#### **INDEPENDENT AUDITOR'S REPORT**

To the Members Millennium Wave Securities, LLC

We have audited the accompanying statement of financial condition of Millennium Wave Securities, LLC (the Company) as of December 31, 2011, and the related statements of operations, changes in members' capital, and cash flows for the year then ended that you are filing pursuant to Rule 17a-5 under the Securities Exchange Act of 1934 and pursuant to Regulation 1.10 under the Commodity Exchange Act. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Millennium Wave Securities, LLC as of December 31, 2011, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The information contained on pages 8 through 11 is presented for purposes of additional analysis and is not a required part of the financial statements. The computation of net capital and computation of reserve requirements and information relating to possession or control requirements is supplementary information required by Rule 17a-5 under the Securities Exchange Act of 1934. The computation of the minimum capital requirements is supplementary information also required by regulations of the Commodity Futures Trading Commission. The NFA Supplemental Schedule-IB is supplementary information required by the rules of the National Futures Association. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

### MILLENNIUM WAVE SECURITIES, LLC NOTES TO FINANCIAL STATEMENTS

#### Note 1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### A. General Description of the Company

Millennium Wave Securities, LLC (the Company) is a Texas limited liability company which was formed on September 8, 1999 and will continue perpetually, unless sooner terminated in accordance with the provisions of the Company's Limited Liability Company Regulations. The Company is a broker-dealer registered with the Securities and Exchange Commission (SEC) and is a member of the Financial Industry Regulatory Authority (FINRA). The Company is also registered with the Commodity Futures Trading Commission as an Introducing Broker, Commodity Pool Operator, and Commodity Trading Advisor and is a member of the National Futures Association. The Managing Member of the Company is John F. Mauldin.

#### B. Method of Reporting

The Company's financial statements are presented in conformity with accounting principles generally accepted in the United States of America, which require the use of certain estimates made by the Company's management. Actual results could differ from those estimates.

#### C. Referral Fees

Referral fees are fees earned from unaffiliated broker dealers, funds or other entities to whom the Company refers investors. Such amounts are recognized as income when earned.

#### D. Income Taxes

As a limited liability company, the Company prepares and files calendar year U.S. and applicable state information tax returns and reports to its members their allocable shares of the Company's taxable income. The 2008 through 2011 tax years generally remain subject to examination by U.S. federal and applicable state tax authorities.

The Company applies the provisions of Codification Topic 740, *Income Taxes*, which prescribe the minimum recognition threshold a tax position must meet in connection with accounting for uncertainties in income tax positions taken or expected to be taken by an entity before being measured and recognized in the financial statements. This accounting standard requires the evaluation of tax positions taken or expected to be taken in the course of preparing the Company's financial statements to determine whether the tax positions are "more-likely-than-not" of being sustained by the applicable tax authority. Tax positions with respect to tax at the Company level not deemed to meet the "more-likely-than-not" threshold would be recorded as an expense in the current year. The Company has elected an accounting policy to classify interest and penalties, if any, as interest expense. The Managing Member has concluded there is no tax expense or interest expense related to uncertainties in income tax positions for the year ended December 31, 2011.

Although the Company is not subject to federal income tax at the Company level, the Company is subject to the Texas Franchise Tax which is a privilege tax imposed on entities organized or doing business in Texas. Such tax is included in other expenses in the statement of operations.

#### E. Allocation of Income and Loss

Pursuant to an agreement between the members, the Managing Member is allocated 100% of all income or loss of the Company.

### MILLENNIUM WAVE SECURITIES, LLC NOTES TO FINANCIAL STATEMENTS (CONTINUED)

#### Note 2. <u>RELATED PARTY TRANSACTIONS</u>

The Company entered into a Services Agreement with an affiliated company, Mauldin Management Company (MMC), pursuant to which MMC makes available certain facilities and provides for the performance of certain services for the Company, including office space, utilities, staff and certain other general and administrative expenses. In return for such services, the Company pays MMC a monthly Office Services Fee based on the Company's percentage of revenue generated (as defined in the Services Agreement). The Company paid \$51,914 to MMC during 2011 for the use of these facilities and for the reimbursement of other shared office expenses.

#### Note 3. <u>DEPOSITS</u>

The Company deposits cash with Capital One Bank. At times, the balance may be in excess of federally insured limits.

### Note 4. <u>NET CAPITAL REQUIREMENTS</u>

Pursuant to the net capital provisions of Rule 15c3-1 of the Securities Exchange Act of 1934, the Company is required to maintain minimum net capital and is required to maintain a ratio of aggregate indebtedness to net capital (both as defined under such provisions), not to exceed 15 to 1. The Company is also subject to the net capital provisions of regulation 1.17 under the Commodity Exchange Act which requires that the Company maintain minimum net capital of \$45,000. At December 31, 2011, the Company had net capital of \$54,389, which was \$9,389 in excess of its required net capital of \$45,000. The Company's percentage of aggregate indebtedness to net capital was 34%.

#### Note 5. INDEMNIFICATIONS

In the normal course of business, the Company enters into contracts and agreements that contain a variety of representations and warranties and which provide general indemnifications. The Company's maximum exposure under these arrangements is unknown, as this would involve future claims that may be made against the Company that have not yet occurred. The Company expects the risk of any future obligation under these indemnifications to be remote.

#### Note 6. SUBSEQUENT EVENT

The Company distributed \$115,000 to the Managing Member during the period January 1, 2012 through February 24, 2012.

### INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL

Supplementary Report to Financial Statements and Supplementary Information (Form X-17a-5)

For the Year Ended December 31, 2011

201 International Circle, Suite 400 Hunt Valley, Maryland 21030 • USA Tel: 410-771-0001 • Fax: 410-785-9784 www.arthurbellcpas.com

### INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL

To the Members Millennium Wave Securities, LLC

In planning and performing our audit of the financial statements of Millennium Wave Securities, LLC (the Company) as of and for the year ended December 31, 2011, in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company, including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

- 1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by Rule 17a-13
- 2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

In addition, as required by Regulation 1.16 of the Commodity Futures Trading Commission (CFTC), we have made a study of the practices and procedures followed by the Company including consideration of control activities for safeguarding customer and firm assets. This study included tests of such practices and procedures that we considered relevant to the objectives stated in Regulation 1.16 in making the periodic computations of minimum financial requirements pursuant to Regulation 1.17.

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraphs. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraphs and to assess whether those practices and procedures can be expected to achieve the SEC's and CFTC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) and Regulation 1.16 (d)(2) list additional objectives of the practices and procedures listed in the two preceding paragraphs. Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Company's financial statements will not be prevented or detected and corrected on a timely basis.

Our consideration of internal control was for the limited purpose described in the first, second and third paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities, including procedures for safeguarding customer and firm assets, that we consider to be material weaknesses, as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second and third paragraphs of this report are considered by the SEC and CFTC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and the Commodity Exchange Act, and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures, as described in the second and third paragraphs of this report, were adequate at December 31, 2011, to meet the SEC's and CFTC's objectives.

This report is intended solely for the information and use of the members, management, the SEC, the Financial Industry Regulatory Authority, Inc, the CFTC, the National Futures Association, and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 or Regulation 1.16 of the CFTC or both in their regulation of registered broker-dealers and introducing brokers, and is not intended to be and should not be used by anyone other than these specified parties.

#### INDEPENDENT ACCOUNTANT'S REPORT ON APPLYING AGREED-UPON PROCEDURES

To the Members Millennium Wave Securities, LLC

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments [General Assessment Reconciliation (Form SIPC-7)] to the Securities Investor Protection Corporation (SIPC) for the year ended December 31, 2011, which were agreed to by Millennium Wave Securities, LLC (the Company) and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc. and SIPC, solely to assist you and the other specified parties in evaluating the Company's compliance with the applicable instructions of the General Assessment Reconciliation (Form SIPC-7). The Company's management is responsible for the Company's compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

- 1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement records entries in the Company's general ledger system, noting no differences;
- 2. Compared the amounts reported on the audited Form X-17A-5 for the year ended December 31, 2011, as applicable, with the amounts reported in Form SIPC-7 for the year ended December 31, 2011 noting no differences;
- 3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers, noting no differences;
- 4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting the adjustments noting no differences.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
