintaining an internal control structure and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of internal control structure policies and procedures, and of the practices and procedures referred to in the preceding paragraph; and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of an internal control structure and the practices and procedures are to provide management with reasonable, but not absolute, assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL ACCOUNTING CONTROL
REQUIRED BY SEC RULE 17a-5
(Continued)**

Because of inherent limitations in any internal control structure or in the practices and procedures referred to above, errors or irregularities may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions, or that the effectiveness of their design and operation may deteriorate.

Our consideration of the internal control structure would not necessarily disclose all matters in the internal control structure that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of the specific internal control structure elements does not reduce to a relatively low level the risk that errors or irregularities in amounts that would be material in relation to the financial statements being audited may occur, and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, we noted no matters involving the internal control structure that we consider to be material weaknesses, as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at December 31, 2011 and 2010 to meet the SEC's objectives. In addition, the Company was in compliance with the exemptive provisions of Rule 15c3-3 at December 31, 2011 and 2010; and, further, no facts came to our attention indicating that the Company was not in compliance with such conditions during the years ended December 31, 2011 and 2010.

This report is intended solely for the use of management and the Securities and Exchange Commission and other regulatory agencies which rely on Rule 17a-5(g) under the Securities Exchange Act of 1934, and should not be used for any other purpose.
