Stockholders and Board of Directors
Lesko Securities, Inc.

INDEPENDENT AUDITOR'S REPORT

We have audited the Statements of Financial Condition of Lesko Securities, Inc. (A Wholly-owned Subsidiary of Lesko Financial Services, Inc.) as of December 31, 2011 and 2010, and the related Statements of Income, Retained Earnings, Changes in Liabilities Subordinated to Claims of General Creditors, and Cash Flows for the years then ended that you are filing pursuant to rule 17a-5 under Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Lesko Securities, Inc. as of December 31, 2011 and 2010, and the results of its operations and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Our audits were conducted for the purpose of forming an opinion on the basic financial statements as a whole. The information contained in schedules 1, 2 and 3 is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by Rule 17a-5 under the Securities Exchange Act of 1934. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

DAVID M. STELLA, CPA

LESKO SECURITIES, INC.
(A WHOLLY-OWNED SUBSIDIARY)

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2011 AND 2010

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Operations

Lesko Securities, Inc. is a registered broker-dealer under the Securities Exchange Act of 1934 and is a member of the Financial Industry Regulatory Authority (FINRA). The Company is a wholly owned subsidiary of Lesko Financial Services, Inc. (Parent).

Method of Accounting

The Company utilizes the accrual method of accounting on a trade date basis for recording its revenues. Expenses are recorded when the expense is incurred.

Concentrations of Credit Risk

The Company sells investments primarily to customers in the Southern Tier of New York State. The Company maintains one office located in Binghamton, New York.

Cash in bank balances fluctuate during the year and can exceed federally insured amounts. Marketable securities fluctuate on a daily basis due to market risk.

Property

Property is depreciated on the straight-line method over the estimated useful life of the related assets.

Use of Estimates

The preparation of financial statements in accordance with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities at the date of the financial statements, and reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

(Continued)

See Independent Auditor's Report.

DAVID M. STELLA, CPA

LESKO SECURITIES, INC.
(A WHOLLY-OWNED SUBSIDIARY)

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2011 AND 2010

NOTE 2 COMMITMENTS AND RELATED PARTY TRANSACTIONS

The Company has entered into an agreement with Lesko Financial Services, Inc. (its parent Company), to pay Lesko Financial Services, Inc. a percentage of all revenues actually paid to the Company after allowances for commissions due registered representatives. The rate was 90% for the 2011 and 2010 reporting periods. This payment is in lieu of rents and payments for services including, but not limited to, secretarial, clerical, accounting and technical staff; telephone service; mailing facilities and postage costs; printing and supply costs; travel expenses; subscriptions, etc. This agreement may be terminated by either party with thirty (30) days written notice. The total amount of rents and services amounted to \$1,124,830 and \$952,228 for the years ended December 31, 2011 and 2010, respectively.

NOTE 3 NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission Net Capital Rule (rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. At December 31, 2011 and 2010, the Company had net capital of \$338,112 and \$278,517, respectively, which was \$288,112 and \$228,517, respectively, in excess of its required net capital. The Company's aggregate indebtedness to net capital ratio was .26 to 1 in 2011 and .38 to 1 in 2010.

NOTE 4 TAXES ON INCOME

Income taxes are provided based on the income reported in the financial statements. Deferred tax assets result from accrued commission expense not deducted for income tax purposes, a capital loss carryforward and unrealized gains (losses) on securities.

(Continued)

See Independent Auditor's Report.

DAVID M. STELLA, CPA

LESKO SECURITIES, INC.
(A WHOLLY-OWNED SUBSIDIARY)

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2011 AND 2010

NOTE 4 TAXES ON INCOME (Con't)

The Company's income tax filings are subject to audit by various taxing authorities. The Company's open audit periods are 2008-2011. In evaluating the Company's tax provisions and accruals, future taxable income, and the reversal of temporary differences, interpretations and tax planning strategies are considered. The Company believes their estimates are appropriate based on current facts and circumstances.

NOTE 5 FAIR VALUE OF INSTRUMENTS

The Company's financial instruments are cash and cash equivalents, short-term investments, accounts receivable and accounts payable. The recorded values of cash and cash equivalents, accounts receivable and accounts payable approximate their fair values based on their short-term nature.

NOTE 6 INVESTMENTS

Financial Accounting Standards establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Company has the ability to access.

See Independent Auditor's Report.

DAVID M. STELLA, CPA

LESKO SECURITIES, INC.
(A WHOLLY-OWNED SUBSIDIARY)

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2011 AND 2010

NOTE 6 INVESTMENTS (con't)

- Level 2: Inputs to the valuation methodology include:
- Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following table sets forth by level, within the fair value hierarchy, the Company's investments value as of December 31, 2011 and 2010.

	Assets at Fair Value as of December 31, 2011			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds	\$188,702	\$ -0-	\$ -0-	\$188,702

**REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS
ON INTERNAL CONTROL REQUIRED BY SEC RULE 17a-5**

To the Management
Lesko Securities, Inc.
Binghamton, NY

In planning and performing our audit of the financial statements of Lesko Securities, Inc., for the year ended December 31, 2011, in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission ("SEC"), we have made a study of the practices and procedures followed by the Company including consideration of control activities for safe guarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodian functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications and comparisons and recordation of differences required by Rule 17a-13.

2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable, but not absolute, assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A *control deficiency* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A *significant deficiency* is a deficiency, or combination of control deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Company's financial statements will not be prevented or detected and corrected on a timely basis.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at December 31, 2011, to meet the SEC's objectives.

This report is intended solely for the information and use of management, the SEC, and other regulatory agencies which rely on Rule 17a-5(g) under the Securities Exchange Act of 1934, in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.
