INDEPENDENT AUDITOR'S REPORT

To the Members
Sendero Securities, LLC

We have audited the accompanying statement of financial condition of Sendero Securities, LLC (the Company) as of December 31, 2011, and the related statements of income, changes in members' equity, and cash flows for the year then ended that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Sendero Securities, LLC as of December 31, 2011, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplementary information contained in Schedule I required by Rule 17a-5 under the Securities Exchange Act of 1934 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

SENDERO SECURITIES, LLC
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2011

NOTE A- ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization: Sendero Securities, LLC (the "Company") is a limited liability company organized under the laws of the State of Texas in May 2007. The Company operates as an introducing broker on a fully disclosed basis and forwards all transactions to its clearing broker. Accordingly, the Company operates under the exemptive provisions of the Securities and Exchange Commission's (SEC) Rule 15c3-3(k)(2)(ii). Under these exemptive provisions, the Computation for Determination of Reserve Requirements and Information Relating to Possession and Control are not required. The company is a member of the Financial Regulatory Authority (FinRA). The Company's office is located in San Antonio, Texas and its customers are located throughout the United States of America. The Company issues financial statements on the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America. Accounting principals followed by the Company and the methods of applying those principles which materially affect the determination of financial position, results of operations and cash flows are summarized below:

Use of Estimates: The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Fair Value of Financial Instruments: Cash, receivables, accounts payable and accrued expenses are short-term in nature and accordingly are recorded at fair value or amounts that approximate fair value.

Revenue Recognition: Securities transactions are recorded on a trade date basis. The Company also generates revenues from investment referrals based on various contracts with investment companies. Revenues are recorded on an accrual basis and based on terms defined in those agreements.

Cash and Cash Equivalents: The Company considers all highly liquid debt instruments purchased with less than three month maturities or less to be cash equivalents. However, the Company owned no debt securities at December 31, 2011.

Property and Equipment: Property and equipment are carried at cost. Depreciation and amortization are provided using straight-line method over the asset's estimated useful lives of primarily five years.

NOTE A- ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(Continued)

Income Taxes: As of December 31, 2011, open Federal tax years include the tax years ended December 31, 2008 through December 31, 2010.

The net income or loss of the Company flows through to its members. Accordingly, no federal income taxes are included in the accompanying financial statements.

The Texas margin tax is based on the Company's Texas sourced taxable margin. The tax is calculated by applying a tax rate to a base that considers both revenues and expenses, which are the characteristics of an income tax. As a result, the Company recorded \$14,274 in state franchise tax for the year ended December 31, 2011.

NOTE B - CLEARING BROKER

The Company has an agreement with JP Morgan Clearing Corporation ("JPMCC") to perform various securities clearance services. The agreement with the Clearing Broker requires the Company to maintain net capital equal to the greater of the amount required by the SEC net capital rules or \$100,000.

NOTE C - NET CAPITAL REQUIREMENTS

The Company is subject to the SEC's Uniform Net Capital Rule (rule 15c3-1) which requires the maintenance of minimum net capital and requires that the ratio of indebtedness to net capital, both as defined, shall not exceed 15 to 1. At December 31, 2011, the Company had net capital of \$262,573 which was \$212,573 in excess of its minimum required net capital of \$50,000 equating to a net capital ratio of 0.39 to 1.

NOTE D - PROPERTY AND EQUIPMENT

Property and equipment consists of office equipment and at a cost of \$5,147 less accumulated depreciation of \$65. Depreciation expense for the year totaled \$65 and is reflected in the accompanying statement of income as other expenses.

SENDERO SECURITIES, LLC
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2011

NOTE E - CONCENTRATION OF RISK

As discussed in Note A, the Company's customers' securities transactions are introduced on a fully disclosed basis with its clearing broker/dealer. The clearing broker/dealer carries all of the accounts of the customers of the Company and is responsible for execution, collection and payment of funds, and receipt and delivery of securities relative to customer transactions. Off-balance-sheet risk exists with respect to these transactions due to the possibility that customers may be unable to fulfill their contractual commitments wherein the clearing broker/dealer may charge any losses it incurs to the Company. The Company seeks to minimize this risk through procedures designed to monitor the credit worthiness of its customers and that customer transactions are executed properly by the clearing broker/dealer.

The Company is engaged in various trading and brokerage activities whose counterparties primarily include sophisticated financial institutions and individuals. In the event counterparties do not fulfill their obligations, the Company may be exposed to risk. The risk of default depends on the creditworthiness of the counterparty or issuer of the instrument. It is the Company's policy to review, as necessary, the credit worthiness of each counterparty with which it conducts business.

The Company has cash, commissions receivable, and a clearing deposit held by and due from JPMCC totaling \$169,579, or approximately 25% of its total assets at December 31, 2011. The Company has investment referral fees due from two customers totaling \$280,031, or approximately 42% of its total assets at December 31, 2011.

NOTE F - CONCENTRATION OF REVENUE

The two members of the Company generated substantially all of the Company's revenue for the year ended December 31, 2011.

NOTE G- RELATED PARTY TRANSACTIONS

The Company has entered into a services agreement with Sendero Wealth Management, LLC ("SWM") whereby the Company pays a monthly fee for the use of SWM's employees and administrative resources. The Company and SWM share common owners and the same physical space. During 2011, the Company was billed \$1,144,190 under this agreement which comprises all of the amounts included in Administrative Services expense, of which \$79,137 is payable at December 31, 2011.

SENDERO SECURITIES, LLC
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2011

NOTE H- CONTINGENCIES

There are currently no asserted claims or legal proceedings against the Company, however, the nature of the Company's business subjects it to various claims, regulatory examinations, and other proceedings in the ordinary course of business. The ultimate outcome of any such action against the Company could have an adverse impact on the financial condition, results of operations, or cash flows of the Company.

NOTE I- SUBSEQUENT EVENTS

The Company anticipates making distributions to members of approximately \$200,000 in the next nine months.

The Company has evaluated subsequent events through February 16, 2012, the date which the financial statements were available to be issued.

December 31, 2011

Reconciliation of Computation of Net Capital

The above computation does not differ from the computation of net capital under Rule 15c3-1 as of December 31, 2011 as filed by Sendero Securities, LLC on Form X-17A-5. Accordingly, no reconciliation is deemed necessary.

Statement of Changes in Liabilities Subordinated to Claims of General Creditors

No statement is required as no subordinated liabilities existed at any time during the year.

Statement Regarding Exemption from Reserve Requirements

The Company operates pursuant to section (k)(2)(ii) exemptive provisions of Rule 15c3-3 of the Securities Exchange Act of 1934, in which all customer transactions are cleared on a fully disclosed basis through a clearing broker/dealer. Under these exemptive provisions, the Computation of Determination of the Reserve Requirements and Information Relating to the Possession or Control Requirements are not required.

See accompanying independent auditor's report.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL REQUIRED BY
SEC RULE 17a-5(g)(1)**

To the Members
Sendero Securities, LLC

In planning and performing our audit of the financial statements of Sendero Securities, LLC (the Company), as of and for the year ended December 31, 2011 in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by Rule 17a-13
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's previously mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the company's financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined previously.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at December 31, 2011, to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, Financial Industry Regulatory Authority, Inc., and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

**INDEPENDENT ACCOUNTANT'S REPORT ON APPLYING AGREED-UPON
PROCEDURES RELATED TO AN ENTITY'S SIPC ASSESSMENT
RECONCILIATION**

To the Members
Sendero Securities, LLC

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments [General Assessment Reconciliation (Form SIPC-7)] to the Securities Investor Protection Corporation (SIPC) for the year ended December 31, 2011, which were agreed to by Sendero Securities, LLC and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc., and SIPC, solely to assist you and the other specified parties in evaluating Sendero Securities, LLC's compliance with the applicable instructions of the General Assessment Reconciliation (Form SIPC-7). Sendero Securities, LLC's management is responsible for the Sendero Securities, LLC's compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement record entries (checks issued), noting no differences;
2. Compared the amounts reported on the audited Form X-17A-5 for the year ended December 31, 2011, as applicable, with the amounts reported in Form SIPC-7 for the year ended December 31, 2011, noting no differences;
3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers noting no differences; and
4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting the adjustments noting no differences.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
