FIMERIS INC.
(FORMERLY FIDEQUITY INC.)
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2011

Note 1 - Nature of Business

Fimeris Inc. (formerly Fidequity Inc.) (the "Company"), a New York corporation formed for the purpose of conducting business as a broker-dealer in securities, is registered with the Securities and Exchange Commission. The Company is a wholly owned subsidiary of Fidequity Ltd, (the "Parent"), a private limited company incorporated under the laws of England and Wales. The Company was established to engage in brokerage activity in connection with advisory and the sale of primary and secondary private placement of securities to customers. The Company is a member of the Financial Industry Regulatory Authority (FINRA).

Note 2 - Summary of Significant Accounting

a) Revenue Recognition

The Company recognizes revenue from placement fees upon completion of the private placement offering and advisory fees, over the life of the underlying agreement, at the time work is performed and services are rendered.

b) Income Taxes

The Company accounts for income taxes under SFAS No. 109, which requires an asset and liability approach to financial accounting and reporting for income taxes. Deferred income tax assets and liabilities are computed annually for differences between the financial statement and tax basis of assets and liabilities that will result in taxable or deductible amounts in the future based on enacted tax laws and rates applicable to the periods in which the differences are expected to affect taxable income. Valuation allowances are established, when necessary, to reduce deferred tax assets if it is more likely than not that such assets will not be realized.

At December 31, 2011, the Company has net operating loss carryforwards of approximately \$286,000 which give rise to a deferred tax asset of approximately \$43,000. However, the Company has determined that a valuation allowance of \$43,000 against such deferred tax asset is necessary, as it is unlikely that the carryforwards will be utilized,

c) Cash and Cash Equivalents

The Company considers demand deposited money market funds to be cash equivalents. The Company maintains cash in bank accounts which, at times, may exceed federally insured limits or where no insurance is provided. The Company has not experienced any losses in such accounts and does not believe it is exposed to any significant credit risk on cash and cash equivalents.

FIMERIS INC.
(FORMERLY FIDEQUITY INC.)
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2011

Note 2 - Summary of Significant Accounting (continued)

d) Fixed Assets

Fixed assets are carried at cost and are depreciated over a useful life of 5-7 years.

e) Use of Estimates

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, and the reported amounts of revenues and expenses.

f) Subsequent Events

The Company has evaluated events and transactions that occurred between January 1, 2012 and March 3, 2012, which is the date the financial statements were available to be issued, for possible disclosure and recognition in the financial statements.

Note 3- Related Party Transactions

Under a servicing agreement, the Parent pays a fee to the Company for services performed for the Parent. Such amounts are included as servicing fee income in the statement of operations.

Note 4 - Advance to Shareholder

The amount due from a shareholder is non-interest bearing and is payable July 2012.

Note 5- Commitments and Contingencies

The Company rents two office spaces pursuant to lease agreements expiring November 30, 2012 and February 28, 2013.

The aggregate minimum annual rent commitment follows, exclusive of escalation charges:

<u>Year</u>	<u>Amount</u>
2012	38,090
2013	3,900

Note 6 - Financial Instruments with Off-Balance Sheet Credit Risk

Virtually all of the Company's assets are held by one financial institution. Cash in a bank account, at times, may exceed federally insured limits.

FIMERIS INC.
(FORMERLY FIDEQUITY INC.)
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2011

Note 6 - Financial Instruments with Off-Balance Sheet Credit Risk *(continued)*
In the normal course of its business, the Company indemnifies its counterparties against specified potential losses in connection with their acting as an agent of, or providing services to the Company or its affiliates. The maximum potential amount of future payments that the Company could be required to make under these indemnifications cannot be estimated. However the Company believes that it is unlikely it will have to make material payments under these arrangements and has not recorded any contingent liability in the financial statements for these indemnifications

Note 7 - Net Capital Requirement

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 1500%. At December 31, 2011, the Company had a net capital deficiency of \$(6,709) which was (\$11,709) deficient of its required net capital of \$5,000. The Company's net capital ratio was (220.69)%. On February 1, 2012 a capital contribution of \$49,931 was made in order to cure such deficiency.

A copy of the Firm's Statement of Financial Condition as of December 31, 2011, pursuant to SEC Rule 17a-5, is available for examination at the Firm's office and at the regional office of the SEC.

INDEPENDENT AUDITORS' REPORT

To the Stockholders of
Fimeris Inc.
(Formerly Fidequity Inc.)
1515 Broadway – 12th Floor
New York, NY 10036

We have audited the accompanying statement of financial condition of Fimeris Inc. (Formerly Fidequity Inc.) as of December 31, 2011. This financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of financial condition is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the statement of financial condition. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall statement of financial condition presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the statement of financial condition referred to above presents fairly, in all material respects, the financial position of Fimeris Inc. (Formerly Fidequity Inc.) as of December 31, 2011, in conformity with accounting principles generally accepted in the United States of America.
