INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Cheval Capital, Inc.
Alexandria, VA

We have audited the accompanying statement of financial condition of Cheval Capital, Inc. (the Company) as of December 31, 2011 and the related statements of income and comprehensive income, changes in stockholder's equity and cash flows for the year then ended that you are filing pursuant to Rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Cheval Capital, Inc. as of December 31, 2011 and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements as a whole. The supplemental information contained in the Schedules on pages 9 through 11 are required by Rule 17a-5 under the securities and exchange Act of 1934 and is presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements themselves, and other procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Cheval Capital, Inc.

Notes to Financial Statements

December 31, 2011

NOTE 1 - ORGANIZATION AND NATURE OF BUSINESS

Cheval Capital, Inc. (the "Company") is a broker-dealer registered with the Securities and Exchange Commission (SEC) and is a member of the Financial Industry Regulatory Authority (FINRA). The Company is a Virginia corporation incorporated on July 12, 1996.

The Company provides investment banking services to corporate clients. Such services include providing financial advice in mergers and acquisitions and acting as a placement agent in private equity and debt offerings and other areas.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

Fee Income

Fee income is recorded as earned, with billed but not paid amounts reflected as accounts receivable and amounts received but not yet earned reflected as deferred fee income.

Cash and Cash Equivalents

For purposes of the Statement of Cash Flows, the Company considers all highly liquid debt instruments with a maturity of three months or less to be cash equivalents.

Concentration of Risk

The Company had revenue from three major customers that represented approximately 61% of total revenues for the year ended December 31, 2011.

Accounts Receivable

The Company considers accounts receivable to be fully collectible; accordingly, no allowance for doubtful accounts is considered necessary. Management periodically reviews accounts receivable and if amounts are considered uncollectible they are charge to bad debt expense.

Property and Equipment

Property and equipment are carried at cost. Depreciation is computed using the straight-line method over the estimated useful lives of the related assets (primarily five years). When assets are retired or otherwise disposed of, the cost and related accumulated depreciation are removed from the accounts, and any gain or loss is recognized currently. The cost of maintenance and repairs is charged to expense as incurred, whereas renewals and betterments are capitalized.

Other Comprehensive Income

The Company complies with provisions of FASB ASC 220, *Comprehensive Income*, which requires companies to report all changes in equity during a period, except those resulting from investment by owners and distributions to owners, for the period in which they are recognized. Comprehensive income is the total of net income/loss and all other non-owner changes in equity (or other comprehensive income) such as unrealized gains or losses on securities classified as available-for-sale, foreign currency translation adjustments and minimum pension liability adjustments. Accumulated other comprehensive income/loss must be reported on the face of the financial statements.

Cheval Capital, Inc.

Notes to Financial Statements

December 31, 2011

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principals requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Investment in Security

The fair value of the available-for-sale security at December 31, 2011 is based on unadjusted, quoted prices in active markets as of the measurement date.

NOTE 3 - PROPERTY AND EQUIPMENT

Property and equipment, at cost, consist of the following at December 31, 2011:

Furniture and fixtures	\$ 27,533
Office equipment	16,020
Leasehold improvements	<u>10,020</u>
	53,573
Less: accumulated depreciation	<u>(48,391)</u>
	<u>\$ 5,182</u>

NOTE 4 - NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1 (and the rule of the applicable exchange also provides that equity may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1). At December 31, 2011, the Company had net capital of \$484,489, which was \$479,489 in excess of its required net capital of \$ 5,000. The Company's aggregate indebtedness to net capital ratio was .0798 to 1.00.

NOTE 5 - PENSION PLAN

The Company maintains a defined contribution profit sharing pension plan for all employees meeting minimum eligibility requirements. A discretionary contribution of \$30,000 was made for the year ended December 31, 2011.

NOTE 6 - LEASE COMMITMENT

On March 6, 2007 the Company entered into a lease modification agreement and exercised its right to extend the original office space lease through March 31, 2012. The lease provides in part for the payment of contingent rentals based upon the escalation of real estate taxes and certain operating expenses. Rent expense was \$58,797 for the year ended December 31, 2011. Minimum future lease payments as of December 31, 2011 were \$12,128.

Cheval Capital, Inc.

Note to Financial Statements

December 31, 2011

NOTE 7 - INCOME TAXES

The Company has elected, with the consent of its stockholder, to be taxed as an "S" Corporation under Internal Revenue Code Section 1362(a). An "S" Corporation does not generally pay income tax but, instead, its stockholder is taxed on the Company's income. Therefore, these statements do not include any provision for federal or state income taxes.

The Company files income tax returns in the U.S. federal and Commonwealth of Virginia jurisdictions which are generally subject to examination by taxing authorities for a period of three years from the date they are filed. The Company is no longer subject to examinations for years before 2008. There is no current examination or adjustment proposed by the Internal Revenue Service or any other jurisdiction.

There are no positions for which it is reasonably possible that the total amount of unrecognized tax benefits will significantly increase or decrease within 12 months of the reporting date.

NOTE 8 - SUBSEQUENT EVENTS

The Company has evaluated subsequent events through February 28, 2012, the date which the financial statements were available to be issued.

**Independent Auditor's Report on Internal Control
Required by SEC Rule 17a-5**

To the Board of Directors of
Cheval Capital, Inc.
Alexandria, VA

In planning and performing our audit of the financial statements of Cheval Capital, Inc. (the Company), as of and for the year ended December 31, 2011 in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by rule 17a-13
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures

Buck, Sturmer & Co., P.C.

can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A *significant deficiency* is a deficiency, or combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the company's financial statements will not be prevented or detected and corrected on a timely basis.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at December 31, 2011, to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, Financial Industry Regulatory Authority, and other regulatory agencies that rely on rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

**Independent Accountants' Report on Applying Agreed-Upon
Procedures on SIPC Assessment Reconciliation
Required by Rule 17a-5(e)(4) of the Securities and Exchange Commission**

To the Board of Directors of
Cheval Capital, Inc.
Alexandria, VA

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments to the Securities Investor Protection Corporation (SIPC) for the year ended December 31, 2011 which were agreed to by Cheval Capital, Inc. and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc. and SIPC, solely to assist you in evaluating Cheval Capital, Inc.'s compliance with Rule 17a-5(e)(4). Cheval Capital, Inc.'s management is responsible for Cheval Capital, Inc.'s compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed are as follows:

1. Compared the listed assessment payments with respective cash disbursement records entries including examining copies of actual checks issued, disbursement journals and bank records, noting no exceptions.
2. Compared the amounts reported on the audited Form X-17-A-5 for the year ended December 31, 2011, with the amounts reported in the General Assessment Reconciliation (Form SIPC-7) for the year ended December 31, 2011 noting no exceptions;
3. Compared adjustments reported in Form SIPC-7 with supporting schedules and workpapers including general ledger and investment account statements supporting the adjustment noting no difference;
4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers, no differences noted; and
5. There was no overpayment applied with the Form SIPC-7.

Buck, Sturmer & Co., P.C.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
