INDEPENDENT AUDITORS' REPORT

Board of Directors
Lombard Securities Incorporated and Subsidiaries
Baltimore, MD

We have audited the accompanying statement of financial condition of Lombard Securities Incorporated and Subsidiaries (the Company) as of December 31, 2011, that is filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934. This financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on the financial statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statement referred to above presents fairly, in all material respects, the financial position of Lombard Securities Incorporated and Subsidiaries at December 31, 2011, in conformity with accounting principles generally accepted in the United States of America.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
DECEMBER 31, 2011

NOTE 1 – ORGANIZATION

Lombard Securities Incorporated (the “Company”) was incorporated in the State of Maryland in July, 1990 and is a securities broker-dealer located in Baltimore, Maryland. The Corporation is registered with the Securities and Exchange Commission (SEC), is a member of Financial Industry Regulatory Authority (FINRA), Securities Investors Protection Corporation (SPIC) and the Municipal Securities Rulemaking Board (MSRB).

Lombard Agency, Inc., a wholly-owned subsidiary, was incorporated in the State of Maryland in January, 1991 as an insurance brokerage agency.

Lombard Advisers Incorporated, a wholly-owned subsidiary, was incorporated in the State of Maryland in August, 1994 as an investment adviser.

The Company is subject to the provisions of Rule 15c3-3 of the Securities and Exchange Commission. However, the Company operates pursuant to the exemptive provisions of Paragraphs (k)(2)(i) and (k)(2)(ii) of Rule 15c3-3. This prohibits the Company from carrying customer margin accounts, or otherwise holding customer funds or securities, or performing custodial duties with respect to customers’ securities. It also requires the Company to promptly deliver all customer funds and securities related to mutual fund transactions and to transact all customer securities transactions through a special reserve bank account for the exclusive benefit of its customers. The requirements of Paragraph (k)(2)(ii) provide that the Company clear all transactions on behalf of customers on a fully disclosed basis with a clearing broker/dealer. The clearing broker/dealer carries all of the accounts of the customers and maintains and preserves all related books and records as are customarily kept by a broker/dealer.

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES

Principles of Consolidation - The consolidated statements of financial condition, income, changes in stockholders’ equity, and cash flows include the accounts of the Company and its wholly owned subsidiaries, Lombard Agency, Inc. and Lombard Advisers Incorporated. All significant intercompany balances and transactions between the Company and its subsidiaries have been eliminated in the consolidation.

Revenue Recognition - Commission income and related expense from security transactions are recorded on a trade date basis.

Cash and Cash Equivalents - The Company considers highly liquid investments with original maturities of three months or less to be cash equivalents.

Securities Owned - Securities owned are valued at their fair market value, determined from quoted market prices.

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES (Continued)

Property and Equipment - Furniture and equipment are stated at cost net of \$239,566 accumulated depreciation. Depreciation is calculated using the straight-line method over the estimated useful lives of the assets, usually 5 years. Depreciation expense for the year ended December 31, 2011, was \$16,429.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Income Taxes - Income taxes are provided for the tax effects of transactions reported in the financial statements and consist of taxes currently due plus deferred taxes. Deferred income taxes are provided for temporary differences arising between the tax basis of assets and liabilities and their respective book basis as reported in the financial statements. As of December 31, 2011, the Company has a net operating loss carry forward of approximately \$275,000. No deferred tax assets have been recorded in the accompanying balance sheet due to the uncertainty of realization. Similarly, no provision for income taxes is recorded in the accompanying statement of income, as the tax expense computed at the statutory Federal and state income tax rates has been offset by a change in valuation allowance.

Supplemental Cash Flow Disclosure - No cash was paid for income taxes or interest during the year ended December 31, 2011.

NOTE 3 - COMMISSIONS RECEIVABLE

Commissions receivable represent amounts due to the Company from its clearing broker relating to client securities transactions introduced by the Company.

NOTE 4 - CLAIMS AND ASSESSMENTS

The Company is generally engaged in ongoing legal matters.

NOTE 5 - OFF-BALANCE-SHEET RISK

A clearing broker/dealer carries all of the accounts of the clients of the Company and is responsible for execution, collection and payment of funds, and receipt and delivery of securities related to client transactions. Off-balance-sheet risk exists with respect to these transactions due to the possibility that clients may be unable to fulfill their contractual commitments wherein the clearing broker/dealer may charge any losses it incurs to the Company. The Company seeks to minimize this risk through procedures designed to monitor the credit worthiness of its clients and verify that client transactions are executed properly by the clearing broker/dealer.

NOTE 6 - NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. The rule also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio exceeds 10 to 1. At December 31, 2011, the Company is in compliance with this rule.

Lombard Advisers Incorporated, a wholly-owned subsidiary of the Company, is required to compute net capital pursuant to the Securities and Exchange Commission Uniform Net Capital Rule (Rule 15c3-1) on a stand-alone basis. At December 31, 2011, Lombard Advisers Incorporated had net capital of \$38,473.

NOTE 7 - EMPLOYEE PENSION PLAN

The Company has an employee pension plan whereby the Company matches a portion of the contributions made by the employees. All employees meeting certain age and service requirements are eligible to participate in the plan.

NOTE 8 - LEASE COMMITMENTS

The Company has entered into a lease for office facilities which expires on March 31, 2012. In addition to the base rent specified in the lease, it is subject to escalation based on increases in real estate tax and operating expenses. Future minimum lease payments required under this operating lease exclusive of those escalations are as follows:

2012	\$ <u>35,472</u>
------	------------------

Rent expense for the year ended December 31, 2011 was \$136,090.

NOTE 9 – SUBSEQUENT EVENTS

Management has evaluated subsequent events through February 24, 2012, the date on which the financial statements were available to be issued. No events have occurred since the balance sheet date that would have material impact on the financial statements.
