To the Dealers appointed
from time to time pursuant to a
Terms Agreement or Appointment Agreement
under the Global Debt Program of the
Inter-American Development Bank

Ladies and Gentlemen:

I have participated in the proceedings of the Inter-American Development Bank (the "Bank") to establish the Global Debt Program of the Bank, as it may be amended, restated, or superseded from time to time (the "Program"), and to authorize the issue and sale of Notes thereunder (the "Notes") with reference to a Prospectus dated January 8, 2001 (the "Prospectus"). In connection with such proceedings, I have examined, among other documents, the following:

- 1) The Agreement Establishing the Inter-American Development Bank (the "Bank Agreement") and the By-Laws of the Bank;
- 2) The Global Borrowing Authorization, Resolution DE-21/12, authorizing the issuance and sale of the Notes;
- 3) The Prospectus;
- 4) The Standard Provisions, dated as of January 8, 2001 (the "Standard Provisions");
- 5) The Global Agency Agreement, dated January 8, 2001, as amended, among the Bank, Kredietbank S.A. Luxembourgeoise, and Citibank, N.A. (the "Global Agency Agreement"); and
- 6) The Uniform Fiscal Agency Agreement, dated as of July 20, 2006, as amended, between the Bank and the Federal Reserve Bank of New York (the "FRBNY Fiscal Agency Agreement").

Pursuant to Section 5(e)(ii) of the Standard Provisions, I am of the opinion that:

- a) The Bank is an international organization duly established and existing under the Bank Agreement;

- b) The Bank has obtained all governmental approvals required pursuant to the Bank Agreement in connection with the offering, issue and sale of the Notes;
- c) The creation, issue, sale and delivery of the Notes, and the execution of any Notes in definitive form, have been duly authorized, and when duly issued and delivered, and in the case of Notes in definitive form, duly executed, authenticated, issued and delivered, the Notes will constitute valid and legally binding obligations of the Bank in accordance with their terms;
- d) Any applicable Terms Agreement or Appointment Agreement, as the case may be, as of its date, will be duly authorized, executed and delivered by the Bank;
- e) Each of the Global Agency Agreement, and the FRBNY Fiscal Agency Agreement has been duly authorized, executed and delivered by the Bank and constitutes a valid and legally binding obligation of the Bank;
- f) Under existing law, it is not necessary in connection with the public offering and sale of the Notes to register the Notes under the U.S. Securities Act of 1933, as amended, or to qualify an indenture with respect thereto under the U.S. Trust Indenture Act of 1939, as amended.

While I assume no responsibility with respect to the statements in the Prospectus, nothing has come to my attention which has caused me to believe that the Prospectus, as of its date and as of the date hereof, and excluding the financial statements or other financial data, contains any untrue statement of a material fact or omits to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading.

This letter does not relate to the financial statements or other financial data contained in the Prospectus.

In rendering the foregoing opinion, I have relied, with respect to matters of New York law, upon the opinion of Sullivan & Cromwell LLP and, with respect to matters of English law, upon the opinion of Linklaters LLP, each delivered on this date in accordance with the Standard Provisions. Also, I have assumed that signatures on all documents examined by me are genuine.

This letter is furnished by me as Chief Counsel of the Bank to Dealers appointed from time to time under the Program and is solely for their benefit.

Very truly yours,

John S. Scott
Chief Counsel

(e) Reference Rate:

3-Month USD-LIBOR-BBA

“3-Month USD-LIBOR-BBA” means the rate for deposits in USD for a period of 3 months which appears on Reuters Screen LIBOR01 (or such other page that may replace that page on that service or a successor service) as of the Relevant Time on the Interest Determination Date;

“Relevant Time” means 11:00 a.m., London time;

“Interest Determination Date” means the second London Banking Day prior to the first day of the relevant Interest Period; and

“London Banking Day” means a day on which commercial banks are open for general business, including dealings in foreign exchange and foreign currency deposits, in London.

If such rate does not appear on Reuters Screen LIBOR01 (or such other page that may replace that page on that service or a successor service) at the Relevant Time on the Interest Determination Date, then the rate for 3-Month USD-LIBOR-BBA shall be determined on the basis of the rates at which deposits in USD are offered at the Relevant Time on the Interest Determination Date by five major banks in the London interbank market (the “Reference Banks”) as selected by the Calculation Agent, to prime banks in the London interbank market for a period of 3 months commencing on the first day of the relevant Interest Period and in an amount that is representative for a single transaction in the London interbank market at the Relevant Time. The Calculation Agent will request the principal London office of each of the Reference Banks to provide a quotation of its rate.

If at least two such quotations are provided, the rate for 3-Month USD-LIBOR-BBA shall be the arithmetic mean of such quotations. If fewer than two quotations are provided as requested, the rate for 3-Month USD-LIBOR-BBA shall be the arithmetic mean of the rates quoted by major banks in New York City, selected by the Calculation Agent, at approximately 11:00 a.m., New York City time, on the first day of the relevant Interest Period for loans in USD to leading European banks for a period of 3 months commencing on the first day of the relevant Interest Period and in an amount that is representative for a single transaction in the London interbank market at such time.

If no quotation is available or if the Calculation Agent determines in its sole discretion that there is no suitable bank that is prepared to provide the quotes, the Calculation Agent will determine the rate for 3-Month USD-LIBOR-BBA for the Interest Determination Date in question in a manner that it deems commercially reasonable by reference to such additional resources as it deems appropriate.

General Information

Additional Information Regarding the Notes

1. The EU has adopted a Directive regarding the taxation of savings income (the “Savings Directive”). The Savings Directive requires Member States (as defined below) to provide to the tax authorities of other Member States details of payments of interest and other similar income paid by a person to an individual in another Member State, except that Austria and Luxembourg will instead impose a withholding system for a transitional period unless during such period they elect otherwise.

The Bank undertakes that it will ensure that it maintains a paying agent in a country which is a member of the European Union (a “Member State”) that will not be obliged to withhold or deduct tax pursuant to the Savings Directive.

2. United States Federal Income Tax Matters

A) United States Internal Revenue Service Circular 230 Notice: To ensure compliance with Internal Revenue Service Circular 230, prospective investors are hereby notified that: (a) any discussion of U.S. federal tax issues contained or referred to in this Pricing Supplement, the Prospectus or any other document referred to herein is not intended or written to be used, and cannot be used, by prospective investors for the purpose of avoiding penalties that may be imposed on them under the United States Internal Revenue Code; (b) such discussions are written for use in connection with the promotion or marketing of the transactions or matters addressed herein; and (c) prospective investors should seek advice based on their particular circumstances from an independent tax advisor.

B) The “Tax Matters” section of the Prospectus and any tax disclosure in this pricing supplement is of a general nature only, is not exhaustive of all possible tax considerations and is not intended to be, and should not be construed to be, legal, business or tax advice to any particular prospective investor. Each prospective investor should consult its own tax advisor as to the particular tax consequences to it of the acquisition, ownership, and disposition of the Notes, including the effects of applicable

U.S. federal, state, and local tax laws and non-U.S. tax laws and possible changes in tax laws.

C) Due to a change in law since the date of the Prospectus, the second paragraph of “—Payments of Interest” under the United States Holders section should be read as follows: “Interest paid by the Bank on the Notes constitutes income from sources outside the United States and will, depending on the circumstances, be “passive” or “general” income for purposes of computing the foreign tax credit.”

D) Due to a change in law since the date of the Prospectus, the fourth paragraph of “—Purchase, Sale and Retirement of the Notes” under the United States Holders section should be read as follows: “Capital gain of a noncorporate United States holder that is recognized in taxable years beginning before January 1, 2013 is generally taxed at a maximum rate of 15% where the holder has a holding period greater than one year.”
