MUFSON HOWE HUNTER & PARTNERS LLC

NOTES TO FINANCIAL STATEMENTS

December 31, 2011

(1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

Mufson Howe Hunter & Partners LLC ("**MHHP**") is a wholly-owned subsidiary of Mufson Howe Hunter & Company LLC ("**MHHC**"). MHHP is a broker-dealer registered with the Securities and Exchange Commission and is a member of the Financial Industry Regulatory Authority (FINRA).

MHHP is an independent investment bank serving middle-market companies, primarily in the Mid-Atlantic region of the United States. MHHP provides strategic and financial advice to clients on such matters as financing growth, mergers and acquisitions, recapitalizations or sale of their businesses. The firm also raises debt and equity from banks, private equity firms and other institutional sources to finance such activities. Mufson Howe Hunter & Partners, LLC, is a member of SIPC.

Accounting Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Concentration of Credit Risk

Financial instruments which potentially subject MHHP to concentrations of credit risk consist principally of cash. MHHP deposits its cash with its bank, which is a high credit, quality financial institution. At times, these deposits may be in excess of the FDIC insurance limit.

Revenue Recognition

Investment banking and other financial advisory fees generally consist of retainers and success fees. Retainers are recognized as revenue in accordance with the terms of the engagement and success fees are recognized as revenue predominantly when the transaction is completed or closed. Expenses associated with such transactions are recognized as incurred.

Income Taxes

MHHP is a limited liability company and a wholly-owned subsidiary of MHHC which is also a limited liability company. For both federal and state tax purposes, LLC's are taxed as partnerships. All income taxes on net earnings are payable by the members of the LLC and, accordingly, no provision for income taxes is required.

MUFSON HOWE HUNTER & PARTNERS LLC

NOTES TO FINANCIAL STATEMENTS

December 31, 2011

The Company adopted provisions established under guidance issued by the FASB, which clarified the accounting for uncertainty in income taxes recognized in an enterprise's financial statements by prescribing a threshold and measurement attributes for the financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. It also provides guidance on derecognition, classification, interest and penalties, accounting for interim periods, disclosure and transition. It is the Company's policy to record interest and penalties related to uncertain income tax positions, if any, as a component of income tax expense.

As of December 31, 2011, the Company had no uncertain tax positions that would require recognition or disclosure in the financial statements. The Company does not file income tax returns because it is a disregarded entity for income tax purposes.

(2) COMMITMENTS

At present, MHHC is a holding company and all business is conducted through MHHP. Consequently, MHHP and MHHC have agreed that MHHP is responsible for substantially all of the operating expenses incurred by either entity. MHHC entered into a non-cancelable operating lease for the offices of MHHC and MHHP. This lease expires in July 2019 and requires MHHC to pay monthly its proportionate share of the operating expenses of the building. The future minimum rent payments under this lease are as follows: \$163,548 in 2012, \$157,258 in 2013, \$160,316 in 2014, \$163,375 in 2015, \$166,433 in 2016 and \$454,537 thereafter. MHHC and MHHP entered into a rent allocation agreement whereby MHHP has agreed to make all required payments of the aforementioned lease. This agreement is a one-year agreement which renews automatically at the beginning of each year unless amended by mutual consent of the parties.

MHHC has also entered into two operating leases for office equipment expiring in March 2012 and September 2014. MHHP has agreed to assume 100% of the costs associated with these leases. Base lease and usage expenses in connection with these leases were \$16,662 for the year ended December 31, 2011. Future minimum lease payments under these leases are \$7,808 in 2012, \$5,951 in 2013 and \$4,463 in 2014.

Furthermore, MHHC has entered into a licensing agreement for database access expiring in November 2012. MHHP has agreed to pay all costs associated with this agreement. The expense associated with this agreement was \$34,138 for the year ended December 31, 2011. Future minimum lease payments under this lease are \$32,725 in 2012.

(3) REGULATORY REQUIREMENTS

MHHP is exempt from the provisions of rule 15c3-3 under the Securities Exchange Act of 1934 (reserve requirement for broker/dealers) in that MHHP does not hold funds or securities for customers.

Pursuant to the net capital provisions of rule 15c3-1 under the Securities Exchange Act of 1934, MHHP is required to maintain a minimum net capital, as defined, equal to the greater of \$5,000 or 6-2/3% of aggregate indebtedness. Net capital and the related net capital ratio may fluctuate on a daily basis. REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS ON INTERNAL CONTROL REQUIRED BY SEC RULE 17a-5

To the Member Mufson Howe Hunter & Partners LLC

In planning and performing our audit of the financial statements and supplemental schedules of Mufson Howe Hunter & Partners LLC ("**MHHP**"), as of and for the year ended December 31, 2011, in accordance with auditing standards generally accepted in the United States of America, we considered its internal control over financial reporting (internal control) as a basis for designing our audit procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of MHHP's internal control. Accordingly, we do not express an opinion on the effectiveness of MHHP's internal control.

Also, as required by rule 17a-5(g)(1) of the Securities Exchange Commission ("**SEC**"), we have made a study of the practices and procedures followed by MHHP, including tests of such practices and procedures that we considered relevant to the objectives stated in rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of rule 15c3-3. Because MHHP does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the MHHP in any of the following:

1. Making quarterly securities examinations, counts, verifications and comparisons and recordation of differences required by rule 17a-13
2. Obtaining and maintaining physical possession or control of all fully paid and excess margin securities of customers as required by rule 15c3-3
3. Complying with the requirements for prompt payment for securities under Section 8 of the Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

The management of MHHP is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls, and of the practices and procedures referred to in the preceding paragraph, and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which MHHP has responsibility are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control or the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A significant deficiency is a deficiency, or combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

A material weakness is a deficiency, or combination of deficiencies, such that there is a reasonable possibility that a material misstatement of the financial statements will not be prevented or detected by and corrected on a timely basis.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in the Company's internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that MHHP's practices and procedures, as described in the second paragraph of this report, were adequate at December 31, 2011, to meet the SEC's objectives.

This report is intended solely for the information and use of the Directors, management, the SEC and other regulatory agencies that rely on rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and should not be used by anyone other than these specified parties.
